

*Aries K*

1980

**D**odge Aries K. It began as a revolutionary new mode of affordable transportation. Intended from the start to be the best mid-size family car on the market.

It reintroduced the concepts of front-drive and quality manufacturing. And it sold. To over a half-million families across America.

Now this proven and dependable car has evolved to an even higher level of value, refinement and practicality. Value that is reflected in Aries' long list of standard features. Refinement that is evident in the soft, sleek lines and plush interior of the Aries LE. Practicality that is enhanced by the Aries LE wagon's spacious cargo area. And the impressive 7/70 Limited Warranty that covers the powertrain on all three exceptional Aries K models. See back cover for details.

**D**odge Aries K. More car for the money than you thought possible. More style, more standard features, more room, more comfort, more economy.

With Dodge Aries K you get more of everything you're looking for...and you pay less for it. A paradox known to the cost-conscious as a real bargain.

Consider Aries' appearance. Smart. Designed to take you anywhere in style. Engineered to look good year after year.

Inside, Aries K offers room to stretch out, and reason to relax. An array of analog gauges, shown at the left, keeps you up to the minute on speed, elapsed miles, fuel level, electrical system voltage, and engine coolant temperature.

So comfortable. So secure. So typically Aries.

*Some of the equipment shown or described throughout this catalog is available at extra cost.*

*About this catalog. Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.*

**T**his is America's first front-drive family car. Proven dependable, efficient and affordable over the years and over the miles. Experience counts.

When we designed this car, we really did it right. Because nobody has beaten it yet. In fact, nobody's even come close.

This front-drive performer is available with two or four doors. And in a plush Aries LE model, or an even more affordable Aries model.

In any case, Aries' list of standard features is nothing short of amazing.

A proven 2.2-liter electronically fuel injected engine is teamed with a five-speed overdrive transaxle to deliver remarkable mileage ratings of 25 EPA estimated city mpg, 32 EPA estimated highway.

Options abound, including a smooth and responsive 2.5-liter EFI balance-shaft engine, available on Aries LE.

Dodge Aries K. A family favorite. Now you know why.

Aries K LE two-door, shown in Radiant Silver.

**A**ries K LE. Luxuriously appointed. With more room than most compact sedans. Comfortable seating for up to six and 15 cubic feet of trunk space tell you so.

Under Aries K's trim exterior lies an unsuspected pleasure. All kinds of room, including leg, shoulder, hip, head, and trunk room.

And Aries isn't shy on amenities either. This year contoured bucket seats with reclining seatbacks and adjustable head restraints are standard on all models. Or if you prefer, comfortable bench seats with a convenient center armrest, shown at left, are available at no extra cost.

Other news? Sure. A new mini-console with front and rear storage trays standard on all models with manual transaxle. An attractive new standard deluxe steering wheel. And an electronically tuned AM radio with integral digital clock, plus a map/reading light with swivel feature mounted in the right sun visor—both standard on LE models.

Aries K for 1987. Come on in and enjoy.

Aries K LE four-door interior, shown in Silver/Charcoal.

**A**ries K. Remarkable front-drive family transportation. A product of continuous updating and improvement. Looks good on the streets. On the highway. And in your driveway.

Aries K has never been a car to rest on its remarkable success. Instead, each passing year has brought innovations and improvements to the already efficient and dependable Aries.

The Aries K look of today is sleek, softly contoured, sophisticated. And designed to stay that way, due to standard urethane lower body protection that resists chips and scratches.

In addition, Aries offers as standard many features that other manufacturers make available at extra cost. Standard rack-and-pinion steering offers crisp control. Steel-belted radial tires put in mile after mile of service. And a new stainless steel exhaust system offers long life.

Aries K. One of the best just keeps getting better.

Aries K LE four-door, shown in Charcoal Pearl Coat; Aries K four-door, shown in Ice Blue.

**A**ries K LE wagon. A perfect example of efficient engineering and design. Easy to maneuver. Easy to load. And easy to love because it's easy to afford.

Like most well-proportioned performers, the Aries LE wagon is agile. Designed to carry on in style, and maneuver with ease.

And the Aries LE wagon is versatile. Meant for the family that sometimes carries a lot of people. Sometimes carries a lot of cargo. And often carries both.

Sound familiar? Consider this. Aries LE wagon offers room for six plus 34.9 cubic feet of cargo. Or room for three and 67.7 cubic feet of cargo with the rear seatback folded down.

