Mercury Mountaineer. Is it possible to express both pleasure and purpose? To be responsibly indulgent? To be forward thinking, but live in the moment?

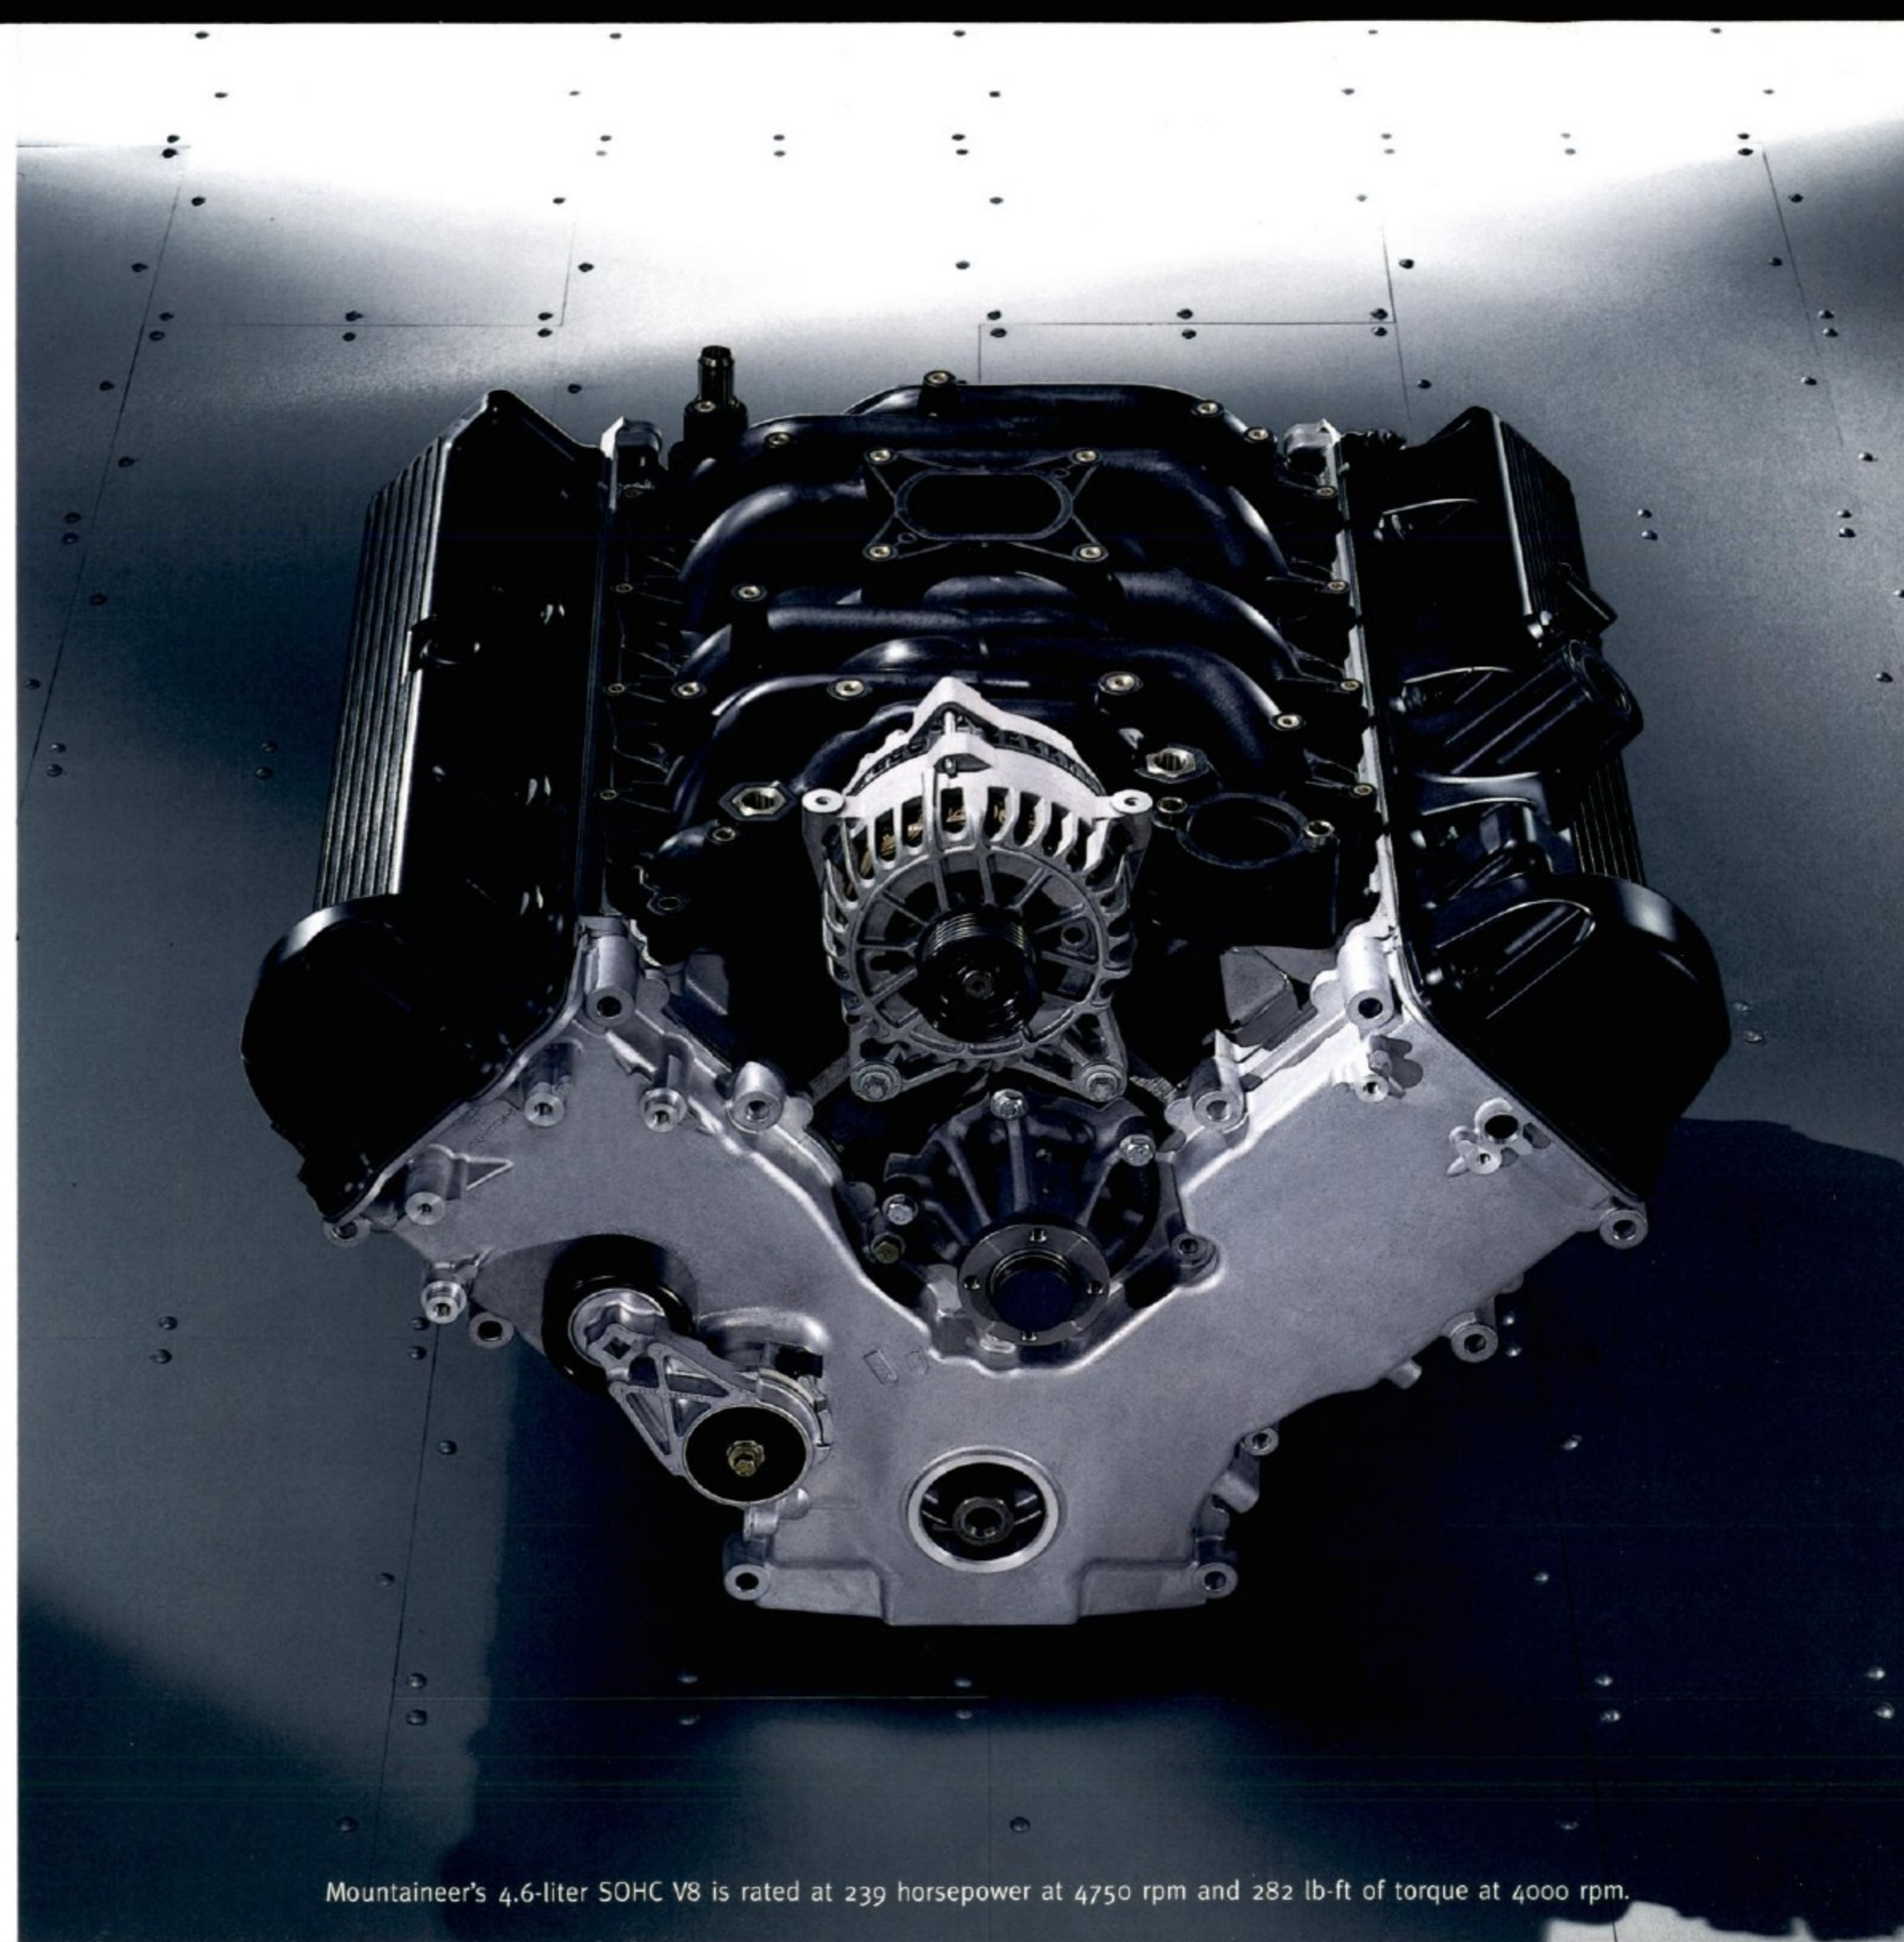

Mercury Mountaineer All-Wheel Drive in Mineral Grey Clearcoat Metallic with Light Mineral Grey Clearcoat Metallic cladding. Shown with available equipment.

Mercury Mountaineer All-Wheel Drive in Black Clearcoat with Light Mineral Grey Clearcoat Metallic cladding. Shown with available equipment.

