Think back to the reasons you bought a Ford truck. Chances are, your reasons included a reputation for toughness and reliability, sleek styling, quality, outstanding engineering, built-in versatility and a strong manufacturer's warranty. You looked at the competition, but you decided that the Ford truck best fit your needs.

Well, all of these same reasons apply to genuine Ford Accessories. They're rugged, they look good, they're styled to complement the lines of the vehicle, they're engineered to fit exactly, they extend the versatility of your truck, and they're backed by a strong manufacturer's warranty.

There are a lot of stores and catalogs that offer accessories for your Ford truck. But none of these competitors can offer the quality, styling, engineering and warranty that you get when you go with genuine Ford accessories. Your basic truck is top-of-the line – keep it that way with genuine Ford accessories!

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles/20,000 km (whichever occurs first), or
- The remainder of your new vehicle limited warranty.

This means that Ford Accessories purchased along with your new vehicle and installed by the dealer are covered for the full length of your New Vehicle's Limited Warranty – 3 years or 36,000 miles/60,000 km (whichever occurs first). Contact your dealer for details and a copy of the warranty.

- 1. Stirrup Steps** These steps offer the convenience of a lower step height without adding a full-sized running board. They're heavy-duty, slip resistant, and install easily using existing holes. Available in silver or black finish for Regular Cab, Super Cab or Super Duty Crew Cab.
Available for F-150 and F-Super Duty.

F-150 Super Cab shown with:

- Brush/Grille Guard
- Grille Insert
- Bug Shield
- Side Window Deflectors
- Fender Flares

- 2. Chrome Tubular Running Bars*** Add a distinct look to your truck with these attractive running bars. The 3" round tubes feature a molded step pad for sure footing, and a heavy-duty chrome-plated finish that resists corrosion. Easy to install. **Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.**
- 3. Production Running Boards*** Dressing up your vehicle just got easier! These running boards are designed for an exact fit, and provide a factory-finished look. They help reduce step height to ease entry and exit from the cab. Constructed of a corrosion-resistant, lightweight steel substructure with a durable, black TPO plastic cover. **Available for F-150 SuperCrew.**
- 4. Molded Running Boards*** Add a custom look to your new vehicle with these good-looking molded running boards. They sport an aerodynamic look that complements the vehicle's lines. Constructed of a sturdy, e-coated steel substructure with a rugged TPO plastic cover. Bolts directly to the vehicle's body structure for easy installation. Available in most exterior colors to match vehicle. **Available for F-150, F-150 SuperCrew and Ranger.**

- 5. Styled Molded Running Boards*** These running boards let you get in and out of your vehicle with ease. The aerodynamic styling complements the vehicle's lines for a factory-installed look, and the ribbed step pads offer added traction. Boards bolt directly to the vehicle's body structure for easy installation. Available in most factory colors. **Available for F-150, F-150 SuperCrew and F-Super Duty.**

- 6. Platinum Elliptical Running Bars*** These good-looking elliptical running bars lower the step height of your vehicle for easy entry and exit, and still leave plenty of ground clearance for when you're off-road. With ribbed step pads and a durable platinum finish, these bars look great and provide sure footing. **Available for Ranger.**

- 7. Heavy-Duty Aluminum Running Boards with Molded End Caps*** These heavy-duty boards make getting in and out of your vehicle easier. The aluminum construction resists corrosion, and the molded splash guards provide a finished look while helping to protect the side of the vehicle from stones, gravel and other road debris. Steps feature horizontal ribs and grip tape for added traction. Available in silver and black. **Available for Econoline.**

- 8. Ranger Elliptical Running Bars*** Add a touch of style to your truck with these attractive boards. They feature a flat, compact step area made of injection-molded plastic to help provide sure footing. Easy to install, they're available for Regular Cab, and 2- and 4-door Super Cab models. Offered in a chrome or black powdercoat finish. **Available for Ranger.**

* Eligible for residualization under a Ford Credit Red Carpet Lease.

9. Diamond Plate Running Boards* Add rugged good looks to your vehicle. These heavy-gauge diamond plate aluminum boards are powdercoat-finished to help prevent oxidation. Kit includes integral front mud flaps to help keep the step surface mud-free. Brackets attach to existing holes in the body for easy installation. **Available for F-150 and F-Super Duty.**

10. Diamond Plate Side Box Boards* Extend your diamond plate running boards with these diamond plate side box boards. Constructed of the same heavy-gauge diamond plate aluminum as our running boards, they feature a powdercoat finish to help prevent oxidation. Step onto the board for easier access to the cargo area. **Available for F-150 and F-Super Duty.**

11. Diamond Plate Tool Boxes  These tool boxes let you store your tools in style. Available in either single or double lid design, both styles are constructed of heavy-gauge diamond plate and are protected by a powdercoat finish. Both boxes feature gas lift lid supports and locking paddle latches. Single-lid design opens from rear, double-lid opens from either side. Both feature a rubber mat to help keep tools from sliding. **Available for F-150 and F-Super Duty.**

12. Diamond Plate Bed Rail Caps Cap off your pickup bed with style. Heavy gauge aluminum construction helps protect your vehicle bed rails while the diamond plate design adds a stylish appearance. Available in long or short bed sizes with or without stake pocket holes. **Available for F-150 and F-Super Duty.**

