accessories that
accentuate your vehicle —
and your lifestyle!

Think back to the reasons you bought a Ford SUV. Chances are, your reasons included sleek styling, quality, outstanding engineering, built-in versatility and a strong manufacturer's warranty. You looked at the competition, but you decided that the Ford SUV best fit your needs and your lifestyle.

Well, all of these same reasons apply to genuine Ford Accessories. They look good, they're styled to match the lines of the vehicle, they're engineered to fit exactly, they extend the versatility of your SUV, and they're backed by a strong manufacturer's warranty.

There are a lot of stores and catalogs that offer accessories for your Ford SUV. But none of these competitors can offer the quality, styling, engineering and warranty that you get when you go with genuine Ford accessories. Your basic vehicle is top-of-the line — keep it that way with genuine Ford accessories!

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles/20,000 km (whichever occurs first), or
- The remainder of your new vehicle limited warranty.

This means that Ford Accessories purchased along with your new vehicle and installed by the dealer are covered for the full length of your New Vehicle's Limited Warranty — 3 years or 36,000 miles/60,000 km (whichever occurs first). Contact your dealer for details and a copy of the warranty.

1. Wheels* A wide selection of custom wheels are available for Escape and Expedition models. These wheels can be ordered with either a chrome or painted finish and meet all of Ford's stringent requirements. Check with your local dealer for more details. **Available for Escape and Expedition.**

- 1A. 15" X 6.5" Painted aluminum 5-spoke for Escape
- 1B. 17" X 7.5" Machined aluminum split 5-spoke for Expedition
- 1C. 16" X 7" Painted aluminum 5-spoke for Expedition
- 1D. 16" X 7" Chrome aluminum 5-spoke for Expedition
- 1E. 16" X 7" Machined aluminum 10-spoke for Expedition
- 1F. 17" X 7.5" Painted aluminum for Expedition
- 1G. 17" X 7.5" Chrome aluminum for Expedition

2. Double Step Running Boards* Specially designed for the all-new 2002 Explorer, these running boards add style and function, without reducing the vehicle's ground clearance. Boards feature a wide step pad with brushed aluminum trim. The plastic end caps add a finished look. All hardware is included and no drilling is required — so installation is quick and easy. **Available for Explorer.**

3. Production Running Boards* Dressing up your vehicle just got easier! These running boards are designed for an exact fit to your vehicle — giving you a factory finished look. They help reduce step height, and feature ribbed step pads for added traction. Constructed of corrosion-resistant, lightweight steel substructure with durable TPO plastic covers. **Available for Expedition.**

4. Styled Molded Running Boards* Add a custom look to your vehicle with these running boards. They sport an aerodynamic look which complements the vehicle's lines — while providing a lower step height for easier entry and exiting. Lights at both ends of the boards (Expedition only) help increase nighttime visibility. Constructed of a sturdy steel substructure that features an E-coat primer to help prevent rust. Available in select exterior colors to complement your vehicle (Explorer Sport and Sport Trac models available in Medium Titanium only.) Not available for vehicles with side air bags. **Available for Explorer Sport, Explorer Sport Trac and Expedition.**

5. Tubular Running Bars* Add a distinct look and functionality to your SUV. The elliptical shape of these bars provides a wide foothold, and molded pads help reduce slippage. Available in Black Powdercoat (Escape, Explorer, Expedition and Excursion), Dark Platinum (Escape), Medium Titanium (Escape) and Chrome (Expedition and Excursion) finishes. All models feature end caps to provide a finished look. **Available for Escape, Explorer, Expedition and Excursion.**

* Eligible for residualization under a Ford Credit Red Carpet Lease.

6. Side Window Deflectors No matter what the weather, these deflectors let you enjoy fresh air. Made of durable, smoke-colored acrylic, these deflectors keep out snow or rain while allowing you to crack open the window and let the fresh air in. Easy to install with self-stick adhesive included in kit.

Available for all models.

7. Full Front End Cover Keep your vehicle's finish looking great with the protection of this full front cover. The strong heavy-duty vinyl helps protect your vehicle's front end from bugs, stones, and off-road debris. The flannel backing helps minimize moisture build-up between the cover and the painted surface. Custom-designed for your vehicle, this cover allows you to open the hood without removing the cover.

Available for all models except Excursion.

8. Canoe Carrier by Yakima This carrier allows you to secure your canoe to the roof rack on your next weekend of fun! Fits our removable roof rack, track rider bars or raised cross bars (sold separately). Carrier installs easily without tools. Requires tie-downs available at your local sporting goods store.

Available for all models. 

9. Sport Hood Cover This stylish cover gives you a sporty look, and helps protect your vehicle's front end. The heavy-duty vinyl helps keep bugs, stones and other road debris from marring your vehicle's finish — and the flannel backing is gentle to paint. One-piece design allows hood to be opened with cover on.

Available for Escape, Explorer, Explorer Sport, Explorer Sport Trac and Expedition.

10

11

12

10. Smoke-Colored Rear Air Deflector* Constructed of durable acrylic, this rear air deflector adds a sporty look to your vehicle. Available for Expedition and Excursion.

11. Painted Rear Air Deflector* For sporty good looks plus a factory-built appearance, try our painted rear air deflector. It's available in several exterior colors to match or complement your vehicle. Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.

