ACCESSORIES

## 1 Alloy Wheel

HORTAZ DIAMANTEE  
(5 SPOKE 7 J 17 CH 5-48)

Your vehicle is extraordinary - make it unique! Amongst the accessories most likely to be noticed, the alloy wheel occupies a privileged position. The Peugeot Hortaz wheel has been designed with this in mind.

Innovative with a diamanté finish, a set of Peugeot alloy wheels add a sporty, classy touch that makes a vehicle stand out from the crowd.

Peugeot alloy wheels provide all the assurances in terms of quality and safety as they are checked by a unitary X-ray test and a series of impact, fatigue and bump tests that aftermarket wheels are not generally subjected to, because of a lack of regulatory constraint. It is worth heeding the manufacturer's recommendation regarding alloy wheels, which are a safety product, as the specifications directly contribute

to vehicle road holding. More than reputations are at stake!

**Part Number: 9607FI**

## 2 Boot Spoiler (requires painting)

Designed by PEUGEOT Style, this boot spoiler accentuates the dynamism whilst respecting the philosophy and elegance of the vehicle. The composite materials used in its manufacture guarantee excellent resistance to climatic and mechanical demands. The boot spoiler is supplied ready to be painted, in a kit complete with all fittings and instructions. A set of 2 balance units P/N 9614X6 can be installed as an optional extra to make the boot easier to open.

**Part Number: 9614V8 Sedan**

## 3 Boot Liner

The thermo-shaped boot tray is dark grey in colour with 40mm high edges.

It matches the interior design of the vehicle to the functionality of the luggage compartment without interfering with the use of such equipment as the CD stacker and is compatible with the various fixing attachments provided.

Proudly carrying the Peugeot logo, the boot tray protects the vehicle against the ravages of everyday use.

**Part Number: 9664QN Sedan**

**Part Number: 9664QL Touring**

## 4 Boot Carpet Velour

Boot carpet is manufactured from quality tufted velour at 450gm/m<sup>2</sup> in 100% polyamide, perfectly matching the shape of the floor panel with excellent floor hugging characteristics.

The carpet is discretely embroidered with the 407 logo and adds that top-of-the-range level of luxury to an area that is often overlooked.

**Part Number: 9664RG Sedan**

**Part Number: 9664RF Touring**

## 1 CD Stacker\*

This cartridge style CD stacker conveniently mounts out of the way in a special compartment in the boot. It holds 6 CD's to keep your favourite music at your fingertips.

\* Also requires harness and hardware.

**Part Number: 6564E1**

## CD Stacker Harness

**Part Number: 9706AF**

## CD Stacker Hardware

**Part Number: 6560Q3 x 2  
and 6920A2 x 4**

## 2 Floor Mats Rubber

This pair of rubber mats is a totally new exclusive design which features an anti-tear underside provided by stitching on the back and edging designed to prevent dirt from entering the vehicle, and offer very effective protection for the original carpet. Displaying the 407 logo on the driver's mat and enjoying a

fresh new look, the mats are not only attractive but also very practical. Set of front and rear mats.

**Part Number - Front: 9664RE**

**Part Number - Rear: 9664RA**

## 3 Floor Mats Dark Grey (4)

These floor mats are of very good quality 650gm/m<sup>2</sup> density carpet in 100% polypropylene needleprick Dilours, with black overcast stitching finishing the edges.

The driver's side mat is embroidered with the 407 logo and has a reinforced heelpad heat-sealed in a black velour finish and fittings designed to ensure perfect retention inside the vehicle.

All mats have an anti-slip backing and are a most practical way of preserving the interior, being strong and comfortable and easily removable from the vehicle for cleaning. Set of front and rear mats.

**Part Number: 9664RC**

## 4 Floor Mats Anthracite Grey Velour (4)

These top of the range tufted velour mats perfectly match the contours of the floor panel and elegantly protect the original carpet.

Manufactured from "CLASSIC" quality in 450gm/m<sup>2</sup>, 100% polyamide, they are trimmed in Nubuck and have the 407 logo embroidered on the driver's mat which also has fittings designed to ensure perfect retention inside the vehicle, while all mats have an anti-slip backing. Set of front and rear mats.

**Part Number: 9664SC**

## 5 Headlight Covers

Moulded to suit the superb aerodynamics of the 407, these covers provide extra protection for the headlights against stone chips and the abrasive effect of fine dust particles in the air and are discrete enough not to detract from the style and philosophy of the vehicle design.

**Part Number: 9160301**

PEUGEOT

### 1 First Aid Kit

The first aid kit comes as a soft wallet in blue with the Peugeot logo. Contents of this top of the range kit include necessities like adhesive dressing, a roll of sticking plaster, scissors, sling, survival sheet, sterile gauze, compression bandages, vinyl gloves and a First Aid Manual.

**Part Number: 9652YP**

### 2 Wind Deflector Set

The set of front door wind deflectors provide an excellent means of improving comfort when you wish to drive with the windows slightly open, by preventing rain drops from entering the passenger compartment. In addition, the shape of the deflectors integrate discretely with the styling of the vehicle.

