

 **TOYOTA HILUX**
oh what a *feeling!*

Hilux 4x4. Get in or get out of the way.

Power and presence.

The Toyota HiLux is bigger, better and stronger than ever before. It's the versatile ute that is an Action Utility Vehicle (AUV). It's unbreakable workhorse meets off-road action lifestyle! Boasting impressive power across the range, inspiring performance and handling, comfort, and fabled HiLux reliability and dependability, it's got the performance you want and the toughness you've come to expect.

Work safe in HiLux.

HiLux is thankfully big on safety as well. It has been designed for outstanding crash performance to the toughest Australian and European standards. You'll breathe easier with dual SRS airbags, pretensioning seatbelts and optional ABS brakes. The HiLux also has an energy absorbing front body/chassis structure and a strong Safe-T-Cell, to help keep the cabin intact during a collision. It's just another way that HiLux will further strengthen its 'unbreakable' reputation.

Key

S = Standard, - = Not available, 0 = Option, available at extra cost, O/P = Option pack, available at extra cost.

D/F = Dealer fit option, available at extra cost, D/F* = Must be selected at time of new vehicle purchase.

Pickup = Standard on Pickup models, C/C = Standard on Cab Chassis models.

Note: Options may only be available in combination with others, please see your dealer for details.

Options - Available at extra cost

*1 = Some figures are approximate and may vary due to options and accessory fitment.

*2 = Kerb weights are nominal and will vary depending on options and accessories.

*3 = Gross Combined Mass (GCM) is the total permissible combined weight of the vehicle and trailer/caravan being towed including occupants, fuel & cargo.

*4 = Towing capacities are subject to state regulations and towbar design.

*5 = Power and torque test standards differ. Ensure comparisons use same test standard.

V6 engine based on 95+ RON.

*6 = Fuel economy varies with driving conditions and style, vehicle condition, options and accessories.

*7 = Turbo Diesel engine only.

*8 = 4.0 litre V6 Petrol Engine only.

*9 = Automatic transmission model only.

*10 = Manual transmission model only.

*11 = Not fitted to front centre lap seatbelt.

*12 = RON 91 or higher. For improved vehicle performance, the use of premium unleaded petrol with a RON of 95 or higher is recommended.

† = Bluetooth™ will only operate with telephones enabled with compatible Bluetooth™ wireless technology (HFP [Hands Free Profile] v1.0).

^ = Available from January 2007 Production.

** = Current Satellite Navigation Audio Systems cover major capital and primary national road networks, as well as offering some coverage of regional areas.

SR5 Model shown

The HiLux Range.

SR

This is the worker you can take anywhere. 4WD, so it's right for the farm or city worksites and equipped for both. This is the first time a HiLux has become available with an automatic turbo diesel, so you get low down grunt with sensible running costs. It's also great to live with, thanks to the added creature comforts. So whether you're checking fire trails or searching for the best wave breaks, SR will take you there and back.

SR5

This HiLux takes everything to the max. With its proven 4WD capabilities it can negotiate boggy worksites or snow-clad tracks to the ski fields with ease. You'll enjoy maximum comfort whether you choose the Double Cab or Xtra Cab to make long journeys easy going. Plus it dresses up for work, with chrome mirrors, body-coloured overfender flares, chrome door handles and an alloy sports bar. HiLux SR5 is the best looking HiLux ever.