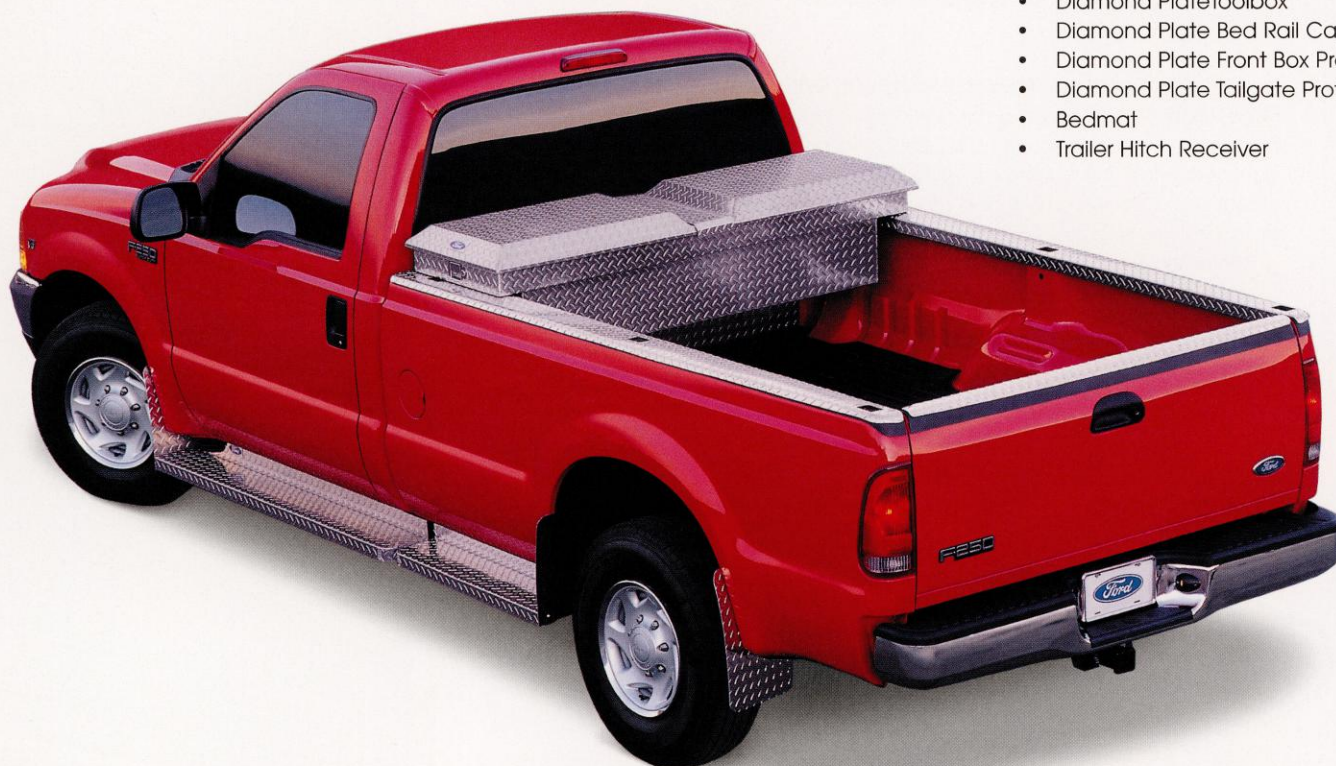

13. Flat Rubber Splash Guards w/Diamond Plate Insert Available for dual rear wheel applications only, these heavy-duty splash guards add style while protecting your vehicle. **Available for F-Super Duty with Dual Rear Wheels.**

13

15

16

- 14. F-Series Chrome Elliptical Running Bars*** Dress-up your truck and make it easier to enter and exit the cab with these attractive elliptical running boards. These 3" elliptical tubes feature molded step pads to provide sure footing, and a chrome finish that resists corrosion. Molded end caps provide a finished look. Easy to install, and available for Regular, Super and CrewCab body styles.
Available for F-150 and F-Super Duty.
- 15. Black Tubular Running Bars*** Add some style while making your truck easier to enter and exit. These good-looking bars are constructed of a sturdy, elliptical aluminum tubing with plastic end caps that provide a finished look. The plastic step pad also helps ensure secure footing. Easy to install, with no drilling required.
Available for F-150, F-150 SuperCrew and F-Super Duty.
- 16. Lighted Running Boards*** These production-style running boards feature lights at both ends to help making entry and exit from the cab easier. Lights activate when the vehicle's doors are opened, lighting the step. Constructed of a corrosion-resistant, lightweight steel substructure with a durable, black TPO plastic cover. Offered for Regular, Super and Crew Cab body styles.
Available for F-Super Duty.

- 17. Diamond Plate Front Box Protector**  Protect the front of your pickup box from damage with this diamond plate protector. Constructed of heavy-gauge, diamond-plate aluminum, the kit comes complete with all necessary hardware and installation instructions. Not for use with a bedliner, but perfect for use with a bed mat.
Available for F-150 and F-Super Duty.

- 18. Diamond Plate Tailgate Protector** Made of heavy-gauge aluminum to help protect the inside of your tailgate from dents and scratches. Wraparound design offers top edge protection as well. Easy to install, with no drilling required.
Available for F-150 and F-Super Duty.

- 19. Diamond Plate Splash Guards**  Help protect your truck's lower body finish from mud, stones and other debris with diamond plate splash guards. Constructed of aluminum, with a powdercoat finish to help prevent oxidation, these oversized splash guards are functional and rugged. Also available for dually applications.
Available for F-150 and F-Super Duty.

19

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

20. Removable Roof Rack by Yakima This easy-to-install removable rack allows you to carry skis, snowboards, bikes and luggage when you purchase the carriers (sold separately and available at your local Ford dealer). Mounts directly to the vehicles drip rails. Integral locks help guard against theft. Kit includes all hardware, tools and installation instructions.

Available for Econoline. **YAKIMA**

20

Econoline shown with:

- Full Front End Cover
- Tire Step
- Removable Roof Rack
- Load Warrior with Extension
- Stainless Steel Door Edge Guards

21

22

23

- 21. Roc2 Hitch Mount Bike Carrier by Yakima** For those times when you need all the cargo space available in your truck, this bike carrier allows you to secure your bikes outside the vehicle. Fits into 2" (5 cm) hitch receivers with a swing-down feature to allow easier access to the vehicle's cargo area. The crossbar mounting system holds up to two bikes. For those that need to carry four bikes, our Terra Firma® model is also available.

Available for all models. **YAKIMA**

- 22. Trailgate® Table**  Perfect for tailgating or a roadside picnic, this handy table slides into the 2" (5 cm) hitch receiver and has an adjustable height. Made of lightweight plastic, the table features compartmentalized storage for utensils and cooking supplies, and includes outside fishing pole and utility holders. Comes with a convenient carrying case emblazoned with Ford oval.

Available for all models.

- 23. Beddy Jo Bike Carrier by Yakima** For those times when you want to carry your bikes in the truck bed, try our Beddy Jo Bike Carrier. Installs in minutes without tools. Sturdy steel construction with foam padding to protect the vehicle's finish. Holds up to two bikes and is fully compatible with bedliners.

Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger. **YAKIMA**

- 24. Highway Safety Kit** Be prepared to handle just about any highway emergency with this handy kit. Items are self-contained in a convenient canvas bag, and include: a reflective triangle, flashlight (w/batteries), fire extinguisher, bungee cords, thermal blanket and more.

Available for all models.

24

- 25. First Aid Kit** Keep those "always needed...never have" items conveniently at hand! Our First Aid Kit contains general first aid items such as a bandage assortment, gauze, anti-bacterial ointment, and more. The carrying case fits easily into the glove compartment.

