

## IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

# Emotional

Mastering the world's roads in a Mercedes-Benz Coupé has always been a sensation to savour. And star-branded Cabriolets traditionally have an irresistible emotional appeal.

The E-Class Coupé and Cabriolet carry on the tradition in thrilling style, combining exceptional elegance with breathtaking dynamism.

Accentuate these characteristics to reflect your own taste with light-alloy wheels and styling elements from the range of genuine accessories. Unleash your emotions.

**incenio** light-alloy wheels

## Khotrima | 5-twin-spoke wheel

**incenio** light-alloy wheel

Finish: titanium silver, high-sheen

Wheel: 7.5 J x 17 ET 45 | Tyre: 235/45 R17

A207 401 0902 7X07

Option for rear axle:

Wheel: 8.5 J x 17 ET 49 | Tyre: 255/40 R17

A207 401 1002 7X07; not compatible with snow chains

## 5-spoke wheel

**incenio** light-alloy wheel

Finish: black, two-tone

Wheel: 8 J x 18 ET 45 | Tyre: 235/40 R18

A207 401 1602 7X23

Option for rear axle:

Wheel: 8.5 J x 18 ET 49 | Tyre: 255/35 R18 XL

A207 401 1702 7X23; not compatible with snow chains

## Shikrio | 5-twin-spoke wheel

**incenio** light-alloy wheel

Finish: titanium silver, high-sheen

Wheel: 8 J x 18 ET 45 | Tyre: 235/40 R18

A207 401 1102 7X07

Option for rear axle:

Wheel: 8.5 J x 18 ET 49 | Tyre: 255/35 R18

A207 401 1202 7X07; not compatible with snow chains

On all light-alloy wheels, use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

EXTERIOR

### Hub caps

Protect the hub from dirt. Available in the following versions:

- |                                      |                                      |
|--------------------------------------|--------------------------------------|
| 1   Classic Roadster design in blue  | 4   Titanium silver with chrome star |
| 2   Classic Roadster design in black | 5   Black with chrome star           |
| 3   Sterling silver with chrome star |                                      |

### Draught-stop

The basis of the draught-stop is a fine-mesh net which slows down the airflow and reduces the volume of air. Its sophisticated design makes it simple to fit. The fabric draught-stop behind the front seats protects the occupants from draughts

Because of the variety of different vehicle configurations and country-specific statutory regulations, not all of the wheel/tyre combinations shown in this brochure will be approved for your vehicle. If you are planning on purchasing new wheels, please contact your Mercedes-Benz partner, who will have access to all of the relevant data

### Lugo | 10-spoke wheel

**incenio** light-alloy wheel

Finish: sterling silver

Wheel: 7.5 J x 16 ET 45 | Tyre: 215/55 R16

A207 401 0802 9709

On all light-alloy wheels, use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

**inceno** light-alloy wheel

#### 5-spoke wheel

Finish: titanium silver

Wheel: 8 J x 18 ET 45 | Tyre: 235/40 R18

A207 401 0402 9765

Option for rear axle:

Wheel: 8.5 J x 18 ET 49 | Tyre: 255/35 R18

A207 401 0502 9765; not compatible with snow chains

#### 5-twin-spoke wheel

Finish: titanium silver

Wheel: 7.5 J x 17 ET 45 | Tyre: 235/45 R17

A207 401 0702 9765

Option for rear axle:

Wheel: 8.5 J x 17 ET 49 | Tyre: 255/40 R17

A207 401 0202 9765; not compatible with snow chains

#### Tyre pressure gauge

Compact design. Saves readings. Suitable for all tyre valves (including cycle tyres). Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Supplied with leather pouch

### 9-spoke wheel

Finish: titanium silver

Wheel: 7 J x 16 ET 38 | Tyre: 205/55 R16

A212 401 0002 9765

### 9-twin-spoke wheel

Finish: titanium silver

Wheel: 7.5 J x 17 ET 45 | Tyre: 235/45 R17

A207 401 0102 9765

Finish: titanium silver

Wheel: 7.5 J x 16 ET 45 | Tyre: 215/55 R16

A207 401 0002 9765

### 7-spoke wheel

Finish: sterling silver

Wheel: 7 J x 16 ET 38 | Tyre: 205/55 R16

A212 401 1702 9709

### Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles. Can be painted in body colour by dealer

