ADRENALINE. SERVED DAILY.

It puts the exhilaration back into driving — the premium 2005 Chevy™ Impala®. Choose from three models: Impala Sedan — with the best highway fuel economy in its class* — the well-equipped Impala LS and the high performance Impala SS, with a 240-hp supercharged 3800 V6. And Impala also delivers more room inside than any Accord or Camry†. With all these features, it's no wonder more than 1 million Impala models have been sold since 1999.** Shown below: Impala SS in Laser Blue Metallic. *Based on 2004 EPA Large Cars segment. Impala Sedan with 3400 V6 engine estimated MPG 32 hwy. Fuel economy estimate based on GM testing. Official EPA estimates not yet available. †Based on 2004 competitive information. **Based on total retail and fleet deliveries.
