

SUNFIRE

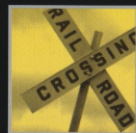

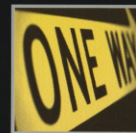

2001 PONTIAC SUNFIRE

PONTIAC SUNFIRE

SPORTINESS. IT'S ALL IN THE BLOODLINES. What makes Sunfire so distinctive? You could start with its racy good looks and its lively brand of performance. Or even simpler – you can glance at the Pontiac dart on its hood. It tells you that Sunfire is anything but basic transportation. Pretty well the only thing that Sunfire has in common with other cars in its category is its low sticker price. But the attraction of Sunfire's economics extend beyond its price tag – its low overall operating cost is equally as impressive. Add to that the fact that all 2001 Sunfires are now backed by a new 5-year/100,000 km powertrain warranty.* So it's not just the driving excitement that endures in what is perhaps the world's only affordable sporty car. Pontiac Sunfire. Built for drivers. You can find more information about the Pontiac Sunfire at gmcanada.com

*Whichever comes first. See your dealer for details.

ONE WAY

SUNFIRE GT COUPE

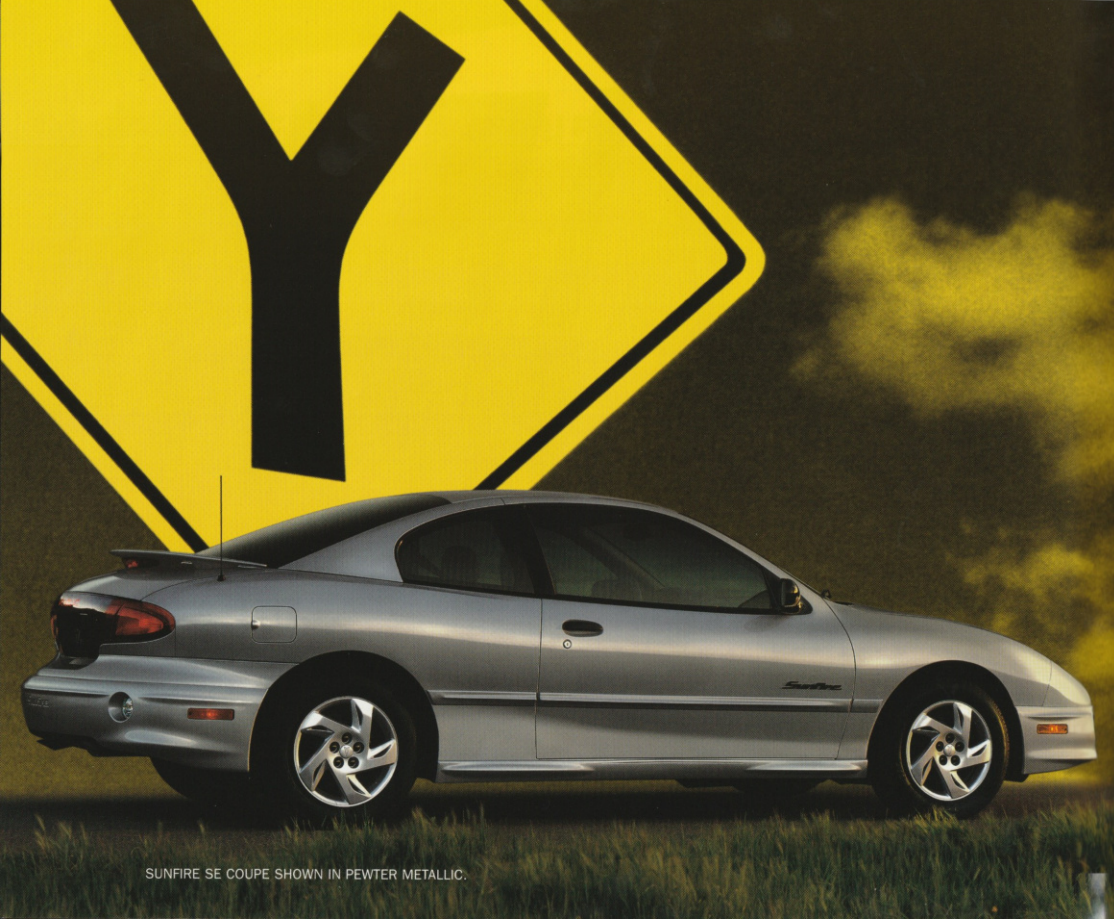

EXHILARATION. IS THAT SO MUCH TO ASK?

If you want a "wow" instead of a yawn out of your next set of wheels, you don't have to look very far. Sunfire GT has statement-making styling to accompany its true performance attitude. A 150-horsepower 2.4L Twin Cam powerplant puts it all in motion. Ask for a whole lot more out of a car and see what you get.