The Aries LE wagon also benefits from the firm control of standard rack-and-pinion steering and power-assisted brakes. Plus a dual-path Iso-Strut front suspension that smooths the way for you and your cargo.

All this and affordability too. What better way for you, your family and your cargo to hit the road?

Aries K LE wagon, shown in Garnet Red Pearl Coat.

**P**ersonalize your Aries K with options that provide style, comfort and convenience. Dress it up. Make it special. Make it yours.

**TILT STEERING COLUMN.**  
Six positions provide maximum comfort for all drivers. (Not available on base Aries K.)

**REAR WINDOW WIPER/WASHER.**

Augments rear visibility. (Wagon only.)

**ELECTRONIC SPEED CONTROL.**

Newly redesigned for more precise operation. Easy to set and disengage.

**AM STEREO\*/FM STEREO RADIO.**

Electronic tuning; seek-and-scan; Dynamic Noise Reduction†; cassette tape player with automatic reverse; four speakers; and an integral digital clock.

**AIR CONDITIONING.‡**

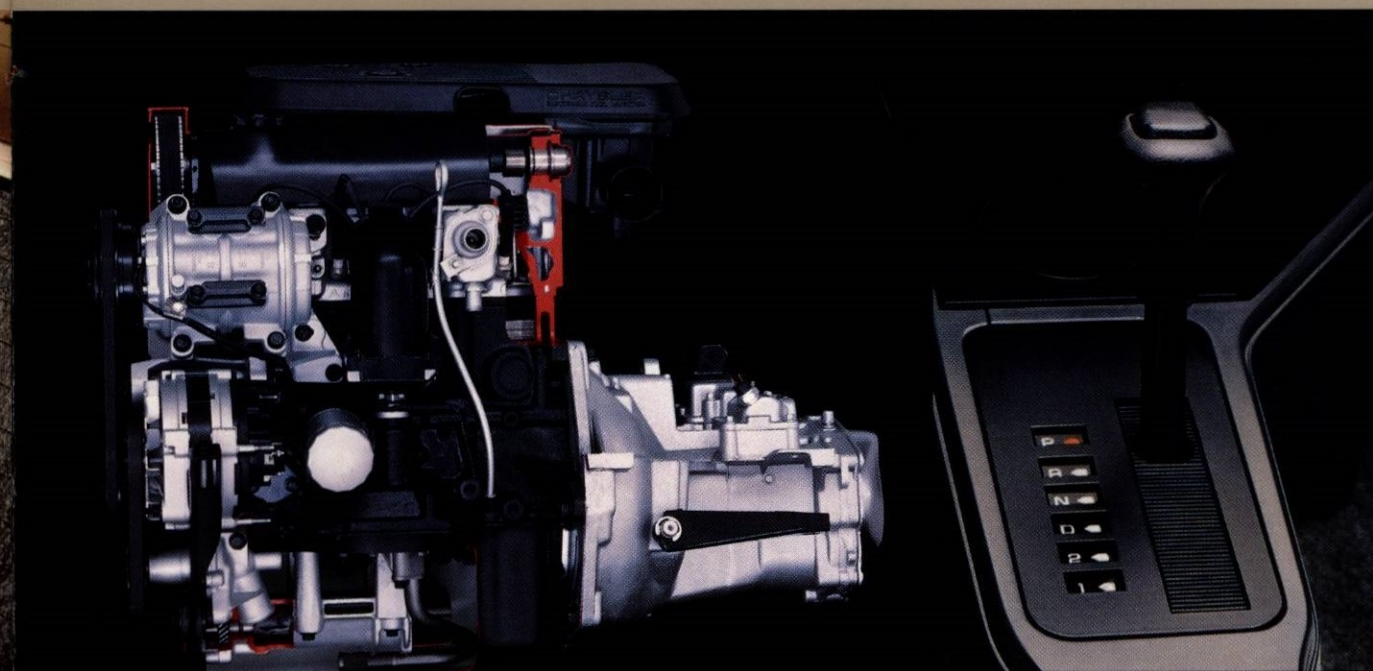

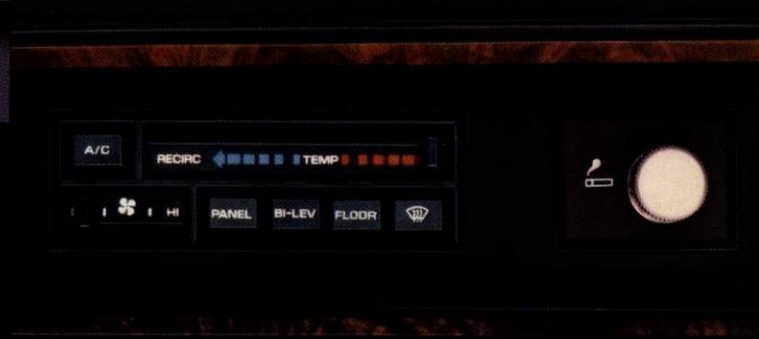

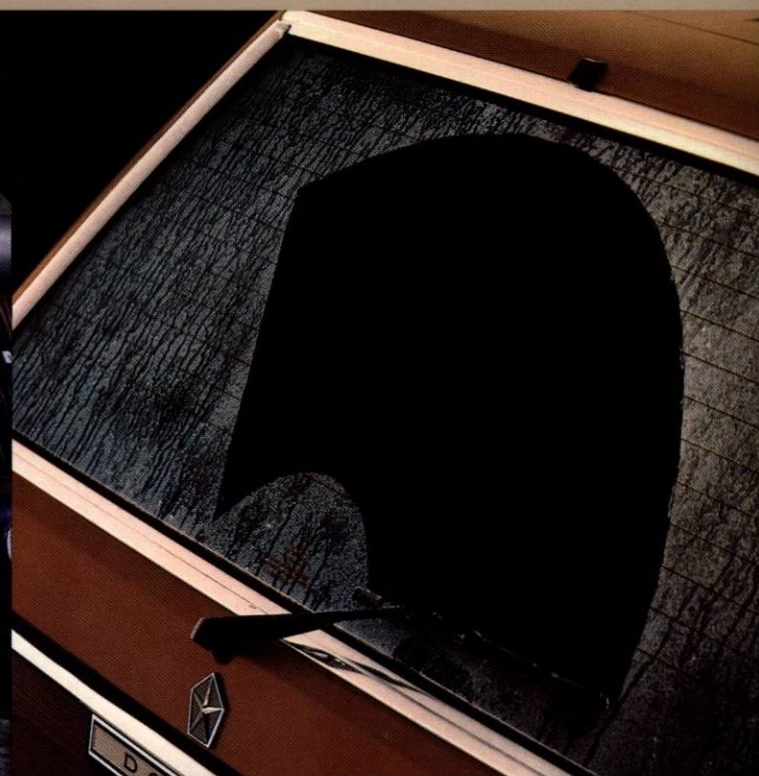

A four-speed blower distributes cool air through four adjustable air outlets in the instrument panel. The bi-level mode directs 70 percent of the cooled air through these outlets; 30 percent is directed to outlets below the instrument panel. Cool interior air can be recirculated for fast cooldowns.

**CAST ALUMINUM ROAD WHEELS.**

Sporty eighteen-spoke 14-inch by 5.5-inch wheels. (Fourteen-inch tires required; not available on base Aries K.)

