1988

DODGE

An ingenuity of design that remains unequalled.

What makes Caravan so different? Simple. Caravan stands alone. Unequaled.

It's a touring sedan, family wagon, and spacious van all in one.

And there's Grand Caravan. Its longer wheelbase provides a logical extension of a proven concept. It carries comfort and convenience to the limit.

Caravan's front-wheel drive provides stability for handling ease. Best of all, it gives you room. For passengers, cargo, pets...room to improvise.

If you're looking for the only sports wagon in the world that gives you the superior traction of front-wheel drive, available seven-passenger seating and overhead cam V-6 performance,* an aggressive new look, a long list of premium standards, an easy step up, a car-like feel, plus our 7/70 Protection Plan as described on the back cover...it's gotta be the 1988 Dodge Caravan.

*See page 14 for engine availability.

ABOUT THIS CATALOG: SINCE THE TIME OF PRINTING, SOME OF THE INFORMATION YOU'LL FIND IN THIS CATALOG MAY HAVE BEEN UPDATED. ASK YOUR DEALER FOR DETAILS.

SOME OF THE EQUIPMENT SHOWN OR DESCRIBED THROUGHOUT THIS CATALOG IS AVAILABLE AT EXTRA COST.

A superb way to put space behind you.

Caravan is the front-runner in style and performance.

Its tasteful grille and aero-type halogen headlights make a distinct first impression. From the ground up, front to rear, the design is that of aesthetic simplicity. Caravan's trim body lines are unmistakably its own.

True to its form, Caravan is the ultimate in handling responsibility. Standard gas-charged front struts and rear shocks provide you with a genuine feel for the road and take uncertainty out of the most menacing curves.

To put power in its proper place, the precision 2.5-liter four-cylinder engine or the 3.0-liter Mitsubishi-built V-6 make performance a priority of choice. Sit behind the wheel and you're free to set the pace. Feel confident with

Caravan's quick acceleration and excellent passing ability.

Ever-present are the weather-wise traction and stability that come only with front-wheel drive. For added safety, standard dual remote control outside mirrors provide the driver with 20/20 hindsight. Caravan's low profile not only offers an easy step-in height, but also reduces wind drag to provide greater stability on the open road.

What's more, Caravan's "auto-mobility" lets you slip in and out of traffic with agility, easily adapt to a tight parking space, and end up casually entering your garage.

And Caravan not only gives you beauty, power, and all the right moves but also provides dependability in the long run with a rust-resistant stainless steel exhaust system. The Caravan LE is shown below in Medium Suede.

Looks that make you look again. Caravan is proportioned just right. Its careful balance of automobile attributes and van virtues is attractive enough for any setting.

Caravan and Grand Caravan LE wagons now feature

body-colored front and rear fascia to provide a smooth, clean-cornered appearance. To further enhance Caravan's outward image, the sporty new ES Decor Package, available on the short-wheelbase LE models, provides just the right touches. Wide lower body appliques sweep the sides and flare slightly to show off new cast aluminum wheels. A wraparound accent stripe in deep red trims the bodysides and liftgate. Bright dual exhaust tips reflect a careful attention to detail. In addition, black-out treatment on the liftgate handle, door locks and Pentastar provide an element of contemporary refinement.

Combine these features with your choice of four handsome exterior colors, such as the Caravan LE shown above in Black, and you have a family vehicle with clean contours and jaunty appeal.

Consider the possibilities. As you'll see, Caravan's sleek surface makes its spacious interior a pleasant surprise.

An interior that allows room for your imagination.

