

BUICK

2005 **BUICK** LaCROSSE

The world doesn't need another midsize sedan. It needs a better one. Introducing the all-new Buick® LaCrosse™ — created to feel unlike any car in its class. Inside and out, craftsmanship prevails and ingenuity abounds. The fit and finish will compete with European luxury sedans. The cabin is hushed by Buick's QuietTuning™, providing an exceptionally quiet driving experience. You'll also find impressive power, a smooth ride, and handling that's crisp, tight and controlled. The new LaCrosse wasn't created to merely equal. It was created to surpass.

Note: Photos shown may include optional equipment.