12. Rear Window Deflector This rear window deflector was designed expressly for the Explorer Sport Trac. Constructed of durable smoke-colored acrylic, it allows fresh air to enter the cab through the sliding rear window while helping to keep out the elements. Easily installed using self-adhesive tape. Available for Explorer Sport Trac.

13. Fender Flares* Enhance the stylish lines of your vehicle while providing protection to the sides and finish. Constructed of resilient TPO plastic that helps protect your vehicle from stones, gravel and other road debris. Available in a variety of colors to match or complement your vehicle exterior. Available for Expedition and Excursion.

13

14. Tire Step When it comes time to load up the roof rack, this handy tire step is just what you need to reach the top easily and comfortably. Just place it on one of the tires and you're standing tall. Adjustable to fit most O.E. tire sizes, it's non-skid surface provides sure footing. Folds neatly for easy storage. Available for all models.

14

15. Brushed Aluminum Accent Bars These bars add a sporty accent to your Escape. Constructed of rugged, corrosion-resistant aluminum tubing, they feature a clearcoat finish that resists fading and scratching. Easy to install, with no drilling required, and all hardware included. Available for Escape.

15

16. Rear Bumper Guards Help protect the rear bumper surface from annoying scuffs and scratches. Packaged as a set of two, these guards install quickly and easily with adhesive backing. Available for Escape.

16

* Eligible for residualization under a Ford Credit Red Carpet Lease.

17. Grille Fascia Add some style and help protect the front bumper from minor impacts with this grille fascia. Constructed of a heavy-duty plastic, the black finish complements just about any vehicle color, and the simulated chrome inserts add that "touch of style." Easy to install.

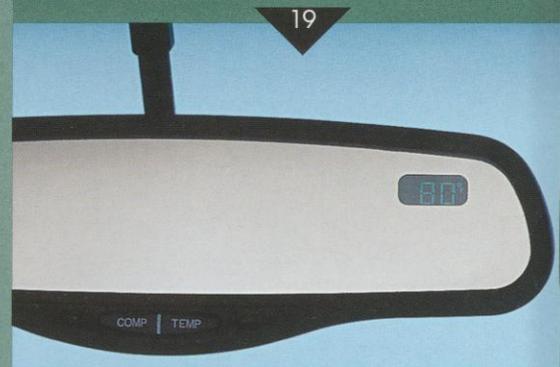

Available for Escape.

18. Frame Mount Bike Carrier by Yakima Take your bike(s) along on your next trip with this roof-rack carrier. Each carrier holds one bike, and features a locking arm with a durable Kraton® padding that clamps onto the downtube of the bike to protect the finish. Built-in cable guides guard against damage to brake or shifter cable. Fits factory rack, track rider bars and raised cross bars (sold separately).

Available for all models. 

19. Electrochromic Compass Mirror Ease the discomfort of headlight glare in your rearview mirror with this handy accessory. The mirror automatically dims when headlight glare behind you is detected. It also features a reliable, built-in compass that you'll find useful whenever your travels take you away from familiar surroundings. **Available for Escape, Explorer, Expedition and Excursion.**

Electrochromic Compass Mirror with Temperature Display All the features of our electrochromic compass mirror — plus an outside temperature display. You can set the display to Fahrenheit or Celsius, and you can toggle between compass reading and temperature with a handy switch. **Available for Escape, Explorer, Expedition and Excursion.**

20

21

22

20. Speed Control On long drives, speed control allows you to keep your eyes on the road and not on the speedometer. Our microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Dealer installation recommended.
Available for Explorer Sport and Explorer Sport Trac.

21. Ash Cup Designed to fit in your vehicle's cup holders, our ash cup provides a convenient place for cigarette ashes and butts. Includes a lid to help keep ashes in their place when windows are down. Constructed of a durable thermoplastic. Removes easily for cleaning.
Available for Explorer.

22. Cellular Phone Holder Provides a convenient place to keep your phone when you're not using it. Mounts easily to console or floor. Hardware and instructions included.
Available for Explorer, Explorer Sport, Explorer Sport Trac and Expedition.

23. Smokers Pack Add an ashtray and cigar lighter to your Explorer. The ashtray blends with the interior styling and mounts to the center console within easy reach of the driver and front seat passenger. Be sure to specify automatic (shown) or manual transmission. Easy to remove for cleaning.
Available for Explorer.

23

24. Highway Safety Kit Be prepared to handle most road emergencies with this handy kit. It's housed in an attractive, zippered bag, and includes a reflective triangle, flashlight, fire extinguisher, bungee cords, thermal blanket, cotton gloves, hose tape, multi-function knife, Phillips- and slotted-head screw drivers and a 12-hour light stick.
Available for all models.

24

25. First Aid Kit Helps you keep those "always needed ... never have" items conveniently at hand. Our First Aid Kit contains general first aid items such as a bandage assortment, gauze, anti-bacterial ointment, and more. The carrying case easily fits into the glove compartment.
Available for all models.

25

27. Center Console Now available for Escape XLS models, this console upgrades the standard console with the premium console from the Escape XLT. There's lots of added storage space and lots of added style. Available in colors to complement the vehicle's interior.
Available for Escape.