### Snow chain systems

The RUD-matic Disc snow chain has a user-friendly design and can be fitted and removed quickly. With extra-reinforced chain links for the toughest conditions and excellent traction on snow and ice, it is a reliable companion in wintry road conditions. Your Mercedes-Benz partner will be happy to advise you on this and other snow chain systems

### Rim locks

Set consisting of coded key and one lock per wheel

### Wheel bolts

# EXTERIOR

#### E | Front apron spoiler lip

This aerodynamic component expands on the E-Class's expressive features to create a distinctive design, accentuating the elegance and dynamism of your Mercedes-Benz

#### A | Side sill panels

Distinctive design harmonises with other add-on parts | 6-piece set |

#### B | High-sheen chromed door handle recesses

Round off your E-Class's chrome finish and protect the paintwork from scratches

#### C | Chrome-look indicator bulbs

Mirrored indicator bulbs round off the chrome finish of your E-Class to perfection | not in conjunction with Light package (Code P35) |

#### D | Trim elements

Brilliant detail: high-sheen trim for your E-Class's daytime driving lights | 2-piece set, available for AVANTGARDE line only |

**F | Roof spoiler**

Elegantly elongates the roof line of your E-Class | available for Coupé only |

**G | Rear spoiler**

Discreet spoiler, fitted to the boot lid, subtly accentuating the rear contours of the E-Class

**H | Diffuser-look rear apron trim**

The distinctive design of the front apron spoiler lip is echoed here at the rear, creating a deeper, broader look for the rear of the vehicle

# TELEMATICS

# Expressive

It's impossible not to be moved by the expressive exterior design of the E-Class – whether Cabriolet or Coupé. And then there's the interior, which offers a wide variety of ways to lend expression to your own personal tastes.

For example your taste in music: radio, CD, MP3 files or your iPod are all perfectly integrated with convenient controls. And the Media Interface video cable turns your COMAND system into an on-board cinema. Take your seats!

## Mercedes-Benz iPod® Interface Kit<sup>1</sup>

It's easy to control your iPod via the multifunction steering wheel: scroll through the menus [A], adjust the playback and volume [B] and display the artist/title of your choice in the instrument cluster [C].

As with the Mercedes-Benz Media Interface, the connection for your iPod is in the glove compartment. Your iPod's battery is charged while it is connected. No factory-retrofitted optional extra required

## Mercedes-Benz iPod® Interface Kit, Video

Full functionality as for iPod Interface Kit, with the additional option of watching videos on your COMAND system's display (when vehicle is stationary only). Only in conjunction with COMAND (Code 527 or Code 512)

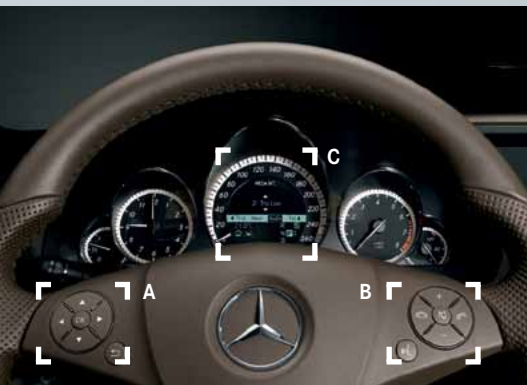

## Media Interface video cable<sup>1</sup>

Transforms your Mercedes-Benz into a cinema: the Media Interface video cable allows you to watch videos on the monitor of your COMAND APS – while the vehicle is stationary. Various video sources (e.g. camcorder, iPod video, iPhone, video player, etc.) can also be connected to the Media Interface via the AUX connection | only in conjunction with Media Interface, Code 518 |

<sup>1</sup> The Mercedes-Benz Interface Kit allows you to listen to the music on your iPhone. It does not support the phone function

The iPod® Interface Kit is compatible with the following models: iPod from 4th generation | iPod video | iPod photo | iPod U2 | iPod mini | iPod nano 1st, 2nd, 3rd and 4th generations | iPod classic | iPod touch 1st and 2nd generations | iPhone 1st generation and 3G

## Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's "intelligent" mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself.

Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing telephone technology either:

- Optimum reception quality as a result of using vehicle's external aerial
- Mobile's battery is charged
- Access to internal phone memory
- Convenient operation using multifunction steering wheel

To use a mobile-phone holder, your car must be factory-fitted with optional extra "Code 386, Convenience Telephony". Holders are available for various current models of mobile phone. For further information about using the phone in your car, go to [www.mercedes-benz.com/connect](http://www.mercedes-benz.com/connect) or see our Mercedes-Benz telematics brochures

Holders are available for:

- 1 | Nokia (3109, 3110, 6230, 6230i, 6300, 6700, E71, E66)
- 2 | Sony Ericsson (K800i, K810i, W880i, C902, C702)
- 3 | Apple (iPhone 1st generation, 3G/3GS)
- 4 | BlackBerry (8300 Curve, 8310 Curve, 8320 Curve, 8900 Curve, 9000 Bold)

| 1 |

| 2 |

| 3 |

| 4 |

## Mercedes-Benz Bluetooth® telephone module

The telephone module is designed to extend the mobile communication system in your Mercedes-Benz. Just connect it to your Convenience Telephony system (Code 386) in the centre armrest, and start using your mobile via the on-board hands-free system. You can leave your mobile phone in your jacket pocket.

- Access to contact details saved on SIM card
- Optimum reception quality as a result of using vehicle's external aerial
- Read and receive text messages
- The closed box features an integral USB port which can be used to charge the mobile phone

Two versions of the Mercedes-Benz Bluetooth SAP<sup>2</sup> telephone module are available: one in the form of a closed box [pictured] and the other with a corded handset [not pictured]. Both versions feature a SIM card reader

<sup>2</sup> SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

TELEMATICS

## Navigation 20<sup>1</sup>

Navigation 20 transforms your Audio 20 CD radio into a powerful, easy-to-use navigation system: fully integrated into your E-Class's control system and with cutting-edge graphic depictions such as *Reality View Pro*, which generates realistic simulations of road signs on motorways. Other features: Lane Assistant Pro, destination input via map and traffic information for Europe, including *Country Info*, your source of information regarding statutory regulations abroad.

With Navigation 20 you can also connect a music player of your choice to the Audio 20 CD. Or even stream music wirelessly from your mobile via Bluetooth. Ask your Mercedes-Benz partner for details of which music players and mobiles can be used with Navigation 20

## Audio 50 APS with 6-DVD changer

Navigation system and car hi-fi combined in one unit which can be operated via the multifunction steering wheel. Dynamic route guidance via RDS/TMC. 2D map navigation on 5.8" colour display. Bluetooth connectivity for automatic transfer of contacts, with hands-free function as standard. Double-tuner radio with 4-channel amplifier for outstanding sound. DVD changer controls. Also available without DVD changer as an option

## Audio 20 CD with 6-CD changer

Double-tuner radio with 5.8" colour display. Bluetooth interface with hands-free function. CD changer is MP3-compatible | not pictured |

## SD memory card

The COMAND APS in your E-Class features a slot for SD memory cards. Use the SD memory card as a convenient way to play music

## PCMCIA multi-card reader<sup>2</sup>

Listen to your music in comfort while you're out and about using your COMAND system's PCMCIA adapter slot. The plug & play system means your memory card is instantly recognised. MP3, WMA and AAC files are supported. A separate memory card is required for the PCMCIA multi-card reader

<sup>1</sup> Available from 06/2010

<sup>2</sup> Only in conjunction with COMAND APS, Code 527 or 512. The following memory cards are supported: SD, MMC, HS-MMC, DV-RS-MMC, MS, MS-Pro, HS-MS-MG-Pro, HS-MS-Pro, MS Select, MS Duo, MS-Pro Duo, X-card

Europe navigation DVD  
for COMAND APS

Europe navigation DVDs  
for Audio 50 APS

*The data for the Mercedes-Benz navigation systems is regularly updated. Please ask your Mercedes-Benz partner for the latest version*

