

Original BMW exterior accessories offer you a new outlook on life. Take for example the high-quality alloy wheels, which are specially designed to complement the elegant styling of the BMW 7 Series. Like all BMW exterior components, they have undergone the most stringent tests on both the materials and the design to ensure that they meet BMW's strict quality standards. So you can be confident that your BMW 7 Series is as good to drive as it is to look at.

Original BMW interior accessories let you put your personal stamp on the inside of your BMW 7 Series. Whether the look you prefer is elegant or exclusive, the unmistakable quality of the BMW design, materials and workmanship will create an ambience guaranteed to impress even the most discerning of passengers.

Original BMW communication and information system accessories combine state-of-the-art technology with total flexibility. Whether you want a navigation system that can guide you directly to your destination, excellent telephone links, or just a little entertainment, there's a BMW accessories solution here that's right for you. So your journey can be whatever you want it to be.

Original BMW accessories offer a wide choice of transportation and luggage compartment solutions, giving you all the extra carrying capacity you need. All Original BMW accessory products, from roof rack systems to solutions for the luggage compartment and interior of the car, are designed especially for your BMW, and are extremely user-friendly—so you can use the car for whatever activity you want with a minimum of fuss.

Original BMW accessories at a glance.

In this flyer, we only have space to show you a small selection of the accessory products available for your BMW, but the table below includes the full range. For more details, see the Original BMW accessories catalogue, which is available from your BMW dealer. He will be pleased to help you.

The right accessories, the right service.

The excellence of BMW cars is matched only by the quality of its service. When you visit your BMW dealer, you can expect expert professional advice from highly trained staff working with the very latest in diagnostic technology. All work on your car – from the fitting of accessories to the retouching of paintwork – will be carried out to the highest quality and environmental standards, and BMW's global dealer network means help is always at hand, wherever you are in the world. Because the Ultimate Driving Machine deserves nothing less than ultimate service quality.

For more information on what is available from BMW Service, please contact your nearest BMW Service Centre, or visit www.bmw.com