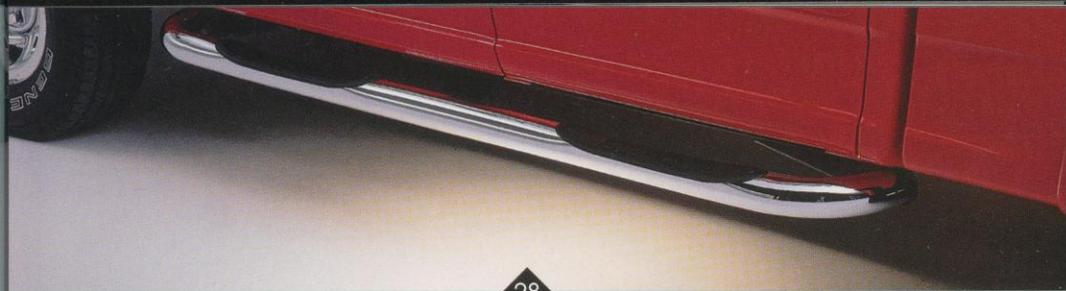

27

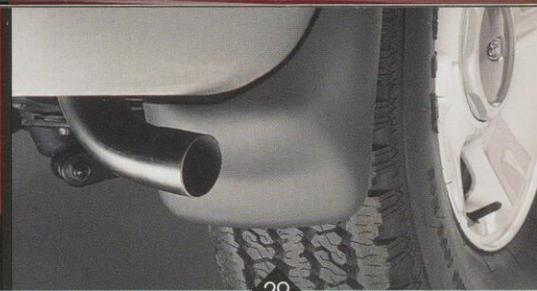

26. Full Vehicle Cover Protect your vehicle from the elements even when you can't garage it. Constructed of an advanced all-weather fabric, our cover helps protect your vehicle from snow, rain and sleet. Elastic band around bottom helps keep cover snug and helps prevent cover from blowing off in high winds.
Available for all models.

Explorer shown with:
• Full Vehicle Cover

28

29

28. Underbody Security Lighting With this lighting, you'll never have to approach a dark vehicle again. Our system provides light to the underside of the vehicle using two powerful lights mounted under the vehicle. The lights are activated by your keyless entry key fob or by manually unlocking the doors. **Available for Expedition and Excursion.**

29. Molded Splash Guards Help keep your vehicle's lower body free of mud. Special contoured design complements vehicle lines and gives maximum protection. Heavy-duty TPO plastic construction resists cracking. Packaged in pairs for front or rear, each pair includes all mounting instructions and hardware. Be sure to specify vehicle trim level (XL, XLT or Eddie Bauer) when ordering. **Available for all models.**

30. Door Edge Guards Protect the outer edge of your doors with these guards. Each set is custom made to the exact contours of your vehicle. They won't sag, slip, peel or rust. Constructed of stainless steel and lined with a non-metallic material that won't scratch your paint, they're easy to install. No adhesives or screws needed for installation. Available in stainless steel or matte black finish. **Available for all models.**

30

31. Moonroof Deflector Enjoy your moonroof even more with our moonroof deflector. This attractive deflector helps reduce wind noise while letting the fresh air flow in. Installs easily. **Available for Escape and Expedition.**

31

32. Bed Extender For those extra long loads, our bed extender is perfect. The sturdy aluminum cage flips out and extends over the end of your tailgate to provide 18" of extra carrying space. And when the cage is flipped inside the bed, it helps protect your cargo from shifting. Easy to install and remove. **Available for Explorer Sport Trac.**

32

33. Cargo Retention Net Help keep packages and other loose items from shifting in your vehicle with this handy retention net. The netting stretches easily over bulky, odd-shaped cargo, and the soft, braided cording won't damage fragile items. Installs easily; no tools required. **Available for Explorer Sport.**

33

34. Daytime Running Lights These lights help make your vehicle more visible to other drivers during daylight hours. Research shows that they can help reduce collisions. The system automatically activates the low-beams at 75% of their normal operating power whenever the ignition is in the "on" position. Engineered to completely integrate with your vehicle's electronic system. Dealer installation recommended.

Available for all models.

35. Automatic Headlamp System Automatically switches the headlights on whenever darkness is sensed. Also features a time delay that leaves the lights on for a pre-set amount of time after parking the car. The daytime running light feature can be activated during installation. Engineered for complete integration with vehicle electrical system. Dealer installation recommended.

Available for all models.

36. Fog Lights When you are driving in rain, snow or fog, nothing penetrates the elements like fog lights. Designed to mount to the lower fascia of the front bumper with an original equipment design that ensures proper fit. Dealer installation recommended.

Available for Explorer, Explorer Sport, Explorer Sport Trac, Expedition and Excursion.

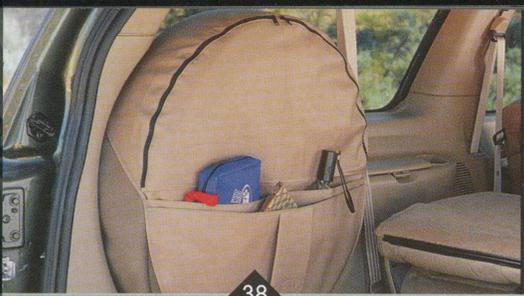

37. Carpeted "Catch-All" Cargo Mat To protect the area behind the 2nd seat (3rd seat must be removed in Expedition), try this clever cargo mat. The raised edges help prevent spills from getting on your vehicle's carpeting. Features stain-resistant carpeted surface in colors to match vehicle interior. Also has special backing that helps prevent mat from sliding. Expedition model available for vehicles with or without rear air conditioning. **Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.**

37

38

39

40

38. Spare Tire Organizer This handy organizer slips easily over your spare tire — giving you a bit of extra cargo carrying capability. Made of heavy-duty vinyl, it features several handy pockets for storing small items. Available in several colors to match vehicle interior.

