and Your Lifestyle! Think back to the reasons you bought a Mercury. Chances are, your reasons included sleek styling, quality, outstanding engineering, built-in versatility and a strong manufacturer's warranty. You looked at the competition, but you decided that Mercury best fit your needs and your lifestyle. Well, all of these same reasons apply to genuine Mercury Accessories. They look good, they're styled to match the lines of the vehicle, they're engineered to fit exactly, they extend the versatility of your vehicle, and they're backed by a strong manufacturer's warranty. There are a lot of stores and catalogs that offer accessories for your Mercury. But none of these competitors can offer the quality, styling, engineering and warranty that you get when you go with genuine Mercury accessories. Your basic vehicle is top-of-the line - keep it that way with genuine Mercury accessories!

1) Full Front End Cover Keep your vehicle's finish looking great with the protection of this front end cover. The strong, heavy-duty vinyl helps protect your vehicle's front end from bugs, stones, and road debris. The flannel backing helps minimize moisture build-up between the cover and the painted surface. Designed to custom fit your vehicle. Allows you to open the hood without removing the cover. Available for all models except Mountaineer.
2) Load Warrior by Yakima For extra carrying capacity, try the Load Warrior system. Its huge $44^{\prime \prime} \times$ $39^{\prime \prime} \times 6.5^{\prime \prime}(112 \mathrm{~cm} \times 99 \mathrm{~cm} \times 17 \mathrm{~cm})$ dimensions hold plenty of gear for just about any trip. More than merely a basket, the Load Warrior can hold almost anything you want to carry - from bikes, to canoes to luggage. Its weather-resistant, heavy-duty construction provides incredible durability in a lightweight package. Fits easily on your factory roof rack, removable roof rack, Raised Cross Bars or Track Rider Bars. Available for Sable Wagon, Mountaineer and Villager.

Inlinti

## 3) Mini-Mask Front End Cover

 sporty-looking cover that also helps protect your vehicle front end. This heavy-duty, ultraviolet-ray-resistant vinyl cover helps keep bugs, stones and road debris from marring your vehicle's finish. The flannel backing is gentle to painted finish. Multi-piece design allows hood to be opened with cover on. Features embossed vehicle name or logo above driver's side headlamp. Available for Cougar and Villager.4) Fog Lights When you're driving in rain, snow or fog, nothing penetrates the elements like fog lights. They're designed to mount to the lower fascia of the front bumper with an original equipment design that ensures proper fit. Dealer installation recommended. Available for Cougar and Sable.

## 5) Styled Bug Shield* Protect the

 leading edge of your vehicle with this aerodynamically-designed bug shield. Deflects road debris, stones and bugs from the front of your hood and helps keep rain away from the windshield. Easy to install using the hardware included in kit. Constructed of smoke-colored GE Lexan". Available for Cougar, Sable and Grand Marquis.

## 6）Load Warrior Extension by Yakima

This easy－to－install，＂table leaf＂style extension increases the already huge proportions of your Load Warrior by $18^{\prime \prime}(46 \mathrm{~cm})$ ．Fits quickly into place to give you even more carrying space for large loads．Available for Sable Wagon， Mountaineer and Villager．

ETATIMT
7）Full Vehicle Cover Protect your vehicle from the elements with this full cover． Constructed of an advanced all－weather fabric，it helps protect your vehicle from snow， rain and sleet．Available for Cougar，Sable and Mountaineer．

8）Horizontal Ski／Snowboard Carriers by Yakima These ski／snowboard carriers are available in two sizes．The small carrier holds up to 4 pairs of skis or 2 snowboards；the large carrier holds up to 6 pairs of skis or 4 snowboards．Both racks feature a soft rubber padding to protect the finish on your skis and integral locks to help prevent theft．Both carriers install easily on factory roof rack；no tools necessary．Snowboard Carrier adapter included．All models except Grand Marquis．

> Mintiviti

9）Reverse Parking Sensor To aid you when you＇re backing into tight spots，this sonar－like system alerts you to fixed obstacles in your way．A speaker and LED display provide audio and visual cues when an object is sensed within 6 ft ．（ 2 m ）of the bumper．The beep becomes more frequent and the lights go from green to yellow to red as the object gets closer．A red light and constant beep alert you when an object is $10^{\prime \prime}(25 \mathrm{~cm})$ away． Dealer installation recommended．Available for Villager．