**Part Number: 9621G6**

### 3 Mudflaps Moulded Front

(can be painted)

Created by the Peugeot Style Centre, these "style" mudflaps are manufactured from composite material to perfectly match the lines of the vehicle and can be painted in the colour of the vehicle. They combine efficiency with appearance by protecting the paintwork from damage caused by water and dirt being thrown up by the wheels.

Fitment of mudflaps shows consideration for the safety of other road users by reducing spray in wet weather thereby improving visibility.

**Part Number: 9603L9**

### 4 Mudflaps Moulded Rear

(can be painted)

**Part Number: 9603N0 Sedan**

**Part Number: 9603NI Touring**

### 5 Mobile Phone Bluetooth Kit\*

Designed to be used with "Bluetooth" compatible phones. Incorporating the latest in telephone technology, this hands-free phone kit offers full voice control over major functions and mutes the radio during calls.

\* Also requires Adaptor Harness 970195, plus 9707WS for JBL Sound Systems.

**Part Number: 970178**

### Bluetooth Adaptor Harness

### 1 Roof Bar Set - Sedan

Peugeot "QUICK Roof Bars" automatically fix into the roof panel anchorage points without a securing key, being locked into position using a lever incorporated into each fixing point. In addition to its practicality, this quick-fit system increases the safety and reliability of fitting the roof bars.

With a maximum permissible load of 80 kg, the roof bars have lockable covers that ensure protection against theft. In addition to wind tunnel tests to improve aerodynamics, these bars are subject to the very strictest endurance tests, comply with the European "City Crash Test" standard and are approved by the TÜV.

**Part Number: 9616S0**

### 2 Roof Bar Set - Touring

Fully detachable low profile design for 407 Touring with factory fitted roof rails. The end supports feature a low profile appearance with vehicle

specific retaining hardware offering adjustability to suit varying load carrying requirements.

**Part Number: 9160302**

### 3 Radiator Insect Screen

This insect screen has been developed in Australia for those times when insect life abounds. The forward location of the screen makes it easy to clean after that late night interstate trip and being secured by six clips, it can be quickly installed and removed when not required. Not recommended for metropolitan driving use.

**Part Number: 9160303**

(2.2 litre petrol and 2.0 litre diesel only)

### 4 Safety Net

Using the latest in technical textiles to provide a lightweight, high tensile strength separation net assembly, the Peugeot safety net has been designed, developed and tested in Australia to meet international standards ECE-R17,

REV 4, allowing vehicle occupants to travel in safety with the knowledge that cargo items are safely restrained.

**Part Number: 9160304 Touring**

### 5 Safety Triangle Kit\*

The safety triangle kit is one of those accessories you hope you never need to use. The highly reflective folding triangle comes in a thermo-shaped polyethylene case measuring 32 mm x 65 mm x 434 mm and weighing just 805 gm for easy storage inside the vehicle. It gives optimum warning even at night and is stable even when windy.

\* Additional components required for fitting.

**Part Number: 964537**

**\* Safety Triangle Fitting Kit**

**Part Number: 964541**

PEUGEOT

### 1 Seat Cover Set Front & Rear

Peugeot RAPID FIT seat covers are manufactured from velour cloth with jacquard beige relief centre section, 100 % polyester, on 5 mm foam base and 100 % polyester plain jersey trim on 2 mm foam base.

The set consists of: Front - 2 seats + 2 head restraints + storage pocket / Rear - 2/3 & 1/3 bench seat + 3 head restraints + rear armrest.

These NEW GENERATION PATENTED MADE-TO-MEASURE SEAT COVERS feature QUICK FIT ®. WITH NO MORE HOOKS to attach, the seat cover can be fitted in 3 MOVES. The made-to-measure trim incorporates all the features of the original seats and high quality cloth with colours that match the original cloth.

Only Peugeot seat covers are guaranteed by Peugeot to be totally compatible with airbags and other

safety systems incorporated into the vehicle design.

**Part Number: 9669J7 Sedan**

**Part Number: 9669C3 Touring**  
Titane grey jersey knit

### 2 Seat Cover Set Front & Rear

**Part Number: 966963 Sedan**

**Part Number: 9669C5 Touring**  
Yoanis grey velour quickfit

### 3 Seat Cover Set Front & Rear

**Part Number: 966998 Sedan**

**Part Number: 9669C7 Touring**  
Yoanis beige velour quickfit

### 4 Tow Bar

Manufactured to Australian Standards specifically for the 407, this quality tow bar features a removable tongue for easy storage when not in use.

**Part Number: 9160407 Sedan**

**Part Number: 9160408 Touring**

### 5 Tow Bar Harness\*

(7 PIN w/blown bulb indicator)

This wiring loom has been developed to incorporate all of the vehicle special features. In addition to deactivation of the parking aid when the vehicle is towing, this wiring loom incorporates the blown bulb detection function. The wiring loom function is carried out by downloading the BSI and must be fitted by the dealer network.

\* Additional components required for fitting.

**Part Number: 9688V8**