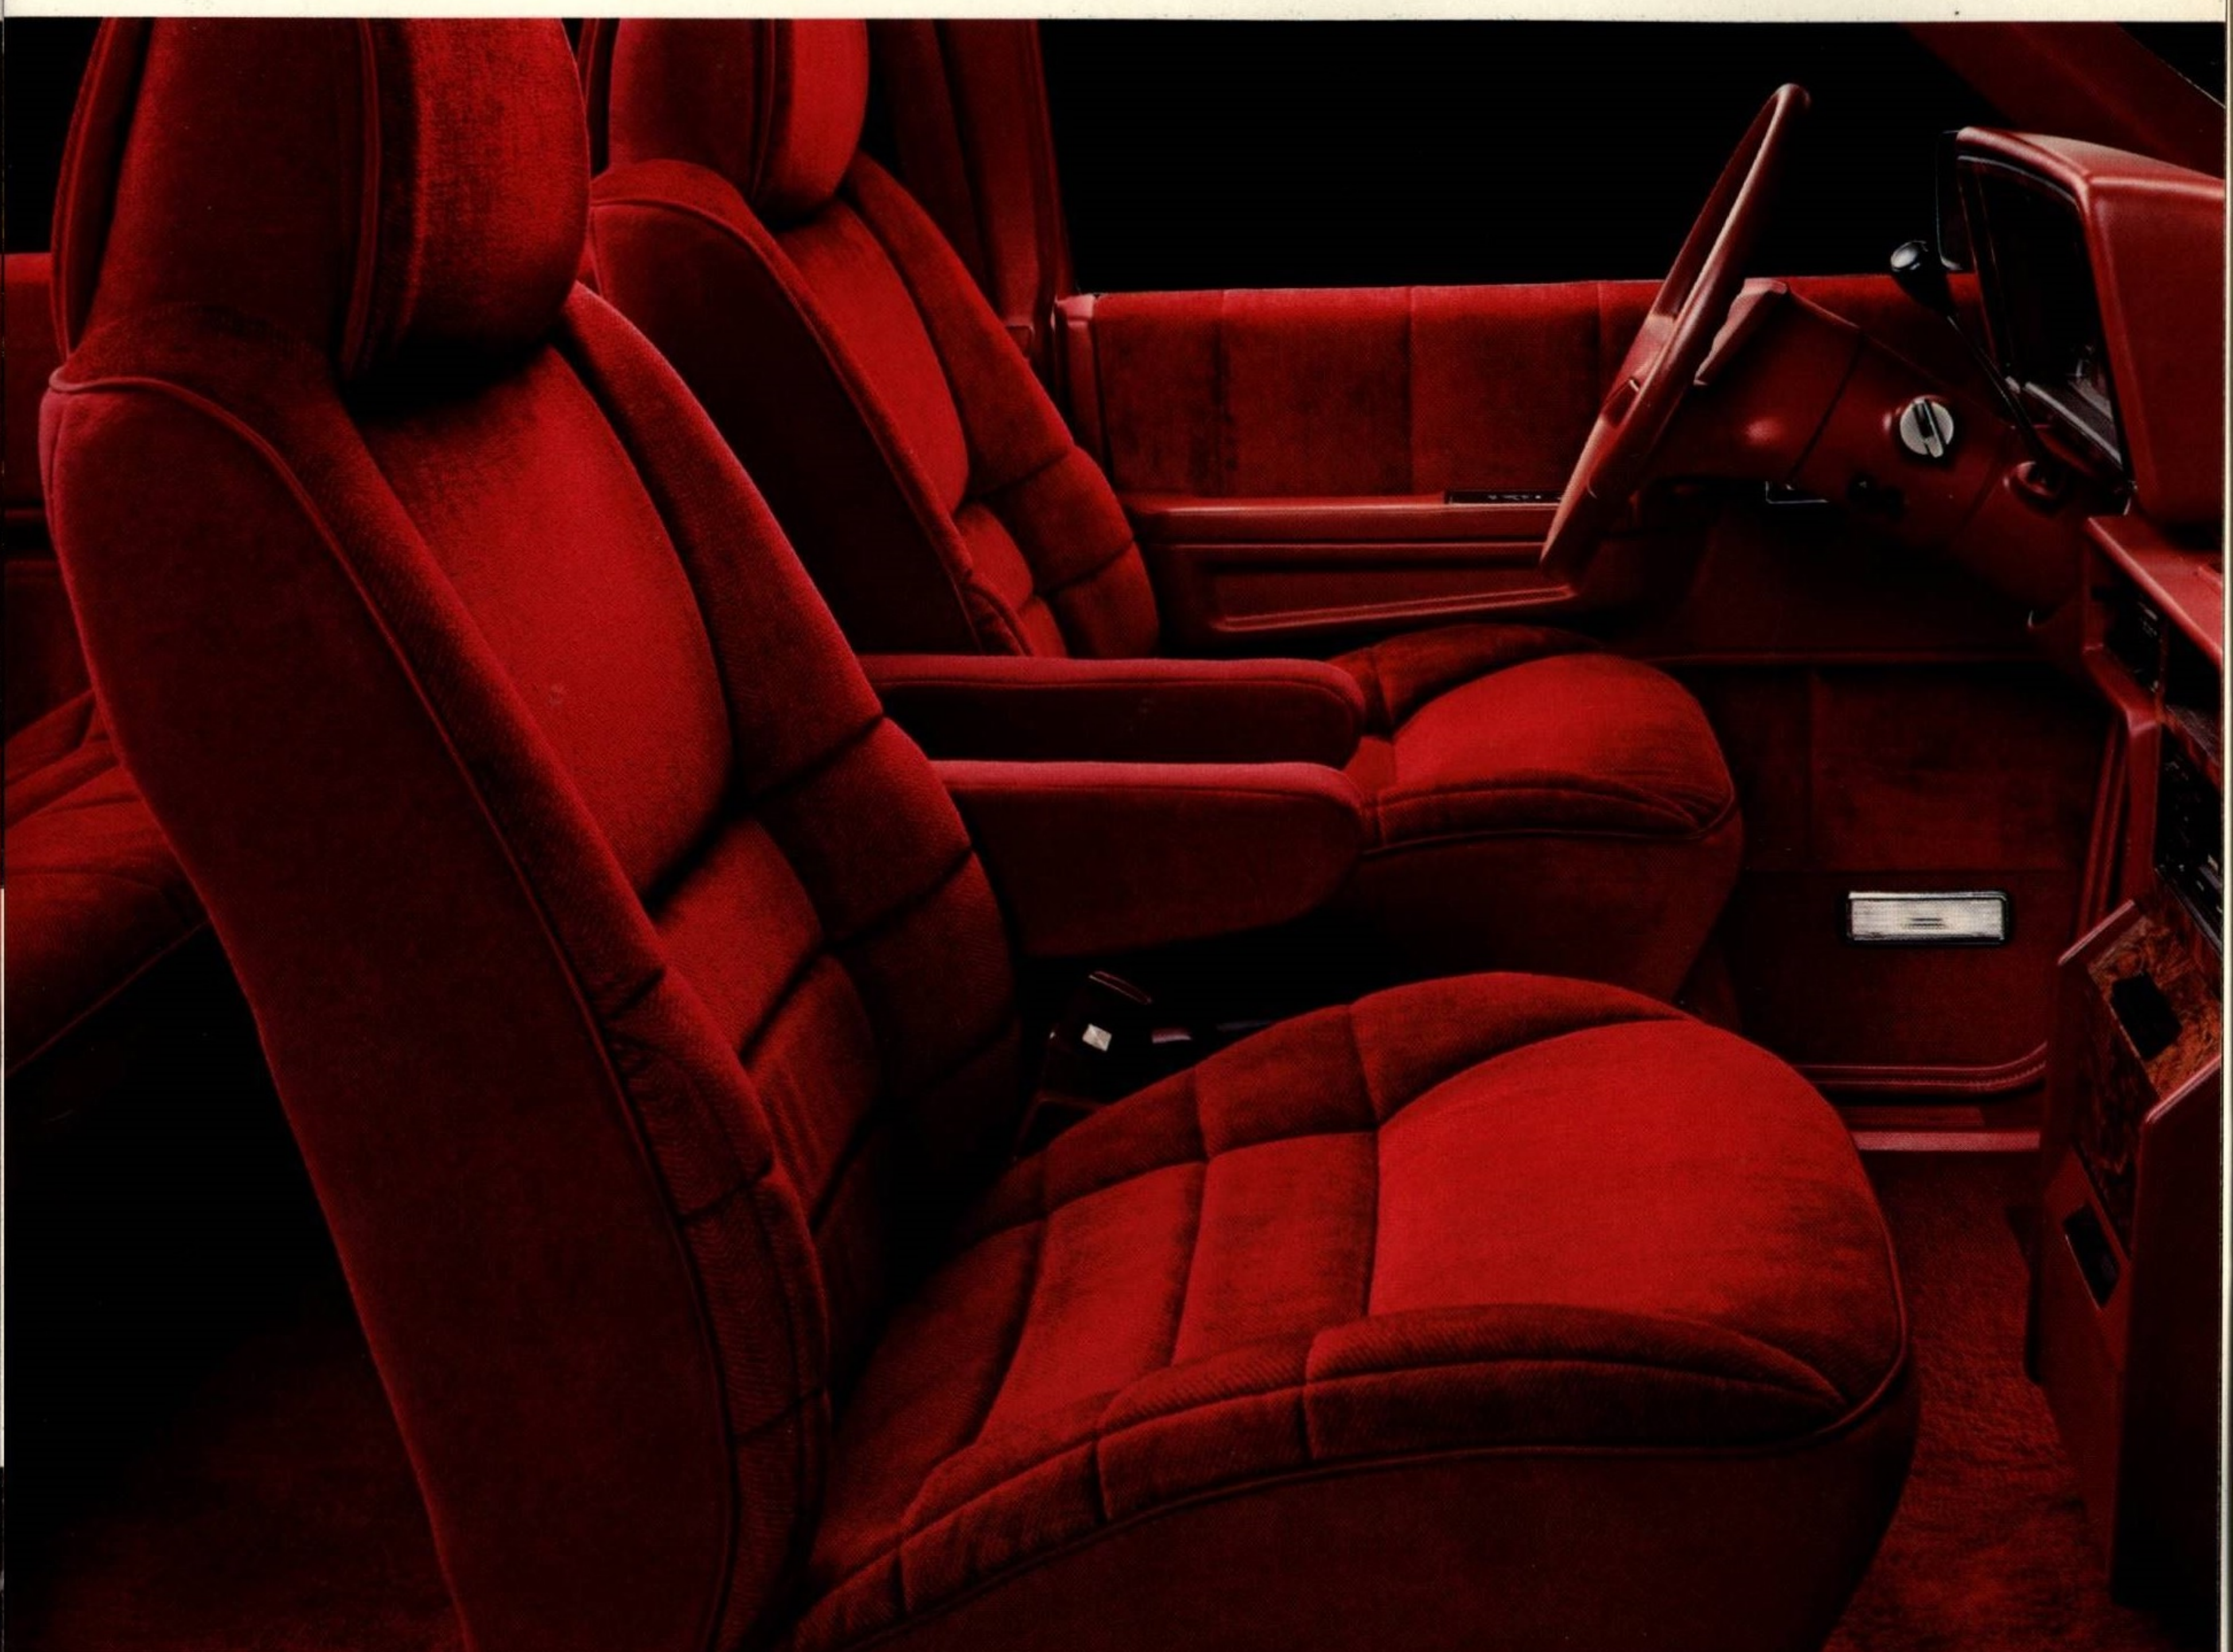

Caravan is the master of keeping things simple. Its interior logically combines convenience and comfort, as well as offering an exceptional view of the world around you.