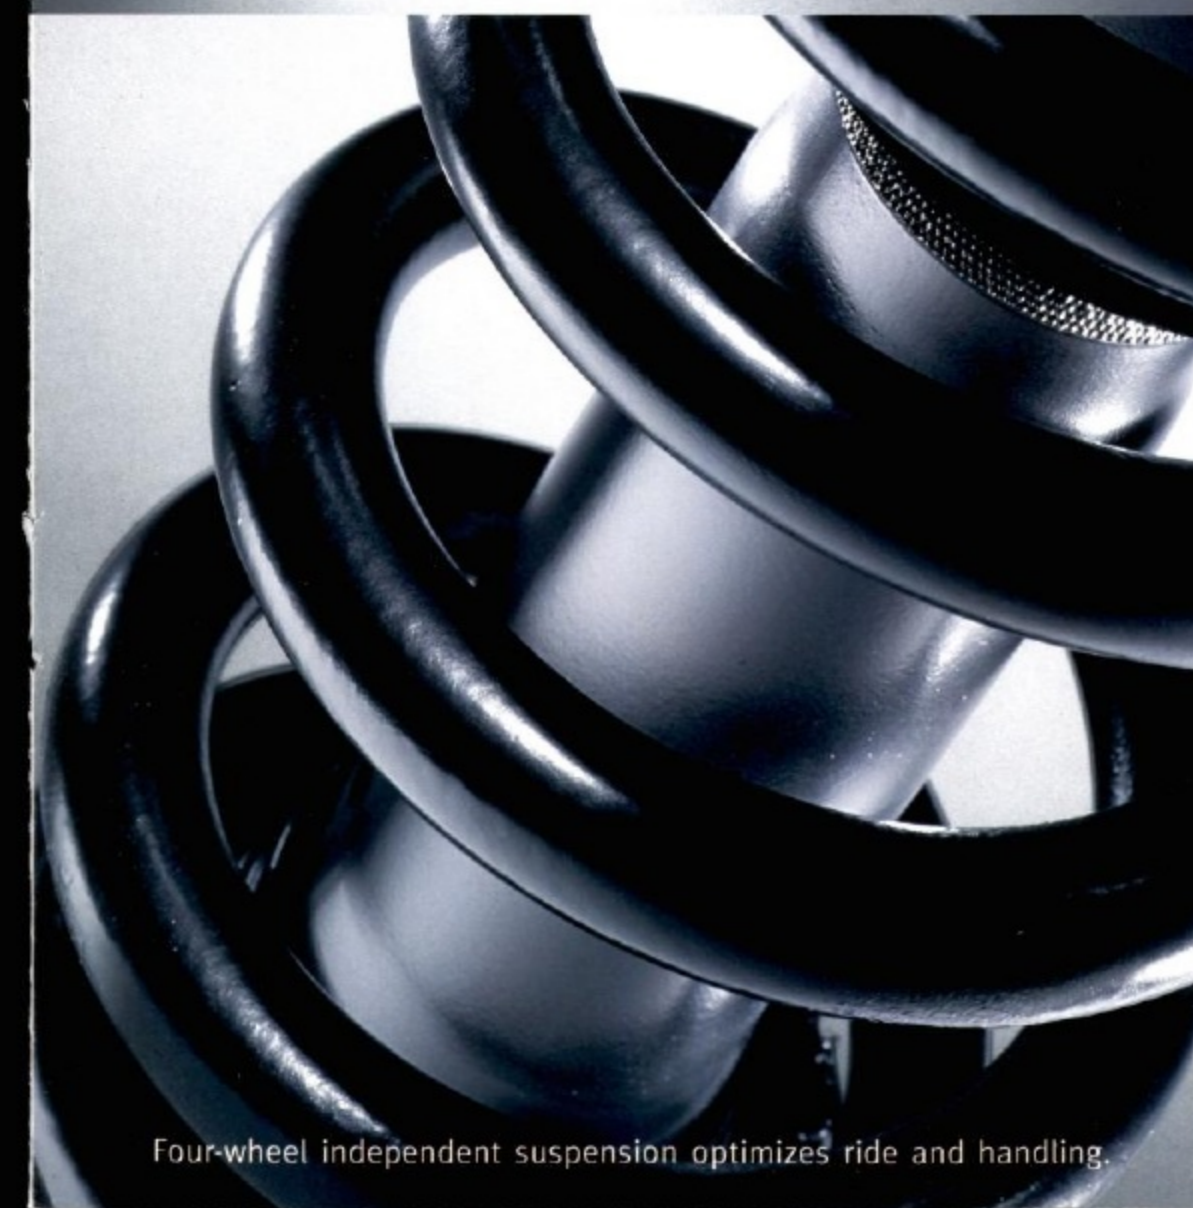

Innovation lives here. You will feel its purposeful presence in Mountaineer's every move. The available All-Wheel Drive (AWD) system, for example, adapts automatically to changes in traction at each wheel, redistributing power to help optimize performance on less-than-ideal road surfaces. And the full-time AWD networks with an available 4.6-liter SOHC V8 that uses advanced engine management computers to offer more horsepower (239 to be exact) than any previous Mountaineer.

Mountaineer's 4.6-liter SOHC V8 is rated at 239 horsepower at 4750 rpm and 282 lb-ft of torque at 4000 rpm.

The 5-speed automatic transmission is electronic for smooth shifts.

Four-wheel independent suspension optimizes ride and handling.

All-Wheel Drive

Mountaineer's available full-time All-Wheel Drive system adapts automatically to nearly any driving challenge.

Rack-and-Pinion Steering

Parallel parking? No problem. Maneuvering Mountaineer into and out of tight spaces is easy, thanks to its precise rack-and-pinion power steering and a curb-to-curb turning radius of just 36.7 ft.