SUNFIRE GT COUPE SHOWN IN BRIGHT RED.

SUNFIRE SE COUPE SHOWN IN PEWTER METALLIC.

SUNFIRE SE COUPE

.....
DRIVERS OF BORING CARS: THIS IS YOUR WAKE-UP CALL.

Just because you want a car in the more affordable range, doesn't mean it has to be a snoozer. Sunfire SE Coupe is like an electric guitar at an accordion convention. It really stands out. A standard rear deck-lid spoiler screams that out at full volume. So why hit the snooze button on yet another middle-of-the-road car, when you can have the real thing? Sunfire SE Coupe.

The Sunfire Coupe Special Edition is designed for those whose tastes run extra spicy. The package includes dealer-installed body-side cladding, 15" aluminum wheels and more.

SUNFIRE SEDAN

TWO DOORS GAINED. NOTHING LOST. There are many practical reasons for choosing a Sunfire Sedan, including the fact that it offers the convenience of four doors. But that's not to say Sunfire Sedan in any way skimps on bold styling or advanced driving technology. With Sunfire SLX Sedan, you also get a remote keyless entry system, power door locks, Tilt-Wheel steering, variable intermittent wipers, 15" wheels and a CD player. So make life easier for your passengers with two more doors, but keep all the driving excitement for yourself.

SUNFIRE SLX SEDAN SHOWN IN BLACK.

SUNFIRE GT INTERIOR SHOWN WITH TAUPE DELUXE CLOTH TRIM.

SUNFIRE INTERIOR

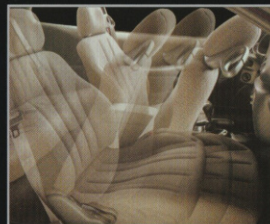

GET INTO THE ZONE. Getting "into the zone" used to be a phrase reserved for elite athletes in pursuit of personal glory. Now that term can be applied to an entirely different group – Sunfire drivers. Strap yourself into the contoured bucket seats and get in touch with the controls. Take a deep breath. Shift into gear. Now you're ready to raise the bar on your own performance.

SUNFIRE FEATURES

EASY ENTRY. The Coupe's easy-entry front passenger seat tips and slides forward to allow easy access to the rear seat in Sunfire Coupes.

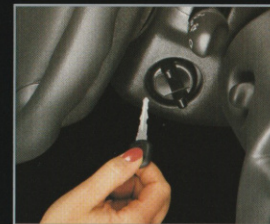

FULL-FOLDING REAR SEAT. The full-folding rear seatback opens to give you access to the trunk, accommodating oversized luggage, increasing the cargo-carrying capabilities.

MONSOON SOUND SYSTEM. The available Monsoon premium audio system is custom designed for Sunfire GT's interior, delivering 200 watts RMS.

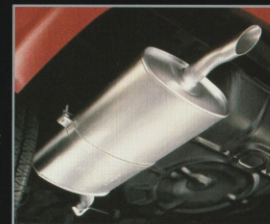

GETRAG 5-SPEED TRANSMISSION. Sunfire's 5-speed manual transmission is built by the world-renowned European manufacturer, GETRAG. The gearbox provides a smooth shift feel and a synchronized reverse gear.

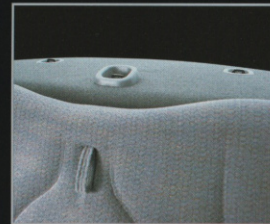

PASSLOCK II THEFT-DETERRENT SYSTEM. The standard PASSLock II system helps protect your Sunfire from would-be thieves. PASSLock must recognize your ignition key electronically before it will allow the engine to start.

BATTERY RUN-DOWN PROTECTION. Sunfire's battery saver system automatically shuts off all interior or trunk lights left on for more than 20 minutes when the ignition is turned off.

STAINLESS STEEL EXHAUST. Sunfire features a stainless steel exhaust system that is corrosion-resistant, helping it last longer than conventional systems.

CHILD SEAT TETHER ANCHORS. Child seat tether anchors give you the means to secure child seats, thereby limiting the forward motion of a child seat and its occupant in the event of rapid deceleration.

SUNFIRE ACCESSORIES

HOW CAN YOU GET EVEN MORE OUT OF YOUR SUNFIRE? PUT EVEN MORE INTO IT. There are plenty of built-in rewards for the Sunfire driver. But there is no need to stop there – GM Accessories add style and functionality. And only GM Accessories are GM Engineering certified and backed by GM's 3-yr./60,000 km TOTAL™ Warranty, when installed by the dealer at the time of the vehicle purchase or lease. The accessories featured here are only a selection of those available for Sunfire. Ask your dealer for more complete information.

