

TAURUS
WINDSTAR
CROWN VICTORIA

2001

*Designing, building and servicing
cars and trucks that meet our
customers' needs is only part of the
Ford equation. Making those vehicles
and the facilities they are designed
and built in as environmentally
responsible as possible is a corporate
objective that we take very seriously.*

As our environmental pledge says;

*"Our actions will demonstrate that
we care about preserving the
environment for future generations."*

Six Technologies Designed For Enhanced Protection

Our standard Personal Safety System includes (clockwise from upper left) dual-stage front airbags, crash severity sensor, safety belt usage sensors, driver seat position sensor, safety belt energy management retractors and safety belt pretensioners.

If we only designed cars for drivers, our job might be a little easier. When developing a new model, we think very carefully about how that car will affect the people who ride in it. A newborn on her way home from the hospital. The elderly neighbor who needs a lift to the grocery store. Or a friend just going along for the ride. We incorporate truly innovative safety features to make sure you're as confident driving with others as you are driving by yourself. Because of this commitment, Taurus, Windstar, and Crown Victoria all share some very important features. For example, in 2000 they achieved a Five-Star Government Front Crash Test Rating for the driver and front passenger—the highest rating bestowed by the federal government. And Ford's own Personal Safety System tailors safety to drivers and front passengers with innovations like dual-stage front airbags. Special sensors can determine just how much energy should be used to deploy the airbags, depending on the severity of the accident. Now, more than ever, you can really take pleasure in driving. Remember, always wear your safety belt and secure children in the rear seat.

What was a
smart decision
is also a
safe one.

*Taurus SES shown in Harvest Gold Clearcoat
Metallic with the optional 3.0L 24-valve
200 horsepower Duratec V6 engine.*

*An extraordinary car
inspires going
to out of the ordinary places.*

*Taurus SEL shown in
Toreador Red Clearcoat Metallic.*

For those who crave
more flexibility.

EXTERIOR / PERFORMANCE

*Standard on Taurus SEL is our high-output 3.0-liter 24-valve Duratec V6. Awaiting your command are its 200 powerful horses. It's also designed to take you five times around the earth before the first scheduled tune-up.***

All-speed traction control kicks in and helps your car “think fast”—helping you maintain control when things get tricky on the roadway. And helping you to stay calm throughout.

Keep your windows rolled up. Your arms inside. Optional heated side mirrors help keep your views free and clear—even when rain, snow and frost are doing their best to mess them up.

It's pouring cats and dogs. You make the mad dash for the car. Thanks to your remote keyless entry you can get into your Taurus quickly - providing security and convenience. Standard on all but LX models.

SAFETY / SECURITY

Windstar's Personal Safety System features a sophisticated sensor system that is designed to provide the appropriate level of inflation from the dual-stage driver and passenger front airbags.

Honestly, when was the last time you checked the air in your tires? Now standard is the ABS Tire Warning System, which alerts you when tire pressure is low.

When the road gets a little messy, optional all-speed Traction Control helps maintain traction and steerability on slippery surfaces.

Available new Power Heated Signal Mirrors contain a lighted arrow that alerts traffic behind to your lane change. They also flash when the sliding door is open to alert drivers behind that someone is entering or leaving the vehicle.

The security and convenience of the optional Reverse Sensing System alerts you to certain objects near the rear of the vehicle with a series of beeps and helps you gauge your distance.

Our standard Personal Safety System includes dual-stage front airbags*, crash severity sensor, safety belt usage sensors, driver seat position sensor, front safety belt energy management retractors and safety belt pretensioners.

WINDSTAR LX

WINDSTAR SE SPORT

WINDSTAR SE

WINDSTAR SEL

WINDSTAR LIMITED

MAJOR STANDARD FEATURES

Windstar LX 3-door comes standard with a 3.8L SPI V6 engine, air conditioning, automatic transmission, passenger side sliding door, floor mats and power windows/mirrors and door locks.

Windstar LX 4-door contains everything the 3-door has plus the convenience of a driver side sliding door, remote keyless entry and the Enhanced Seating Group.

Windstar SE Sport adds Comfort Group, leather-wrapped steering wheel, bucket console second row seats and keyless entry keypad. Plus, SE Sport exclusives, special 16" machined aluminum wheels, driving lamps, painted bumpers, bodyside moldings and black rocker moldings.

Windstar SE includes even more features with power driver seat and adjustable pedals, quad bucket seats, Dual Media stereo with rear audio controls, heated side signal mirrors and 16" painted aluminum wheels.

Windstar SEL adds to SE with dual power sliding rear doors, two-tone paint, Electronics Package, leather-trimmed seating and Homelink®.

Windstar Limited tops all that off with exclusive interior/exterior accents and wheels, Family Security II package, Personal Profile System, heated front seat, wood-trimmed leather-wrapped steering wheel, Nudo leather-trimmed seats, floor console, 6-disc CD changer, Class II trailer-tow package and TravelNote®.