Available for all models.

25

- 26. Trailer Hitch Receiver Cover** Keep dirt, mud and snow from clogging the trailer hitch receiver with this special hitch receiver cover.

Available with Ford logo for 2" (5 cm) hitch assemblies.

Available for all models.

26

- 27. Door Edge Guards** Protect the outer edge of your doors with these door edge guards. Each set of guards is custom made to the exact contours of your vehicle. These guards won't sag, slip, peel or rust. Constructed of stainless steel and lined with a non-metallic material that doesn't scratch your paint, they are easy to install. No adhesives or screws needed for installation. Available in stainless steel or matte black finish.

Available for all models.

27

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

28. Signal® Mirror These mirrors help forewarn other drivers to your intentions when you're turning. An internal light sensor adjusts the brightness to surrounding light conditions. This kit replaces the mirror glass only - not the entire mirror. Complete wiring assembly is included. Dealer installation recommended.

Available for F-150 and F-150 SuperCrew.

28

F-150 SuperCrew shown with:

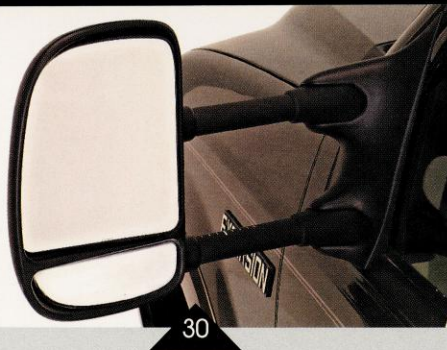

- Sport Hood Cover
- Black Tubular Running Bars
- Side Window Deflectors
- Bedliner

30

31

29. Manual Telescoping Trailer Tow Mirrors If you often tow a trailer, these telescoping mirrors are just the thing you need. When you're towing a load, the mirror telescopes out to help increase your range of vision. When not towing, you can slide the mirror in for normal range. These mirrors also include a "forward folding" feature that helps minimize damage if one gets caught backing out of a garage or other tight spot. **Available for F-Super Duty.**

30. Power Telescoping Trailer Tow Mirrors The same as our Manual Telescoping Mirrors, but the mirror glass features a power adjust. The telescoping feature is still manual. Like the manual mirrors, these mirrors also include a "forward folding" feature that helps minimize damage if one gets caught backing out of a garage or other tight spot. **NOTE:** Power models fit vehicles equipped with power mirrors only. They are not meant as an upgrade. **Available for F-Super Duty.**

31. Removable Trailer Tow Mirrors If you only tow a trailer occasionally, then these removable trailer tow mirrors are what you need. They slide easily over your existing mirrors, to provide additional rear vision when pulling your trailer. Premium glass minimizes distortion and glare. Packaged in pairs. **Available for F-150 and F-150 SuperCrew.**

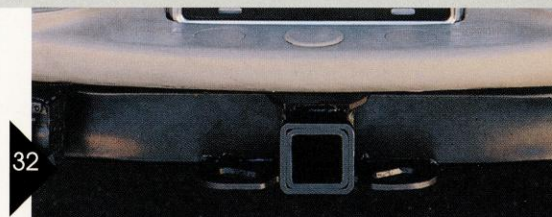

32. Trailer Hitch Assembly - Class III and Class IV These trailer hitch receivers bolt directly to your vehicle using existing holes - no drilling or welding required. The Class III hitch has a gross trailer capacity of 5,000 lbs. (2270 kg.) and a tongue capacity of 500 lbs. (227 kg.) The Class IV hitch has a 10,000 lb. (4540 kg.) towing capacity and a 1,000 lb. (454 kg.) tongue capacity. **NOTE:** Towing capacity could be limited by your powertrain. See your dealer for details. **Class III - Available for Econoline, F-150, F-150 SuperCrew and Ranger.** **Class IV - Available for F-Super Duty.**

33. Trailer Wiring Harness This 7-pin wiring harness assembly is made to plug into the factory wiring harness at the rear of your vehicle. The 7-pin design allows the use of trailers with electric brakes. Manufactured to rigid Ford wiring standards for years of trouble-free use. Includes a bracket for convenient attachment. Dealer installation recommended. **Available for F-150, F-150 SuperCrew, and F-Super Duty.**

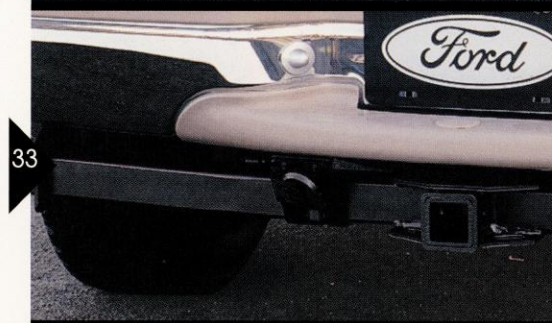

34. Quickstep Swivel Hitch Draw Bar Make hooking-up a trailer a snap with this innovative, new adjustable hitch draw bar. With Quickstep, you only need to get "close" to make the trailer connection. Then, simply extend the bar out from the receiver, and rotate it as needed to connect to the trailer. Then, pull forward, and Quickstep's automatic locking feature locks the unit into towing position. For 2" (5 cm) receivers. (Does not include hitch ball.) **Available for all models.**

35. Trailer Hitch Balls Available in 1-7/8" (4 cm) or 2" (5 cm) diameters, these hitch balls feature a forged, one-piece construction for maximum strength. Designed with wrench flats to aid installation or removal. Corrosion-resistant chrome finish. **Available for all models.**

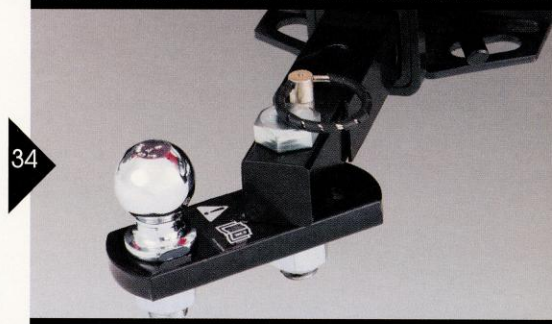

36. Trailer Hitch Draw Bars These bars allow you to match the height of your hitch with the height of your trailer coupler. Offered in two styles: 1-1/4" (3 cm) drop/4" (10 cm) rise, and 0" drop/2-1/2" (6 cm) rise. Forged, one-piece construction with a black powdercoat finish helps resist corrosion. **Available for all models.**

32

33

34

35

36

37. Side Window Deflectors No matter what the weather, you can enjoy fresh air with these deflectors. Durable, smoke-colored acrylic deflectors keep out snow or rain while allowing you to crack open the window and let the breezes in. Easy to install with self-stick adhesive, included in kit. **Available for all models.**

38. Full Front End Cover  Keep your vehicle's new finish looking great with the excellent protection of this front end cover. The strong, heavy-duty vinyl helps protect your vehicle's front end from bugs, stones and road debris. The flannel backing helps minimize moisture build-up between the cover and the painted surface. Special design is a custom fit for your vehicle, and allows you to open the hood without removing the cover.

