

307 
PEUGEOT

ACCESSORIES

1 Alloy Wheels (COTYA)

The look of the wheel can be a very tangible statement of style, however its contribution to the overall safety of the car cannot be underestimated as it directly impacts on road holding. Produced according to the same specifications as the standard 307 wheels, COTYA wheels are tried and tested, guaranteeing you reliability and sturdiness. These classy and sporty alloy wheels complement the 307 with a stylish and personal touch.

Part Number:
15" 9606PJ
16" 9606PN
17" 9606PR

2 Locking Wheel Nuts

A clear deterrent to thieves, these sprocket coded wheel anti-theft nuts ensure your alloy wheels cannot be removed without the special spanner. Available as a set of 4 with coded spanner.

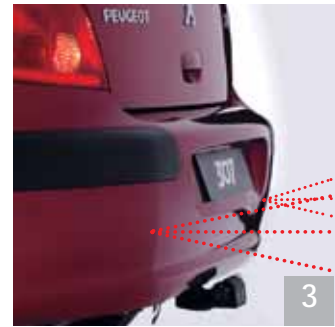

Part Number: 9606PA

3 Reverse Proximity Detector

Perfect to get your 307 in and out of a tight spot. Detects obstacles by induction with sound frequency varying according to distance.

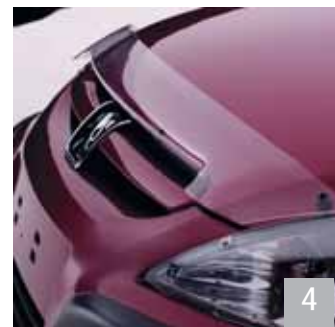

Part Number: 96718E

4 Bonnet Protector

Protect your 307 from frontal stone chips. Moulded from high impact clear acrylic, offering protection that won't detract from your car's style.

Part Number: 9160264

5 Boot/Roof Spoiler

Engineered by the Peugeot Style Centre, this spoiler is the perfect addition to your 307 (3 or 5 door). Incorporating the safety high mounted stoplight, the spoiler is made from moulded 4mm high strength plastic over a solid core. Requires painting to match your car's exterior colour.

Part Number: 9614T6

6 Headlight Covers

Moulded to complement your 307's headlights, the covers provide extra protection against stone chips and abrasive dust particles.

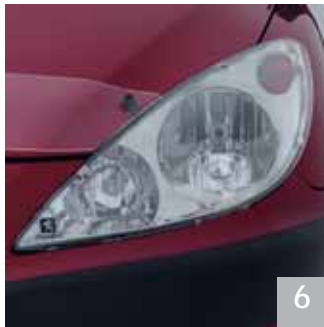

Part Number: 9160259

7 Arm Rest - Front Centre

Perfect for longer journeys, this pivoting padded arm rest is trimmed in black and conceals a handy storage area for every day objects.

Important: Cannot be installed if your car is equipped with integrated front seat arm rests.

Part Number: 965242

8 Rear Parcel Shelf Speaker System

Consisting of two 165mm Techno series woofers, two 100mm Techno series tweeters and all connectors. Protected by an ABS shell underneath and a special acoustic cover that makes them invisible from the outside, these speakers perfectly match the original stereo or the optional system with separate amp.

Part Number: 9711XL

9 Car Alarm

Peugeot's goal was simple with the 307 alarm: compatibility and reliability. The wiring is designed to connect directly into the multiplex smart servo box. This high performance alarm combines both a perimeter system, monitoring the doors and boot, and an ultrasonic volumetric alarm to detect movement in the cabin. The alarm meets SRA Classification demanded by insurance companies.

Part Number: 96716N

10 CD Storage

Keep your favourite music at your fingertips with this handy CD rack that fits under the radio. It also features a disc present indicator light. Holds 4 CDs.

Important: Cannot be installed if your car is equipped with a 5 CD in-dash changer.

Part Number: 946809

11 CD In-Dash Changer

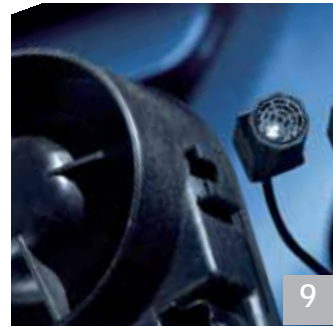

This high quality 5 CD Changer is designed to fit into the second slot in the dash and perfectly complements the overall dash design.

Electronic security renders the unit inoperable if removed from car.

