Golf Alltrack.

The anywhere Golf.

Exterior

The Golf Alltrack has been designed with the great Australian outdoors firmly in mind. Sporty, stylish and sturdy, it combines the space and practicality of a family-sized wagon with the go-anywhere resilience of a robust off-roader.

Cast your eyes over the latest in Volkswagen's Golf line-up and you'll discover a vehicle built to withstand the rigours of off-road driving. With its raised ground clearance the Golf Alltrack will take on uneven surfaces with confidence, while durable 17" Valley alloy wheels (18" Canyon alloy wheels optional) keep the Golf Alltrack firmly planted, whether on bitumen or loose gravel.

Rugged it may be, but the Golf Alltrack sacrifices nothing in terms of style and poise. Chrome and silver highlights all around the vehicle lend an attractive touch. These highlights include Silver door mirrors and side sill extensions, as well as Silver underbody trim and chrome trim strips on the side windows. Chrome roof rails provide the perfect excuse to stow additional gear next time you embark on a long-haul trip.

In profile the Golf Alltrack is unmistakably a Golf, but design features, front and rear, reveal the Alltrack to have its own unique style. A distinctive chrome strip extends through both headlights and runs the length of the honeycomb radiator grille, guiding the eye to the Volkswagen badge. Below the grille sits a lower air intake, also in honeycomb, which features an attractive horizontal 'crossbar'.

Stylish Bi-Xenon headlights cast a strong beam over oncoming road, while LED daytime driving lights ensure the vehicle is always seen. Front fog lights with static cornering lights illuminate the way when visibility is compromised. To the rear are dark-red tail-lights and an LED light that illuminates the registration plate. Exposed chrome exhaust tailpipes, left and right, complement the chrome highlights found elsewhere on the bodywork.

The Golf Alltrack—a vehicle for the truly adventurous and the adventurous at heart.

Interior

The Golf Alltrack is as luxurious and comfortable inside as it is stylish and durable outside. Quality materials have been used throughout, raising cabin refinement to levels unsurpassed in the Golf Alltrack's class. And a raft of modern conveniences has been introduced that makes the vehicle a pleasure to drive.

Take Keyless Access for example. As long as you have your key on you, the doors will unlock just by operating a front door handle. The engine can then be started simply by pressing the start button, the system releases the steering lock and turns on the ignition electronically without you having to insert the key.

Once inside, the level of finesse offered by the Golf Alltrack becomes immediately apparent. The leather multi-function steering wheel and gearshift knob are a delight to touch, as are the comfortable and supportive Vienna leather appointed seat upholstery*.

Design elements, such as 'Dark Magnesium' and 'Tracks' decorative inlays, are attractive points of interest. So too are aluminium-finish pedals and door sill inlays with 'Alltrack' lettering. LED ambient lighting and LED reading lights add a touch of class to the cabin.

Of course, any wagon worth its salt needs a large luggage compartment. The Golf Alltrack has an impressive 605 litres of boot space available, making it enormously useful whether on a camping holiday or a trip to the local supermarket. With the rear seats folded down, the capacity becomes an outstanding 1620 litres. The 40/60 split folding rear seats even offer remote unlocking for ease of use. A luggage partition net keeps belongings separate from the cabin of the car for added convenience.

03 Front door stainless steel sill scuff plates

*Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

Highlights

The Golf Alltrack promises a serene and confidence-inspiring driving experience courtesy of its punchy engine and refined transmission. A new and more powerful 1.8-litre turbocharged TSI petrol engine (offering 132kW @ 4500-6200 rpm and 280Nm @ 1350-4500rpm) is capable of propelling the vehicle towards the horizon and is perfectly matched with Volkswagen's sophisticated and sweet-shifting 6-speed Direct Shift Gearbox (DSG). The addition of BlueMotion Technology forms the basis for more economical driving.

The Golf Alltrack has been optimised to tackle even the most challenging terrain. A push of a button activates 'Offroad' Driving Program, which changes the characteristics of the vehicle to suit the demands of off-road driving. It pairs perfectly with Volkswagen's 4MOTION all-wheel-drive system, which provides reliable traction on nearly all surfaces. When traction is compromised, Extended Electronic Differential Lock (XDL) and Electronic Stabilisation Program (ESP) combine to maximise grip.