Available for Excursion.

39. Rear Door Cargo Storage Bins These handy storage bins are great for holding those last minute items you need. They mount on the rear door, so they're also handy for holding seldom-needed, but essential items such as tools. The kit includes two solid finished storage bins and an expandable meshed netting. Easy-to-follow instructions and hardware included.

Available for Excursion.

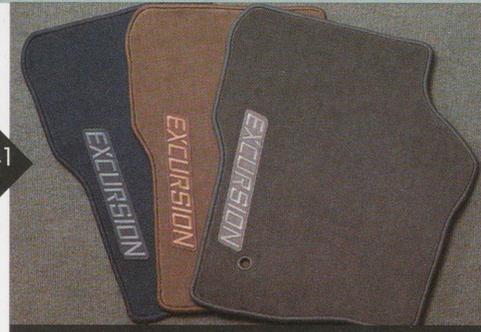

40. Soft Cargo Liner Help keep your vehicle cargo area clean with this liner. It's designed to fit the contours of the cargo area for maximum coverage and protection. The liner is constructed of durable nylon-reinforced vinyl with Velcro® fasteners for easy installation and removal. Available in colors to match vehicle interior. Folds neatly for easy storage.

Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.

41. Carpeted Floor Mats When it comes to great-looking protection for your vehicle's carpeting, it's hard to beat these luxurious, carpeted floor mats. They're custom-fit to the exact contour of your vehicle, and feature premium grade carpeting. Driver-side mats have positive retention, and all mats have nib backing to help prevent slippage. Front and 2nd row mats are in sets of two; 3rd row mats (Expedition and Excursion) are one-piece.

Available for all models.

41

42. All-Weather Vinyl Floor Mats These heavy-duty floor mats feature deep grooves and raised ridges to catch and hold snow, slush and mud, while protecting the vehicle carpeting. They feature nibbed backing and driver-side positive retention to help keep mats in place. Available in colors that complement your vehicle's interior.

Available for all models.

42

43. Universal Carpeted Floor Mats An economical and efficient way to protect your vehicle's carpeting, these mats are available with or without logo identification on the front mats. Available in a wide variety of colors to complement most vehicles.

Available for all models.

43

44. Carpeted "Catch-All" Floor Mats These mats have a unique molded shape that fits the exact contours of the vehicle, providing maximum coverage and floor carpet protection. Deep ridges catch and trap unwanted elements like dirt, mud and snow. Features gripper plate and driver's side positive retention to help keep mats in place. The stain-resistant carpeted surface provides easy cleaning and year-round protection. Front mats include an attractive embroidered logo and driver's side heel pad.

Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.

44

45. Load Warrior by Yakima For extra carrying capacity, try this large "safari style" carrier. More than merely a basket, the Load Warrior can hold almost anything you want to carry — from bikes, to canoes to luggage. Its weather-resistant, heavy-duty steel construction provides durability in a lightweight package. Fits easily on your factory roof rack (Expedition and Excursion require Track Rider Bars). Includes cargo stretch net. Check your vehicle's owner guide for roof capacity.

Available for all models. 

46. Load Warrior Extension by Yakima This easy-to-install, "table leaf" style extension increases the already huge proportions of your Load Warrior by 18". Fits quickly into place to give you even more carrying space for those really large loads.

Available for all models. 

47. Tow Hooks In addition to giving your vehicle that "tough" look, these tow hooks are also completely functional. Since they are mounted directly to the vehicle's front bumper bracket frame, they offer great utility. Kits include two hooks, hardened bolts and installation instructions. **Available for Explorer, Explorer Sport and Explorer Sport Trac.**

48. Cargo Storage Box This durable, heavy-duty plastic bin fits perfectly in the cargo space behind your 3rd seat. Handy for carrying bottles, tools, cleaning fluids — just about anything that you want to keep from spilling on your vehicle's carpet. And it lifts right out when you want to carry your cargo out of the vehicle. Boxes feature vehicle name, and are stain-resistant and fully washable.

Available for Expedition.

50

51

- 49. Cargo Organizer** An attractive and easy way to organize all the “stuff” you need to carry — and get it there neatly and safely. Made of premium-grade polyethylene, with a removable and adjustable divider system that helps separate your belongings. Installs easily behind 2nd seat (3rd row in Excursion) with no tools required. Also helps protect vehicle interior from spills. Available in black only. **Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.**
- 50. Seatback Organizer** Designed with pockets for maps, a cup holder and a handy spot for a travel-sized box of tissues. Made of a durable reinforced vinyl that installs in minutes without tools. Available in a variety of colors to match vehicle interiors. **Available for all models.**
- 51. Bed Mat** If you don’t need the full-time protection of a bed liner, you may want to consider a bed mat. These mats can be laid in place when needed to protect against scratches, spills and damage. They’re made of a cord-reinforced, synthetic rubber material called Nyracord®. This material resists cracking or breaking even under extreme weather conditions. **Available for Explorer Sport Trac.**