10）Rear Spoiler＊Add a sporty look to your new vehicle with a rear spoiler．Offered in most factory colors，these spoilers are manufactured to precise original equipment specifications for a factory－installed look． Dealer installation is recommended．Available for Cougar and Sable．

11）Rear Air Deflector＊For sporty good looks and a factory fresh appearance． Available in most exterior colors to match or complement your vehicle．Available for Mountaineer and Villager．

[^0]
12) Sport Hood Cover Add a sporty, stylish look to your vehicle while helping to protect the hood's finish from bugs, stones, salt and road debris. Constructed of a heavy-duty vinyl with a flannel backing. One-piece design allows hood to be opened without removing cover. Available for Mountaineer.
13) Double Step Running Boards* Adds style and function to the vehicle. The brushed aluminum finish with black end caps and step pads complements most exterior colors. Meets rigorous Original Equipment standards for corrosion resistance and durability. Dealer installation recommended.
Available for Mountaineer.
14) Removable Roof Rack by Yakima Easy-to-use removable rack allows you to carry skis, snowboards, bikes or luggage when you purchase the carriers (sold separately). The soft, non-skid footpads help prevent damage to the roof's surface. Integral locks help prevent theft. Kit includes all hardware, tools and installation instructions. Available for Cougar and Sable Sedan.

## मानायत

15) Production Running Boards* These
O.E.-style running boards feature a black waffle pattern to help provide sure footing. Constructed with a steel substructure and rugged TPO plastic cover. Uses O.E. mounting points in vehicle's frame, Dealer installation recommended. Available for Mountaineer.
16) Raised Cross Bars by Yakima These bars mount directly to the side rails of the original equipment rack, allowing you to mount up to four bike carriers. The extra height permits carrying snowboards with bindings. Ski carriers, Kayak and Canoe Carriers and Load Warrior (all sold separately) can also be used. Available for Mountaineer

17) SportRack Cargo Boxes Add some extra cargo capacity for your next vacation with one of our roof-mounted cargo boxes. Each box is constructed of a durable, black ABS plastic that complements the styling and color of nearly any vehicle. The small cargo box is "long \& skinny" and is designed to carry up to six pairs of skis. It has a capacity of 11.3 cubic feet ( 320 liters). The medium box is "short \& wide" and is designed to carry larger items like suitcases. Its capacity is 15.5 cubic feet ( 440 liters). The large box is "long and wide" and can carry up to 8 pairs of skis and poles or four golf bags. Its capacity is 16.9 cubic feet (480 liters). Available for Sable Wagon,

## Mountaineer and Villager.

24) Wraparound Bug Shield* Premium front end protection with a little added style. Wraparound bug shield is constructed of durable GE Lexan ${ }^{*}$ and incorporates a wraparound design to complement your vehicle's lines. Smoke-colored to accent any vehicle color. Installs easily. Kit includes instructions and all hardware. Available for Mountaineer and Villager.

[^1]25) Soft Cargo Liner Help keep your vehicle cargo area clean with this cargo liner, designed to fit the contours of the cargo area for maximum coverage and protection. The liner is constructed of durable nylon-reinforced vinyl with Velcro fasteners for easy installation and removal. Liner is split so it can fold down with the seat (where applicable). Folds neatly for easy storage. Available for Cougar, Sable and Mountaineer.
26) Dog Guard Take the family dog along on your next outing and keep your vehicle's interior clean, too! Mounts behind the second row seat and keeps pets in the cargo area. No more dog fur everywhere! Your pets are happy and you're happy, too. Easy to install, all hardware included. Available for Sable Wagon and Mountaineer.
27) Dog Guard Cargo Area Divider A popular addition to the dog guard, this cargo area divider allows you to partition the cargo area of the vehicle. Perfect for multiple pets, and for traveling salespeople carrying samples or other products. Divider is constructed of steel mesh and attaches directly to the dog guard (sold separately). Easy, no-drill installation. Available for Sable Wagon and Mountaineer.

