

Volkswagen

The Multivan Black Edition

Specifications

Sporty elegance

The Multivan Black Edition is distinguished by its exclusive appearance and combines dynamic design with comfort. The roof and B-pillars in gloss black harmonised with the elegant interior featuring exclusive cloth seat upholstery in Titanium Black with contrast-coloured seams. Black-trimmed turn signals and the decorative 'Edition' film on the side sills and at the rear top off the striking design.

Multivan Black Edition

Standard features.

- Rear View Camera*

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices. -App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).
[^] Leatherette consists wholly of artificial leather.

01 Dynamic suspension. Lowered running gear (approx. 20mm) with reinforced anti-roll bar and specific tuning for the suspension and shock absorbers mean a smooth and comfortable drive.

02 Adjustable seat configuration. With up to seven comfortable seats, you and your passengers can enjoy the ample head and leg room, even in the second and third rows. Depending on your requirements, you can rearrange the passenger and luggage space with the aid of the ingenious rail system, which allows for simple and continuous sliding of the 3-person rear seat row, and individual seats. In addition the 3-seater bench seat can be folded forward and reclined into a flat bed position.

03 Servotronic steering wheel. The speed-sensitive power-assisted steering system senses what's needed automatically and adjusts the steering accordingly providing increased manoeuvrability while driving and parking.

05 Design Elements. Combined with the gloss black roof, B-pillars and side mirrors, Multivan Black Edition is finished off with 'Edition' decals on the side sills and on the rear tailgate which will set you apart from the crowd.

06 Wooden floor. The durable and washable 'Halifax Maple' wood look floor provides a cosy ambience in the passenger compartment.

07 Electric tailgate. The electric tailgate features a variety of control options that make it even more convenient to use: via the button on the driver's door cladding (opening), via the tailgate handle (opening), Opening height can be set and stored via the button on the tailgate cladding (closing and stopping). The parking sensors will also check whether there is enough space to open the tailgate.

04 "Premium" multifunction display. The "Premium" multifunction display provides a clear overview of important vehicle information on its colour screen. (not illustrated)

Volkswagen Accessories.

Volkswagen Genuine Accessories ensures your Volkswagen remains 100% Volkswagen. The extensive range of Multivan Genuine Accessories provides you with the opportunity to adapt your Multivan even more precisely to your individual needs. From transport, exterior and interior solutions to alloy wheels that perfectly complement your Volkswagen.

01 Travel & Comfort system - Tablet holder.

The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various attachments which brings comfort and convenience to any journey.

Please contact your local Volkswagen dealer for compatible tablet devices.

02 Bicycle tailgate carrier. With the ability to carry up to four adult sized bikes (max payload of 60kg), this genuine bicycle carrier is the perfect accessory for when travelling with friends or family. Designed to work around you, the carrier does not prohibit the opening of the tailgate, and allows the vehicle to be used as normal when the bikes are removed from the rack.

03 Tow bar kit. The Volkswagen Multivan towbar is designed for perfect integration with your vehicle chassis and tested to meet the stringent Australian and Volkswagen engineering standards. The Volkswagen electrical installation kit provides the electrical supply, and ensures that the trailer can be operated safely. Full integration into the vehicle's CAN-bus network is provided for all components, including support for the vehicle-trailer stabilisation system.

04 Luggage compartment tray range. Keep the load compartment clean and protect it from scratches and dirt with the Multivan luggage compartment tray range.

05 Roof bars with surfboard carrier. The genuine roof bars provide the base for all roof attachments with an aerodynamic design to suit the Multivan. The rubber-coated surfboard carrier safely transports your surfboard to its destination.

06 Rubber floor mat set. The Volkswagen rubber mats protect your vehicle interior from dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. For the front only.

Volkswagen Choice: Protecting your investment

We're out to prove that there still are some guarantees in life. We've developed Volkswagen Choice[^] - a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value of your vehicle will be down the track. With Volkswagen Choice[^], you can enjoy your car without worrying about what the future will bring, providing peace of mind.

Volkswagen Choice

Guaranteed Future Value

Step 1

Choose your favourite Volkswagen model.

Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3

At the end of your chosen term, select from one of the three below end of term options:

Trade in

If you wish to trade-in your Volkswagen for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value[^], you can use this equity towards your new vehicle purchase.

Retain

If you prefer to retain your Volkswagen, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value price locked in at the start of the contract[^]. Then your Volkswagen is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

Return your vehicle and, if it meets the agreed kilometre and fair wear and tear requirements[^], you will have no more to pay.

To find out more, go to <https://www.volkswagen.com.au/en/financial-services/guaranteed-future-value.html>

[^]The Volkswagen Choice Program consists of an option to return the vehicle to Volkswagen Financial Services (VFS)** at the end of the term and require VFS** to purchase the vehicle at an agreed price known as the Guaranteed Future Value or GFV as determined by VFS** and set out in your contract. At the end of the term, you can elect to: (1) trade-in the vehicle; (2) exercise the option to return the vehicle; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS** at the end of the loan term after all monthly repayments have been made. Available on new and demonstrator Volkswagen vehicles for selected models only. Verify with dealership eligible vehicles for the program. The GFV will be reduced, and you will be liable for any loan contract deficit, if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Standard fees/charges and further conditions apply, available from VFS**. Only available to approved applicants of VFS** at participating Volkswagen dealers. Fleet, government, rental buyers, hire car and chauffeur companies excluded.

**VFS is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460, Australian Credit Licence Number 389344.