### Rediscover navigation

In recent years integral navigation has made journeys more relaxed, less time-consuming and, above all, safer. If you want to continue to enjoy these advantages to the full, we recommend that you regularly replace the navigation DVD in your navigation system with the latest version. Ensuring that the data you're using matches the roads you're travelling on. And that the only surprises you encounter during your journey are of a pleasant nature

### COMAND APS with 6-DVD changer

The new COMAND APS now offers even more convenience and freedom when you're on the move. Your route is navigated with impressive speed, thanks to the integral hard drive. Up to 4 GB of memory offers virtually unlimited space for your favourite music. COMAND APS also plays back music from DVDs and CDs, and from SD memory cards. And the optional Media Interface also allows you to connect your portable music player. For convenience and enhanced safety, all of these functions can be controlled via your COMAND system.

Other features: Bluetooth connectivity, 7" colour display, dynamic route guidance (RDS/TMC), double-tuner radio with 4-channel amplifier for outstanding sound, DVD changer controls. Also available without DVD changer as an option

*Interior appointments*

# INTERIOR

**CLASSIC velour mats, CLASSIC rep mats, CLASSIC all-season mats<sup>1</sup>**

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

**Illuminated door sill panels**

The white illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the E-Class Coupé and Cabriolet | pictured on page 20/21 |

**Back cushion**

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

**Stainless steel pedal covers**

Pedal covers in ground stainless steel with non-slip stud panel. Available for automatic and manual models

# Exceptional

If you trust your emotions, you'll feel at home in a Coupé or Cabriolet right from the start. A wood/leather steering wheel can subtly yet significantly intensify the feeling. Each is a unique item – the result of exceptional precision craftsmanship.

In this section you will also find products which appeal equally persuasively to your rational side.

But then truly exceptional design has always involved a combination of rational and emotional appeal.

**Wood/leather steering wheel**

burr walnut, black | The wood/leather steering wheels are also available in other colours to match the interior

<sup>1</sup> Not for right-hand-drive models

<sup>2</sup> Front/rear compartment: max. diameter 82/74 mm

- All-season floor mats*
- Back cushion*
- Cup holder insert*
- Door sill panels*
- Pedal covers*
- Rep floor mats*
- Velour floor mats*
- Wood/leather steering wheel*

**Cup holder insert for centre console**

black, grained | Moveable arms secure up to two drinks containers of different sizes<sup>2</sup>, holding them within easy reach. The insert is simple to fit to the standard stowage compartment in the centre console | cannot be used in conjunction with Code 310, double cup holder |

# INTERIOR

#### **“KidFix” child seat**

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KidFix” seat is attached using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg). Removable, washable “DaimlerSquare” cover

*Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points.*

*For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz partner for a copy of our separate brochure*

**“DUO plus” child seat**

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Adjustable tilt. Removable, washable “DaimlerSquare” cover

**“BABY-SAFE plus” child seat**

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable “DaimlerSquare” cover

Carrier systems*

# CARGO & CARE

# Effective

Coupés and Cabriolets are attractive but impractical. Wrong! Mercedes-Benz Coupés and Cabriolets are stunningly attractive yet ideal for everyday use.

Correct! Not least thanks to the genuine accessories shown in this section.

Mercedes-Benz carrier systems, for example, are aerodynamically optimised and precision-tailored to the bodywork of your car.

Because attractive and practical cars deserve attractive and practical accessories.

## Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

## Alustyle basic carrier bars

The Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the Alustyle basic carrier bars with a variety of different roof-mounted carriers which you can see here and on the following pages. The basic carrier bars are precisely tailored to the body of your E-Class, ensuring the highest degree of safety and optimum aerodynamics | available for Coupé only |

## Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in two colours: matt silver [A] and titanium metallic [B] | available for Coupé only |

### 1 | Mercedes-Benz roof box XL

family box | Capacity: approx. 450 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

### 2 | Mercedes-Benz roof box L

sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

### 3 | Mercedes-Benz roof box M

weekend box | Capacity: approx. 400 litres. Available with opening on right or left

#### Luggage set | for Mercedes-Benz roof box XL |

Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis. Ski bag also available separately | pictured above |

#### Luggage set | for Mercedes-Benz roof box L |

Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box L | pictured left |

#### Ski rack insert | for Mercedes-Benz roof box XL |

A secure hold for up to five pairs of skis, subject to ski geometry. For Mercedes-Benz roof box XL | pictured above |

