BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

Your car informs you of its service requirements via the Condition Based Servicing system. Then simply get in touch with your preferred BMW Dealer who will provide expert care for you and your car.

BMW service costs can now be covered by a single, once-off advance payment ensuring you both driving pleasure and peace of mind in one. BMW Service Inclusive offers a choice of coverage levels available to suit individual requirements across the BMW range. With packages starting from \$990*, BMW Service Inclusive takes care of your scheduled servicing for 5 years or 80,000kms, whichever comes first.

Staffed by highly trained personnel, your BMW Dealership is equipped with the latest computer-aided information and diagnostic tools. Important data such as the chassis number, mileage and current service requirements are all stored on your car key, ensuring quick assessment of your vehicle's status.

Naturally, your preferred BMW Dealer also has a comprehensive stock of Genuine BMW Parts for any eventuality.

All in all, quality and safety are the essence of BMW Service. Find out more at bmw.com.au/service

BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the most comprehensive roadside care programme in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

*Pricing based on the BMW Service Inclusive Basic package. Scheduled servicing based on the vehicle's Condition Based Service monitoring system for 5 years from the date of first registration or up to 80,000kms, whichever occurs first. Normal wear and tear and other exclusions apply. Scheduled Servicing must be conducted by an authorised BMW dealer.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driving Experience offers a range of courses, from the entry-level Intensive course, to the more advanced and exhilarating M Dynamic. The final BMW Driving Experience course on offer is the pinnacle of all, our exclusive Fascination course.

BMW Intensive Driving Experience

An exciting introduction into performance driving, designed for confident drivers.

BMW M Dynamic Driving Experience

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

BMW Fascination Driving Experience

The last course offered in the BMW Driving Experience Programme. Fascination is the goal to reach for those who complete our Intensive and M Dynamic Driving Experience courses. Drivers apply all of the skills they have learned in previous courses, and have one-to-two tuition with our highly trained BMW Driving Experience Instructors.

To find out more about BMW Driving Experience courses and dates, please call **1800 000 269** or email **bmw-drivingexperience@bmw.com.au** or visit **bmw-drivingexperience.com.au**