Inside, the Golf Alltrack impresses with the level of its driver assistance systems as standard. The sophisticated Discover Media 6.5" satellite navigation system puts a world of connectivity and infotainment at your fingertips, while the new App-Connect~ feature integrates with your smartphone to allow easy access to a selected range of apps.

Parking is a breeze courtesy of Rear View Camera (RVC)* and parking distance sensors. Dual-zone climate-control air conditioning keeps the cabin temperature exactly to your specification. And Bi-Xenon headlights with dynamic cornering lights and LED daytime driving lights combine good looks and functionality.

Colours & Upholstery

The Golf Alltrack's broad colour palette complements the stylish interior trim, making configuration a simple pleasure. Customise the bodywork of your Golf Alltrack by choosing from a range of paint finishes that includes Pure White, Tornado Red, striking metallic options and Deep Black Pearl Effect. Luxurious black Vienna leather appointed seat upholstery† comes as standard.

#Please note figures are sourced from overseas data where equipment levels by model variant may vary.

-The Start/Stop system is designed to reduce fuel consumption. It achieves this by conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

** Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences, the fitment of accessories and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Volkswagen Choice: Protecting your investment

Enjoy a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value# of your vehicle will be at the end of your term.

- ✓ Personally tailored solutions, based on your term and kilometre usage
- ✓ Opportunity to upgrade your Volkswagen to the latest model more often, enjoying the best innovations and new technologies
- ✓ Peace of mind knowing the minimum future value of your Volkswagen right from the start, so you know it will retain its value over time^

At the end of your term, you can simply choose to:

TRADE-IN

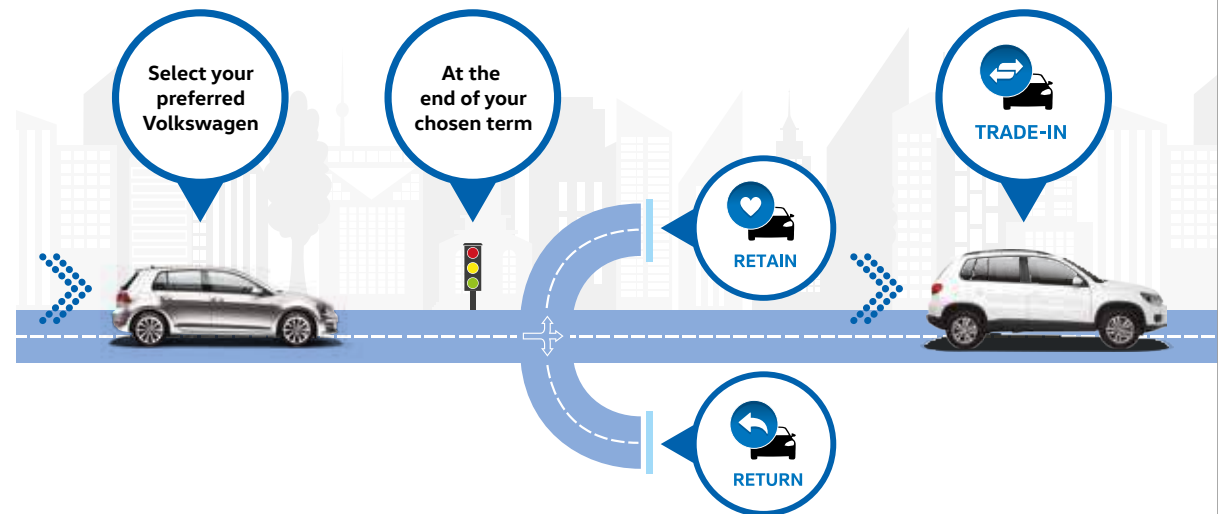

If you wish to trade-in your Volkswagen for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value, you can use this equity towards your new vehicle.

RETAIN

If you prefer to retain your Volkswagen, simply let us know. Provided that you also meet the relevant payment obligations under your contract, if we agree, you can purchase your vehicle outright for the Guaranteed Future Value price locked in at the start of the contract.# Then your Volkswagen is yours to keep. Or you can choose to refinance your residual at the end of the term.

RETURN

Simply return your vehicle to your Volkswagen dealership at the end of the term. If the vehicle meets the agreed requirements,# we will give you the benefit of the full Guaranteed Future Value amount.

To find out more, go to www.volkswagenaustralia.com.au/volkswagenchoice

To learn more about further finance and insurance options, go to www.vwfinancialservices.com.au

^The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. #If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