#### Ski rack insert | for Mercedes-Benz roof box L |

A secure hold for up to three pairs of skis, subject to ski geometry. For Mercedes-Benz roof box L | not pictured |

# CARGO & CARE

**New Alustyle ski and snowboard rack "Comfort"**

For up to 6 pairs of skis or 4 snowboards. Lockable. Practical pull-out function (see below left) makes loading and unloading easier | available for Coupé only |

### New Alustyle ski and snowboard rack "Standard"

For up to 4 pairs of skis or 2 snowboards.  
Lockable | available for Coupé only |

### Mercedes-Benz Bikes

These sporty and elegant bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. For more detailed information, please see our "Mercedes-Benz Bikes" brochure

*Bicycle rack*  
*Coil lock*  
*Mercedes-Benz Bikes*  
*Ski/snowboard rack*

### New Alustyle bicycle rack

Depending on the permissible roof load, up to three bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without cycles. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | available for Coupé only |

### Coil lock

Designed to help prevent theft.  
Available as an option for the bicycle rack

# CARGO & CARE

#### Coolbox

black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12V connection. Adjustable carrying strap

#### Coolbag

black | Fabric outside, plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12V connection. Adjustable carrying strap

#### Rectifier

Allows the coolbox and the coolbag to be connected to a 230V socket at home

*The laden bicycle rack can be pivoted downwards, allowing the boot to be opened*

*When the rear-mounted bicycle rack is unladen, simply fold down the vertical retaining bar to access the boot. This function also allows space-saving stowage of the rack when removed*

**Extension kit for rear-mounted bicycle rack**

Allows you to add a third cycle

**Rear-mounted bicycle rack for trailer coupling**

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (see above left) means that the boot can still be opened. Basic version for two cycles. Lockable

Available as an option: extension kit for a third cycle (pictured above right)

**Adapter**  
For trailer  
with 7-pin plug

**Trailer coupling**

Fold-away design.  
Max. drawbar load: 75 kg

**Safety tow rod**

2-piece steel rod with patented connector and cotter pin. For trailer couplings and towing eyes. Approved for vehicles with a gross vehicle weight of up to 3.2 t

**Box of replacement bulbs**

The box of replacement bulbs ensures that you always have the right bulbs at hand for your E-Class Coupé or Cabriolet. So if one of the bulbs fails or you're driving in one of the many countries where daytime driving lights are compulsory, you're well prepared

7 J x 16 ET 38 · 205/55 R16  
A212 401 1702 9709  
Finish: sterling silver

## Standard and optional

**17**  
8.5 J x 17 ET 49 · RA 255/40 R17  
A207 401 1002 7X07  
Finish: titanium silver, high-sheen

**18**  
8.5 J x 18 ET 49 · RA 255/35 R18  
A207 401 1202 7X07  
Finish: titanium silver, high-sheen

**18**  
8.5 J x 18 ET 49 · RA 255/35 R18 XL  
A207 401 1702 7X23  
Finish: black, two-tone

On all light-alloy wheels, use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

Snow chain systems: please contact your Mercedes-Benz partner to find out about using snow chains with your light-alloy wheels

**A word of advice:** because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz dealer, however, has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you

With low-profile tyres, the tyres, wheels and parts of the suspension are subject to higher loads and are generally, therefore, more susceptible to damage, e.g. from uneven road surfaces

**16 9-SPOKE WHEEL**  
 7 J x 16 ET 38 · 205/55 R16  
 A212 401 0002 9765  
 Finish: titanium silver

**17 5-TWIN-SPOKE WHEEL**  
 7.5 J x 17 ET 45 · 235/45 R17  
 A207 401 0702 9765  
 Finish: titanium silver

**17**  
 8.5 J x 17 ET 49 · 255/40 R17  
 A207 401 0202 9765  
 Finish: titanium silver

**16 9-TWIN-SPOKE WHEEL**

 Finish: silver, high-sheen;  
 finish: titanium grey, high-sheen  
 B6 603 1480

March 2010

Please note: changes may have been made to the products since this brochure went to press (01.03.2010). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
