

Malibu

1979

Shown on cover: Malibu Classic Sport Coupe in white with available sport mirrors, tinted glass, deluxe body side mouldings, bumper rub strips and guards, wire wheel covers and white-stripe tires.

Malibu Classic Sedan shown in available Custom Two-Tone black and silver with available sport mirrors, wire wheel covers, bumper rub strips and guards and white-stripe tires.

Chevy Malibu. A fresh new car.

Dig in.

Dig in deep.

Because the deeper you dig, the more you're going to love this crisp new mid-size Malibu of ours.

Snuggled beneath all those scrumptious Malibu lines is a great big helping of something we call "solid Chevy value."

We're talking about double-panel

doors, a sturdy full-perimeter frame, big coil springs at all four wheels, a Delco Freedom battery that never needs refilling, extensive corrosion-resisting treatments, and a Body by Fisher.

We're talking about a trunk with more usable space than there was in the '77 Malibu it replaced. And an interior with more head room and leg

room, too.

We're talking about a car that's so right in so many ways for so many people right now, you're going to think we've been reading your mind.

A lot of folks are finding Malibu to be just the right size—with just the right room, the right look, the right feel, the right ingredients, the right *name*.

If you're partial to Chevys, if you

want a nice roomy mid-size car you can be proud of, if you want to really enjoy all the driving you do, if you want a car that's in step with the times, if you want good value for your hard earned bucks...

You've come to the right car. Chevy Malibu for 1979.

A word about this catalogue:

We have tried to make this catalogue as comprehensive and factual as possible. And we hope you find it helpful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details of all significant changes and, before ordering, you should ask him to bring you up to date.

ALL '79 MALIBUS ARE COVERED BY THE GENERAL MOTORS THREE YEAR PERFORATION FROM CORROSION WARRANTY.

Malibu Classic Models.

By now your appetite for a fresh new car has probably got you lickin' your lips. Well, help yourself to four new Malibu Classic models.

First, take a look at the Malibu Classic Sedan. Its clean, uncluttered and distinctive lines are just a little breathtaking. Go ahead. Get in, sit back and relax in spacious comfort.

But then, perhaps you're the sporty type. What'll make your heart jump is the Malibu Classic Sport Coupe (shown on cover). Don't let its crisp, sporty appearance fool you, though. Inside, it's as roomy and pleasurable as it is delightful to look at.

You say there's a formal streak in your personality. Personally, we think the Malibu Classic Landau Coupe should be right up your driveway. It proudly wears an elk-grain vinyl cover over the rear half-section of the roof. And the Landau roof is accented with glistening bright mouldings plus bright edging framing the shiny black centre pillar. Sport wheel covers and body side pinstriping add just the right touch.

If you're the kind of person who likes a larger vehicle, the Malibu Classic Wagon should whet your appetite.

And remember, every Malibu Classic has some very fine touches that will endear it to its owners. Like added sound insulation. Like ashtray, glove compartment and courtesy lights. Like wheel opening mouldings, bright taillight accents and bright body sill mouldings. Like good old-fashioned deep-down Chevy value.

Malibu Classic Sedan shown in dark blue metallic with available sport mirrors, deluxe body side mouldings, bumper rub strips and guards, wire wheel covers and white-stripe tires.

Malibu Classic Wagon shown in white with available Estate equipment, roof carrier, rear window air deflectors, tinted glass, bumper rub strips and guards, sport wheel covers and white-stripe tires.

Malibu Classic Landau Coupe shown in available Custom Two-Tone beige and dark brown metallic with available sport mirrors,

deluxe body side mouldings, tinted glass, bumper rub strips and guards and white-stripe tires.

Malibu Models.

The 1979 Malibu is built around you. You're the main ingredient. Your size, your needs and desires, your pocketbook. And any way you slice it, it's more than a comfortable fit all around.

It starts with a Body by Fisher with a rear seat built for adults, not just kids. That means adult-sized head room, leg room and *knee room*. On Sedans and Wagons there are big fixed picture windows. And behind the rear windows are swing-out vents to provide rear seat passengers with draft-free ventilation. And for all those things you like to take along, there's a spacious luggage compartment: 16.6 cubic feet on a flat, easy-to-load floor.

On the outside, trim, clean proportions make your new Malibu easy to manoeuvre in tight quarters, easy to park. A full set of computer-selected coil springs give you a cushioned ride. And to help keep your Malibu looking good, it's protected with extensive corrosion-resisting treatments.

