THERE'S A REASON IT'S THE ULTIMATE UTILITY VEHICLE. Chevy Avalanche's unsurpassed cargo box versatility** comes from such features as its lockable top-box storage compartments, composite PRO-TEC tailgate, and three-piece cargo cover. ■ A GM-exclusive Midgate can turn Avalanche from a six-passenger SUV with a 5'3" cargo box to a three-passenger full-size pickup with an 8'1" cargo box in under a minute. ■ Largest trunk in the industry.** ■ New standard StabiliTrak Electronic Stability Control System (offered only on 1500 models).

Shown below: Avalanche 1500 in Dark Blue Metallic with the available WBH (Without Body Hardware) Package, Chrome Exterior Package, and dealer-installed 20-inch wheels from Chevy Accessories. Use only GM-approved wheel/tire combinations. See dealer for details. *Unless otherwise noted, all claims based on 2005 GM Full-Size Pickup segment and latest available competitive information. Excludes other GM vehicles. †Cargo and load capacity limited by weight and distribution. **Based on latest available information of vehicles with lockable trunks separate from the passenger compartment.
