# Innovative thinking all the way through

The car for the modern family, Prius v has enough space to carry seven occupants in comfort and almost anything else you and the kids can throw at it.

Cleverly designed aerodynamic features complement the Toyota Hybrid System,<sup>1</sup> where the electric motor and petrol engine work together seamlessly to maximise fuel efficiency and reduce emissions.

Prius v's sleek lines are enhanced by LED Daytime Running Lamps, while UV-reducing glass in the windscreen and front windows cuts glare and reduces noise and vibration inside.

Family friendly  
comfort and space

There's more smart design within Prius v. The seating can be worked six ways to load virtually anything for a family adventure and up to seven occupants.

The convenience of a single-dial air conditioning control makes it easy to ensure comfort for all. Essential instruments and controls are ergonomically placed around the driver while the dash combimeter delivers a range of important vehicle and trip information. If you need to get going with your hands full, you'll appreciate the smart entry and start system that allows you to unlock and start the car while your key remains in your bag or pocket.

Once inside, the seatbelt reminder means there'll be no excuses for not buckling up, while the rear-seat sunshades help keep passengers cool on bright sunny days. You'll keep everyone happy with crisp sound from the JBL<sup>®2</sup> 8-speaker system with a 6.1" colour touchscreen display including integrated reversing camera, digital radio<sup>3</sup> and satellite navigation<sup>4</sup> plus all the iPod<sup>®2</sup> and Bluetooth<sup>®2</sup> capabilities you'd expect. Plus in the i-Tech<sup>®</sup>, you'll enjoy heated front seats and a panoramic roof, and should anyone make a mess, the premium seat materials are easy to clean.

Active Cruise Control<sup>5</sup> will help maintain a safe and constant distance from the vehicle in front. On the i-Tech<sup>®</sup>, you'll also have Intelligent Park Assist<sup>5</sup> (IPA) to help you into tight spaces. Then when it's on the move, an auto-dimming rear view mirror automatically adjusts to help reduce headlight glare at night.

Prius v also provides protection for everyone inside and has been awarded the maximum 5-star 2015 ANCAP safety rating. Occupants are protected by seven SRS airbags. There's also Vehicle Stability Control (VSC) to help with any potential oversteer or understeer. Electronic Brake-force Distribution (EBD) increases the brake force to the wheel(s) it detects, while Brake Assist<sup>5</sup> (BA) is designed to apply the shortest and safest possible braking distance in an emergency. Toyota Safety Sense also comes as standard on both grades.

Eclipse Black<sup>8</sup> 218

# Toyota Safety Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our on-going pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense<sup>5</sup> (TSS). A suite of active safety features designed to help support safe driving and help protect you and your passengers.

Prius v features the latest TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit [toyota.com.au](http://toyota.com.au) for vehicle and specification information.

## Active Cruise Control

Active Cruise Control<sup>5</sup> is designed to help keep a constant distance between vehicles. It uses a milliwave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

## Lane Departure Alert

Lane Departure Alert<sup>5</sup> is designed to help prevent vehicles drifting from their lane by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane.

## Pre-Collision Safety system with pedestrian detection

Pre-Collision Safety system<sup>5</sup> with pedestrian detection is developed to help reduce the likelihood of a frontal collision with cars and pedestrians. It includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision is judged to be unavoidable, automatic braking to help mitigate the impact.

## Automatic High Beam

Using a camera to sense either approaching headlights or the taillights ahead, Automatic High Beam<sup>5</sup> aims to help maintain safe and considerate driving by switching between high and low beam as needed.

# The Toyota Advantage

When you join the Toyota family, you get so much more than a new car feeling. You get a lifetime of benefits keeping you moving now and well into the future.

Discover your Toyota lifetime of advantages at [toyota.com.au](http://toyota.com.au)

## Discover the freedom of Toyota Access<sup>9</sup>

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments.<sup>10</sup> Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with flexibility and assurance. To discover Toyota Access for yourself visit [toyota.com.au/toyota-access](http://toyota.com.au/toyota-access)

## Capped price servicing<sup>11</sup>

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit [toyota.com.au/advantage](http://toyota.com.au/advantage)

## Toyota Warranty Advantage

Every new Toyota is built to exceptional standards, and from 1 January 2019, Toyota vehicles are backed by a five year/unlimited kilometre warranty.<sup>12</sup> If your vehicle is properly serviced and maintained per its Warranty and Service Book, we'll extend your engine and driveline warranty for an additional 2 years,<sup>13</sup> giving you peace of mind for years to come. In the event of a claim covered by warranty, you are covered by a 60 day money back guarantee and 7 years emergency assistance including expenses related to car hire, towing or even accommodation if required. For more information visit [toyota.com.au/owners/warranty](http://toyota.com.au/owners/warranty)

## Your battery goes further<sup>14</sup>

The Hybrid battery used by Toyota, requires no maintenance, charges automatically while you drive and never needs to be plugged into a power supply. From 1 January 2019, Toyota Hybrid batteries are backed by a five year/unlimited kilometre warranty. Complete an annual hybrid battery health check according to Toyota specifications during routine maintenance, and we'll extend your Hybrid battery warranty to 10 years.

## Finance to get you going

If you need a little help, Toyota Finance<sup>15</sup> can offer you a wide range of vehicle financing options. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

## Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first three years, use of Toyota Genuine Parts, and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance.<sup>16</sup> For more information visit [toyota.com.au/insurance](http://toyota.com.au/insurance)

## Extend your peace of mind

Whether it's a flat tyre, lost keys or a flat battery, Toyota Roadside Assist<sup>17</sup> is never more than a phone call away. Available 24 hours a day, seven days a week, our technicians are there to help you get back on the road. For more information visit [toyota.com.au/insurance/roadside-assistance](http://toyota.com.au/insurance/roadside-assistance)