Chevy Malibu. It's a lot of car to have around you, our mid-size value in both coupes and sedans. Or wagons. Because a Malibu Wagon packs over 71 cubic feet of cargo space with the rear seat folded down.

Malibu Sport Coupe shown in silver with available silver vinyl roof, deluxe body side mouldings, wheel opening mouldings, bumper rub strips and guards, full wheel covers and white-stripe tires.

Malibu Wagon shown in dark carmine with available roof carrier, deluxe body side mouldings and white-stripe tires.

Malibu Sedan shown in available Custom Two-Tone light blue and medium blue with available deluxe body side mouldings,

tinted glass, wheel opening mouldings, wire wheel covers and white-stripe tires.

Malibu Classic standard knit cloth interior shown in carmine with available 50/50 split front seat, deluxe colour-keyed seat and shoulder belts, remote control sport mirror, power windows, AM/FM stereo radio, automatic transmission and air conditioning.

**Inside, comfort and quiet with lots of head
and leg room for you and your friends.**

Interiors.

We make sure the Malibu interior is as easy to live with as look at. The delta-spoked steering wheel gives you a good view of the instruments. It also looks smart and is colour-coordinated with the steering column and padded instrument panel. The heater, lighter and available air conditioning and radio controls are mounted on an attractive module which is also conveniently centred for easy

reach by both driver and passenger. There's more. A one-piece, foam-backed cloth headliner over you; one-piece, cut-pile, colour-coordinated carpeting underfoot. And all that room. Any way you look at it, the Malibu interior is a smart place to be. Now, use the chart below to select the interior that's your personal preference.

Malibu Classic instrument panel shown with available air conditioning, AM/FM radio, intermittent windshield wiper system, rear window defogger control, automatic transmission and Comfortilt steering wheel.

Malibu Classic standard knit cloth interior shown in green with available deluxe colour-keyed seat and shoulder belts, remote control rearview mirror and power door locks.

Malibu Classic available 50/50 front seat with dual fold-down armrests shown in carmine, with available deluxe colour-keyed seat and shoulder belts, remote control sport mirror, power windows, AM/FM stereo radio, automatic transmission and air conditioning.

Malibu standard sport cloth interior shown in camel with available deluxe colour-keyed seat and shoulder belts, remote control sport mirror, AM/FM radio, automatic transmission and air conditioning.

Standard Features.

1. High Energy Ignition. A solid-state system that eliminates points and ignition condenser, yet delivers a high-voltage spark that helps extend time between recommended tune-ups.

2. Early Fuel Evaporation. Hastens engine induction system warm-up to help provide smooth performance after starting.

3. Carburetor outside air intake. Ducts cooler outside air through the air cleaner into the carburetor to help assure a denser fuel-air mixture for added engine performance after warm-up.

4. Delco Freedom battery. Never needs refilling. Sealed side terminals help resist corrosion.

5. Coolant recovery system. Helps prevent loss of coolant.

6. Catalytic converter. Handles most emission control functions so engine can be initially tuned at the factory for smooth, responsive performance.

7. Full Coil suspension system. Puts a coil spring at each wheel that's been computer-selected for specific model and equipment weight.

8. Fiberglass-belted radial ply tires. Have less rolling resistance than conventional bias ply tires and offer impressive traction.

9. Front stabilizer bar. Helps reduce body lean during sharp turns.

10. Front disc/rear drum brakes. A self-adjusting system. Fade-resistant front disc brakes have audible wear sensors to let you know when to replace pads.

11. Dual-mode ventilation system with picture windows. On Malibu Sedans and Wagons this system allows the use of a rear door design with large, fixed picture windows. This door/window design also allows for easy entry and

exit and gives you recessed rear door armrests. Behind the rear windows are swing-out vents to give rear-seat passengers draft-free ventilation.

12. Cushioned body mounting system. Helps isolate passenger area from road noise and vibration.

13. Inner fenders, front & rear. Help protect outer surfaces from salt and road debris for added corrosion protection.

14. Foam-backed, one-piece cloth headliner. For custom appearance, sound insulation.

15. One-piece, colour-keyed, cut-pile carpet. For luxury underfoot with no annoying loose edges under the front seats.

16. Compact spare tire. Provides more usable room in the trunk compartment. Lighter weight makes for easier handling.

17. Large trunk space. Gives you 16.6 well-planned cubic feet of usable luggage capacity.

18. Body by Fisher. Beautiful on the outside. Rugged underneath. Double-panel doors, hood and deck lid, box-section roof headers and pillars, heavily ribbed and formed underbody.