## 28）Luggage Basket by Yakima This

 luggage basket provides extra carrying capacity for your next trip．Constructed of a heavy－duty，vinyl－covered steel mesh，its approximate measurements are $38^{\prime \prime} \times 26.5^{\prime \prime} \times$ $2^{\prime \prime}$ tall（ $97 \mathrm{~cm} \times 67 \mathrm{~cm} \times 5 \mathrm{~cm}$ ）．A stretch net is included to help secure the load to the basket． Fits factory racks，removable roof racks， raised cross bars or track rider bars（all sold separately）．Available for all models except Grand Marquis．EATIM：

## 29）Framed Luggage Cover Framed

Cover helps protect your roof－mounted luggage from the elements．With an additional 10.5 cubic feet of cargo space，you can take along all the extra things you need．Its constructed of a lightweight tubular frame covered with durable vinyl and it has a rigid floor for added stability and easy loading． Attaches easily to your factory rack and gives you 100 lbs ．（ 45 kg ）capacity．Zippered side opening makes it easy to load，while the double flap－design provides water－resistance． Approximately $50^{\prime \prime} \times 41^{\prime \prime} \times 17^{\prime \prime}$ tall（ $127 \mathrm{~cm} \times$ $104 \mathrm{~cm} \times 43 \mathrm{~cm}$ ）．Available for Sable Wagon and Villager．

30）Soft Luggage Bag Soft luggage bag is made of durable，exterior－grade canvas．It features a zippered opening covered with a flap，which secures tightly with Velcro ${ }^{\oplus}$ ．Bag is flexible，so you can carry odd－shaped items， and folds neatly away for storage when not in use．Nylon web straps secure the carrier to your roof rack．Available for Sable Wagon， Mountaineer and Villager．

## 31）Frame Mount Bike Carrier by

Yakima Take your bike along on your next trip with these frame mount carriers．Each holds one bike and features a locking arm with a durable Kraton ${ }^{\oplus}$ padding that clamps onto the downtube of the bike to protect the finish． Built－in cable guides guard against damage to brake or shifter cable．Available for original equipment or removable roof rack applications．Available for all models except Grand Marquis．

Bderner

## 32）Roc2 and QuarterROC ${ }^{\ominus}$ Hitch

 Mount Bike Carriers by Yakima．If your vehicle is equipped with a trailer hitch，you can use the receiver to mount these bike racks． Great for when the roof rack is full，each carrier holds two bikes securely．（Terra Firma ${ }^{*}$ is also available for 2 ＂（ 5 cm ）receivers，holds up to four bikes．）Roc2 fits $2^{\prime \prime}(5 \mathrm{~cm})$ receivers． QuarterROC ${ }^{\star}$ fits $1-1 / 4^{\prime \prime}(3 \mathrm{~cm})$ receivers． Available for Mountaineer and Villager．「／aim／周

## 33）Fork Mount Bike Carrier by Yakima

This easy－to－install bike rack uses a locking 9 mm long skewer，which opens to accommodate the bicycle fork，and works as a true quick－release．Each carrier holds one bike and includes an integrated lock for added security．For use with removable roof rack or track rider bars（sold separately）．Front wheel holder is available and sold separately． Available for Cougar，Sable， Mountaineer and Villager．

34) Remote Keyless Entry Systems* If your vehicle is equipped with power door locks, a remote keyless entry system allows you to lock and unlock the doors from up to 50 ft . ( 15 m ) away. System includes an illuminated entry feature that turns on the dome light when the system is activated. It also has a personal protection panic button that activates the vehicle horn when pressed. Doors automatically lock when vehicle is started. Includes two hand-held remotes. Dealer installation recommended. Available for all models except Mountaineer.
35) Remote Start Systems* For the ultimate in comfort and convenience try a remote start system. These systems start your automatic transmission-equipped vehicle from up to 500 ft . ( 150 m ) away, ensure it's locked and that the security system (if so equipped) is armed. They also activate the heater/air conditioning controls so that your vehicle is pre-heated or pre-cooled when you get in. Available for all models.
36) Vehicle Security Systems* Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Available for all models.