- 52. Interior Cargo Tray** Helps protect the rear cargo area of your vehicle. Constructed of a durable polyethylene, the tray is molded to the contours of your truck. Raised lip helps contain spills. Available in colors to match or complement your interior, this tray is lightweight and installs easily with no tools. **Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.**

52

- 53. Cargo Security Shade** Conceal your valuables with a sturdy security shade. Mounts behind rear seat, above the cargo area. Made of heavy-duty vinyl, the shade may be stored on its roll when not in use. Available in colors to match vehicle interior. **Available for Escape, Explorer and Explorer Sport.**

53

- 54. Dog Guard** Take your dog along on your next outing — and keep your vehicle interior clean too! This dog guard is designed to fit easily in your vehicle cargo area. No tools required. No more dog fur everywhere! **Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.**

54

- 55. Dog Guard Cargo Area Divider** A popular addition to our dog guard, this divider allows you to partition the cargo area of the vehicle. Perfect for salespeople carrying samples or other products, as well as for separating two pets. Divider is constructed of steel and attaches directly to the dog guard (sold separately). Easy, no-drill installation. **Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.**

55

56. Track Rider Bars (shown) and Raised Cross Bars by Yakima Increase the carrying capacity of your factory roof rack with our track rider bars (shown), or our raised cross bars. They mount directly to the tracks of your factory rack (raised cross bars clamp onto side rails) with no drilling required. Holds up to 4 bike racks as well as our other equipment carriers (sold separately). An integrated locking system provides security. **Track Rider Bars available for Escape, Expedition and Excursion. Raised Cross Bars available for Explorer, Explorer Sport and Explorer Sport Trac.** **YAKIMA**

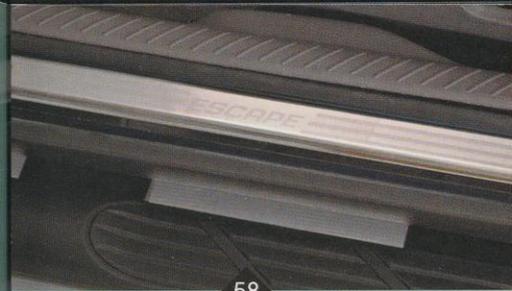

57. Snow Traction Cables Specially designed for use in mountainous areas where frequent snow storms are the norm. The cables are easily installed, and have a patented "Z" design that provides exceptional grip in snow or ice covered roads. The snug-to-the-tire design makes them close-fitting. Specifically made for use with ABS brakes. **Available for Expedition.**

Expedition shown with:

- Wraparound Bug Shield
- Fog Lights
- Fender Flares
- Lighted Production Running Boards
- Track Rider Bars

58

59

60

58. Stainless Steel Scuff Plate Brighten up the inside of the door sills with these scuff plates. They're designed to not only look good, but to help protect the sill from minor scuffs and scratches. Constructed of stainless steel with the vehicle's identification "etched" into the surface. Adhesive backing makes installation a snap.
Available for Escape, Explorer, Explorer Sport and Explorer Sport Trac.

59. Plastic Scuff Plate Kit Help protect Escape door sills with our plastic scuff plate kit. It's designed to protect against scuffs and scratches, and has the "Escape" logo molded right in. Comes complete with an adhesive backing to make installation easy.
Available for Escape.

60. Brushed Pewter Interior Trim Brighten up you Escape instrument panel with this trim kit. The simulated brushed pewter appliqué is designed for a precise fit and conforms to the contours of the vehicle's radio bezel. Adhesive backing makes it easy to install. **Available for Escape.**

61. Bedliner* Protect the composite cargo area in your Sport Trac with a special bedliner. It helps protect against scratches, and features the Duraloc® cargo-restraining system that uses 2 X 4's to compartmentalize loads or create two-tiered stacking. The skid-resistant surface helps keep loads from shifting.
Available for Explorer Sport Trac.

61

62. Soft Tonneau Cover - with Snaps* Helps keep the bed of your vehicle clean and dry, and protects your cargo from the elements, as well as prying eyes. The premium soft vinyl construction is lightweight, yet durable, and made to fit the exact contours of your vehicle. Attaches easily with no drilling required. The padded aluminum rails and clamps won't damage your painted surfaces. Special tailgate seal keeps the bed dry and allows you to open the tailgate without removing the cover. Rolls up for easy storage when not in use.
Available for Explorer Sport Trac.

62

63. Hard Tonneau Cover* Turn the cargo area of your Explorer Sport Trac into a locking trunk with this hard tonneau cover. Cover is hinged in the center with locking handles at the front and rear. The design allows the tailgate to be opened without opening the cover.
Available for Explorer Sport Trac.

63

64. Cargo Area Divider When used with the available hard tonneau cover, this divider lets you partition-off the front of the cargo area, and turn it into a lockable "trunk." Constructed of a rugged plastic with corrosion-resistant latches. **Available for Explorer Sport Trac.**

64

* Eligible for residualization under a Ford Credit Red Carpet Lease.

