Your motorhome.

It all starts with a Mercedes-Benz.

Acquiring your dream motorhome might seem like a complicated task. There's certainly a lot to consider before you take off on that first magic journey. By choosing a Mercedes-Benz, you'll definitely be setting off in the right direction because the Sprinter Motorhome comes ready to start your trip of a lifetime.

Imagine the chassis that's under your motorhome is like the foundations of a house. Once you have something solid and strong underneath, you will not only have the foundation to start your journey but you will also have peace of mind throughout the big adventure.

The Sprinter Motorhome is a package that is born to explore.

One carefully constructed vehicle.

Many exceptional qualities.

Mercedes-Benz is known for outstanding engineering and the Sprinter is no exception. The Sprinter is renowned for durability, strength and car-like handling which is combined with a superbly equipped interior that makes life on the road a pleasure, not a chore. The Sprinter offers an extensive range of advanced fuel-efficient engines, all of which comply with the latest EURO 5 emissions regulation. Our range of turbo diesel engines includes powerful 140kW V6 CDI and 4 cylinder CDI engines, giving you all the power you need,

no matter where the road takes you. Special suspension packages increase road-holding and comfort and make the drive all the more enjoyable.

Whichever way you go, you'll be assured of ample power and smooth car-like cruising, from one end of Australia to the other.

Optional fully automatic transmission

Special suspension to increase road holding and comfort

Cruise into your dream holiday.

With features like these, it's a clear road ahead.

Great journeys all start somewhere. When choosing a motorhome, the best place to start is with a Mercedes-Benz Sprinter. Like any home, building on a safe, strong and solid foundation is vital. The Sprinter comes packed with safety features, including Brake Assist and ADAPTIVE ESP® for added confidence wherever the road takes you.

Renowned for its responsive, car-like handling, the Sprinter has plenty of power on tap, thanks to advanced optional fully automatic transmissions and the latest EURO 5 range of turbo diesel engines, all built with the class-leading durability you'd expect from Mercedes-Benz.

Packed with features, the Sprinter Motorhome will have you travelling in comfort. The multifunction steering wheel and cruise control gives you the control you need at your fingertips.

With a Sprinter there are no limits to your adventures.

Multifunction steering wheel

Driver's comfort seat (optional)

Cruise control with SPEEDTRONIC

Safety, quality and reliability.

That's Mercedes-Benz through and through.

As you'd expect, world-class safety technology is built into every Mercedes-Benz Sprinter.

Our ADAPTIVE ESP® is standard on all Sprinters, so you can stay on the straight and narrow. The Mercedes-Benz ADAPTIVE ESP® is designed to assist the driver in maintaining control of the vehicle and intervene automatically when the vehicle detects a potential issue. Where the load of the Sprinter Motorhome may be constantly altering, ADAPTIVE ESP® continually adjusts to the load for added safety. And no matter what sort of road conditions, ABS brakes will help you deal with any surprises along the way.

All added safety features are concealed within a high-strength safety cell that is designed to absorb impact and transfer it away from the driver and passenger.

Every Mercedes-Benz Sprinter is fitted with a driver and front passenger airbag as standard, with the option of including side window airbags and thorax airbags.

Even the smaller details are carefully designed to contribute to a safer journey. Optional Bi-Xenon headlights don't just show the way clearly with extra illumination at the sides, they have an automatic adjustment to prevent oncoming traffic from being dazzled. It's just another reason to choose Mercedes-Benz.