Sunfire Coupe shown in Bright Red with the following dealer-installed accessories: hood protector (10953607), roof-mounted ski carrier (various) and ventvisors (12371388).

SPLASH GUARDS. Your practical side will appreciate the fact that these splash guards protect your car's underbody from mud and other loose debris. Your emotional side will love the added styling accent. Part Number: 12497397

BODY CLADDING. As if Sunfire wasn't sporty enough – you can add the aggressively sporty styling detail provided by the body-side cladding. It makes your Sunfire look even meaner. Part Number: 12495297

TRUNK ORGANIZER. Sunfire has the trunk capacity – this trunk organizer allows you to take advantage of all that space. And it keeps objects in their place when you're driving. Part Number: 12370343

IT'S NOT ONLY BENTON'S VEHICLES THAT ARE BUILT FOR DRIVERS. There is a lot more to a vehicle's performance than its shifting pattern and torque curve. Your ownership experience must be every bit as good as your driving experience. That is our philosophy at Pontiac. That commitment is well demonstrated by the new 5-year/100,000 km powertrain warranty on all 2001 Sunfire models. This brochure is another reflection of our philosophy. We provide a comprehensive overview of our vehicles to enable you to make an informed buying decision. Pontiac also includes an extensive series of support programs to help you get the very most out of our vehicles. You can read about all these programs on this page. To appreciate the way a Pontiac drives, though, you'll have to drive it on a challenging stretch of road. To find out more about the 2001 Pontiac Sunfire, please visit our Web site at gmcanada.com or call our Customer Communication Marketing Centre at 1-800-GM-DRIVE or 1-800-463-7483 (1-800-263-3830 for TDD users).

GM TOTAL™ WARRANTY Every new GM car and light-duty truck is backed by the GM TOTAL™ Warranty, 3-year/60,000 km (whichever comes first) which covers complete vehicle repairs, including parts and labour, to correct any defects in material or workmanship occurring during the warranty period. The GM TOTAL™ Warranty requires no deductible. Tires are included. Warranty features include towing, no-charge warranty transfer, 6-year/160,000 km (whichever comes first) corrosion perforation coverage and 8-year/130,000 km (whichever comes first) coverage on catalytic converters and powertrain control modules (PCM). Regular maintenance is not included. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your dealer for terms of this limited warranty.

SUNFIRE POWERTRAIN COMPONENT WARRANTY In addition to the GM TOTAL™ Warranty, every 2001 Sunfire model is also covered by the new special Powertrain Component Warranty for 5 years or 100,000 km (whichever comes first). Roadside Assistance and Rental Allowance are not included in the special Powertrain Component Warranty. If more comprehensive coverage is desired, GM offers an available, specially priced GM Protection Plan which includes GM Roadside Assistance and Rental Allowance benefits. See your GM dealer for details.

GM ROADSIDE ASSISTANCE When you drive away in your new GM car or light-duty truck, the security and convenience of round-the-clock Roadside Assistance is available via a toll-free number usable anywhere in Canada or the United States. During the GM TOTAL™ Warranty period, whenever a problem may occur, your Roadside Service Advisor is just a phone call away. Whether it's lock-out assistance, a jump start, a flat tire change, fuel delivery or towing assistance, simply call 1-800-268-6800 and we'll be there to assist you without charge. See your dealer for details.

GM COURTESY TRANSPORTATION Your GM dealer may offer courtesy transportation while your new GM vehicle is serviced at your GM dealership for repairs covered under the 3-year/60,000 km GM TOTAL™ Warranty. Certain restrictions apply. See your GM dealer for full details.

GMAC General Motors Acceptance Corporation of Canada, Limited (GMAC) is a General Motors division that was created specifically to assist GM dealers in marketing new vehicles to qualified GM customers. You can arrange GMAC financing right in your GM dealer's showroom and the terms of your arrangement can be tailored to fit your particular needs. It's a convenient, flexible alternative to a conventional bank loan.

GM SMARTLEASE GM SMARTLEASE is administered by GMAC as an alternative to traditional financing. Qualified SMARTLEASE customers pay for the portion of the vehicle that is used, rather than paying for the entire vehicle as with traditional financing. Consider these SMARTLEASE benefits: Affordable monthly payments, drive more vehicle for your money, drive a new vehicle more often, no resale risks or trade-in hassles and a guaranteed option-to-purchase price when your lease ends. Most importantly, there are no surprises with SMARTLEASE. See your GM dealer about the benefits of SMARTLEASE. Or call 1-800-GM-DRIVE.

