

# THE ACCORD COUPE

**H O N D A**

## FLY THE COUPE

Honda's double barrelled combination of pulse quickening performance and head turning aerodynamic styling.

If looks alone aren't enough to sell you on the new Accord Coupe, the 2 litre single overhead cam 12 valve engine with programmed fuel injection should be more than enough to clinch the sale.

Buy why stop there? There's 4-wheel double wishbone suspension. A 5 speed manual transmission or 4-speed automatic with lock-up torque converter. Rack and pinion steering with variable power assist. And power

assisted ventilated front disc brakes.

And we haven't even covered the inside story. Inside the Accord Coupe you'll find plenty of classy niceties to sing about. AM/FM stereo with quad speakers, electronic tuning and auto reverse dolby cassette. Power windows. Cruise control. Adjustable steering column. Fold-down rear seat back. Plus all the plushness of Accord's traditionally luxurious interior.

There. We've probably sung the Accord's praises enough. The next step is yours. Catch the live performance at your Honda Dealer soon.

### THE HONDA NO SMALL PRINT WARRANTY

The Honda No Small Print Warranty takes the incredible value of any Honda you invest in. And increases it.

For 5 long years, or 80,000 km, (whichever comes first) the major component warranty covers a veritable catalogue of parts that many other manufacturers simply wouldn't consider. Everything from engine blocks to door-locks.

There's no deductible for each repair covered by warranty. It's completely transferable with minimal charge.

You're covered for surface corrosion for 2 years, perforation for 5 years. Emission control devices are covered for 5 years, or 80,000 km (whichever comes first). The Honda No Small Print Warranty. It lets you stay proud of your Honda for a long, long time.

ACCORD EX COUPE