MORE STANDARDS

Extensive corrosion-resisting treatments include use of zinc-rich pre-coated metal, special primers and sealers in strategic areas and oil base coatings on the frame and lower body • Full wheel covers and wheel opening mouldings standard on all Malibu Classic models and Malibu Wagon • Full-perimeter frame • Visible ball joint wear indicators on front suspension lower control arms • Delcotron generator with solid-stage regulator.

LONG RECOMMENDED SERVICE INTERVALS

(Under normal driving conditions)

Engine Oil	12 months or 12,000 kilometres (7,500 miles)
Oil Filter	12 months or 12,000 kilometres (7,500 miles); every 24,000 kilometres (15,000 miles) thereafter
Carburetor Air Filter (replaceable element type)	Up to 80,000 kilometres (50,000 miles)
Spark Plugs	Up to 36,000 kilometres (22,500 miles)
Chassis Lubrication	12 months or 12,000 kilometres (7,500 miles)
Automatic Transmission Fluid Change	Every 96,000 kilometres (60,000 miles)

A word about engines

The Chevrolets shown in this catalogue are equipped with GM-built engines produced by various divisions. Please refer to the Malibu Power Teams Chart shown on this page.

ENGINE SELECTIONS

Selection includes both V6's and V8's. Choose the one that's just right for your kind of driving.

Refer to Power Teams Chart since not all engines are available in all areas.

3.3 LITRE 2-BBL. (200 CU. IN.) V6 ENGINE

This engine represents a blend of six-cylinder and V8 design characteristics. The engine block and head is cast iron. However, the V6 configuration makes this engine lighter than the available V8's or some L6 designs. It's shorter, too, providing more room in front of the engine for easy servicing. What's more, a crankshaft with slightly offset rod journals assures a firing interval with a high degree of smoothness and good dynamic balance. A practical and efficient engine for most owner applications.

MALIBU POWER TEAMS

Engine	V.I.N. Engine Code†	Ordering Code	Displacement (cubic inches)	Transmission Availability					
				Sedans and Coupes	Station Wagons	3-Speed Manual (1)	4-Speed Manual (1)	Coupe, Sedans	Station Wagons
3.3 Litre 2-Bbl. V6 (A)	M	L26	200	Std.	Std.	Std.	NA	EC	EC
4.4 Litre 2-Bbl. V8 (A)	J	L39	267	EC (2)	EC (3)	NA	EC	EC	EC
5.0 Litre 4-Bbl. V8 (B)	H	LG4	305	EC (2)	EC (3)	NA	EC	EC	EC

† V.I.N. (Vehicle Identification Number) Engine Code is the fifth entry (letter or numeral) from the left on the vehicle serial number plate. The vehicle serial number plate is located on the top portion of the driver's side of the instrument panel and can be viewed from the exterior of the car by looking through the windshield.

Std.—Standard. NA—Not Available. EC—Available at extra cost.
(1) With floor-mounted shift control. (2) Power steering and power brakes required. (3) Power steering required.

(A) Produced by GM—Chevrolet Motor Division, Tonawanda, New York Engine Plant.
(B) Produced by GM—Chevrolet Motor Division Flint, Michigan, Tonawanda, New York and GM of Canada, St. Catharines, Ontario Engine Plants.

4.4 LITRE 2-BBL. (267 CU. IN.) V8 ENGINE

New for '79, this available V8 includes short-stroke valve-in-head design plus a trapped vacuum spark control and a Dualjet carburetor which help provide good engine performance at all speed ranges. Also features a cast iron

cylinder block with full jacket cylinder cooling, a precision-balanced, cast nodular iron crankshaft, hydraulic valve lifters and exhaust valve rotators. This V8 (or the V8 below) is ideal if you're planning to tow a small trailer or do most of your driving in hilly areas.

5.0 LITRE 4-BBL. (305 CU. IN.) V8 ENGINE

In addition to having the features of the 4.4 Litre V8, this larger displacement, four-barrel carburetor V8 has refinements in the Exhaust Gas Recirculation System that contribute to smooth operation especially during the warm-up period.

