ENGINES

For any kind of driving — snow, rain, city stop-and-go traffic, road-trip cruising — the more muscle the better. Vibe offers two engines to get you most anywhere you need to go.

1.8 Liter
130 hp @ 6000 rpm
125 lb-ft @ 4200 rpm (Torque)
(Standard on Vibe)

1.8 Liter (High Output)
180 hp @ 7600 rpm
130 lb-ft @ 6800 rpm (Torque)
(Standard on Vibe GT)

1.8 Liter
123 hp @ 6000 rpm
118 lb-ft @ 4200 rpm (Torque)
(Standard on Vibe AWD)

*Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your Owner's Manual and child safety seat instructions for more information.

CAPABILITIES

For Tons of Room,
This is Really Cool

Everyone's got their own stuff, and with Vibe's fold-down seats you can move a lot of it without removing any of the seats. Vibe's rear seatbacks individually fold flat with the touch of one button, giving you over 54 cubic feet of room. The front-passenger seatback also folds flat, letting you haul things over 8-feet long inside, with the tailgate closed.

No hassle. It also uses an innovative adjustable cargo secure your stuff so it keeps from sliding. With all the seats up there's room for five adults, plus over 19 cubic feet of your stuff.

AWD

Stands for all-wheel drive, meaning you won't have to cancel your weekend trip because the sky dumped a load of snow last night. AWD uses a viscous coupling in the rear differential to send power from the front wheels to the rear. (So? What does that mean?) It means you get better grip on almost any road, from tight alleyways to interstates.

BASE MANUFACTURER'S
SUGGESTED RETAIL PRICE¹

Vibe \$16,900
Vibe GT \$19,900
Vibe AWD \$20,100
(Tax, title and license extra)