40) Cargo Retention Net Help keep packages and other loose items from spilling in your vehicle with this net. The net stretches easily over bulky-shaped items, and the soft, braided cording won't damage fragile items. Installs easily, with no tools required. Available for Cougar, Sable and Grand Marquis.
41) Center Hammock Cargo Net This net fits neatly between two captain's chairs and helps keep sunglasses, cell phones and other items conveniently at your fingertips. Net hooks neatly in place as shown in accompanying instruction sheet. Available for Villager.
42) Rear Seatback Cargo Net Attaches directly to the back of your Villager's rear seat and provides a convenient place for storing all those extra items you need. Keeps items neatly in place, and keeps your van neat, too! Constructed of durable nylon netting that won't scratch finished surfaces. Available for Villager.

43) Cargo Barrier Net Helps secure large items behind the 3rd row seat. Strollers and other bulky items can be stored in the cargo area without the worry that they will fall out when you open the liftgate. Installs easily using hooks included in the kit. Available for Villager.
44) Cargo Organizer For all the stuff you need to carry. Made of premium-grade polyethylene with a removable and adjustable divider system that helps separate your belongings. Installs easily in trunk area (behind 3rd row in Villager). No tools required. Also helps protect vehicle interior from spills. Available for Cougar, Sable, Mountaineer and Villager.
45) Golf/Trunk Organizer Works like the cargo organizer, but has the added feature of a golf bag presenter. The golf bag presenter can be placed at either end of the organizer. Easy to install, with no tools required. Available for Grand Marquis.

46) Class II Trailer Hitch Hitch bolts directly to your vehicle's frame and requires no welding. It features a tongue rating of 350 lbs . ( 160 kg ) and a load rating of $3,500 \mathrm{lbs}$. $(1600 \mathrm{~kg})$. A ball mount is included in the kit (hitch ball not included) and its black powdercoat finish ensures years of corrosion free use. Dealer installation recommended. NOTE: Towing capacity could be limited by your vehicle's drivetrain. See your dealer or Owner's Guide for details. Available for Villager.

## 47) Class III Trailer Hitch Receiver

Bolts directly to your Mountaineer's frame, using existing holes. No drilling or welding required. Designed for a gross trailer rating of $5,000 \mathrm{lbs}$. (2270 kg) with a tongue rating of $500 \mathrm{lbs} .(227 \mathrm{~kg})$. NOTE: Towing capacity could be limited by your vehicle's drivetrain. See you dealer or Owner's Guide for details.

48) Trailer Hitch Drawbar - Quickstep

Swivel Make hooking up the trailer a snap! Simply back up close to the trailer, unlock the Quickstep from its stored position and rotate and/or extend to the waiting trailer.
Automatically locks into towing position as the vehicle pulls away. Requires a hitch ball (available and sold separately). Fits 2 " $(5 \mathrm{~cm}$ ) hitch receivers. Available for Mountaineer.

49) Trailer Hitch Drawbar This hitch bar is designed for $2^{\prime \prime}(5 \mathrm{~cm})$ receivers and can be used in the raised or dropped position to match the trailer coupler height. Features a square tubular shank with heavy steel ball platform and a durable black powdercoat finish. Available for Mountaineer.
50) Trailer Hitch Balls Durable hitch balls feature forged, one-piece construction for maximum strength. Designed with wrench flats to help aid installation and removal. Available in various sizes with a corrosion-resistant chrome-plated finish. Available for Mountaineer and Villager.
51) Trailer Hitch Receiver Cover Keep dirt, mud or debris from getting into your trailer hitch receiver with this cover. Available with the Mercury logo to fit 2 " ( 5 cm ) and $1-1 / 4$ " ( 3 cm ) hitch receivers. Available for Mountaineer and Villager.

## 52) Trailer Hitch Wiring Harness

Designed for integration into your vehicle's factory wiring, this harness kit includes a handy mounting bracket to make plugging-in your trailer's wiring easier. Installation by your dealer recommended. Available for Mountaineer.

53) Air Bag Anti-Theft Locks Help
protect your investment with these locks. Kit includes specially designed locks and key to help deter theft of your driver- and passengerside airbags (Sable and Mountaineer - driver's side only). Includes a window sticker to let thieves know you're protected. Available for Sable, Grand Marquis, Mountaineer and Villager.
54) Engine Block Heater Get a quicker start even in the coldest weather with an engine block heater. Just connect the heater to a grounded extension cord (not included) and plug in to any 110 -volt power source. Your engine block will stay warm for easier starting, faster warm-ups, less fuel waste and less battery drain. Available for all models.

