## new game. new moves. >>>

The Special Edition Aurion Touring has taken the game to a new level. Take command of the road with 16" alloy wheels and a wing-type rear spoiler. Experience the refined extras of the impressive interior, including a leather steering wheel and gear lever and an advanced multi-information display. And cruise in the comfort of dual zone climate controlled air conditioning, enjoying your favourite sounds through the 6-disc MP3 compatible CD changer. Play the game in style and safety with front and rear parking sensors, and front fog lamps. The Aurion Touring introduces game-breaking extras in addition to the powerful and fuel-efficient 200kW engine, and head-turning looks that come standard with the Aurion AT-X. The game has changed. And we have a new winner.
