

Experience a true sense of driver confidence in the 2005 Cadillac Escalade. A boldly assertive exterior with crisp lines and muscular stance projects a sense of power. Escalade AWD features a class-leading high-output 345-hp V8 engine, which makes it the world's most powerful SUV*. Escalade's interior doesn't leave you wanting for luxury either. There are power-adjustable foot pedals, available room for up to eight, a premium Bose music system, dual front air bags† with the Passenger Sensing System, and driver and front passenger side-impact air bags.† In Escalade, you take the high road. Without compromise.

- 1 Official EPA estimates not yet available. Estimates based on GM testing.
- 2 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.
- 3 Cargo and load capacity limited by weight and distribution.
- 4 Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment.
- 5 RDS functions only when stations broadcast RDS information.
- 6 XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xmradio.com for more details.
- 7 Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