55) Kayak Carrier by Yakima Allows you to carry up to two kayaks. Unique design permits the kayaks to be carried on edge - thus minimizing side-to-side movement. Carrier installs easily, requiring no tools. Designed to fit our removable roof rack or track rider bars (sold separately). Requires tie-downs available at your local sporting goods store. Available for Sable, Mountaineer and Villager. $\overline{\text { MíNT周 }}$
56) Track Rider Bars by Yakima Increase the carrying capacity of your factory roof rack with track rider bars. They mount directly to the tracks of your factory rack with no drilling required. Holds ski carriers and other adapters (sold separately). Available for Sable Wagon and Villager.
57) Canoe Carrier by Yakima Allows you to secure your canoe to the roof rack on your next weekend of fun. Fits our removable roof rack, Raised Cross Bars or Track Rider Bars (sold separately). The carrier installs in minutes, without tools, and features cushioned canoe brackets. Requires tie-downs available at your local sporting goods store, Available for Sable, Mountaineer and Villager. K/ATVGTA

## 58) Side Window Deflectors No matter

 what the weather, you can enioy fresh air with these deflectors. Durable, smoke-colored acrylic deflectors keep out snow or rain while allowing you to crack open the window and let the breezes in. Easy to install with self-stick adhesive, included in kit. Available for all models except Cougar.59) Underbody Security Lighting You'll never have to approach a dark vehicle again. This system provides light to the underside of the vehicle using two powerful lights mounted under the vehicle. The system automatically lights up when you unlock the doors - either manually or by using your keyless entry key fob. Available for Crand Marquis and Villager

60) Molded Splash Guards Help keep your vehicle's lower body free of mud and water with these molded splash guards. Special contoured design complements vehicle lines and gives maximum protection. Heavy-duty TPO plastic construction resists cracking. Packaged in pairs for front or rear. Includes all mounting instructions and hardware. Available for all models.
61) Flat Splash Guards An economical way to help protect the sides of your vehicle from stones, gravel, mud and other debris. Constructed of a durable thermoplastic with the vehicle's name or logo embossed into the guards. Each kit includes two splash guards, installation instructions and all hardware.
Available for Cougar, Sable, Grand Marquis and Villager.

## 62) Carpeted "Catch-All" Cargo Mat

Protect the area behind the 2nd seat, with a catch-all cargo mat. The raised edges help prevent spills from getting on your vehicle's carpeting. Features a stain-resistant carpeted surface in colors to match vehicle interior. Also has special backing that helps prevent mat from sliding. Available for Mountaineer.

## 63) Universal Carpeted Floor Mats

An economical way to protect your vehicle's carpeting. Available with or without logo identification on front mats. Available in a wide variety of colors to complement most vehicles. Available for all models.

64) Carpeted Floor Mats Great-looking protection for your vehicle's carpeting. Carpeted floor mats are custom-fit to the exact contours of your vehicle's floorboard, and feature premium-grade carpeting. Driverside mats have a positive retention feature that helps keep mats in place. All mats have a nibbed backing that helps prevent slippage. Available for all models.

## 65) All-Weather Molded Vinyl Floor

Mats These mats have deep grooves and raised ridges to catch and hold snow, slush and mud, while protecting the vehicle carpeting. They features a nibbed backing and driver-side positive retention to help keep mats in place. Available in colors that complement your vehicle's interior. Available for all models except Cougar.

66) Cellular Phone Holder This holder provides you with a convenient place to keep your phone when you're not using it. Mounts easily to console. Hardware and instructions are included. Available for Mountaineer and Villager.
67) Air Filtration Kit Upgrade your vehicle's existing heating/air conditioning system with an O.E.-designed air filtration kit. Great for use in dusty environments, it filters over $90 \%$ of mold spores and other airborne particles larger than 3 microns. Special design helps keep the filter from clogging maintaining heating, ventilation and $A / C$ efficiency. Filters both incoming and inside recirculated air. Replacement filters also available. Dealer installation recommended. Available for Sable.
68) Door Edge Guards Protect the outer edge of your doors with these guards. Each set is custom-made to the exact contours of your vehicle. Easy to install, with no adhesives or screws needed for installation. Available in stainless steel or matte black finish. Available for all models.
69) Ash Cup Designed to fit in your car's cup holders, this ash cup provides a convenient place for cigarette ashes and butts. Includes a lid to help keep ashes in their place when windows are down. Constructed of a durable thermoplastic. Removes easily for cleaning. Available for Sable, Mountaineer and Villager.
70) Wheel Locks Help protect your vehicle's wheels and tires from theft with wheel locks. Simply replace one lug on each wheel with one of our through-hardened locks. Chrome locks available for exposed lugs, open ended, zinc-plated locks available for hidden lugs. Kit includes four locks and key. Available for all models.