**ROOF-MOUNTED WAGON LUGGAGE RACK.**

Its cargo-carrying ability provides more usable room on the inside. Tie-down loops and open channel crossbars help to secure the load.

**2.5-LITER ENGINE.**

A fast-burn cylinder head and low-pressure single-point electronic fuel injection produce high torque at low revolutions for efficient performance. A system of counter-rotating balance shafts offsets the natural motions induced by the pistons and connecting rods, resulting in smooth, quiet operation.

**TORQUEFLITE AUTOMATIC TRANSAXLE.**

Three-speed fully automatic transaxle provides convenience by allowing you to keep both hands on the steering wheel at all times.

**ARIES K WAGON CARGO SPACE.**

Plenty of cargo space for all life's pleasure in the Aries LE wagon. With the rear seat-back down, you'll find 67.7 cubic feet of cargo area.

\*Some AM stereo broadcasting may not be compatible with this radio.

†Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

‡There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

<sup>1</sup>There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

<sup>2</sup>Some AM stereo broadcasting may not be compatible with this radio. <sup>3</sup>Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

<sup>4</sup>Required when air conditioning is ordered with 2.5-liter engine.

<sup>5</sup>Included in Premium Equipment Discount Package.

<sup>6</sup>Optional 14-inch cast aluminum road wheels required on LE models if tires are ordered separately or with Popular or Premium Equipment Discount Package.