It feels *especially*
safe and *roomy*
when it's full.

Windstar SE Sport shown with optional
Medium Graphite leather-trimmed quad bucket seats.

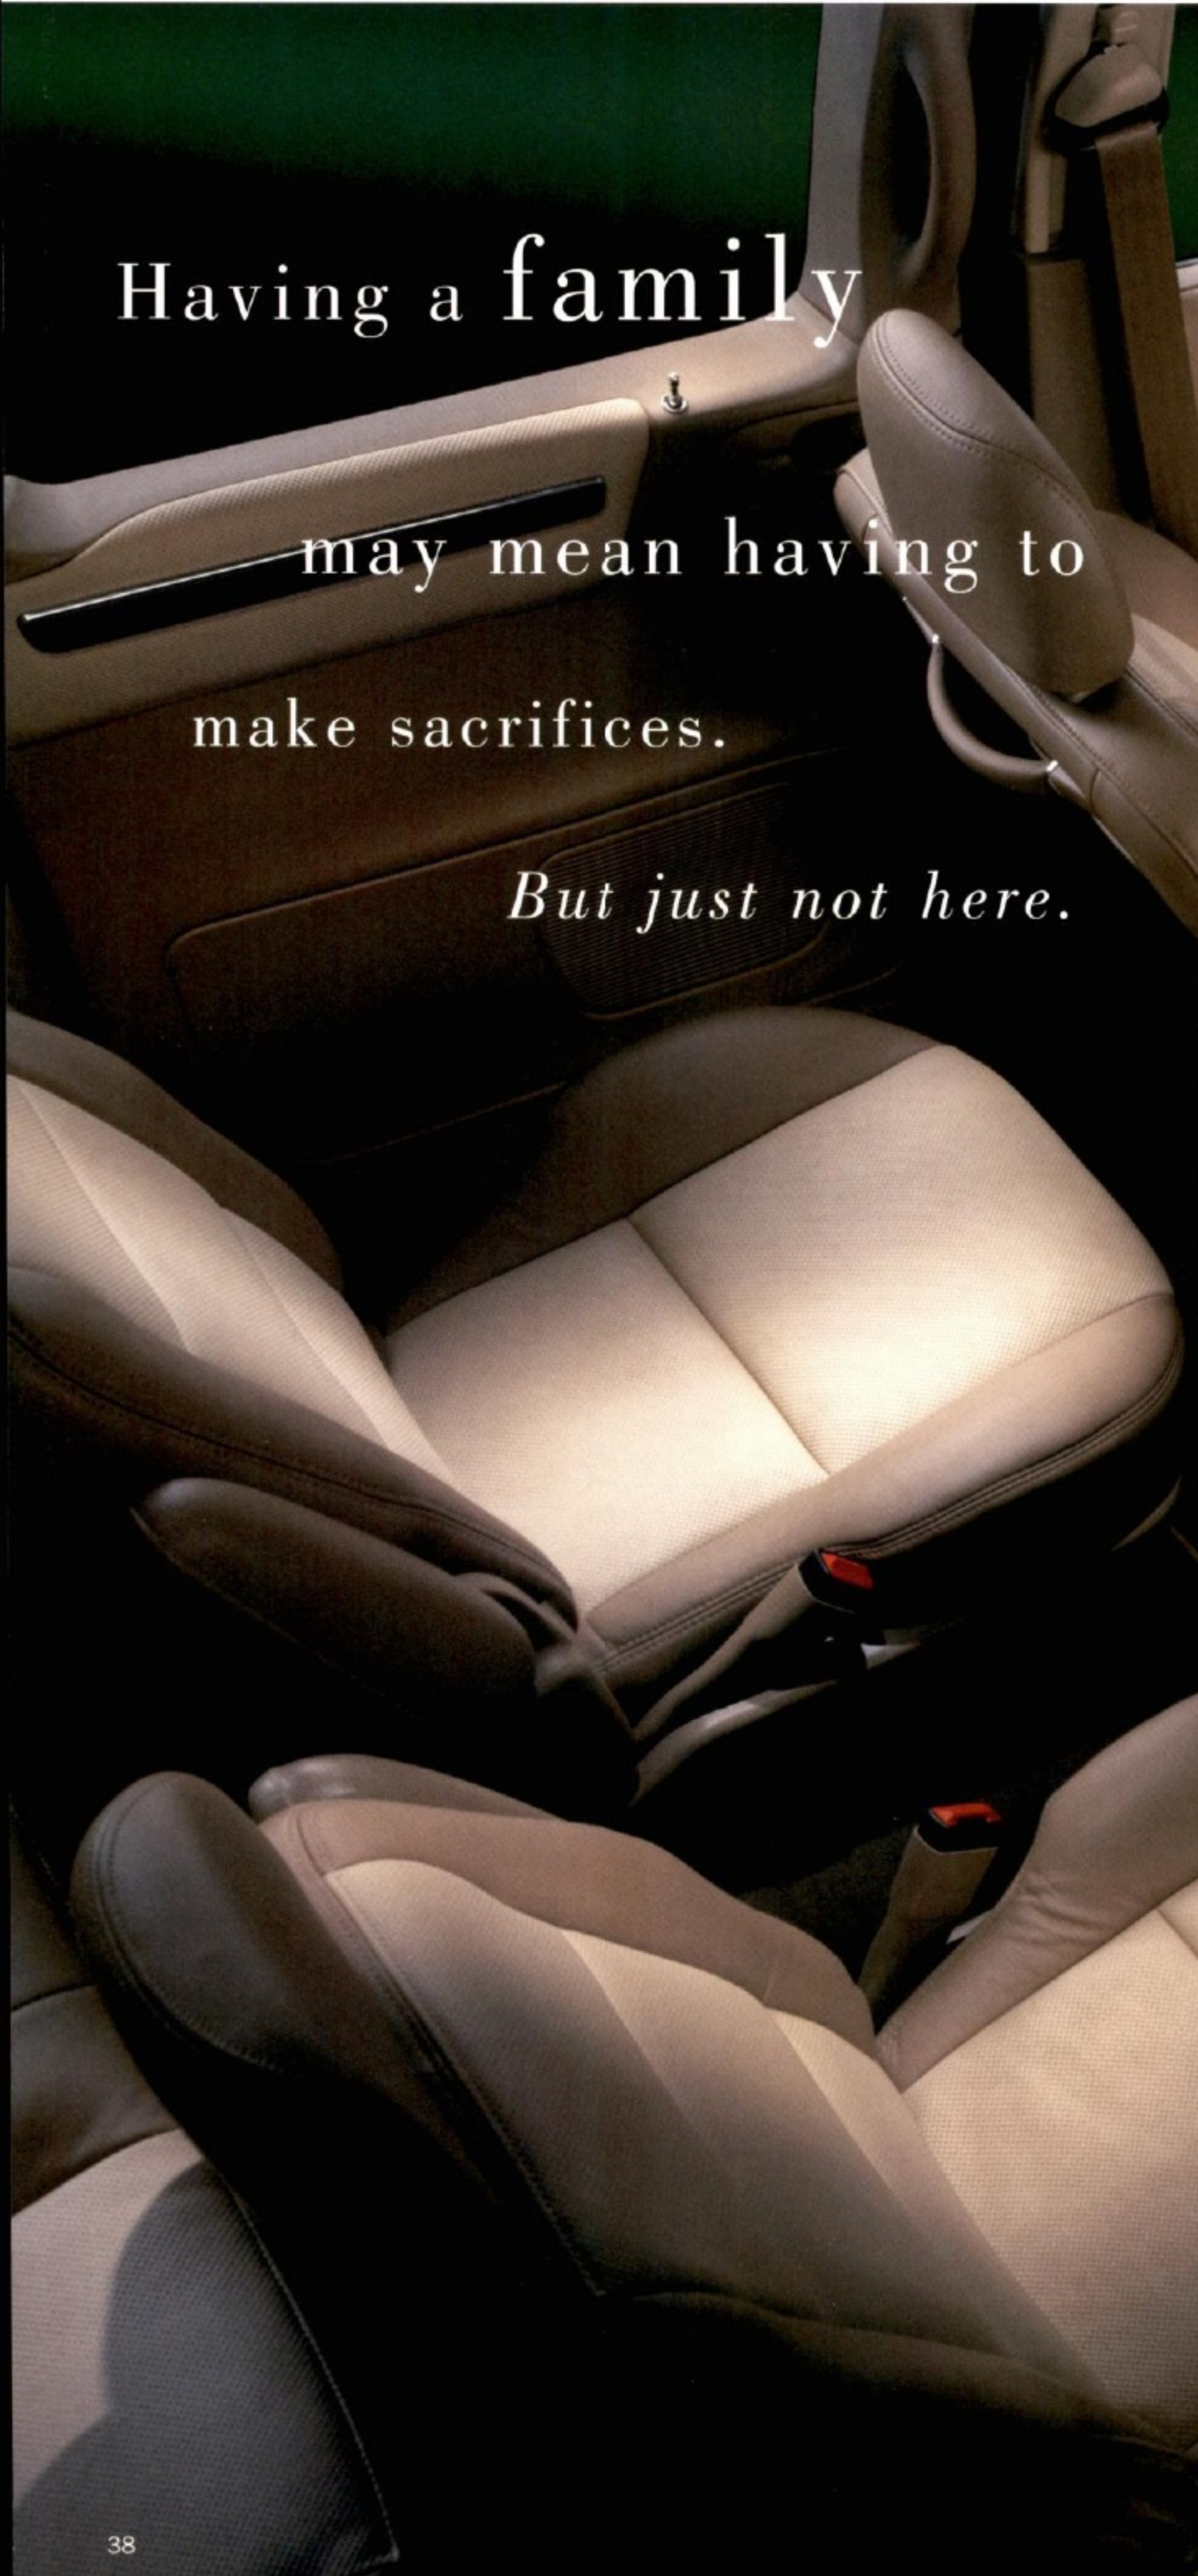

Especially *quiet* when it's not.

