

IT STANDS ALONE

NEW FORD FALCON VAN

"FOR MY MONEY, NOTHING ELSE COMES CLOSE".

"When you work hard, you need a partner that works as hard as you do. That's why, for my money, it's Ford Falcon Van or nothing."

Falcon Van offers a combination of passenger car comfort, 6-cylinder performance and large cubic loadspace, making it a true multi-purpose van built in Australia to suit Australian conditions.

Ford's 4.1-litre Alloy Head 6-cylinder engine is now standard in Falcon Van and gives the performance and torque you would expect from this classic Aussie work-horse.

You get excellent fuel economy in or out of town, from the engine's lean

burn design while Falcon Van's 3-speed manual or 3-speed automatic, which is optional at extra cost, come with proven reliability.

Falcon Van has the power to get the job done. But more than that, it will work right alongside you with its capacity to carry bulky loads with security. And Falcon Van is equipped with side-hinged rear doors and load compartment side glass as standard.

Get behind the wheel and you can almost forget you're driving a hard-working van.

The Falcon Van is spacious and comfortable and incorporates Ford's practical Centafold seat that turns two seating positions into three at the flip of an armrest.

And to help make your working day even more relaxing, there's a new AM/FM radio/cassette system with two speakers.

Whether at the worksite or on the weekend, it all adds up to a package that gives you real value for money, and puts Falcon Van right out in front of the rest.

ADDITIONAL OPTIONS*

Power steering. Limited slip differential. Airconditioning. Tow Pack.

*At extra cost.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, in its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford

Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