Thoughtful design is first felt behind the wheel. The instrument cluster is clean, and all the gauges are easy to read. Controls are close at hand and carefully positioned to minimize any distractions.

Neatly concealed under the front passenger bucket seat is a deep storage drawer. For added convenience, all LE models provide a standard center console. The Popular Equipment Discount Package on LE models includes an aircraft-inspired overhead console with map/reading light, outside temperature and compass readouts, and two extra storage compartments.

An uncommon sense of roominess and comfort invites you to make yourself at home. To help set the mood, an available new AM stereo*/FM stereo premium radio and cassette tape player indulges you with a world of sound.

Front-wheel drive leaves the floor low and flat with plenty of room to relax. Caravan's comfortable seats ride higher than those of a car, allowing you a clear view of passing scenery in an atmosphere that's slightly above the rest.

The Grand Caravan LE interior is shown above in Bordeaux.

A stretch of road comfort. Grand Caravan provides you room to spare. Even with seven-passenger seating, it offers 15 extra cubic feet of storage space for golf clubs, groceries, luggage, or an antique chair. An available rear air conditioning/heater unit keeps you comfortable year-round.

Every Caravan model provides a standard rear window wiper/washer, deluxe intermittent windshield wipers, and tinted glass all around to help enhance good visibility. In order to be unequaled, you have to offer more.

*Some AM stereo broadcasting may not be compatible with this radio.

The Grand Tour. Dodge invented a whole new way of travel with Caravan.
Now Dodge indulges the family with more power and room. The result is
performance and comfort as never before. This Grand Caravan LE is shown in
Claret Red Pearl Coat/Black Cherry Pearl Coat.

Here are the Caravantages.

Of Caravan's many unique advantages, the most obvious is room. To provide you with an even greater advantage, Dodge designed the longer and roomier Grand Caravan.

We extended the wheelbase from 112 to 119 inches. For good measure, we stretched the overall length from 175.9 inches to 190.5 inches, increasing the cargo capacity with rear seats removed from 125 to 150 cubic feet. The result is a new dimension in comfort and versatility.

Take a load off your mind. Grand Caravan retains the easy control of standard power-assisted steering and power-assisted brakes found in all Caravans. When you combine the powerful Mitsubishi-built V-6 engine with the Heavy-Duty Towing Package, the Grand Caravan can pull up to 4,000 pounds of boat/trailer, utility trailer, camper, horse trailer, or anything else that catches your fancy.

Accept the unexpected.... And take it in stride. All Caravan models provide a convenient rear liftgate that opens up and out of your way, allowing access for camping equipment, picnic supplies, and countless little necessities. At a moment's notice, the standard quick-release rear bench seats disengage for easy removal. A new standard assist handle

makes closing the liftgate an easy reach. In tight situations, a wide sliding door reveals a simple solution to the ins and outs of travel. One small step and the whole family is safely aboard. And when ordering your Caravan or Grand Caravan, a wide array of seating arrangements lets you tailor the vehicle to your situation and needs.

