

05 blazer

RUGGED BY NATURE.

With the 2005 Chevy™ Blazer® 2-Door, very little stands in your way. Choose Blazer, available in 2WD or 4x4 configurations, or the rugged ZR2® 4x4 model. Each is powered by a Vortec™ 4300 V6 with 190 hp. Inside, there's 60.6 cu. ft. of cargo space* (with the rear seats folded down) for all your gear. And every Blazer comes with the security of standard ABS and PASSlock® theft-deterrent system.

Shown below: Blazer ZR2 4x4 shown in Victory Red with available features. *Cargo and load capacity limited by weight and distribution.

1 ZR2 is an option package. Features listed as standard are included in this available package.
2 Official EPA estimates not yet available. Estimates based on GM testing.
3 Cargo and load capacity limited by weight and distribution.
4 RDS functions only when stations broadcast RDS information.
5 Required option with ZR2 Package.
6 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