Available for F-150, F-150 SuperCrew, Ranger and Econoline.

F-Super Duty shown with:

- Diamond Plate Running Boards
- Diamond Plate Side Box Boards
- Harley-Davidson Diamond Plate Splash Guards
- Side Window Deflectors
- Trailer Hitch Receiver
- Telescoping Trailer Tow Mirrors

39

40

41

- 39. Sport Hood Cover**  For a sporty look and protection for your front end. This heavy-duty vinyl cover helps keep bugs, stones and other road debris from marring your vehicle's finish – and the flannel backing is gentle to painted finish. One-piece design allows hood to be opened with cover on.

Available for F-150, F-150 SuperCrew and Ranger.

- 40. Wraparound Bug Shield***  For premium front end protection with a little added style, order this good-looking bug shield. Constructed of durable GE Lexan® with a wraparound design to complement your vehicle's lines. Smoke-colored to accent any vehicle color. Installs easily using existing mounting holes under the hood. Kit includes instructions and all hardware.

Available for all models.

- 41. Low-Profile Bug Shield*** This low-profile bug shield offers an economical way to protect your vehicle's front end from bugs, small stones and other debris. Smoke-colored to complement any exterior color. Easy to install.

Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.

- 42. Moonroof Deflector** Get even more use out of your moonroof with this deflector. It reduces wind noise and helps keep out rain or snow when the moonroof is partially open. Custom-molded dark smoke-colored acrylic deflector installs in minutes. No drilling required.

Available for F-150 SuperCrew.

- 43. Fog Lights** Nothing penetrates the elements like fog lights. Designed to mount to the lower fascia of the front bumper with an original equipment design that ensures proper fit. Wiring is compatible with vehicle electronics. Dealer installation recommended.

Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.

- 44. Fender Flares*** These flares enhance the stylish lines of your vehicle while providing protection to the sides and finish. Constructed of resilient TPO plastic that helps protect your vehicle from stones, gravel and other road debris. Available in a variety of colors to match or complement your vehicle exterior.

Available for F-150 and F-Super Duty.

- 45. Daytime Running Lights** These running lights help make your vehicle more visible to other drivers during daylight hours. The system automatically activates the low-beams at 75% of their normal operating power whenever the ignition is in the "on" position. Studies show that DRL's help reduce collisions. Dealer installation recommended.

Available for all models.

- 46. Automatic Headlamp System** Never touch your headlight switch again. System automatically switches the headlights on whenever darkness is sensed. Also features a time delay that leaves the lights on for a preset amount of time after parking the truck. Daytime running light feature can be activated during installation. Engineered for complete integration with vehicle electrical system. Dealer installation recommended.

Available for all models.

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

42

43

44

45

46

48. Grille Inserts Brighten up the appearance of your truck with grille inserts. Constructed of 100% stainless steel, they'll never rust or corrode. They mount directly over the factory grille with no drilling required for installation.
Available for F-150, F-150 SuperCrew and F-Super Duty.

48

47. Brush/Grille Guard* Add a rugged look to your F-150 or F-150 SuperCrew with one of these brush/grille guards. Constructed of aluminum tubing with a powdercoat finish that resists corrosion. Easy no-drill installation with all necessary hardware included in kit.
Available for F-150 (4x4) and F-150 SuperCrew (4x4).

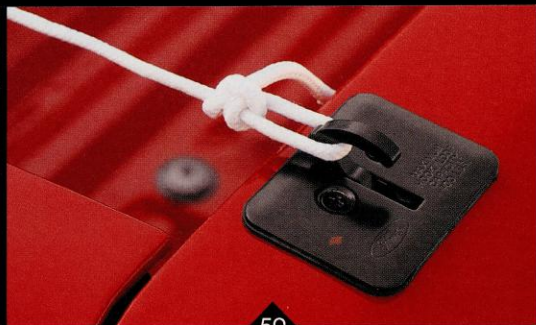

F-150 SuperCrew shown with:

- Brush/Grille Guard
- Molded Running Boards
- Chrome Tubular Bed Rails

49

50

51

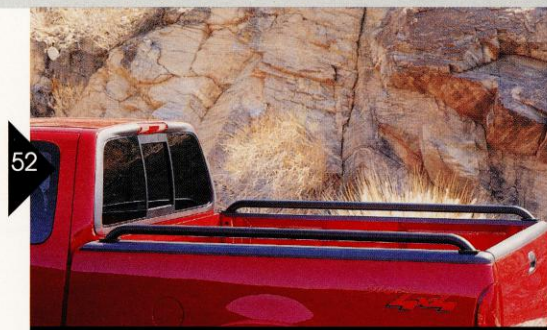

- 49. Bed Extender*** For those extra long loads. This sturdy stainless steel cage extends over the tailgate to provide extra length of carrying space. The cage construction also helps protect your cargo while keeping it in the vehicle bed where it belongs. Easy to install and remove.
Available for F-150 SuperCrew and Ranger.
- 50. Retractable Bedhooks** Retractable bedhooks allow you to secure loose cargo. They feature a black E-coat or stainless steel finish to resist corrosion and bolt directly into the existing stake pockets in your truck. Simply flip up the hooks when you're ready to use them; flip them down when they're not in use. Capacity 400 lb./180 kg. per hook. Packaged in pairs. Not available for Flareside model.
Available for F-150, F-Super Duty and Ranger.
- 51. Tailgate Edge Protector** Help protect the top of your tailgate from minor nicks and scratches with this durable aluminum lip protector. Designed to match the contours of your truck's tailgate. Available in black or silver finish to complement any factory color.
Available for Ranger.

- 52. Tubular Bed Rails - Black*** Made from rugged, custom-bent two inch steel tubing, these rails complement just about any color. Finished with a scratch-resistant black powdercoat process, and available for long or short bed applications. Easily installed, kit includes all hardware and easy-to-follow instructions.
Available for F-150 and F-Super Duty.