65. SportRack Cargo Boxes Add extra cargo capacity for your next vacation with one of our roof-mounted Cargo Boxes. Each box is constructed of a durable, black ABS plastic that complements the styling and color of nearly any vehicle. The small cargo box is long and thin, and is designed to carry up to six pairs of skis. It has a capacity of 11.3 cubic feet (320 liters). The medium box is short and wide, and is designed to carry larger items like suitcases. Its capacity is 15.5 cubic feet (440 liters). And the large box can carry up to four sets of golf clubs plus shoes, etc. Its capacity is 16.9 cubic feet (480 liters). **Available for all models (Small and Medium). Available for Explorer, Expedition and Excursion (Large).**

66. Wraparound Bug Shield* For premium front end protection with added style, consider this wraparound bug shield. Constructed of durable GE Lexan®, it features a wrap-around design to complement your vehicle's lines. Specially-designed vents help reduce wind noise. Smoke-colored to accent any vehicle color. Most models use existing holes in the hood for easy installation. Kit includes instructions and all hardware. Low-Profile Bug Shields also available. **Available for all models.**

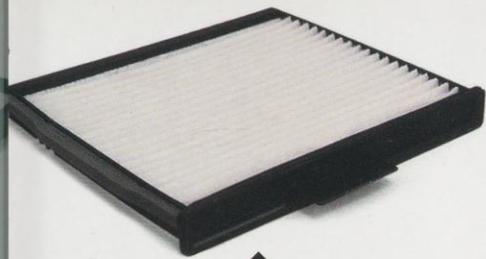

67. Interior Trim Kit Give your vehicle interior a dressier look with this trim kit. Designed for precise fit, the various pieces conform to the contours of your vehicle. The 3M adhesive backing is easy to use and provides a secure bond. Available in woodgrain or midnight carbon fiber for standard or Eddie Bauer models. Kit includes trim for instrument panel and door switch plates.

Available for Expedition and Excursion (woodgrain only).

Excursion shown with:

- Wraparound Bug Shield
- Telescoping Trailer Tow Mirrors
- Large SportRack Cargo Box

68

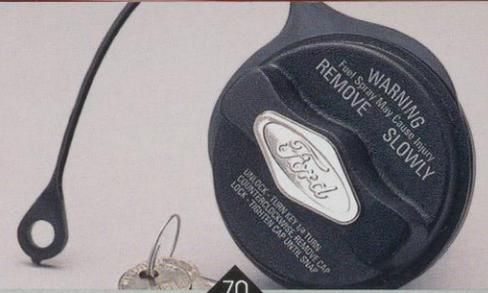

68. Air Filtration Upgrade your vehicle's existing heating/air conditioning system with this OE-designed air filtration kit. Great for use in dusty environments, it filters over 90% of mold spores and other airborne particles larger than 3 microns. Special design helps keep the filter from clogging — maintaining heating, ventilation and A/C efficiency. Filters both incoming and recirculated air. Replacement filters also available. Dealer installation recommended.

Available for Escape and Expedition.

69

69. Air Bag Anti-Theft Locks Air bags are quickly becoming one of thieves' favorite targets. Help protect your investment with our anti-theft Locks. Kit includes specially-designed locks and key to help deter theft of your airbags. Includes a window sticker to let thieves know you're protected. **Available for all models.**

70

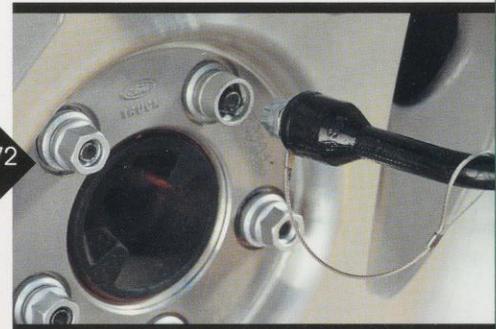

70. Locking Gas Cap Help protect your vehicle's fuel supply from vandals and thieves with this inexpensive locking gas cap. It attaches to the vehicle with a plastic tether to prevent loss of cap. Swing-away cover helps keep debris out of locking mechanism. Includes two keys. **Available for all models.**

71. Spare Tire Lock Secures your spare without compromising the original equipment crank-down system. Easy to use — works with vehicle's standard drive tool. No need to crawl under the vehicle to remove your spare tire. Kit includes one locking bolt and one specially-coded key. **Available for Expedition.**

71

72. Wheel Locks Help protect your vehicle's wheels and tires from theft with these special locks. Simply replace one lug nut on each wheel with one of our through-hardened locking nuts. Chrome-plated locks are available for exposed lugs — while open-ended, zinc-plated locks available for hidden lugs. Kit includes four locks and key. **Available for all models.**

72

73. Vehicle Security Systems* Protect your vehicle with a state-of-the-art vehicle security system. Our security systems offer a full range of security features, and come complete with pocket-sized transmitters. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. **Available for all models.**

73

74. Remote Start Systems* These systems start a vehicle from a remote location, begin to heat or cool the interior, ensure that the vehicle is locked and that its security system (if so equipped) is armed. Comes with two long-distance remote transmitters. The Remote Vehicle Start is available in three versions. Available for automatic transmissions only. Installation by your Ford dealer recommended. **Available for all models.**

74

* Eligible for residualization under a Ford Credit Red Carpet Lease.

75. Soft Luggage Cover Made of durable, exterior-grade canvas, this rugged cover features a zippered opening covered with a flap, which secures tightly with Velcro®. The flexible bag allows you to carry odd-shaped items and folds neatly away for storage when not in use. Nylon web straps secure the carrier to your roof rack.

Available for Escape, Explorer, Explorer Sport, Expedition and Excursion.

76. 4-Pin Trailer Wiring Harness Wiring harness is made to plug directly into the vehicle's wiring and provides electrical power to the trailer's lighting system. Manufactured to rigid Ford wiring standards for years of trouble-free use. Dealer installation recommended.

