Yaris Hatch: Clever model features

More clever ideas inside.

You're cramming more into your life, so Yaris Hatch is packed with more clever ideas. It has up to 25 storage compartments, while power windows, remote central locking and power mirrors are standard. The 60:40 split rear seat accommodates long objects and tall passengers. It slides forward and back for extra legroom or folds flat for extra luggage room, all with a simple tilt and slide action. More supportive seating, plus a reinforced body structure which reduces noise, provide more comfort with less fatigue.

Performance with intelligence.

The 1.3 and 1.5 litre twin-cam multi-valve engines incorporate many clever performance ideas. Variable Valve Timing with intelligence (VVT-i) achieves the optimum balance of crisp acceleration with economy and surprisingly low emissions. The optional electronically controlled automatic transmission manages the power more cleverly, for fewer gear shifts uphill and downhill. Electric Power Steering (EPS) is cleverly engineered for a tight turning circle and easy parking, yet more road feel at high speeds.

Big car safety features.

It may be small, but Toyota engineers have cleverly packed Yaris Hatch with big car safety features. Standard is an intelligent braking package called 'Active Braking with intelligence' (AB-i). This clever braking system includes technologies that go beyond the benefits of standard ABS to ensure that the Yaris stops as quickly and safely as possible during an emergency situation. Also standard are two front SRS airbags, while the Enhanced Safety Package option provides an additional 5 airbags including a driver's knee airbag – an Australian first for Toyota. The rigid Safe-T-Cell and extensive crash testing have resulted in superior omni-directional crash protection capability.

Looks small, feels big. Thats clever.

On the outside, Yaris Hatch reflects the latest European styling trends, having been designed at Toyota's ED² studio in Nice on the French Riviera. Clean, powerful bodylines also cut cleanly through the air and this means more economy and performance thanks to less wind resistance. For those who really want to make a statement – the YRX comes standard with a sports body kit that will really set you apart from the crowd.

*Compatible with HFP (Hands Free Profile) version 1.0
^Available on Yaris models from Feb '07 production

Green Aspen (6S3)[†]

Note: variations between the colours shown and actual paint colours may occur due to the printing process. Actual vehicle colours may appear different under certain light conditions. Model shown for illustrative purposes only. Other models may have different specifications, please refer to your dealer for details, including interior trim colour. [†]Indicates mica or metallic paint which is available at extra cost.

TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS

Toyota Service Advantage makes owning your Yaris* even more economical because you are now entitled to low cost scheduled servicing capped for up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service plan eligibility excludes Government and rental vehicles and certain other exclusions apply.

*Toyota Service Advantage effective from January 2008 compliance plate vehicles and onwards.

All of Toyota's big ideas in one small car

Yaris Technical Specifications

Seating capacity – 5
Maximum luggage capacity (litres) – 737
Fuel tank capacity (litres) – 42
Kerb Weight (Kg)
1.3L manual – 1025–1045
1.3L automatic – 1035–1055
1.5L manual – 1030–1055
1.5L automatic – 1045–1070

Engine

Engine type – Petrol
Valve train – Double Over Head Camshaft with 4 valves per cylinder
Valve mechanism – Variable Valve Timing with intelligence (VVT-i)
Max Power (kW)
1.3L – 63
1.5L – 80
Max Torque (Nm)
1.3L – 121
1.5L – 141

Fuel type – drive train

Configuration – Front wheel drive
Electronic fuel injection
Fuel system – 91 RON Unleaded

Transmission

5-speed manual with overdrive and hydraulic operated clutch
4-speed electronically controlled automatic with fuel saving lock-up torque converter (optional)

Steering

Steering type – Electric Power Steering (EPS)
Turning circle – 9.4m

Suspension

Front – Independent, McPherson strut with stabiliser bar
Rear – Semi-independent trailing arm torsion beam with coil springs and hydraulic dampers

Dimensions

Overall length – 3750mm
Overall height – 1530mm
Overall width – 1695mm
Wheelbase – 2460mm
Front track: YR – 1480mm, YRS – 1470mm, YRX – 1470mm
Rear track: YR – 1470mm, YRS – 1460mm, YRX – 1460mm
Ground clearance – 110mm

YR Standard Features

Engine – 1.3L VVT-i
Engine code – 2NZ-FE

Exterior

14" steel wheels
175/65R14 tyres
Touch up paint
Body coloured door handles
Body coloured power exterior mirrors

Interior

Air conditioning
Power windows
Tilt adjustable steering column
Front passenger assist grip

Front height adjustable headrests
Front seat slide & recline adjustment
Driver's seat height adjustment
60:40 split fold rear seat
Fold flat rear seat
One touch slide rear seat
One touch recline and stow rear seat
3 rear height adjustable headrests (fully stowable for greater rear vision)
Driver's vanity mirror and cover
Illuminated entry system
3-spoke urethane steering wheel
Cigarette lighter and removable ashtray

Instruments and controls

Centre mounted instrumentation
Digital instrumentation with liquid crystal display
Tachometer
Twin trip meter with electronic LCD odometer
Front intermittent windscreen wipers
Rear windscreen wiper and washer
Digital clock
Rear fog lamps
Headlights-on audible warning

Storage

Passenger side dual glove box
Driver's side glove box
Front door pockets
Drink holders

Lighting

Door operated interior dome lamp
Front map lamps
Luggage room lamp

Sound system

AM/FM electronic tune radio and MP3 compatible single disc in-dash CD player through 4 speakers
Audio Input compatible with iPod[®] or other portable MP3 players[^]

Safety

AB-i (Active Braking with intelligence) integrating Anti-skid Brakes (ABS) with Brake Assist (BA) and Electronic Brake-force Distribution (EBD)
Driver and front passenger SRS airbags
Global Outstanding Assessment (GOA) body with omni-directional crash capability
3-point lap-sash rear seatbelts
Driver and front passenger pre-tensioning and force limiter seatbelts
Height adjustable front seatbelts (5 door models)
Driver's and front passenger's seatbelt warning lamp
Door ajar warning lamp
Energy absorbing steering column
Automatic transmission shift lock (Automatic transmission models)

Child safety

Automatic Locking Retractor (ALR) rear outboard seatbelts to assist child seat retention
3 Child restraint anchorage points + ISO-FIX bars
Child proof rear door locks (5 door models)

Security

Engine immobiliser
Remote/keyless central locking
Cargo cover
Security coded radio

YRS Features in addition to YR

Engine – 1.5L VVT-i
Engine code – 1NZ-FE
15" steel wheels
185/60 R15 tyres
Leather bound steering wheel
Steering wheel audio control switches
Leather bound gear shift lever
Tilt and telescopic steering column
Front passenger's vanity mirror & cover

YRX Features in addition to YRS

Sports body kit
Front fog lamps
15" alloy wheels
AM/FM electronic tune radio and MP3 compatible 6 disc in-dash CD changer through 4 speakers
Bluetooth[®] phone compatibility[^]
Driver's and front passenger's map pockets
Front passenger's under-seat tray
YRX seat trim

Enhanced Safety Pack option available on all models

Driver and front passenger side SRS airbags, front and rear side curtain shield SRS airbags and driver's knee airbag

[^]Available on Yaris models from Feb '07 production