- 53. Tubular Bed Rails - Body Color*** These body-colored rails add a sporty appearance to your truck. Available for short bed Styleside models only, they mount directly to the vehicle's stake holes with no drilling required for installation. Easy to install, includes all hardware and easy-to-follow instructions.
Available for F-150, F-Super Duty and Ranger.

- 54. Tubular Bed Rails - Chrome*** These rails fit long and short bed applications, and mount directly to the existing front and rear stake pockets. The custom-bent two inch tubing adds a distinctive, sporty appearance to your truck. Easily installed, kit includes all hardware and easy-to-follow instructions.
Available for F-150, F-150 SuperCrew and F-Super Duty.

- 55. Bed Rail Caps** Help protect the top of the bed with these rail caps. Constructed of rugged thermoplastic molded in gray, these caps fit Ranger short bed Styleside models only. Easy to install, no drilling required, all hardware and instructions included.
Available for Ranger.

52

53

54

55

* Eligible for residualization under a Ford Credit Red Carpet Lease.

57. HomeLink® Visor with TravelNote® Do away with unsightly remotes and record important information while you're on the road. The HomeLink® feature allows you to activate home lighting, open garage doors, unlock entry doors, open gates or disarm security systems from your vehicle. HomeLink® performs the duties of up to three remotes, and is compatible with most radio frequency devices. TravelNote® is an electronic recording device integrated into the visor. Simply push a button and start recording. TravelNote® records whatever you say and stores it until you need it. **Available for F-150 SuperCrew.**

56. Bed Tent  Perfect for an on-the-go camping trip, this accessory quickly converts your pick-up bed into sleeping quarters for two. You'll never have to sleep on the ground again. Water-resistant to help keep you dry, it includes a handy carrying bag. **Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.**

59

60

58. Remote Start Systems* Start your vehicle from the comfort of your home or office and have the vehicle pre-warmed or pre-cooled when you get in. Our remote start systems will start your vehicle, ensure that it's locked and ensure that the security system (if so equipped) is armed. Available in three versions, each includes long-distance transmitters. For vehicles equipped with automatic transmissions only. **Available for all models.**

59. Vehicle Security Systems* Help protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Designed to integrate with your vehicle's wiring, dealer installation is recommended. Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. **Available for all models.**

60. Keyless Entry System* If your vehicle is equipped with power door locks, our keyless entry system allows you to lock and unlock the doors from up to 50 ft. (15 m) away. System features remote illuminated entry that turns on the dome light when the system is activated. It also has a one-button personal protection panic button that activates the vehicle's horn when pressed. Doors automatically lock when vehicle is started. Includes two hand-held remotes. Dealer installation recommended. **Available for F-Super Duty and Ranger.**

61. Molded Splash Guards  Designed to match the contours of your vehicle, these splash guards are functional and stylish. They help protect your vehicle's lower body finish from stones, road salt and mud. Offered in pairs for front or rear. Be sure to indicate 4x2 or 4x4 and vehicle trim level when ordering.

Available for F-150, F-150 SuperCrew and F-Super Duty.

61

62. Flat Splash Guards  Constructed of heavy-duty plastic for long life, these splash guards offer an economical way to protect your vehicle's lower body finish from mud, snow and other road debris. Packaged in pairs.

Available for Econoline, F-150, F-150 SuperCrew and F-Super Duty.

62

63. Woodgrain Interior Trim Kits Add a new look to the interior of your truck with this woodgrain trim kit. The simulated woodgrain pieces conform to the contours of your vehicle's instrument panel and door switch plates. Easy to install, the 3M adhesive backing provides a secure bond and the special topcoat resists fading. Available in Black Canyon Walnut or Oxford Burl (matches Lariat trim).

Available for F-150, and F-Super Duty.

63

64. Midnight Carbon Fiber Interior Trim Kits Similar to the woodgrain kit described above, but with the high-tech look of carbon fiber. **Available for F-150.**

64

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

65. TracRac Adjustable Rack System TracRac is an adjustable overhead rack system that allows you to expand the cargo carrying capacity of your truck. The base kit includes two triple-track base rails, two sliding overhead racks and four crossbar tie-downs. The extruded aluminum base rails mount to the existing stake holes in the truck – no drilling required! The system lets you slide or remove the overhead crossbars to suit your load. Perfect for ladders, lumber or whatever the job demands. Constructed of anodized aluminum, TracRac is resistant to rust and corrosion. Includes instructions for an easy installation. Be sure to specify long or short bed. **Available for F-150, F-Super Duty and Ranger.**

66. TracRac Toolbox Adapter The toolbox adapter allows you to add an in-bed toolbox to the TracRac System. You can lock the toolbox in the forward position for storage, or loosen the locks and slide the box to the rear of the bed for easy access. You can also slide the toolbox off the rack to maximize cargo capacity. Adapter includes hardware and instructions for an easy installation. Note: Toolbox width in belly must not exceed 61.5" (156 cm). **Available for F-150 and F-Super Duty.**

66

F-150 shown with:

- TracRac Adjustable Rack System
- Trailer Hitch Receiver
- Styled Molded Running Boards
- Bedliner

67

68

69

67. TracRac Cargo Area Divider The Cargo area divider helps keep things like building materials or large tools from sliding around the bed of the truck. It slides independently on inner tracks, trapping loose cargo back against the tailgate or up against the cab. The Cargo Holder can also be reconfigured as a rear window guard/headache rack, in seconds (no tools required)!

Available for F-150, F-Super Duty and Ranger.

68. TracRac Basetrack Tie-Down These sliding tie downs provide a convenient place to attach a rope or bungee cord to help secure cargo in the bed. Simply loosen the knob and slide the tie down to the position required. Sold in pairs with all hardware.

Available for F-150, F-Super Duty and Ranger.

69. TracRac Locking TracKnobs These locking knobs are used to secure the TracRac or other accessories to the truck. Simply replace the standard knobs with these, twist the key and the component is locked in place. Sold in pairs with keys.

Available for F-150, F-Super Duty and Ranger.