Windstar SE Sport shown with second-row bucket console seats and optional Medium Graphite leather-trim.

Windstar SE Sport,
for its *athletic* feats alone,
it deserves to have
a long-term contract.

Windstar SE Sport shown in
Bright Red Clearcoat.

Having a family
may mean having to
make sacrifices.

But just not here.

*Windstar Limited shown with standard
wood-trimmed leather-wrapped steering wheel and
Medium Parchment leather-trimmed seats.*

EXTERIOR / PERFORMANCE

The 4.6-liter single-overhead cam V8 engine keeps plenty of horsepower in reserve for the times when passing with confidence is a must.

The available electronic traction control system, working with the optional anti-lock brakes, detects slippage and automatically improves traction at any speed.

A little "beep" reassures you that you've locked the car, when you use the remote keyless entry, standard on LX. No more freezing trips out to the garage in your robe and slippers to make sure.

CROWN VICTORIA

CROWN VICTORIA

CROWN VICTORIA LX

MAJOR STANDARD FEATURES

Crown Victoria comes standard with a great many features including air conditioning, electronic AM/FM stereo with cassette, power windows/door locks/mirrors, rear window defroster and speed control.

Crown Victoria LX includes power driver's seat, remote keyless entry, visors with illuminated mirrors, driver's seat power lumbar and cross-spoke chrome locking wheel covers.

Deluxe wheel covers are standard. And they reflect very high standards, indeed.

12-spoke aluminum wheels are included in the optional LX Comfort Group. After all, luxury touches shouldn't be confined.

Cross-spoke chrome locking wheel covers are standard on LX models. They'll add elegance to whatever place they're parked.

16" lacy-spoke aluminum wheels help bring out the best in Crown Victoria. They're included in the optional LX Comfort Plus and Handling and Performance groups.

A two-page spread showing the interior of a Crown Victoria LX. The left page features a close-up of the front passenger seat, highlighting the leather upholstery and stitching. The right page shows the driver's side, including the steering wheel with the Ford logo, the dashboard, and the front driver's seat. Both pages show the leather-trimmed seats and seatbelts.

In terms of *space*
and *style*, you'll find the
interior to be
more than ample.

UNDERSTATED ELEGANCE

Its hallmark is its generosity.

Without the flash of glitz. Six

adults can sit in luxurious

comfort while quietly fine

tuning the art of conversation.

That's Crown Victoria.

1. The personal golf caddy helps keep golf bags from rattling around in the trunk.
2. More storage? You bet. This back-of-seat, multi-pocket organizer keeps things neat.
3. Trunk organizer has a place for everything.
4. Out of sight. Out of mind. Our cargo cover keeps things hidden.

See your dealer for availability.

Nick Jr.'s "Blue's Clues" has teamed up with Ford to help kids and parents "clue in" to safety. In the past three years, Blue and her friends have become household names to preschoolers across America. Now they're helping us make child safety seats, booster seats and safety belts just as popular with your kids. So clue into safety...clue into Blue!

Ford Credit's Red Carpet Lease

Many lease managers have completed many hours of training in a Red Carpet Lease program designed to make us the best in the business. We think you'll find a Red Carpet Lease is the best way to lease.

Under the New Vehicle Limited Warranty, you'll receive bumper-to-bumper no-deductible coverage on your new Ford vehicle for 3-years/36,000-miles. You'll also receive unlimited-mileage, no-deductible corrosion perforation coverage for five years. Ask your Ford Dealer for a copy of this warranty.

During its 3-year/36,000-mile limited warranty period, every new Ford vehicle includes the assurance and support of a 24-hour emergency Roadside Assistance program. Roadside Assistance includes such services as fuel delivery, tire changes, jump starts, and help when you are locked out of your vehicle. Ask your Ford Dealer for complete details about this program.

Complete information on our vehicle lineup is available on our web site. To get more information before you visit your Ford Dealer, please visit us at www.fordvehicles.com.

Likewise, to get details on various financing options available on your new Ford vehicle, please visit our web site at www.fordcredit.com. Doing so can give you a head start before talking to your Ford Dealer about financing your new Ford vehicle.