THE GM CARD Start your dream rolling with The GM Card®. With The GM Card, your dream of owning a new GM car, truck or van can quickly become a reality. Every time you make a purchase using The GM Card, you earn 5% of that purchase which you can apply towards the Total Purchase Price or lease down payment of your next eligible new GM vehicle*. Earn up to \$500 per Cardholder year* by simply charging your usual purchases on your GM Card. What's more, there is no annual fee.

To receive an application or for full terms and conditions, please see your local GM dealer, TD Bank branch or call 1-800-GM-DRIVE.

® Registered Trade Mark of General Motors Corporation, TD Bank licensed user.

* See The GM Card Program Rules for details. See your dealer for vehicle eligibility.

GM GRADUATE PROGRAM If you're a recent graduate from a recognized college or university, you may qualify for \$1,000 (all taxes included) off on the purchase or lease down payment of the new GM vehicle of your choice*. Anyone graduating from a 3-year university degree program, a 2-year college program or, in Quebec, a 3-year CEGEP D.E.C. (Technique) program between May 1, 1998 and December 31, 2001 can take part. To get credit for your degree, see your GM dealer for full details, or call toll-free 1-800-GM-DRIVE.

*Excluding Saturn, Saab and Hertz. Offer not to be used in conjunction with \$1,000 GM Card Student Bonus Offer.

GM MOBILITY PROGRAM If you or your passenger(s) have a physical disability which prevents you from driving or riding in a factory-equipped vehicle, find out about the GM Mobility Program for Persons with Disabilities. You may be eligible for reimbursement of up to \$1,000 (all taxes included) for adaptive equipment you may require for your new GM vehicle. Your GM dealer can also set up complete GMAC financing for you. (SMARTLEASE not eligible.) Beyond that, your GM dealer can provide you with lists of qualified driver assessment centres and mobility equipment installers. Call this toll-free number for more information: 1-800-GM-DRIVE or TDD users, 1-800-263-3830.

GM PROTECTION PLAN GMPP coverage provides you with "Peace of Mind" protection from repair costs (parts and labour), as well as many associated expenses that may occur to your vehicle beyond the GM TOTAL™ Warranty period. Whether you're purchasing or leasing your GM vehicle, there's a GMPP coverage level and plan term to suit your budget and driving needs. Be sure to ask your GM dealer about the many benefits you receive through your purchase of the General Motors Protection Plan, the only Extended Service Plan backed by the resources and commitment of General Motors.

GM ACCESSORIES If you want to personalize your vehicle to make it your own, ask your Sales Consultant about genuine GM Accessories. Your GM dealer can supply and install quality GM Accessories specifically engineered for your GM vehicle. When installed at the time of purchase or lease, GM provides GM TOTAL™ Warranty coverage for all dealer-installed GM Accessories.

GM GOODWRENCH SERVICE Regular maintenance can help your new vehicle last longer, run better and be more fuel efficient. It can also enhance your resale or trade-in value.

At GM Goodwrench Service, we know your life is busy. So, when it's time for routine maintenance service, we promise to do everything we can to help you get on with your day and to get you back on the road where you want to be. Plus, nobody knows your GM vehicle better than GM Goodwrench Service factory-trained technicians. GM Goodwrench Service is available at select GM dealers.

GM CUSTOMER SATISFACTION It's good to know, when you travel long distances, that there are hundreds of GM dealers in Canada, each one ready to provide you with professional service and genuine GM parts. You can phone the GM Customer Communication Marketing Centre toll-free at 1-800-GM-DRIVE or 1-800-463-7483 (TDD users, 1-800-263-3830) to talk with trained representatives regarding any General Motors product or service. The Centre is open Monday through Friday 7:30 a.m. to 11:30 p.m. (EST) and Saturday 7:30 a.m. to 6:00 p.m. (EST). You can also reach us at our Web site at gmcanada.com

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost.

This brochure is based on the latest information at the time of printing. General Motors of Canada Limited reserves the right to make changes at any time, without notice, to specifications, equipment, colours, models, availability, programs and services. Your Pontiac dealer is the best source for up-to-date information. General Motors reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Pontiacs are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Pontiacs. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

General Motors, GM, the GM emblem, the GM Canada Web site address, Pontiac, the Pontiac emblem, Aztek, Bonneville, Buick, For Drivers, Firebird, Freedom, Grand Am, Grand Prix, Montana, PASSLock, SilverLine, SoftRay, Sunfire, Tilt-Wheel and the TOTAL Warranty are all trade marks of the General Motors Corporation and/or General Motors of Canada Limited.

GMAC is a registered trade mark of the General Motors Acceptance Corporation.

Monsoon and TheftLock are registered trade marks of the Delco Electronics Corporation.

RDS is a trade mark of the U.S. National Association of Broadcasters.