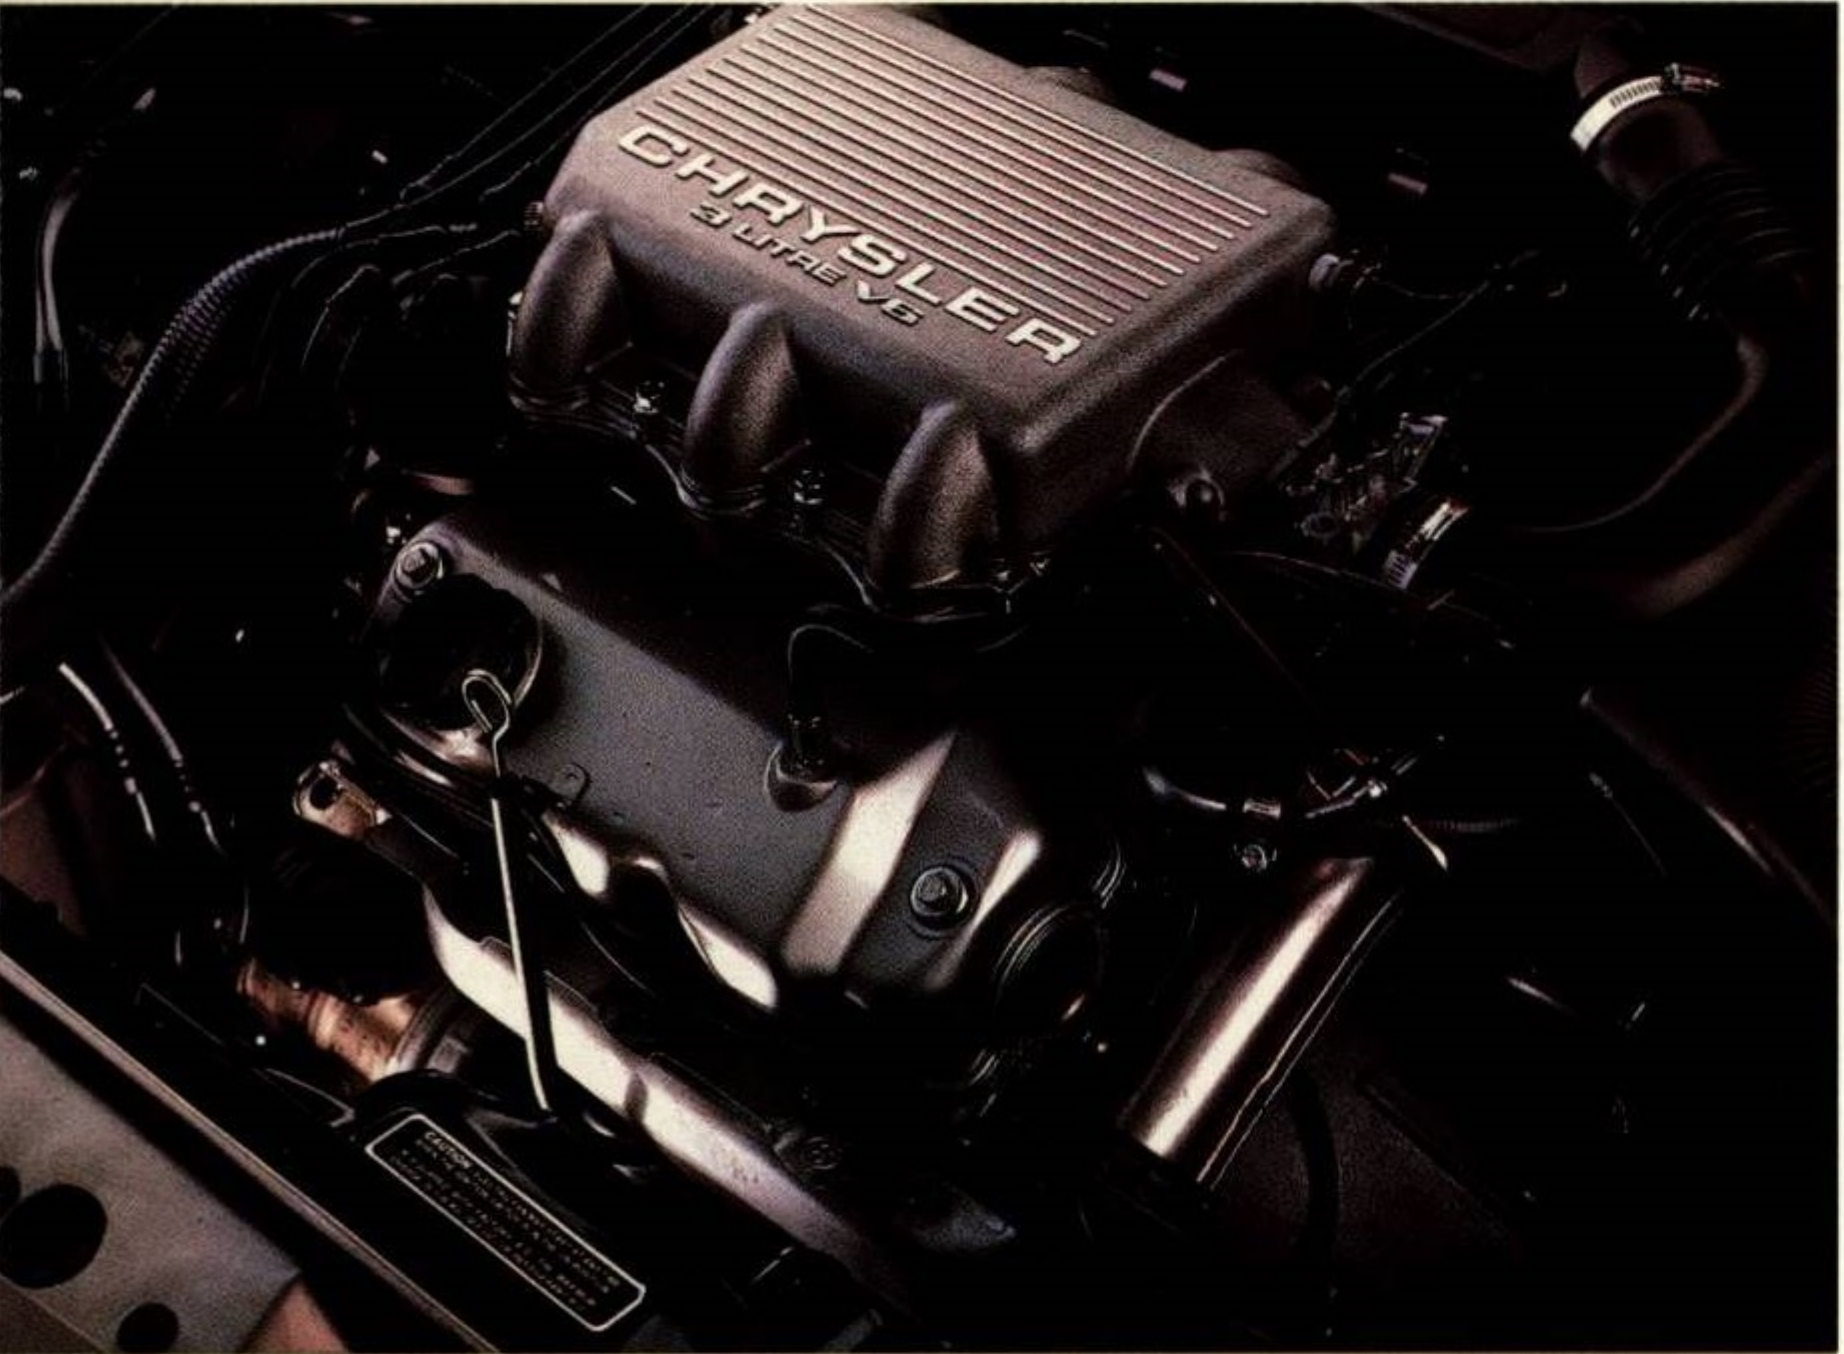

A. Grand Caravan's available eight-passenger seating. B. Grand Caravan's standard seven-passenger seating. C. Grand Caravan SE, with optional eight-passenger seating with the center seat removed and the rear seat moved forward. D. Caravan's standard five-passenger seating. E. Cargo area of 125 cubic feet in Caravan with rear seats removed and 150 cubic feet in Grand Caravan with rear seats removed.

Explore the possibilities. When selecting your Caravan, the freedom of space is yours to choose. Caravan models offer standard five-passenger seating, with optional seven-passenger accommodations on SE and LE models. For those long trips, there's even the convenience of an optional Converta-Bed. Grand Caravan offers standard seven-passenger seating, with the more serious comfort of optional eight-passenger seating available on the SE model.

On the road, Caravan's standard five-speed manual transaxle and 2.5-liter balance-shaft engine move most loads anywhere. But the available three-speed automatic transaxle and the Mitsubishi-built 3.0-liter V-6 are the ultimate combination of brute strength and performance technology. Multipoint fuel injection puts life into an engine of remarkable efficiency. An onboard microprocessor single-module computer constantly monitors engine operation.

You won't even know it's there...until you need it.

Standard on Grand Caravan LE. Optional on Caravan SE, LE and Grand Caravan SE.			
3.0L V-6	136 HP @ 4,800 RPM	168 Torque @ 2,800 RPM	
Standard on Grand Caravan SE.			
2.5L 4-cyl	96 HP @ 4,400 RPM	133 Torque @ 2,800 RPM	
Standard on Caravan, Caravan SE and Caravan LE.			
2.5L 4-cyl	96 HP @ 4,400 RPM	133 Torque @ 2,800 RPM	

Caravan opens up many options.

Tilt steering column. Allows the driver easy entry and exit, and adjusts to six different positions to provide for individual driving comfort and safety while at the wheel.

AM stereo*/FM stereo Infinity I Sound System.

This powerful new system provides the most discerning listener something to smile about. Its speakers use an advanced acoustic design to deliver each note with crisp clarity and stunning vibrancy. The careful positioning of each speaker ensures the fullest possible sound throughout the interior environment. Features include: electronic tuning with memory scan, up-and-down seek-and-scan, Dynamic Noise Reduction,† electronic cassette tape player with automatic reverse, true fast-forward and rewind, automatic metal tape sensor, tape program music search, Dolby B Noise Reduction,‡ joystick balance/fader speaker control, four speakers, and integral digital clock.