70. Bedliner*  Keep your truck's bed looking new and help protect it from dents, scratches, spills and corrosion with a bedliner. These liners conform to the contours of the vehicle bed and feature the Duraloc® cargo restraining system that allows the use of 2 x 4's to compartmentalize loads or create two-tiered stacking. The ribbed surface allows for drainage and increased airflow between the bed and the liner to help reduce mold, mildew and corrosion. The skid-resistant surface helps keep loads from shifting. Available for long or short beds. Kit includes tailgate panel, bedliner and tie-down pocket covers. **Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger (Flareside and Styleside).**

70

71. Bed Mat  For those that don't need the full-time protection of a bedliner, these bed mats are designed to install easily for protection against scratches, spills and damage when you need it. They're made of a cord-reinforced, synthetic rubber material called Nyracord®. This material resists cracking or breaking even under extreme weather conditions. Protective tailgate covers can be purchased separately. **Available for F-150, F-Super Duty, F-150 SuperCrew and Ranger (Flareside and Styleside).**

71

72. Tire Step When it comes time to load up the truck, this tire step is just what you need to reach the bed. Just hook it over one of the tires and you're standing tall. Adjustable to fit most OE tire sizes; its non-skid surface provides sure footing. Folds neatly away for easy storage. **Available for all models.**

72

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

73. Power Sliding Rear Window* Provide extra ventilation with this power sliding rear window. It's especially useful on Super Cab or Super Duty Crew Cab models where it's a long reach back to the rear window. Window closes and opens using the convenient dash-mounted switch. Privacy glass helps reduce glare from sun. Dealer installation recommended. **Available for F-150 and F-Super Duty.**

74. Manual Sliding Rear Window* More economical than a power sliding window, this manual slider provides added ventilation to your truck's cab, as well as crawl-through access to the bed. Solar-tinted glass helps reduce glare from the sun. One-way tint also available for F-150 and F-Super Duty. **Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.**

75. Air Bag Anti-Theft Locks Air bags are quickly becoming thieves favorite targets. Help protect your investment with these anti-theft Locks. Kit includes specially-designed locks and key to help deter theft of your driver- and passenger-side air bags (Driver's side only for Econoline). Includes a window sticker to let potential thieves know that you're protected. **Available for all models.**

75

Ranger shown with:

- Molded Running Boards
- Door Edge Guards
- Side Window Deflectors
- Manual Sliding Rear Window
- Body Color Bed Rails
- Trailer Hitch Receiver

76

77

78

76. Bed Divider Available to enhance the utility of your folding hard tonneau cover, this bed divider locks into place and provides a locking storage area at the front of the bed. When in the stored position, the divider allows access to the entire length of the bed.
Available for Ranger.

77. Folding Hard Tonneau Cover* Protect the bed of your truck from the elements with this folding hard tonneau cover. Constructed of a durable plastic composite, the cover is hinged in the middle to allow loading from the front or rear of the bed. When used with the optional bed divider, the front half locks to provide a "trunk" for your truck. An optional and recommended bedliner is available that's pre-trimmed to allow easy installation of this product. Designed for Styleside short bed applications. **Available for Ranger.**

78. Truck Caps by Leer®* Add a stylish cap to your vehicle! Now available from your Ford Dealer, these heavy-duty caps from Leer® feature screened side windows and a lockable lift gate. Constructed of a rugged composite, they feature a carpeted interior for a finished look. Front window is hinged to allow easy cleaning of the outside or the cab's back window. Available in colors to match or complement your vehicle. Dealer installation recommended. **Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.**

79. Commercial Truck Caps by Leer®* These aluminum caps are perfect for the working truck. They're available for F-150 and F-Super Duty models (except Flareside and F-150 SuperCrew) and provide a choice of half-door (shown) or full double door openings. Features a reinforced roof support with a ladder/boat rack, built-in toolboxes, 12-volt dome light, third brake light, locking handles and a Polar White finish with black trim.
Available for F-150 (except Flareside) and F-Super Duty.

79

80. Soft Tonneau Cover - Snapless* If you like a tonneau cover, but don't like the snaps, this cover is for you. It's constructed of a durable vinyl and uses a special frame that attaches directly to the rails of the pickup bed. Our design allows access to the bed without the need for removing the cover. Available in long and short bed models.
Available for F-150, F-150 SuperCrew and Ranger.

80

81. Soft Tonneau Cover - with Snaps*  Constructed of heavy-duty vinyl, this soft tonneau cover protects the cargo area of your truck from the elements. The aluminum rail system uses snaps to secure the cover, and the tailgate can be opened without unsnapping the cover. Cover is permanently attached to the front bulkhead rail and available for long or short bed applications.
Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.

81

82. Hard Tonneau Covers by Leer®* Dress up your truck and protect the bed from the elements with a hard tonneau cover by Leer®. Designed specifically for your vehicle, this tonneau is lockable to provide a secure "trunk" for your truck. Available in colors to match or complement your vehicle. Dealer installation recommended.
Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.

82

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

84. Carpeted Floor Mats  When it comes to great-looking protection for your vehicle's carpeting, it's hard to beat carpeted floor mats. They are custom-fit to the exact contour of your vehicle, and feature premium grade carpeting. Driver-side mats have positive retention, and all mats have nib backing to help prevent slippage. Front sets feature vehicle's name embroidered along the side of the mats, rear mats are a one-piece full-width mat, except Ranger and Econoline.
Available for all models.

84

83. Full Vehicle Cover  Protect your entire vehicle from the elements, when you can't garage it. Constructed of an advanced all-weather fabric, this cover helps protect your vehicle from snow, rain and sleet. Elastic band around bottom helps keep cover snug.
Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.

F-150 shown with:

- Full Vehicle Cover

85

86

87

85. Universal Carpeted Floor Mats Universal carpeted floor mats provide an economical way to protect your vehicle's carpeting. Available with or without logo identification on front mats. Available in a wide variety of colors to complement most vehicle interiors.
Available for all models.

86. All-Weather Vinyl Floor Mats  All-weather molded vinyl floor mats feature deep grooves and raised ridges to catch and hold snow, slush and mud, while protecting the vehicle carpeting. They feature nibbed backing and driver-side positive retention to help keep mats in place. Available in colors that complement your vehicle's interior. **Available for all models.**

87. Carpeted "Catch-All" Floor Mats New "Catch-All" floor mats have a unique molded shape that fits the exact contours of your vehicle, providing maximum coverage and floor carpet protection. Deep ridges catch and trap unwanted elements like dirt, mud and snow. They feature gripper plate and driver's side positive retention to help keep mats in place. Stain-resistant carpeted surface for easy cleaning and year round protection. Front mats include an attractive embroidered logo and durable driver's side heel pad.
Available for F-150, F-150 SuperCrew and Ranger.