Available for Escape and Explorer.

77. Flat Splash Guards Help protect the paint finish on your lower rocker panels. These durable splash guards deflect stones, mud, salt and gravel away from the truck's lower body panels. Easy to install — kits include all hardware and installation instructions.

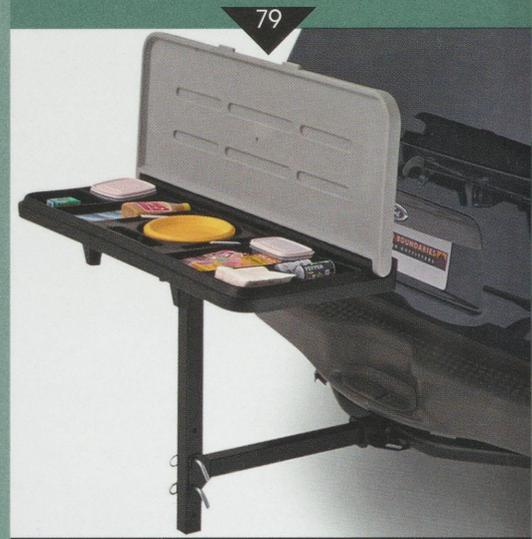

Available for Expedition and Excursion.

78. Class III Trailer Hitch Whether you're hooking up your trailer for a weekend, or toting a load for a friend, you'll appreciate the convenience of our Class III trailer hitch assembly. It bolts directly to your vehicle using existing holes — no drilling or welding required. It has a gross trailer capacity of 5,000 lbs. (2270 kg.), with a tongue capacity of 500 lbs. (227 kg.). NOTE: Towing capacity could be limited by your powertrain. See your dealer for details.

Available for Explorer, Explorer Sport, Explorer Sport Trac and Expedition.

79. Trailgate® Table Perfect for tailgating or a roadside picnic, this table slides into the hitch receiver and has an adjustable height. Made of lightweight plastic, the table features compartmentalized storage for utensils and cooking supplies, and includes outside fishing pole and utility holders. Comes with a convenient carrying case. Available with "Ford" or "No Boundaries" logo. Adapter for 1-1/4" (3 cm) receivers available.

Available for all models.

Explorer shown with:

- Tubular Running Bars
- Side Window Deflectors
- Flat Splash Guards
- Trailer Hitch Receiver
- Soft Luggage Cover

80

81

82

83

80. Framed Luggage Cover Helps protect your roof-mounted luggage from the elements. And, with an additional 10.5 cubic feet of cargo space, you can take along all the extra things you need. It's constructed of a lightweight tubular frame covered with durable vinyl and has a rigid floor for added stability and easy loading. It attaches easily to your factory rack. Zippered side opening makes it easy to load, while the double flap-design provides water-resistance. Approximate size is 50" x 41" x 17" tall (127 cm x 104 cm x 43 cm). **Available for Expedition and Excursion.**

81./82. Fork Mount Bike Carrier by Yakima Take your touring bikes along on your next vacation and mount them securely using this Carrier. Easily installed and removed, it uses a locking 9 mm skewer which opens to accommodate the bike fork for a true "quick release." Each carrier holds one bike and includes an integrated lock for security. Front wheel holder is available and sold separately. Can be used with our track rider bars, raised cross bars or removable roof rack (sold separately). Not for use with factory rack. **Available for all models. Front Wheel Holder by Yakima — Available for all models. **

83. Horizontal Ski/Snowboard Carriers by Yakima Available in two sizes. The small carrier holds up to 4 pairs of skis or 2 snowboards; the large carrier holds up to 6 pairs of skis or 4 snowboards. Both racks feature a soft rubber padding to protect the finish on your skis, and integral locks to help prevent theft. Both carriers install easily on factory roof rack; no tools necessary. Snowboard carrier adapter included. **Available for all models. **

84. Roc2 Hitch Mount Bike Carrier by Yakima Free up precious interior cargo space and still take your bike along with this carrier. Secures 2 bikes outside your vehicle using your trailer hitch (sold separately). Available for 2" (5 cm) receivers, the carrier is secured to the hitch receiver with a lock system. A QuarterROC® mount is also available for 1-1/4" (3 cm) receivers. TerraFirma® is a 4-bike carrier available for 2" (5 cm) receivers. **Available for all models. **

84

85. Bed Mount Bike Carrier by Yakima Allows you to carry up to two bikes in the cargo area of your Explorer Sport Trac. The rack mounts directly to the front cargo area tie-down brackets without affecting the utility of the tie-downs when you're not carrying bikes. Front wheel holders are available (sold separately) to transport the front wheels. Cargo cage also sold separately. **Available for Explorer Sport Trac. **

85

86. Elliptical Cross Bars Your new Explorer, Explorer Sport or Sport Trac comes equipped from the factory with roof rack side rails. These elliptically-shaped cross bars allow you to mount select Ford/Yakima carriers with adapters for elliptical carriers. These include all ski/snowboard carriers, frame mount bike carriers and the luggage/cargo basket carrier. Easy to install, kit includes all required hardware. **Available for Explorer, Explorer Sport and Explorer Sport Trac.**