Available Options.

1. Vinyl roof cover. Covers entire roof, colour-keyed to your Malibu's exterior colour. On Landau, covers rear portion of roof.

3. Automatic Speed Control. Holds a steady speed without pressure on the accelerator. Disengages automatically when brake pedal is depressed. Available with auto-

matic transmission and power brakes only.

4. Power door locks & windows. Convenience and security at the touch of a button.

6. Electric rear window defogger. Electric heating elements help keep rear window free of fog or frost silently and without drafts.

9. Power Sky Roof. Opens at the touch of a button, makes the sun and the sky or the moon and the stars a part of your interior decor. Reduces head room slightly.

11. Power radio antenna. Antenna automatically extends to its full height above fender when radio is turned on. Automatically lowers when radio or ignition is turned off.

12. Air conditioning. Provides cooling and ventilating functions with easy-to-operate controls.

BE SURE TO TALK TO YOUR DEALER ABOUT THE AVAILABILITY OF OUR MECHANICAL AND ELECTRICAL REPAIR PROTECTION OPTION FOR YOUR VEHICLE.

A word about assembly, components and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at facilities of General Motors of Canada Limited or car Divisions of General Motors Corporation or at facilities of General Motors Corporation operated by the G.M. Assembly Division. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and by various suppliers to General Motors of Canada Limited or related Companies. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your dealer for complete information.

2. Special Instrumentation. Adds tachometer, voltmeter, water temperature and oil pressure gauges, and an electric clock to your Malibu instrument panel.

5. Console. Includes storage compartment with padded armrest. Available on bucket-seat-equipped Malibu Classic Coupe and Landau Coupe.

7. Comfortilt steering wheel. Adjusts to six different positions for most comfortable driving angle and for easy entry and exiting.

8. Auxiliary lighting. Includes ashtray, courtesy and glove compartment lights (all standard on Malibu Classic) plus luggage compartment, map and underhood lights, a time-delay dome light and headlight reminder buzzer.

10. Power vent windows. Both rear vent windows can be individually controlled in the rear or from the driver's seat positions to enhance upper-level ventilation. Included with available power windows on Sedans and Wagons.

13. Twin remote sport mirrors. Right- and left-hand mirrors are adjustable from inside.

14. Delco-GM radios. Choose from AM radios with or without stereo tape system, AM/FM radio, AM/FM stereo radio, or AM/FM stereo with 8-track stereo tape, stereo cassette

tape or Citizens' Band radio with power antenna. Newly available is an AM/FM radio with digital clock display. Stereo systems include auxiliary speakers. Windshield antenna included with factory-installed radios (except with Citizens' Band radio).

For a more complete list of available options, see back cover.

SAFETY FEATURES

OCCUPANT PROTECTION

- Seat belts with pushbutton buckles for all passenger positions
- Two front combination seat and inertia reel shoulder belts for driver (with reminder light and buzzer) and right front pas-

- senger
- Energy-absorbing steering column
- Passenger guard door locks
- Safety door latches and stamped steel hinges
- Folding seat back latches
- Energy-absorbing padded instrument panel and front seat back tops
- Contoured windshield header
- Laminated windshield
- Safety armrests

- Safety steering wheel.

ACCIDENT AVOIDANCE

- Side marker lights and reflectors
- Parking lamps that illuminate with headlamps
- Four-way hazard warning flasher
- Backup lights
- Lane change feature in direction signal control

- Windshield defrosters, washers and dual speed wipers
- Wide view inside mirror (vinyl edged, shatter resistant glass and deflecting support)
- Outside rearview mirror
- Dual master cylinder brake system with warning light
- Starter safety switch
- Dual action safety hood latch.

ANTI-THEFT

- Anti-theft ignition key reminder buzzer
- Anti-theft steering column lock.

Reasons to buy Malibu.

- Distinctive design concept that combines styling innovation with good interior roominess.
- Impressive interior roominess, comfort and convenience.
 - More head room, front and rear.*
 - More leg room, front and rear.*
 - More usable trunk room.*
- Smooth, quiet ride with good roadability.
- Quality engineered and designed for value.
 - Full-frame construction with 14 isolating body mounts.
 - More anti-corrosion treatments.*
 - Double-panel construction in doors, hood & deck lid.

*All comparisons relate to 1977 Malibu Coupes and Sedans.