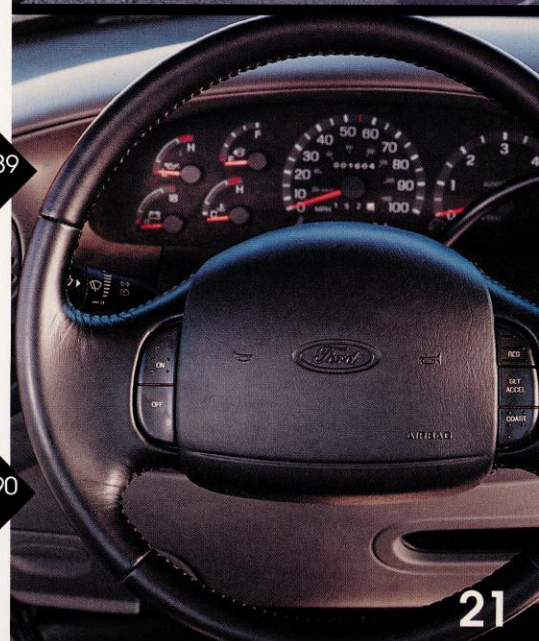

88. Cellular Phone Holder Provides you with a convenient place to keep your phone when you're not using it. Mounts easily to dashboard with hardware and instructions included.
Available for F-150 and F-150 SuperCrew without EATC, and Ranger.

89. Leather-Wrapped Steering Wheel For the luxurious feel of leather, nothing beats our leather-wrapped steering wheel. Available in black, this wheel adds an extra touch of class to your vehicle's interior. Dealer installation recommended.
Available for F-150 and F-Super Duty.

90. Speed Control On long drives, speed control allows you to keep your eyes on the road and not on the speedometer. The microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Dealer installation recommended.
Available for Econoline, F-150 and Ranger.

90

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

91. Wheels* We are now offering a selection of custom wheels for your new truck. All of them add custom good looks, and are built to Ford's exacting specifications. Several varieties and sizes are available. Check out our selection!

- A. 16" x 7" Chrome 5-spoke
- B. 16" x 7" Painted 5-spoke
- C. 16" x 7" Machined Aluminum 10-spoke
- D. 17" x 7.5" Chrome-plated Aluminum
- E. 17" x 7.5" Painted Aluminum
- F. 17" x 7.5" Machined Aluminum Split 5-spoke

Available for F-150 and F-150 SuperCrew.

92. Wheel Covers Custom wheel covers add just the right touch of style to your truck. Eight-hole design looks like the wheels on a big rig, at a fraction of the cost. Made of bright-polished stainless steel with a protective clearcoat finish to help prevent oxidation. Packaged in sets of four. Also available for Dually applications and for 19.5" wheels.

Available for F-Super Duty.

93. Interior Storage Bins Keep your interior cargo space neat with these handy bins. Sturdy, hard vinyl bins hold loose items and protect interior from spills. Available in colors to match most interiors. Both Regular Cab (shown) and Crew Cab models available. (Crew Cab model does not include removable bins or hangers.) **Available for F-Super Duty.**

94. 9" Drop Center Bumper Accentuate your truck's rugged look with our 9" Drop Center Bumper. Constructed of #1 prime drawn steel and die-formed with bolt-on brackets, its triple-nickel chrome finish helps prevent rust and corrosion. Add a hitch ball and you're ready to tow up to 6,000 lbs./2700 kg. (600 lbs./270 kg. tongue capacity). Not for use with our Class III trailer hitch. **Available for F-150 and F-Super Duty.**

95. Soft Cargo Liner Help keep your vehicle cargo area clean with this liner. It's designed to fit the contours of the cargo area for maximum coverage and protection. Constructed of durable nylon-reinforced vinyl with Velcro® fasteners for easy installation and removal. Available in colors to match vehicle interior. Folds neatly for easy storage. **Available for F-150 SuperCrew.**

96. Cargo Organizer Handles everything you need to carry, and gets it there neatly and safely. Made of premium-grade polyethylene with molded dividers that help separate your belongings. Installs and removes easily under the seat – no tools required. Also helps protect vehicle interior from spills. **Available for F-150, Ranger and F-Super Duty Super Cab models only.**

97. Seatback Organizer  This organizer has pockets for maps, a cup holder and a handy spot for a travel-sized box of tissues. Made of a durable, reinforced vinyl that installs in minutes without tools. Available in a variety of colors and trims to match vehicle interiors. Please specify trim type when ordering. **Available for F-150 and F-Super Duty.**

98. Wheel Locks Help protect your vehicle's wheels and tires from theft with these wheel locks. Simply replace one lug on each wheel with one of our through-hardened locks. Chrome locks available for exposed lugs, open-ended, zinc-plated locks available for hidden lugs. Kit includes four locks and key. **Available for all models.**

99. Spare Tire Lock A spare tire lock secures the spare tire without compromising the original equipment crank-down system. Easy to use, it works with the vehicle's standard drive tool. No need to crawl under the vehicle to remove. Kit includes one locking bolt and one specially-coded key. **Available for Ranger.**

98

99

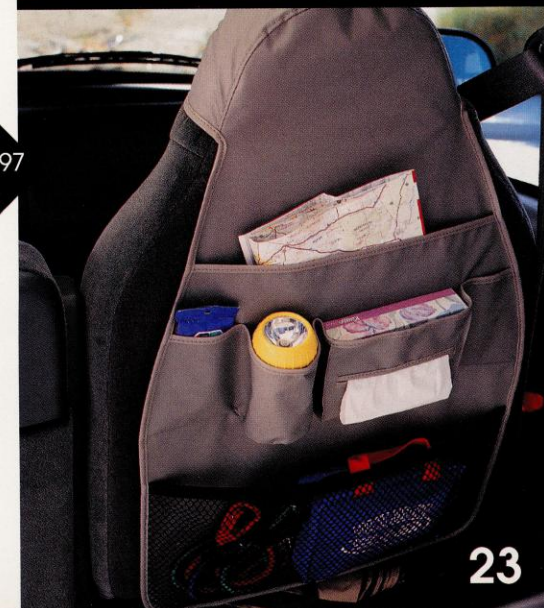

Also available with "Harley-Davidson Bar and Shield" logo, see pages 24-25.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

97

100. King Ranch Edition Snapless Tonneau Cover* Add a finished look to your F-150 SuperCrew with our King Ranch Edition tonneau cover. Special Arizona Beige vinyl cover makes this a perfect addition to your vehicle. Available with or without the King Ranch "brand."

Available for all F-150 SuperCrew models.

101. King Ranch Edition Molded Splash Guards Designed specifically for the King Ranch Edition F-150 SuperCrew, these splash guards are molded in Arizona Beige to match your vehicle's trim. Constructed of a rugged TPO plastic, they help protect the side of the vehicle from stones, gravel, mud, salt and other debris. Easy to install.