## 71) Electrochromic Compass Mirror

Ease the discomfort of headlight glare in your rearview mirror with this electrochromic compass mirror. The mirror automatically dims the interior mirror when glare is detected. Features a built-in compass that indicates which direction you're headed. Available for all models except Mountaineer.

## 72) Electrochromic Compass Mirror

 with Temperature Display Works like our electrochromic compass mirror, with the additional feature of an outside temperature display. Switch allows you to toggle between compass and temperature readings. Thermometer can be set to Celsius or Fahrenheit scales. Installation by your dealer recommended. Available for all models.

These other great accessories are also available, but not shown.

## 73) Automatic Headlamp System

Automatically switches the headlights on whenever darkness is sensed. Also features a time delay that leaves the lights on for a pre-set amount of time after parking the car. The daytime running light feature can be activated during installation. Dealer installation recommended. Available for Cougar and Mountaineer.
74) Daytime Running Lights Help make your vehicle more visible to other drivers. This system automatically activates the low beams at $75 \%$ of their normal operating power whenever the ignition is in the ON position. Dealer installation recommended. Available for Cougar, Grand Marquis, Mountaineer and Villager.

## 75) First Aid Kit Keep those "always

 needed...never have" items conveniently at hand. Contains general first aid items such as a bandage assortment, gauze, anti-bacterial ointment, and more. The carrying case easily fits into the glove compartment or center console. Available for all models.76) Highway Safety Kit Be prepared to handle most emergencies while on the road with our Highway Safety Kit. Contained in a convenient carrying bag are a reflective triangle, flashlight, fire extinguisher, bungee cords, thermal blanket, cotton gloves, hose tape, multi-function knife, Phillips- and slottedhead screw drivers, and a 12 -hour light stick. Available for all models.

## 77) Interior Trim Kit Personalize the

 interior of your Cougar with a trim kit. Available with an Oxford Burl woodgrain or Alloy-look finish, these kits are designed for a precise fit, and are constructed of a Tevcor ${ }^{\text {TM }}$ polymer composite substrate backed with 3 M adhesive. Kits include pieces to fit the instrument panel bezel and accent pieces for the doors. Available for Cougar.78) Leather Gear Shift Knob Enhance the interior appearance of your Cougar with a luxurious leather gear shift knob. The shift pattern is embossed on the top of the knob. For manual transmissions only. Easy to install. Available for Cougar.
79) Locking Gas Cap Attaches to the vehicle with a plastic tether to prevent loss. Swing-away cover helps keep debris out of locking mechanism. Includes two keys. Available for Sable, Grand Marquis and Mountaineer.
80) Smoker's Pack Our Smoker's Pack includes an ash cup and cigar lighter. Designed to fit in your vehicle's cup holders, the ash cup provides a convenient place for cigarette ashes and butts. Constructed of a durable thermoplastic and includes a lid. Removes easily for cleaning. Available for Mountaineer.

## 81) Stainless Steel Scuff Plates

Stainless steel scuff plates not only add a sporty touch to your vehicle, they also help protect your vehicle's door sills from scratches and scuffs. Constructed of polished stainless steel with a clear urethane protective coating, they have the vehicle's name etched into the surface. Self-stick adhesive makes installation a snap. Available for Mountaineer.

## Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Mercury Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles $/ 20,000 \mathrm{~km}$ (whichever occurs first), or
- The remainder of your new vehicle limited warranty.

This means that Mercury Accessories purchased along with your new vehicle and installed by the dealer are covered for the full length of your New Vehicle's Limited Warranty - 3 years or 36,000 miles $/ 60,000 \mathrm{~km}$ (whichever occurs first). Contact your dealer for details and a copy of the warranty.

NOTE: The product descriptions, specifications and pricing contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
