Exterior

With its sleek lines, striking proportions and powerful on-road presence, the Tiguan Allspace has been designed to turn heads. No matter the angle it's viewed from, the Tiguan Allspace radiates a sense of space, style and understated confidence.

Compared to the 5-seat Tiguan, the 7-seat Tiguan Allspace is not only longer overall, but has a longer wheelbase and rear overhang. The bonnet of the Tiguan Allspace has been raised above the radiator grille and the rear doors made longer in order to keep the vehicle perfectly proportioned. Dynamic LED headlights and a full chrome grille come as standard on both the Comfortline and Highline equipment grades, but the Highline sets itself apart with a premium-looking chrome strip below the grille.

A prominent character line draws the eye down the length of the vehicle, as do raised ridges on the roof. The character line draws attention to the Tiguan Allspace's silver painted side mirrors, which fold automatically when not in use. Viewing the Tiguan Allspace in profile also offers a chance to appreciate the vehicle's unique 18-inch 'Kingston' alloy wheels (available on the Comfortline variants).

Towards the rear is a larger rear window to allow more light into the third row and LED tail lights (premium LED tail lights in the Highline) that help give the Tiguan Allspace its distinctive appearance. An electronic tailgate with Easy Open and Close makes opening the boot a breeze, while Dual Trapezoidal Chrome Trim Exhausts extend the chrome theme from front to rear.

Unique design elements such as Tiguan Allspace badging on the tailgate and distinctive front quarter panel 4MOTION badging (on all 4MOTION variants) let other motorists know you're driving one of the most capable vehicles on the road.

Interior

This 7-seat SUV offers levels of space and versatility that take the stress out of the everyday school run, trip to the airport or weekend camping holiday.

Transporting seven people is all in a day's work for the Tiguan Allspace, which offers a wealth of seating configuration options to choose from. As for luggage capacity, there's an astonishing 1775L available with the vehicle in two-seat configuration, 700L when in five-seat configuration and an impressive 230L when all seven seats are in use.

Volkswagen's customary levels of sophistication and comfort are on display throughout the cabin. Cheker Flag Titanium interior trim in the Comfortline equipment grade and Dark Grid in the Highline provide a sense of class and distinction, while driver and passenger seats are supple to the touch and supportive even on long drives.

There's no limit to the entertainment you can enjoy in the Tiguan Allspace thanks to the latest-generation 8-inch Discover Media Infotainment system (in the Comfortline) and 9.2-inch Discover Pro Infotainment system (Highline). Both systems feature clever App-Connect™ technology that allows selected smartphone apps via Apple CarPlay® and Android Auto™ (wireless App-Connect™ across all variants). The addition of three USB-C ports means you'll never be without power for your phone or tablet device.

The Tiguan Allspace makes it easy to use the vehicle's infotainment system while allowing you to focus on the road ahead. The other is Gesture Control, an interactive feature available on the Discover Pro Infotainment system (Highline models) that allows the driver to browse through various menus with a simple mid-air swipe of the hand.

Technology and Safety

Look no further than the Tiguan Allspace for all the latest in technological innovations, including IQ.DRIVE, a suite of intelligent assistance systems you can count on to keep you and your passengers safe.

Among the advanced driver assistance systems included as standard are Front Assist with Pedestrian Monitoring*, which uses a radar sensor to help avoid or mitigate an impact with a vehicle or pedestrian in front of the vehicle. Lane Assist* helps keeps your Tiguan Allspace on track by detecting if it is straying from its intended course and gently counter-steering it back into the lane. And parking is a cinch with Park Assist*, which uses Rear View Camera* and sensors around your vehicle to assist you with backing into and out of tight parking spaces.

Additional standard inclusions are Driver Fatigue Detection*, which provides a visual and audible signal when it's time to take a break, and clever Multi-collision Brake* technology, which automatically initiates braking after a collision to prevent or minimise the severity of subsequent collisions.

Volkswagen's Driver Assistance package (optional on Comfortline and standard on Highline) provides extra peace of mind with a suite of advanced features to assist day-to-day driving. Adaptive Cruise Control (ACC)*, Dynamic Light Assist and Side Assist* with Rear Traffic Alert* are all exceedingly helpful in busy traffic situations.

Optional as part of the Sound and Vision package is 360-degree Area View*, which uses strategically placed cameras to provide a bird's eye view of the area around your vehicle. Plus, the high-resolution Digital Cockpit behind the steering wheel puts everything you need right in front of you, including driver assistance and vehicle functions.

Performance

The Tiguan Allspace doesn't just redefine stylish and practical motoring, it stays true to Volkswagen's promise of exhilarating performance with every drive.

The Tiguan Allspace provides a spirited driving experience bolstered by smooth power delivery, plenty of torque and reliable DSG transmissions.

With its 1.4-litre engine providing 110kW of power and 250Nm of torque, and a 6-speed DSG to ensure efficient transfer of power to the road, the 110TSI variant is the practical choice in the Comfortline range.

The Highline range offers a premium driving experience with its 2.0-litre 162TSI engine (162kW and 350Nm) or 140TDI diesel engine (140kW and 400Nm) inspiring confidence no matter the challenge. Volkswagen's 7-speed DSG transmission and 4MOTION technology are standard in the Highline range.

Every Tiguan Allspace fitted with 4MOTION receives Active Control, which allows the driver to tailor his or her driving experience by allowing them to select one of four special all-wheel drive modes (snow, on-road and two off-road settings: one automatic and one variable) via a rotary switch. A central mode button activates the Driving Profile Selection, which offers further personalisation of the on-road mode with Normal, Sport and Eco profiles available to the driver.

