

BUICK

2005 **BUICK** PARK AVENUE

The Park Avenue® is both a clear articulation and a moving celebration of what Buick® thinks a luxury car should be. The styling quietly makes a strong statement. It's a clean design sculpted with elegant lines and accents that glisten like jewels. The interior is luxurious, but not pretentious. Thick carpet and fine leather-appointed interior set off the rich look of maple or walnut. The smooth engine and refined suspension find the ideal balance of power, comfort and control. If care and craftsmanship agree with your definition of a luxury car, Park Avenue is waiting.