## GROUPS AND PACKAGES

Certain models, packages and options are subject to specific restrictions, requirements or late availability. See your dealer for the latest ordering information.

## BASIC EQUIPMENT PACKAGE

(Base model only)

- AM radio<sup>1</sup>, electronically tuned; integral digital clock<sup>1</sup>
- Deluxe intermittent windshield wipers<sup>1</sup>
- Deluxe 13-inch wheel covers<sup>1</sup>
- Left outside remote control mirror: black.<sup>1</sup>

(set of four)<sup>1</sup>

<sup>1</sup>May be upgraded.

<sup>2</sup>Available in package only.

## POPULAR EQUIPMENT DISCOUNT PACKAGE

(Not available on base model)

- AM stereo<sup>1</sup>/FM stereo radio, electronically tuned; integral digital clock
- Automatic transaxle
- Bodyside tape stripes (bodyside stripe is deleted on wagon when woodtone is ordered)<sup>1</sup>
- Dual remote control mirrors, black<sup>1</sup>
- Fourteen-inch deluxe wheel covers (set of four)<sup>1</sup>
- P185/70R14 steel-belted radial black sidewall tires (set of four)<sup>2</sup>
- Power-assisted steering
- Special sound insulation<sup>2</sup>
- Tinted glass, all windows
- Tonneau cover, rear (LE wagon only)<sup>2</sup>
- Trunk dress-up (LE sedan only)<sup>1</sup>

<sup>1</sup>Some AM stereo broadcasting may not be compatible with this radio.

<sup>2</sup>May be upgraded.

<sup>3</sup>Available in package only.

## PREMIUM EQUIPMENT DISCOUNT PACKAGE

(Available on LE model only)

Includes all items in the Popular Equipment Discount Package plus:

- Electric rear window defroster
- Electronic speed control
- Liftgate wiper/washer (LE wagon only)
- Luggage rack (LE wagon only)
- Luxury steering wheel<sup>1</sup>
- Power door locks
- Tilt steering column

<sup>1</sup>Available in package only.

## LIGHT PACKAGE

(Available on LE model only)

- Ash receiver light<sup>1</sup>
- Cigar lighter light<sup>1</sup>
- Headlights-on warning buzzer<sup>1</sup>
- Ignition switch light with time delay<sup>1</sup>
- Underhood light<sup>1</sup>

<sup>1</sup>Available in package only.

## STANDARD SAFETY FEATURES

- Antitheft trunk lock
- Backup lights
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)

- Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Energy-absorbing front seat-backs
- Energy-absorbing instrument panel and sun visors
- Energy-absorbing steering column or steering wheel
- Fade-resistant front vented disc brakes
- Front seat head restraints
- Hazard-warning flasher system
- Ignition and steering column lock
- Impact-actuated fuel supply shutdown relay
- Inside and outside rearview mirrors
- Key left in ignition warning
- Liftgate-ajar warning light
- Safety-Rim wheels
- Seat belt reminder system
- Seatback and station wagon interior panel safety latches
- Seatback latches on folding front seats
- Side door beams
- Side marker lights and reflectors
- Supplemental center high-mounted stoplight
- Turn signals with lane-change feature and day/night flash/pass feature

## CONSIDER LEASING

Many of today's new car prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge Aries K usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

*For more than sixty years Dodge has been an integral part of the automotive industry. During this time Dodge has maintained a rich tradition of design and engineering achievements. Moreover, in the last three years alone, Dodge has revolutionized its products in virtually every aspect of design, engineering, performance, manufacturing, servicing, and warranty protection.*

*Enormous resources, human and financial, have been channeled into breakthrough accomplishments. This has often meant shattering old ideas, establishing new standards and daring to be different. Our aim, simply put, is to be the best.*

*Dodge's total dedication to quality products and the confidence to stand behind them with an outstanding seven-year/70,000-mile limited power train warranty are the purest examples of our vision fulfilled. But our commitment to be the best can only be as successful as its final effect on you, the consumer. You must be completely satisfied with our products, our attitude, our services.*

*This is our ultimate goal.*

#### 7/70 LIMITED POWER TRAIN WARRANTY

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles. A deductible applies. See your dealer for a copy of the warranty. Government, law enforcement, limousine, taxi and export vehicles excluded.

#### 7/100 ANTI-CORROSION LIMITED WARRANTY

Your dealer will repair or replace at no charge, outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the warranty.

Buckle up for safety.

**Setting new standards of performance.**
