1 Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution.

2 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details.

3 Gross Vehicle Weight Rating (GVWR). When properly equipped; includes vehicle, passengers, cargo and optional equipment.

4 Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual for more safety information.

5 Passenger Sensing System not available in 1500HD Crew Cab models.

6 Not available on 1500HD Crew Cab model.

7 Extended Cab 1500 model only.

8 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

9 XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xmradio.com for more details.

10 Required and only available with QUADRASTEER on 1500HD Crew Cab models.

11 Requires available automatic transmission.

12 Use only appropriate wheels and GM specified TPC tires on this vehicle. Using different wheels or tires can adversely impact vehicle safety and performance. See your Chevy dealer for more information.

13 Not available on Base model.

14 SS is available only in Dark Blue Metallic, Victory Red and Black.