Air conditioning. Five adjustable air outlets, bi-level ventilation, and four-speed blower make you comfortably cool. (Standard on LE models.) Air conditioning/heater for rear compartment available on Grand Caravan only.

Overhead console. Caravan LE's optional overhead console offers front and rear map/reading lights, separate storage areas for garage door opener and sunglasses, plus readouts for outside temperature and compass heading. (Available as part of Popular Equipment and Luxury Equipment Discount Package on LE models only.)

Front storage drawer. This standard locking storage drawer, conveniently located under the front passenger bucket seat, is the perfect hideaway for personal items.

Power windows/door locks. Switches are thoughtfully positioned on the driver's door and front passenger armrest for fingertip access and all-around security and safety.

Electrically heated rear window defroster. Keeps your rear window clear of snow, ice and fog. Allows a good view of what's behind you regardless of weather conditions.

Luggage roof rack. Stay "on top" of your travel plans with accommodations for extra cargo. Adjustable crossrails fit your specific needs. (Standard on LE models.)

Road wheels and wheel covers with class. Roll in the style you like best with your choice of road wheels and wheel covers shown at left.

- A. You can choose fourteen-inch sport wheel covers available on SE and LE models at no extra cost.
- B. Fourteen-inch cast aluminum road wheels, available on Caravan SE and LE as part of the Sport Wheel Package only, will please your taste. (Late availability.)
- C. Or you can choose special cast aluminum sport road wheels that come with the ES Decor Package only.
- D. Finally, fourteen-inch wire wheel covers with locks can add a distinctive touch. Available on LE models only.

Optional Packages

Certain models, packages, and options are subject to specific restrictions, requirements, or late availability. See your dealer for the latest ordering information.

