

# Yaris

Big Ideas. Small Car.

**TOYOTA**

[toyota.com.au](http://toyota.com.au)

*Oh what a feeling!*

# Your life, your car, your way.

Meet the exciting and ever entertaining Yaris. It's the car that comes with the convenience and comfort you need, all within a fun sized package. So whether it's your daily commute to work or a relaxing weekend at the beach, Yaris has you covered.

Choose from three grades; Ascent, SX and ZR, each ready to make a big impression in its own way.

## Make a statement.

Catching up with friends and family is one of life's simple pleasures.

Whether it takes you to your much loved local restaurant or on to brand new adventures together, Yaris announces your presence.

With sporty front and rear bumpers, front grille and a sleek rear spoiler on the ZR, Yaris effortlessly catches the eye from every angle.

The compact dimensions make it perfect for zipping about town and finding the perfect parking spot. Not to mention, the convenience of a Reversing Camera is standard across the range.

## Style with substance.

Yaris is the car that gets you where you need to be, with a 1.3L engine in Ascent and a 1.5L in SX and ZR. You'll have the power and efficiency to zip around town whilst achieving outstanding fuel efficiency.

Stream your favourite tunes via Bluetooth<sup>®1</sup> on the 6.1" touchscreen audio display. On ZR, you have

the added benefits of Toyota Link<sup>2</sup> including Pandora<sup>®3</sup> for easy access to the latest music.

Steering wheel controls also allow you to safely answer calls without your hands having to leave the wheel. Yaris is equipped with modern finishes that make life all the more easier.

## Small outside, spacious inside.

Step into Yaris and you're in for a big surprise. Its compact yet spacious cabin packaging steps up design to a whole new dimension.

There's generous legroom and plenty of headroom. Adjustable bucket seats in the front and a full-width rear seat for three, to ensure outstanding comfort and support. Yaris' versatility allows you to transform the interior into your own

unique personal space. Gym bags, beach gear, there's plenty of room for it all, with the flexibility of 60/40 split fold rear seats.

You'll also find more storage space than you'd think possible in a car of this size, with a two-tier boot and convenient storage options such as a dual level glove box.

## Agile and effortless.

For a small car Yaris is big on convenience. Centrally placed in the stylish dashboard panel is the 6.1" touchscreen audio. Pair your mobile phone via Bluetooth<sup>®1</sup> and listen to your favourite music through the generous six speaker system. For added flexibility there is also USB connectivity available.<sup>4</sup>

Satellite Navigation<sup>5</sup> on ZR can guide you with ease whenever you need it. Paired with SUNA™ Traffic Channel,<sup>6</sup> it gives you helpful updates on traffic conditions.

On the open road, Cruise Control helps to take a load off the journey. Yaris is also equipped with all the usual comforts such as air conditioning, remote central locking and power windows.

Plus the Multi Information Display (MID) features all the information you need, such as outside temperature, trip data and other useful details for your journey.

Steering wheel controls allow you to adjust audio, answer calls via Bluetooth<sup>®1</sup> and on ZR, activate voice recognition functionality. With all these benefits it's easy to see why Yaris should be your number one choice.

1NZ-FE engine

# Ready when you are.

Whether you're dashing around town or cruising on the open road, you'll find Yaris gives you enough power to zip around.

The 1.3 litre engine on the Ascent and the 1.5 litre engine on the SX, ZR and Sedan models feature Variable Valve Timing with intelligence (VVT-i) technology delivering dynamic performance and greater fuel efficiency. This engine uses continual variations to the intake valve timing to improve drivability, performance and efficiency.

And with low fuel consumption<sup>1</sup> on both the Hatch and Sedan, it's a great choice when it comes to filling up at the pump.

Yaris is available as a 4-speed automatic across the range or choose the 5-speed manual in the Ascent and SX Hatch or YRS Sedan, allowing you to enjoy a smooth ride wherever you're heading.

# Small, but big on safety.

Yaris stands tall when it comes to safety. Awarded with the highest 5-Star ANCAP safety rating and equipped with a Reversing Camera and 7 SRS airbags, every occupant can be reassured.

When driving you'll appreciate the control of Brake Assist<sup>7</sup> (BA) which provides extra brake force during an emergency situation.

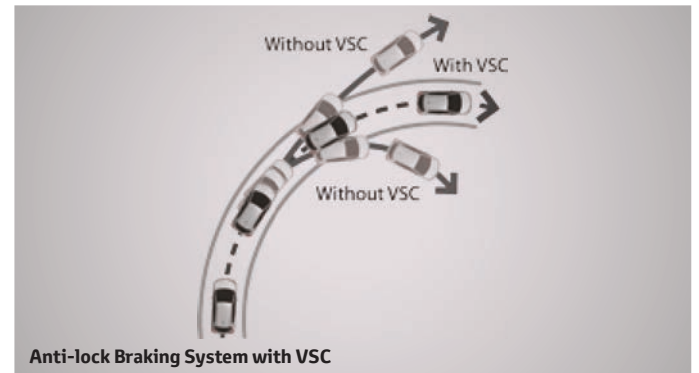

The Anti-lock Braking System (ABS) prevents wheel lock-up and skidding, and Electronic Brake-force Distribution (EBD) maximises braking efficiency by automatically increasing the brake force to the wheel(s) that need it most.

Vehicle Stability Control (VSC) helps control any oversteer or understeer you may have during cornering. While Traction Control (TRC) automatically controls the throttle or applies the brakes to any wheel that's slipping on slippery surfaces or where there's variable grip.

For even more added safety, Emergency Brake Signal (EBS) alerts trailing vehicles if you're forced to make a sudden stop.

## Even more protection.

Our Comprehensive Motor Vehicle insurance<sup>17</sup> policy is packed with great benefits including; agreed value cover or New vehicle replacement cover for Toyota vehicles damaged beyond repair within 3 years of original registration, Genuine Parts Promise and Lifetime Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

## We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km<sup>15</sup> warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

## Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist<sup>18</sup> is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency. With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.