Available for all F-150 SuperCrew models.

102. King Ranch Edition Bedliner* Designed specially for the F-150 SuperCrew, this rugged bedliner is molded in Arizona Beige. It features provisions to support the use of a cargo cage (available separately). Kit includes bedliner and tailgate protector.

Available for all F-150 SuperCrew models.

103. Flat Splash Guards A full-color Harley-Davidson Bar and Shield logo is molded into these guards. Good-looking, long-life protection against road debris.
Available for F-150, F-150 SuperCrew and F-Super Duty.

104. Molded Splash Guards They're custom-fit to the contours of your truck, and feature the distinctive Harley-Davidson Bar and Shield logo.
Available for F-150, F-150 SuperCrew and F-Super Duty.

Harley-Davidson® Branded Truck Accessories

Ford and Harley-Davidson have teamed up to develop a line of truck accessories that proudly display the "Harley-Davidson Bar and Shield" logo. These accessories are crafted to the same high standards that all Ford accessories must meet and are available from your local Ford dealer. Harley-Davidson accessories from Ford. Go ahead...show your colors!

- 105. **Bedliner*** High quality bedliner protects as good as it looks. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 106. **Bed Mat** This heavy-duty mat prominently features a molded "Harley-Davidson Bar & Shield" logo. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 107. **Bed Tent** A special black/gray color scheme sets this one apart from our regular offering. Great for camping and includes a handy carrying bag. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 108. **Wraparound Bug Shield*** Features the Harley-Davidson logo embedded into the bug shield itself. Made of virtually unbreakable GE Lexan®. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 109. **Full Front End Cover** Protects as good as it looks. Harley-Davidson logo is embossed in the center of the cover. Available for F-150, F-150 SuperCrew and Ranger.
- 110. **Sport Hood Cover** This sporty cover features a large Harley-Davidson logo embossed in the center of the cover. Available for F-150, F-150 SuperCrew and Ranger.
- 111. **Carpeted Floor Mats** Spruce up the interior of your truck. Available in colors to complement your interior. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 112. **All-Weather Vinyl Floor Mats** These mats feature deep grooves to catch mud, snow, water or whatever else might get spilled. Available in colors to complement your interior. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 113. **Soft Tonneau Cover - With Snaps (Not shown)*** Harley-Davidson's logo is not only screened onto the cover, but stamped on each snap too! Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 114. **Full Vehicle Cover (Not shown)** Weather-resistant Tyvek® construction helps protect your truck from the elements, and features the Harley-Davidson logo screened onto the hood. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 115. **Diamond Plate Tool Boxes (Not shown)** Available in anodized aluminum or black powdercoat finishes, with the Harley-Davidson logo. Dual lid design provides easy access. Available for F-150 and F-Super Duty.
- 116. **Diamond Plate Front Box Protectors (Not shown)** Available in anodized aluminum or black powdercoat finishes, with the Harley-Davidson logo. Available for F-150 and F-Super Duty.
- 117. **Seatback Organizer (Not shown)** Constructed of a durable, reinforced vinyl with embossed Harley-Davidson logo. Installs in minutes with no tools required. Available for F-150 and F-Super Duty.
- 118. **Trailgate® Table (Not shown)** Features the Harley-Davidson logo screened onto the table top. Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 119. **Dust Cover (Not shown)** Protects your pride and joy from dust when it's parked inside. Not meant for use outside. Available for F-150 Super Cab and F-150 SuperCrew.
- 120. **Diamond Plate Splash Guards (Not shown)** Available for F-150 and F-Super Duty.

* Eligible for residualization under a Ford Credit Red Carpet Lease.

Be sure to ask for the following accessories also available through your local Ford Dealer

- 121. Air Filtration** Upgrade your vehicle's existing heating/air conditioning system with an original equipment design air filtration kit. Great for use in dusty environments, it filters over 90% of mold spores and other airborne particles larger than 3 microns. Special design helps keep the filter from clogging - maintaining heating, ventilation and A/C efficiency. Filters both incoming and inside-recirculated air. Replacement filters also available. Dealer installation recommended.
Available for F-150 and F-150 SuperCrew.
- 122. Skid Plates** For off-road fans, skid plates are a must-have. This original equipment kit bolts directly to pre-existing holes in the chassis and helps protect the transfer case and fuel tank from damage caused by rocks or boulders.
Available for Ranger.
- 123. Engine Block Heater/Battery Warmer** For those really cold climates, it's a good idea to keep the battery as warm as possible to provide the most power for starting the engine. This battery warmer wraps around the battery and includes an engine block heater as well. Once installed, simply hook it up to any heavy-gauge extension cord (not included) and plug into a standard wall outlet while the vehicle is parked. Available for gas and diesel applications. **Available for F-150, F-150 SuperCrew, F-Super Duty and Econoline with gas engines.**
- 124. Locking Gas Cap** Help protect your vehicle's fuel supply from vandals and thieves. This locking cap attaches to the vehicle with a plastic tether to prevent loss of cap. Swing away cover helps keep debris out of locking mechanism. Includes two keys. **Available for all models.**
- 125. Underbody Security/Valet Lighting** This security lighting system provides light to the underside of the vehicle and the surrounding area. The kit uses two powerful lights mounted under the vehicle that automatically light when the doors are manually unlocked, or remotely unlocked with a keyless entry key fob.
Available for F-150, F-150 SuperCrew, F-Super Duty and Ranger.
- 126. Engine Block Heater** Get a quicker start even in the coldest weather with an engine block heater. Just connect the heater to a grounded extension cord (not included) and plug in to any 110-volt power source. Your engine block will stay warm for easier starting, faster warm-ups, less fuel waste, and less battery drain (for Ranger, a Battery Warmer is also included in kit).
Available for all models.
- 127. Rally Bar Lights** Light up the night with these good-looking off-road lights! 7" (20 cm) round halogen lamps project a wide beam for exceptional lighting in the toughest of off-road conditions. High impact black plastic finish and durable lenses mean your lamps will remain looking good with a minimum of regular maintenance. (For off-road use only.)
Available for F-150 and F-Super Duty.
- 128. Electrochromic Compass Mirror** Ease the discomfort of headlight glare in your rearview mirror with this compass and mirror. The mirror automatically dims the interior mirror when glare is detected. Features a built-in compass that you'll find handy in many situations. Also available with a built-in outside temperature (Celsius or Fahrenheit) display - simply toggle from compass to temperature. **Available for all models.**