Value Wagon Package (Available on Caravan and SE only)

Includes • Five-speed manual overdrive transaxle (standard on all Caravans) or Automatic transaxle at no extra charge • Dual horns (standard on Caravan SE) • Light Package • Air Conditioning⁵ • Deluxe Sound Insulation • AM stereo¹/FM stereo radio (standard on Caravan SE) • Electric rear window defroster

ES Decor Package for Short-Wheelbase Caravan LE Models

• Aluminum road wheels (set of four) • Black liftgate handle, lock and Pentastar • Bodyside and liftgate tape stripe • Dual exhaust tips • P195/75R15 radial black sidewall tires • Seven-passenger seating • Red "Dodge" and "Caravan" nameplates on liftgate • Warm Silver bodyside and sill applique moldings • Warm Silver painted fascia (luggage rack and woodgrain exterior are deleted with this package)

Popular Equipment Discount Package (Caravan only)

• AM stereo¹/FM stereo radio with integral clock • 625-amp maintenance-free battery • Deluxe sound insulation • Dual-note horns • Engine temperature gauge with warning light • Lights for door ajar, headlight switch time delay callout,

ignition switch time delay, liftgate dual flood, low fuel and washer fluid warning, map/reading (front), storage drawer, underhood • Low voltage warning light • Luggage roof rack • Oil pressure gauge with warning light • Power liftgate release • Tachometer • Trip odometer with pushbutton reset

¹Some AM stereo broadcasting may not be compatible with this radio.

Popular Equipment Discount Package (Caravan/Grand Caravan SE and LE)

• 625-amp maintenance-free battery • Carpeted accessory floor mats, front and rear • Deluxe sound insulation (standard on LE) • Engine oil pressure gauge with warning light • Engine temperature gauge with warning light • Electronic speed control • Forward storage console (standard on LE) • Illuminated visor vanity mirror, left and right sides • Lights (standard on LE) for ash receiver, door ajar, headlight switch time delay callout, ignition switch time delay, liftgate dual flood, low fuel and washer fluid warning, map/reading (front), storage drawer, underhood • Low voltage warning light • Luggage roof rack (standard on LE) • Luxury steering wheel (standard on LE) • Overhead console (LE models only) • Remote control rear quarter vent windows • Tachometer • Tilt steering column • Trip odometer with pushbutton reset

Luxury Equipment Discount Package (Caravan/Grand Caravan SE and LE)

• Items in Popular Equipment Package • Power door locks • Power dual remote control outside mirrors (SE only) • Power driver's bucket seat (LE only) • Power windows: front doors

Seven-Passenger Seating Package (Caravan SE and Caravan LE; standard on Grand Caravan models)

Includes second rear seat—two-passenger bench with fixed back, folding side armrests and quick-release attachments; third seat—three-passenger bench with folding back, side armrests, adjustable feature (slides front-to-rear on tracks), and quick-release attachments. • Ash receiver in right C-pillar, below belt • Dual rear storage bins with armrest covers incorporated into wheel wells • Heavy-duty rear brakes • Heavy-duty suspension on Caravan models

Heavy-Duty Trailer Towing Preparation Package

• 120-amp alternator • Heavy-duty 15-inch front brakes • Heavy-duty rear brakes; Heavy-duty front and rear suspension • Heavy-duty radiator and fan • Heavy-duty transaxle oil cooler • Heavy-duty variable load turn signal flasher • P195/75R15 radial black sidewall tires (set of five) • Special trailer tow wiring harness • Styled steel road wheels—15-inch by 6-inch (set of four)

Eight-Passenger Seating Package (Grand Caravan SE; conventional spare tire required at extra cost)

Includes three-passenger front 60/40 bench seat in cloth with vinyl trim; second seat—two-passenger bench with fixed back, side armrests and quick-release attachments; third seat—three-passenger bench with folding back, side armrests, adjustable feature (slides front-to-rear on tracks), and quick-release attachments. • Ash receiver in right C-pillar, below belt • Dual rear storage bins with armrest covers incorporated into wheel wells • Fifteen-inch tires and wheels (set of four) • Heavy-duty brakes

Sport Wheel Package (Caravan/Grand Caravan SE and LE; late availability)

• Fourteen-inch cast aluminum wheels (four) • P205/70R14 steel-belted radial black sidewall tires (four)

Engine Comparison

• 3.0-liter Mitsubishi-built V-6—136 hp @ 4,800 rpm, 168 torque @ 2,800 rpm • 2.5-liter four-cylinder 96 hp @ 4,400 rpm, 133 torque @ 2,800 rpm

Interior Trim

Caravan Base Model. Standard deluxe all-vinyl trim low-back front bucket seats; or choose optional cloth with vinyl trim low-back front bucket seats. Available in Bordeaux, Almond, Silver/Charcoal. A three-passenger rear bench seat in matching trim is included.

Caravan/Grand Caravan SE. Standard deluxe cloth with vinyl trim high-back front bucket seats with integral head restraints, armrests, and driver and passenger recliners; or choose the optional luxury all-vinyl high-back front bucket seats. Available in Bordeaux, Almond*, Blue, Silver/Charcoal. A three-passenger rear bench seat in matching trim is included. Seven-passenger seating is standard on Grand Caravan SE.

*Almond is not available in optional all-vinyl trim.

