

# The Beetle Specifications

# **Features and Specifications**

Safety and Security	The Beetle
Airbags	
Driver and front passenger airbags	<u>S</u>
Driver and front passenger side/head airbags	S
Anti-theft	
Electronic engine immobiliser	S
Body	
Fully galvanised body with 12 year anti-corrosion perforation warranty	<u>S</u>
Door side impact protection	S
Rigid safety cell with front and rear crumple zones	S
Brakes	
Automatic flashing brake lights activated in emergency braking situation	S
Anti-lock Braking System (ABS)	S
Brake Assist	S
Electronic Brake-pressure Distribution (EBD)	
Hill Start Assist (HSA)	S
Child restraints	
Child seat top tether anchorage points, mounted on rear seat back (2)	
ISOFIX child seat anchorage points, outer rear seats	S
Entry/warning reflectors in front doors	<u>S</u>
First aid kit	A
Head restraints	
Front safety optimised head restraints, height adjustable	S
Rear head restraints, height adjustable and removable (2)	S
Lighting	
Daytime driving lights, halogen light integrated in headlight housing	S
Front fog lights with static cornering light function, mounted in lower bumper	S
Fog lamp, rear	S

Safety and Security (continued)	The Beetle
Locking	
Remote central locking	S
2 stage unlocking (programmable)	S
Automatic locking after take-off (programmable)	S
One touch lock / unlock for driver	S
Fuel filler flap lock/unlock by central locking, push to open	S
Key cover, 'nickname' lettering (various designs)	A
Luggage cover, removable	<u> </u>
Seat belts	
Front with pre-tensioners and belt force limiters	<u>S</u>
Visual and acoustic warning for driver and front seat passenger seat belts not fastened	<u>S</u>
Visual indication for rear seat passenger seat belts fastened or not fastened	<u>S</u>
3 point seat belts for all passengers (4)	<u> </u>
Traction control	
Anti-Slip Regulation (ASR)	<u>S</u>
Electronic Differential Lock (EDL)	<u>S</u>
Electronic Stabilisation Program (ESP)	S
Extended Electronic Differential Lock (XDL)	<u>S</u>
Exterior Equipment/Styling	
Body enhancements	
Body coloured bumper bars, outer rear view mirrors and door handles	<u>S</u>
Chrome strip on lower edge of side window frames	<u>S</u>
Dual exposed exhaust tail pipes	<u>S</u>
Lower body side moulding with chrome insert	<u>S</u>
Lower front air intake with chrome insert	S
Rear bumper with black diffuser	S
Rear hatch spoiler	S
Body decals, 4 stripe and 2 stripe in black or Alamfi white	A
Nickname decals for lower door panel, black or Amalfi white – Volkswagen, Beetle and Bug	Α
Billiard ball design decorative film, Amalfi white	A
Wolfsburg coat of arms decorative film, black or Amalfi white	A
Paint	
Metallic or Pearl Effect paint finish	0

Exterior Equipment/Styling (continued)	The Beetle
Protection	
Loading sill protection, clear film	A
Mudflaps, front & rear	<u>A</u>
Tinted glass	
Heat insulating tinted glass	S
Wheels	
Alloy wheels (Rotor) 17x7" with 215/55 R17 tyres	S
Alloy wheels – Helix 17", Helix 18" and Tornado 19" Please consult your Volkswagen Dealer for correct wheel and tyre fitment by model	A
Anti-theft wheel bolts	S
Valve caps with Volkswagen emblem	A
Weight and space saving spare wheel	<u>S</u>
Air conditioning	
Air conditioning, dual zone automatic (2 modes) climate control	
Air quality sensor with automatic air recirculation	
Dust and pollen filter	S
Armrest	
Front centre armrest with storage compartment	<u>S</u>
Cruise control	S
Cup holders	
Front (2)	
Rear (1)	S
Driver assistance systems	
Parking distance sensors, front and rear	S
Rear View Camera (RVC) with static guidance lines	S
Optical Parking System (OPS) in radio display	
	S
Floor mats	<del></del>
Floor mats Front and rear, carpet	
	S

Comfort and Convenience (continued)	The Beetle
Grab handles	
Soft fold away grab handles, front	S
Assist strap, left and right	<u>S</u>
Headlights	
Coming / leaving home function	S
Combined headlight and fog light rotary switch	S
Halogen headlights with daytime driving lights and clear polycarbonate lens	S
Internal headlight range adjustment	S
Low light sensor with automatic headlight function	<u>S</u>
In car entertainment and technology	
Composition Media audio system 6.5" colour touch screen display with smartphone style HMI and proximity sensor, AM/FM radio, CD player and SD card slot for music, compatible with MP3, WMA and AAC music files, jpeg image viewer, car menu with convenience and service settings, security coded	S
Discover Media audio and satellite navigation system 6.5" colour touch screen display with smartphone style HMI and proximity sensor, AM/FM radio, CD player and 2 x SD card slot slots for music and navigation data, 2D and 3D (bird's eye) map views, compatible with MP3, WMA and AAC music files, jpeg image viewer, car menu with convenience and service settings, security coded	0
App-Connect USB interface for Apple CarPlay®, Android Auto™ and MirrorLink® in front centre console	S
Audio, telephone and Multi-Function Display controls mounted on steering wheel	S
Auxiliary input audio socket	S
Bluetooth® phone connectivity with contancts display and Bluetooth® audio streaming, operation via touch screen audio unit and steering wheel mounted controls	S
Speakers, front and rear (8)	S
Instrumentation	
Speedometer & tachometer, electronic odometer and tripmeter, fuel gauge, service interval display, digital clock, outside temperature display, low fuel and high coolant temperature warning lights, brake pad wear indicator, white adjustable illumination	S
Comfort indicator function (1 x touch = 3 x flash)	S
Interior highlights	
Body coloured dashboard fascia and upper door panels	<u>S</u>
Chrome highlights to headlight rotary switch, audio console surround, air vents, front cup holder surround, gear lever surround and interior door grab handles	S
Door sill scuff plates with silver highlights	S
Gearshift knob and handbrake lever in leather	S
Interior lighting	
With time delay	S
Front reading lights (2) with indirect dashboard lighting	S