86

87. Kayak Carrier by Yakima This carrier allows you to carry up to four kayaks on your next paddling adventure. Unique design allows you to carry your kayaks on edge while minimizing side-to-side movement. Carrier installs easily without tools. Fits our removable roof rack, track rider bars or raised cross bars (sold separately). Requires tie-downs available at your local sporting goods store. **Available for all models. **

87

89. Quickstep Swivel Hitch Drawbar Make hooking up the trailer a snap! Simply back up close to the trailer, unlock the Quickstep from its stored position and rotate and/or extend to the waiting trailer. Automatically locks into towing position as the vehicle pulls away. Requires a hitch ball (available and sold separately). Fits 2" (5 cm) hitch receivers. **Available for Explorer, Explorer Sport, Explorer Sport Trac, Expedition and Excursion.**

89

88. Truck Caps by Leer® Designed specially for the Explorer Sport Trac, these caps are available in most exterior colors. Durable fiberglass composite construction for long life. One-piece side windows open and have screens to keep out the bugs. The fully-lined interior and dome light provide a finished look. **Available for Explorer Sport Trac.**

Explorer Sport Trac shown with:

- Cargo Area Cap
- Trailer Hitch Receiver
- Trailer Hitch Cover

Leer® is a registered trademark of Truck Accessories Group, Inc.

90

91

92

90. Class II Trailer Hitch Receiver Whether you're hooking up the trailer for a weekend getaway or just toting a load for a friend, you'll love the convenience of our Class II Trailer Hitch Receiver. It bolts directly to the vehicle's frame using existing holes — no drilling or welding required. Designed for a gross trailer load capacity of 3,500 lbs. (1600 kg.), with a tongue rating of 350 lbs. (160 kg.). Engine oil cooler included. Drawbars and hitch balls sold separately.
Available for Escape.

91. Trailer Hitch Receiver Cover Keep dirt, mud and snow from clogging your trailer hitch receiver with this special cover. Available with "No Boundaries" or "Ford" logo, and available in sizes to fit 2" (5 cm) or 1-1/4" (3 cm) hitch receivers.
Available for all models.

92. 7-Pin Wiring Harness This assembly is manufactured to plug into the factory wiring harness at the rear of your vehicle. The 7-pin design allows the use of trailers with electric brakes. Manufactured to rigid Ford wiring standards for years of trouble-free use. Includes a bracket for convenient attachment. Dealer installation recommended.
Available for Expedition.

93. Removable Trailer Tow Mirrors If you only tow a trailer occasionally, then these removable trailer tow mirrors are what you need. They slide easily over your existing mirrors to provide you with the additional rear vision you need when pulling your trailer. Premium glass minimizes distortion and glare. Packaged in pairs. For vehicles with power mirrors only. **Available for Expedition.**

94. Power/Heated Telescoping Trailer Tow Mirrors If you often tow a trailer, these telescoping mirrors are just the thing you need. When you're towing a trailer, the mirror telescopes out to help increase your range of vision. When you're not towing, they slide back in. Power-controlled mirror glass makes adjusting a snap and the heated glass helps keep them free of snow and ice. A new "forward-folding" feature helps minimize damage if one gets caught backing out of the garage or other tight spot.
Available for Excursion.

95. Trailer Hitch Balls Available in 1-7/8" (4 cm) and 2" (5 cm) diameters, these trailer hitch balls feature a forged steel, one-piece construction for maximum strength. Designed with wrench flats to aid installation or removal. Corrosion-resistant chrome finish.
Available for all models.

96. Trailer Hitch Drawbars These trailer hitch draw bars allow you to match the height of your hitch with the height of your trailer coupler. Offered in two styles: 1-1/4" (3 cm) drop/4" (10 cm) rise, and 0" drop/2-1/2" (6 cm) rise. Forged, one-piece construction with a black powdercoat finish helps resist corrosion. Also available for 1-1/4" (3 cm) receivers. **Available for all models.**

Be sure to ask for the following accessories also available through your local Ford Dealer

- 97. Skid Plates** For off-road fans, skid plates are a "must-have" option. These original equipment kits bolt directly to pre-existing holes in the chassis and help protect the transfer case and fuel tank from damage by rocks or boulders.
Available for Explorer, Explorer Sport, and Explorer Sport Trac.
- 98. Neutral Tow Kit** This handy kit allows you to tow your Explorer behind your motorhome — with all four wheels on the ground. Available for vehicles equipped with the 4.0L engine and 4WD and an automatic transmission. Installation by your Ford dealer is recommended. **Available for Explorer.**
- 99. Engine Block Heater/Battery Warmer** For those really cold climates, it's a good idea to keep the battery as warm as possible to provide the most power for starting the engine. The kit has a Battery Warmer that wraps around the battery and includes an engine block heater as well. Once installed, simply hook it up to any heavy-gauge extension cord (not included) and plug into a standard wall outlet. (Gas engines only). **Available for Expedition and Excursion.**
- 100. Engine Block Heater** Get a quicker start even in the coldest weather. Just connect the heater to a grounded extension cord (not included) and plug in to any 110-volt power source. Your engine block will stay warm for easier starting, faster warm-ups, less fuel waste and less battery drain.
Available for all models.
- 101. Load Warrior Light Bracket by Yakima** For those getting ready for a safari, we offer this light bracket that bolts directly to the Load Warrior cargo carrier (sold separately). Simply mount your aftermarket lights to the bracket. Only the bracket and its attaching hardware are included.
Available for all models.
