

As the world's first reconfigurable luxury SUT, Escalade EXT redefines innovation. The key is its ingenious Midgate® panel, which helps to quickly transform the EXT from a luxury SUT into a versatile cargo carrier.* The five-foot lockable cargo bed is expandable to over eight feet with an optional sliding load floor for easy loading and unloading. Escalade EXT also puts you in command of the road with a high-output 345-hp V8, a Road-Sensing Suspension, StabiliTrak® Stability Enhancement and High Intensity Discharge headlamps. Power. Luxury. Functionality. You get it all in Escalade EXT.

¹ Official EPA estimates not yet available. Estimates based on GM testing.
² Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment.
³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.
⁴ Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.
⁵ Cargo and load capacity limited by weight and distribution.
⁶ RDS functions only when stations broadcast RDS information.
⁷ XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xmradio.com for more details.
⁸ Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
⁹ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
¹⁰ Extra-cost option.
