2002 Ford Police Interceptor Equipment Packages

These packages have been formulated to meet the three levels of police car needs most often requested by police agencies. Each package is offered directly from your Ford Dealer as a Regular Production Option, and is covered by the New Vehicle Limited Warranty. The Visibility Package is available only with the Complete Police Prep Package.

EQUIPMENT	Package Availability		
	Base Police Prep (65A)	Complete Police Prep (68P)	Visibility (65W) *
1. Strobe Bulbs , installed in front parking lenses and rear taillight lenses.	X	X	
2. Six (6) Shielded Coaxial Strobe Conductor Cables , pre-run to front parking lenses, taillights and rear deck.	X	X	
3. Three (3) Waterproof Isolator Maxi Fuses	X	X	
4. Three (3) Power and Three (3) Ground Wires , consisting of six (6) #8 gauge wires. Pre-run to front and rear Power Control Centers and coiled at the base of the B pillar for light bar installations.	X	X	
5. Wiring Harnesses , GXL automotive-grade wiring which is protected by convolute and provides power for accessories. Siren wiring is pre-run.	X	X	
6. Power Control Centers , one in the glove box and one in the trunk. Each houses 6 fuses, battery and accessory power.	X	X	
7. Alternating Headlight Flasher	X		X
8. Large Arm Rest , mounted on console. Rugged construction for long-term durability. The armrest is removable.		X	
9. Conduit , 2" x 4" opening. For ease of installation, the conduit will house and protect any additional wire run from the center console to the trunk.		X	
10. Remote Door-Lock Adapter , hidden manual override of door locks for rear doors.		X	
11. Trunk Air Circulation Fan , pulls air from passenger area and exhausts through trunk, stabilizing climate for equipment.		X	
12. Permanent "Y" Secure Strap , for securing trunk when carrying large items like a bicycle.		X	
13. Dual Storage Boxes , maximize trunk space and provide equipment mounts. Clear view covers for quick reference.		X	
14. Rear Communications Service Tray , glides on heavy-duty tracks. Shipped with secured spare tire.		X	
15. Strobe Power Supply , capable of controlling all strobe light heads.			X
16. Two Rear Deck Strobe Lights			X
17. Console Mounting Platform , secured using existing mounting points. The powder-coated aluminum mounting plate is pre-drilled for the addition of equipment.		X	
18. Control Panel , for strobes and alternating headlight flasher.			X

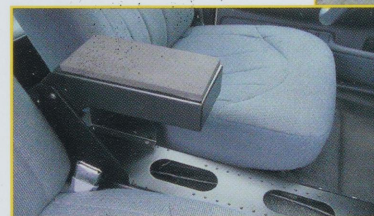

* Only available with the Complete Police Prep Package.