Optional Packages

Few vehicles can claim to offer as many impressive features as standard as the Tiguan Allspace. But adding an optional package takes the Tiguan Allspace to the next level.

The optional Luxury Package is ideal for Comfortline owners who want that extra bit of indulgence in their drive. Included in the package is Vienna leather appointed upholstery[#] (7 Seats), electrically adjustable driver seat with memory function, heated front seats and a panoramic electric glass sunroof.

Drivers wanting to make the ultimate statement can opt to include the optional R-Line package available with the Highline variant only. Potent styling additions inside the vehicle include brushed stainless steel pedals, an R-Line steering wheel with paddles and R-Line embossed Black Vienna leather appointed seats[#]. R-Line bumpers and side sills, a black rear spoiler and distinctive 20-inch 'Suzuka' alloy wheels are all exterior additions that offer a bold declaration of the vehicle's performance pedigree.

Audiophiles will appreciate the crystal-clear clarity and superb bass response offered by the Dynaudio Excite Premium Sound System available with the optional Sound and Vision Package (available with Comfortline and Highline variants only). The package also features Volkswagen's impressive Digital Cockpit that puts high-definition vehicle information right before the driver's eyes — and 360-degree Area View* for a trouble-free parking experience.

Also offered as an option is a slide and tilt Panoramic Glass Roof (Highline variant only), perfect for letting natural light (but not the wind) into your vehicle cabin.

Assured Service Pricing

Assured Service Pricing# gives you the transparency of knowing how much your service will cost up front.

Our Volkswagen Dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts® to ensure your Volkswagen stays a Volkswagen.

You're in safe hands at your Volkswagen Dealer when it comes to servicing.

*Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

^Volkswagen Roadside Assist is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners/roadside-assist.html>.

†Volkswagen Care Plans are available at participating Volkswagen Dealers for all models and covers standard items as contained in each scheduled service interval only. These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except Volkswagen Crafter models, which is 30,000 km/15 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, see <https://www.volkswagen.com.au/en/owners/volkswagen-care-plans.html>.

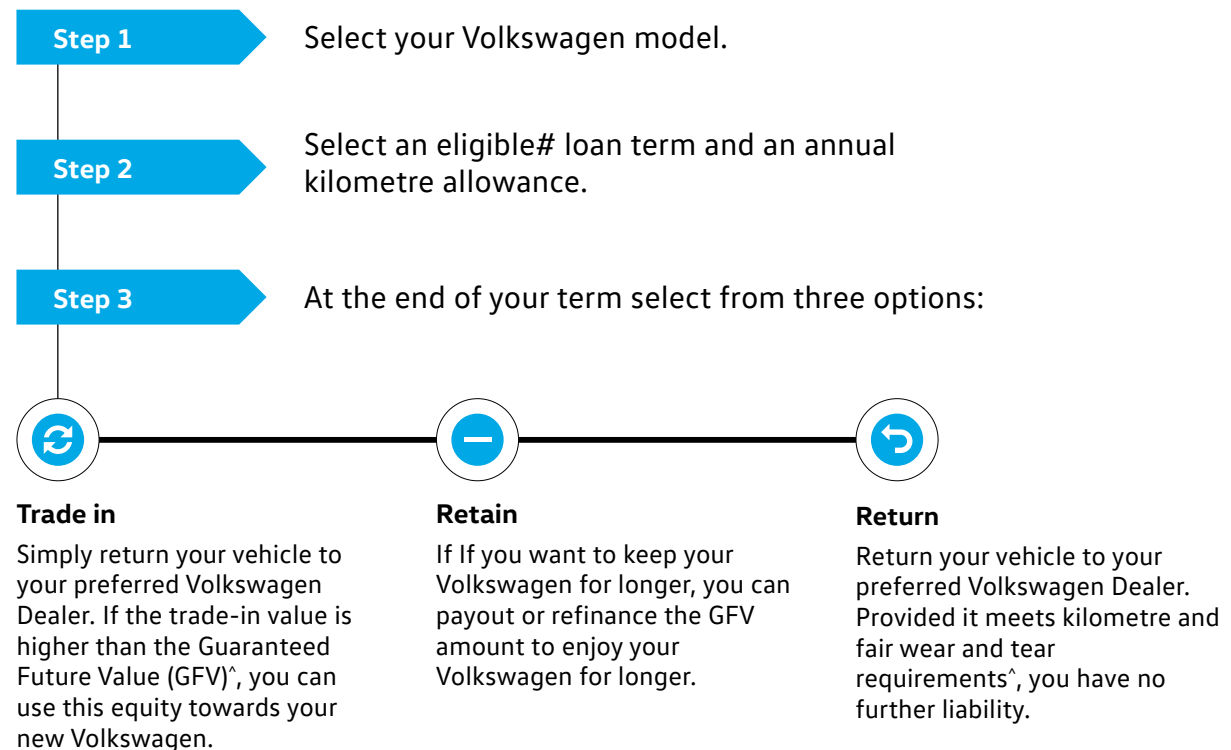

#Assured Service Pricing applies to the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for Volkswagen Crafter models only, 20,000 km/12 month interval (whichever occurs first). On or before 31 December each year, Volkswagen will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on the Eligible Model List, pricing, items not included and for full terms and conditions, please see <https://au.volkswagen.com.au/service-pricing-guide>.

Volkswagen Choice[^]

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]Volkswagen Guaranteed Future Value consists of an option to return your vehicle to Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires VFS to purchase the vehicle at an agreed price determined by VFS, known as the Guaranteed Future Value (GFV). #Eligible loan terms include 12-60 months and are subject to change, ask dealer for more information. At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your Official Volkswagen Dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