1 Roof Bars

Custom designed for the 307, the aluminium and composite roof bars are rated to a load of 80kg. Their design includes a 'T' groove for mounting other 307 load carrying accessories for cycles and roof luggage.

Part Number: 9616P0

2 Roof Bar Ski Rack

The ski-rack is designed to be compatible with the 307 roof bars and are easily screwed on with an anti-skid rubber base. It is suitable for carrying 4 pairs of downhill skis or 2 pairs of skis and 2 snowboards.

Part Number: 961778

Mounting System

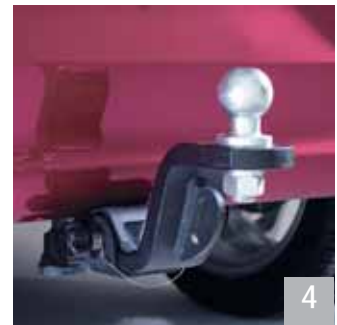

Part Number: 961781

3 Boot Tray

Contoured to fit perfectly in your 307 (3 or 5 door), with no special mounting required, this boot tray provides excellent protection against every day wear and tear. It features high rims, is watertight and easy to wipe down.

Part Number: 9664JQ

4 Tow Bar

Manufactured to Australian standards specifically for the 307, this quality tow bar features a removable tongue and a load capacity of 1300kg (trailer with brakes).

Part Number: 9160261

Wiring harness

Part Number: 9688J8

Towball cover

Part Number: 9160266

Tongue storage bag

Part Number: 9160265

5 First Aid Kit

You can never be too careful. Our First Aid Kit comes in a soft case in the Peugeot colours. Inside you will find all you need for minor first aid: (First aid manual, adhesive plasters, a survival blanket, scissors, compresses, etc.) Fits under-seat storage drawer where optional.

Part Number: 9652YP

6 Safety Triangle

A vital accessory to have in your 307, especially as our roads become more and more congested. The triangle folds up, is highly reflective and comes in a solid grey case.

Part Number: 964501

7 Seat Covers (Blue/Green on Black Ouvea)

Specially designed by Peugeot's Engineers not to hinder side airbag deployment. These woven fabric seat covers feature blue and green motifs on a black background on the central inset and solid black trim. Front and rear set.

Par Number: 9649XT
(with rear armrest)

Par Number: 9649YX
(without rear armrest)

8 Seat Covers (Grey Morea)

Elegant velour seat covers featuring solid side panels with inset in contrasting horizontal stripes. Front and rear set.

Part Number: 9649XS
(with rear arm rest)

Part Number: 9649XR
(without rear arm rest)

9 Seat Covers (Grey Saona)

High quality velour seat cover with subtle inset pattern.

Part Number: 9649YA
(with rear armrest)

Part Number: 9649YC
(without rear armrest)

10 Window Shades (Rear)

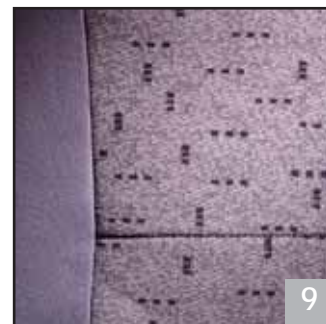

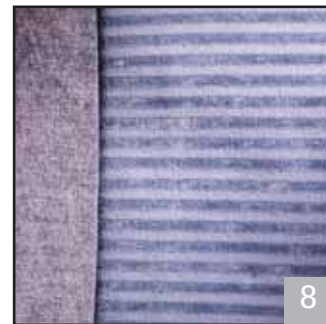

Enjoy protection from the sun's harsh rays with this roller shade with an exceptionally quiet operation. It shades the total area of the back window and was designed in accordance with the original specifications for the 307 in terms of the material used and "No Noise" operation, guaranteeing you both performance and reliability.

Part Number: 9659C4

11 Window Shades (Side)

Designed to provide shade over the total area of the rear side windows, they come in sets of 2, packed in a nylon storage cover. They fold up in just a few seconds and take up very little room.

Part Numbers:
9659CA (3 door)
9659C9 (5 door)

1 Video Screen Kit

The 16/9 format colour liquid crystal display screen is mounted on a column allowing full swivel & tilt adjustment for best viewing position. With audio/video inputs for DVD player, camcorder or games console and wireless headphones (2), this ultimate accessory makes car trips seem shorter for both parents and children! Features include on-screen settings, integrated loudspeaker and PAL/NTSC compatibility.

Part Number: 9702X1
