ION SEDAN

saturn.com or 1 800 522 5000

It's time to put soul on your treads. It's time to get behind the wheel of a road-loving car. Equipped with a 140-horsepower engine, German-engineered manual transmission, and room enough for all the stuff that matters, the all-new ION is your own 93-cubic-foot kingdom from which you can explore any stretch of pavement you choose.

Optional spoiler shown. Not available on ION-1.

ION-3 optional 6-disc stereo shown.

Retailer-installed ski rack shown.

¹Base manufacturer's suggested retail prices for Saturn vehicles as of September 15, 2002. Tax, title, license and optional equipment extra. Each retailer sets its own price, which may differ from the price above. ²Actual mileage may vary with driving conditions. Use for comparison only. ³Head Curtain Side Air Bags not available at start of production. Head Curtain Side Air Bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the rear side of certain side-impact collisions. Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat.
