

BREAK  THROUGH™

CTS shown in Light Platinum with optional equipment.

## C T S

CTS® boldly embodies the new Cadillac® image with sharp, dramatic lines and advanced engineering. And, for 2004, CTS offers the availability of a 3.6L VVT (Variable Valve Timing) engine with 260 hp.

The new powerplant makes CTS exhilarating to pilot. Its rear-wheel-drive chassis, advanced engineering and premium components were developed, validated and tested at the Nurburgring race circuit in Germany, the ultimate proving ground for vehicle dynamics.

Standard leather seats and optional wood trim create a luxurious feel.

The CTS interior features five-passenger seating. Shown with optional equipment.

Gauges are within easy reach for optimal control. Shown with optional equipment.

2004

1 Manufacturer's Suggested Retail Price as of 6/12/03. Tax, title, license and optional equipment are extra.  
2 Cargo and load capacity limited by weight and distribution.  
3 This is an available option package. Features shown as standard are included in this available package.  
4 Call 1-888-4ONSTAR or visit [www.onstar.com](http://www.onstar.com) for system limitations and details.  
5 RDS functions only when stations broadcast RDS information.  
6 XM is available only in the 48 contiguous states. For more information, visit [gm.xradio.com](http://gm.xradio.com).  
7 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. Head curtain side air bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the near side of certain side-impact collisions. See the Owner's Manual for more safety information.  
8 Available as an extra-cost option.