Comfort and Convenience (continued)	The Beetle
Luggage compartment	
Luggage compartment light	S
uggage compartment protection, moulded foam liner	A
Shopping bag hooks	S
Mirrors	
automatic dimming interior rear-view mirror	<u>S</u>
dditional interior rear-view mirror	Α
Electrically adjustable and heated exterior mirrors	S
.ED turn indicator lights integrated in exterior mirrors	S
Power steering	
lectro-mechanical, vehicle speed and steering input sensitive	S
Seating	
Comfort front seats	S
asy entry front seat backrest release function	S
Height adjustment for front seats	<u>S</u>
Split folding rear seat backrest (50/50)	
Steering wheel	
B spoke leather rimmed flat bottomed steering wheel with body coloured insert	<u> </u>
Audio, telephone and Multi-Function Display controls	<u>S</u>
Height and reach adjustable steering wheel	<u>S</u>
Storage	
Beetle glove box integrated in dashboard fascia	<u>S</u>
Glove box	<u>S</u>
ray in centre console	<u>S</u>
Compartment in roof console (not with optional Luxury package)	<u>S</u>
Oriver's side dashboard compartment with lid	<u>S</u>
ront door trays with retaining straps	<u>S</u>
ront seat backrest storage pockets	<u>S</u>
Open tray on top of dashboard (not with optional R-Line package)	<u>S</u>
Naste container for cup holder, white	A
Sun visors	
Oriver and front passenger, with ticket holders	<u> </u>
Transmission	
Gearshift recommendation indicator	S
5 speed manual transmission	S
7 speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function	0

Comfort and Convenience (continued)	The Beetle
Trip computer	
Multi-Function Display (MFD) – driving time, trip length, average and current speed, average and current fuel consumption, distance till empty, oil temperature, speed warning function, vehicle status, audio and navigation (optional) displays	S
Upholstery	
Comfort cloth seat upholstery	S
Vanity mirrors	
Driver's and passenger's side vanity mirrors with sliding covers	S
Illuminated on driver's and passenger's side	S
Wipers	
2 speed aero wipers with wash/wipe	<u>S</u>
Rain sensor	<u> </u>
Windows	
Power front, with roll-back function and one-touch up-down	<u>S</u>
Remote operated convenience close and open feature	<u>S</u>
12V socket	
Centre console, front and rear (2)	<u>S</u>
Optional Packages	
Bi-xenon headlights for high and low beam with LED daytime driving lights and LED rear registration plate light Panoramic glass sunroof, electrically slide and tilt adjustable with integrated wind deflector and sunblind Vienna leather appointed seat upholstery with front comfort sports seats, individually heated with lumbar adjustment Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.	0
R-Line package	
Alloy wheels (Twister) 18x8" with 235/45 R18 tyres (4) Aluminium finish door sill scuff plates with R-Line logo Dark tinted rear side and rear window glass, 65% light absorbing Low tyre pressure indicator	
Sports instruments on dashboard – boost pressure, oil temperature and stopwatch	0

<sup>\*</sup> Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

# Glossary

### **Anti-lock Braking System (ABS)**

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

# Anti-Slip Regulation (ASR)

ASR is a traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.

#### **Brake Assist**

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

### **Direct Shift Gearbox (DSG)**

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 clutches. The benefit of 2 gear sets and 2 clutches is that one gear set and clutch is engaged driving the vehicle with the second disengaged clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

### **Electronic Brake-pressure Distribution (EBD)**

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

# **Electronic Differential Lock (EDL)**

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.

### **Electronic Stabilisation Program (ESP)**

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example, It also reduces the effects of understeer or oversteer.

### Extended Electronic Differential Lock (XDL)

XDL is an extension of the Electronic Differential Lock (EDL) function. When cornering, XDL responds to the load relief at the front wheel on the inside of a corner. The ESP hydraulics are used for the XDL to apply pressure to the wheel on the inside of the corner in order to prevent wheel spin. This improves traction and reduces the tendency to understeer. As a direct result of the one-sided and precise braking pressure, cornering is sportier and more accurate.

### Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable startingoff without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with both the manual transmission and the Direct Shift Gearbox (DSG).