Caravan/Grand Caravan LE. Standard luxury cloth trim high-back front bucket seats with integral head restraints, armrests, seatback storage pocket, and driver and passenger recliners. Available in Bordeaux, Almond, Blue, Silver/Charcoal. A three-passenger rear bench seat in matching trim is included. Seven-passenger seating is standard on Grand Caravan LE.

Standard Safety Features

• Anti-theft liftgate lock • Backup lights • Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) • Combination lap-shoulder belts for the driver and outboard front passenger; lap belts for all other passengers • Dual braking system with separate brake fluid reservoirs in the master cylinder • Electric windshield washers and wipers • Electronic ignition • Energy-absorbing front

seatbacks • Energy-absorbing steering column • Energy-absorbing sun visors • Fade-resistant vented front disc brakes • Glare reduction measures for instrument panel, steering wheel and windshield wipers • Hazard warning flasher system • Headlight and wiper circuit breakers with automatic reset • Ignition and steering column lock • Inside and outside rearview mirrors • Interlocking door latches • Key in ignition warning • Non-override door locks (except driver's door) • Recessed inside door release handles • Reinforced windshield header and roof • Resilient window crank knobs • Safety-Rim wheels • Seat belt reminder system • Side marker lights and reflectors • Turn signals with lane-change feature

[†]Available on Caravan and Grand Caravan SE and LE models only. No-cost option on LE as replacement for standard woodgrain applique treatment.

NOTE: Due to printing limitations, the colors shown will vary slightly from actual hues. See your Dodge dealer for accurate color chips.

Consider Leasing

Many of today's new car prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge Caravan usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

MOPAR parts are engineered by Chrysler Motors for use in your new Dodge Caravan. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

Litho in U.S.A.

"There is a new spirit at Dodge. A spirit to create the very best total performance automobiles built in America. This new enthusiasm is visibly apparent in the excitement and dedication shared by all who are associated with the name Dodge. Building on the remarkable achievements of the past, Dodge is constantly redefining automotive concepts with daring and exciting new approaches in transportation.

This spirit is also reflected in the complete confidence we have in the products we sell. Our unprecedented 7/70 Protection Plan is testimony that our ultimate goal is to satisfy you with our products, our attitudes, and our service.*

If you are a person who enjoys the driving experience, there is a whole new spirit of excitement awaiting you behind the wheel of a 1988 Dodge automobile."

Lee A. Iacocca

***7/70 Power Train Limited Warranty**

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles, whichever comes first. A deductible applies. See your dealer for a copy of the warranty. Government, law enforcement, limousine, taxi, and export vehicles excluded.

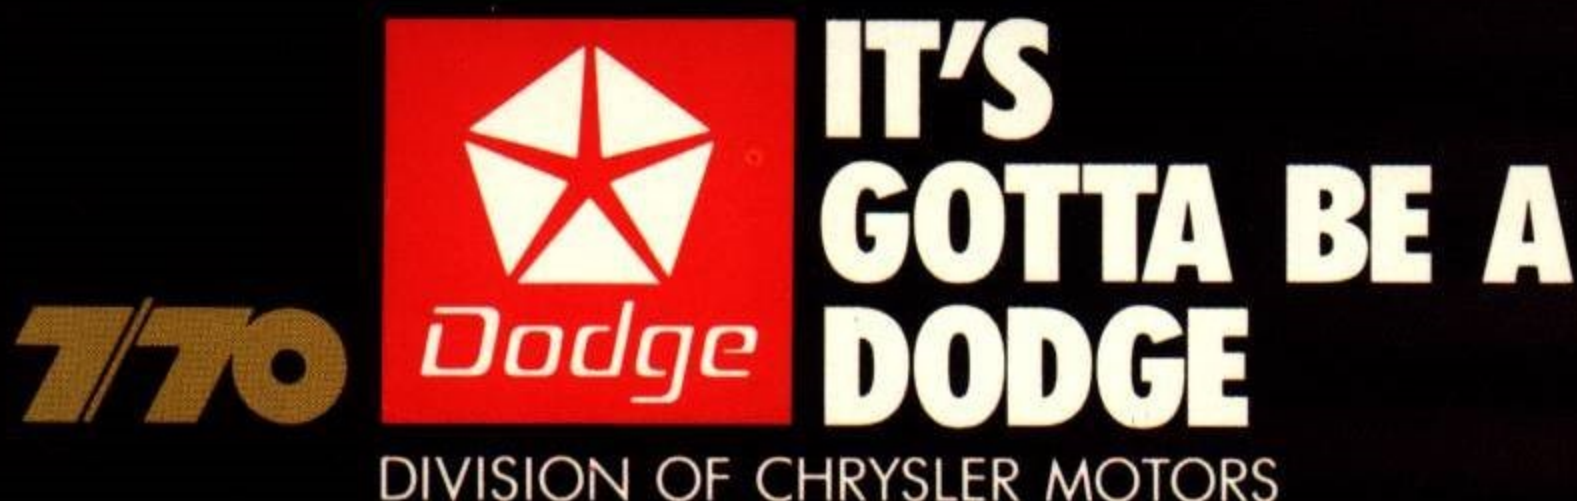

7/100 Anti-Corrosion Limited Warranty

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles, whichever comes first. See your dealer for a copy of the warranty.

Optional Service Contract

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

Buckle up for safety.
