

 **TOYOTA AURION**  
oh what a *feeling!*

The Australian V6 that defies tradition.

## EITHER WAY, IT DEFIES TRADITION.

For all its understated elegance, power and efficiency, the Aurion remains something of an enigma. For here is a car that appears to defy convention at every opportunity. For example, the Aurion features outstanding performance – an exhilarating 200kW. Yet it only uses 9.9L/100km\* of fuel. It also offers dynamic handling and control to give you pure driving freedom – while surrounding you, almost invisibly, with a range of uncompromising safety features for you and your passengers.

Every Aurion comes complete with a custom designed package of Toyota's renowned Driver Assist Technology (DAT), which includes Vehicle Stability Control (VSC) and Traction Control (TRC) for optimised performance. Even the design of the Aurion incorporates Formula 1 design cues, while resisting frivolous design fads to ensure truly timeless looks.

Built to exacting standards right here in Australia, for a multitude of conditions, Aurion delivers greater power, refinement and handling without compromising Toyota's traditional foundations of quality, durability and reliability.

Aurion purposely avoids the status quo – and taps into a real need for drivers looking for smarter thinking, more intelligent engineering and the ability to break the traditional rules of the big Australian V6.

A new benchmark has now been set.

\*ADR81/02 Combined cycle, Actual fuel consumption may vary depending on driving conditions/style, vehicle conditions and options/accessories.

# MAKE IT YOURS WITH AURION GENUINE ACCESSORIES.

You've made a call. And now it's time to make your Aurion yours with Toyota Genuine Accessories. Designed and detailed to fit seamlessly with your vehicle, it's your chance to stand even further apart from the crowd.

## TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY\*

Some Toyota Genuine Accessories are not applicable to all Aurion models. See your Toyota dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at [accessories.toyota.com.au](http://accessories.toyota.com.au).

- (1) Rear View Camera and ParkAssist are designed as driver assist devices only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.
  - (2) Towing capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.
  - (3) Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.
  - (4) The Bluetooth<sup>TM</sup> word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.
  - (5) iPod<sup>®</sup> is a registered trademark of Apple Inc.
  - (6) Optional FollowMe<sup>®</sup> iPod<sup>®</sup> kit available. iPod<sup>®</sup> is a registered trademark of Apple Inc.
  - (7) Requires fitment of centre cluster facia panel.
  - (8) Not all devices will be compatible and functionality will vary depending on the device.
- \* All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for 12 months. Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

Presara model shown.

Aurion V6 combines exhilarating performance, with dynamic handling and control to deliver a car you'll love to drive. Smarter thinking, more intelligent engineering and refined styling. It's the non-traditional big Aussie 6.

Aurion's journey began with a simple, but seemingly contradictory question – could we design an efficient, yet powerful, large V6 car built for Australia – but with no trade-off in performance or attention to detail?

Both extreme and diverse, Australian road conditions are among the toughest on Earth. So, with Aurion, conventional thinking was thrown out the window. Toyota's Australian designers and engineers were determined to build a vehicle adapted to our unique conditions, from city driving to interstate exploring – all offering the same exhilarating driving experience.

See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle. \*Indicates mica or metallic paint which is available at extra cost on some models.

### Toyota Service Advantage cuts new car running costs

Toyota Service Advantage makes owning your Aurion even more economical because you are entitled to low cost scheduled servicing. That's up to 4 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or [advantage.toyota.com.au](http://advantage.toyota.com.au) for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government and Rental vehicles and certain other exclusions apply.

CAPPED PRICE SERVICING

## AURION TECHNICAL SPECIFICATIONS

### ENGINE

- Euro IV Compliant
- Engine Type – Petrol
- Engine Code – 2GR – FE
- Engine Displacement – 3456cc
- Engine Configuration – 6 cylinder, V Type
- Valve Train – Quad Cam with 4 valves per cylinder

### VALVE MECHANISM

- Dual Variable Valve Timing with intelligence (VVT-i)
- Max Power – 200kW/6200rpm (Regular Unleaded)
- Max Torque – 336Nm/4700rpm (Regular Unleaded)

### FUEL

- Fuel System – Electronic Fuel Injection (EFI)
- Fuel Type – 91 RON Unleaded
- Fuel Economy – 9.9L/100km<sup>#</sup>

### EXHAUST

- Dual main mufflers and diffusers

### TRANSMISSION

- 6-speed Sequential Shift Automatic Transmission (A/T)
- (Standard on all grades)

### STEERING

- Power Steering – Hydraulic Type
- Turns Lock to Lock – 3.2
- Turning circle at kerb – 11m

### BRAKES

- Front – Ventilated Discs
- Rear – Solid Discs
- Active Braking with intelligence (AB-i) incorporating Anti-skid Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