Indulgence lives here.

With its standard third-row

bench seat, Mountaineer

offers spacious seating for up

to seven—3rd-row headroom

and legroom is Best in Class.

Or fold the disappearing

third-row seat flat to fit

bulky cargo. The 40/enhanced

20/40 second-row seat

provides storage space

under the center seat

cushion. And 12-volt power

points in the first and

second rows let you take

the show on the road.

So slide back the available

power moonroof and open

up a world of possibilities.

Integrated Design

Mountaineer's steering wheel, instrument cluster and center console—even door panels—are accented with a unique satin-aluminum finish. One look and you know you're engaged in an extraordinary experience, where every detail has been refined to express a sense of driving confidence.

Mercury Mountaineer in Silver Birch Clearcoat Metallic with two-tone Dark Graphite interior. Shown with available equipment.

Audiophile Sound System

An available Audiophile Sound System is true to its name: its seven premium speakers include an 8-inch subwoofer to fill the cabin with deep, tight bass; rich mid-range; and clear, crisp highs. So load your favorites into the 6-disc in-dash CD player, then sit back and smile.

Memory Driver's Seat

An available memory driver's seat lets you capture and recall not only multiple seat settings, but corresponding pedal positions, as well.

Integrated Controls

Mountaineer's steering wheel includes a speed control system and offers available duplicate controls for audio and climate. So you can safely and seamlessly make adjustments without moving your eyes from the road.

Heated Front Seats

Available as part of the Luxury Group of equipment, heated front seats take the chill off quickly, soothing you and your front seat passenger with gentle warmth as you drive.

Power-Adjustable Foot Pedals

Mountaineer is available with pedals that adjust to fit a driver's proportions. The accelerator and brake pedal unit can be adjusted up to three inches for ideal driver comfort and control.

Keyless Entry Keypad

Located on the window frame of the driver's door (where it's easy to reach and easy to read), the available keyless entry keypad activates all the doors as well as the liftgate. Each can be locked and unlocked individually or all together.

HomeLink® Universal Transceiver

From the comfort and security of your Mountaineer, the available HomeLink® lets you remotely control up to three devices, such as garage doors, security gates and home lights.

Dual-Zone Climate Control

An available Dual-Zone Electronic Automatic Temperature Control lets both the driver and front passenger choose their own temperature setting. Occupants in the second-row seating area can also choose temperature settings separate from the front passengers, thanks to an available auxiliary climate control¹ that supplements the vehicle's main climate system.

¹Front controls only when ordered with power moonroof.

Power-Heated Exterior Mirrors with Security Approach Lamps

Available electrically heated mirrors help keep your side view clear in cold weather. And Mountaineer's standard Remote Keyless Entry system activates available security approach lamps that illuminate the ground at your feet as you approach your vehicle.

Safety lives here. Drive a Mountaineer and you'll start to see how, at Mercury, we don't define safety by airbags¹ or crumple zones alone. It's a total sense of control and security that's found throughout Mercury vehicles. So whether it's the responsiveness of the engine, the intelligence of the ergonomic design or the forward thinking of advanced features like the available Safety Canopy System^{1,2}, you'll appreciate all that Mountaineer has to offer to make your journey a safe one.

Personal Safety System™

The Personal Safety System² is a comprehensive restraint strategy. It includes dual-stage driver and front passenger airbags¹, crash severity sensor, front outboard safety belt usage sensors, driver's seat position sensor, front safety belt pretensioners, and front energy-management safety belt retractors that help reduce the force of the belts on the occupants' chests.

¹Always wear your safety belt and secure children in the rear seat.

²Available Spring 2002.

Structural Integrity

Mountaineer uses a safety engineering structure that includes fully boxed frame construction. In 40 mph frontal crash tests by the Insurance Institute for Highway Safety, the 2002 Mountaineer¹ earned "Best Pick in its Class" status, the highest possible rating. And in frontal crash tests by the National Highway Traffic Safety Administration (NHTSA), Mountaineer earned a Five Star rating for front passenger.

¹Based on models built after 10/29/01.

Safety Canopy System^{1,2}

To enhance protection for front seat and outboard passengers seated in the second row, the available Safety Canopy System consists of side-impact curtain airbags¹ and rollover protection sensors. In certain side-impact collisions or certain rollover events, the sensors trigger a prolonged inflation of the side-impact curtain airbags that deploy from the headliner.

¹Always wear your safety belt and secure children in the rear seat.

²Available Spring 2002.

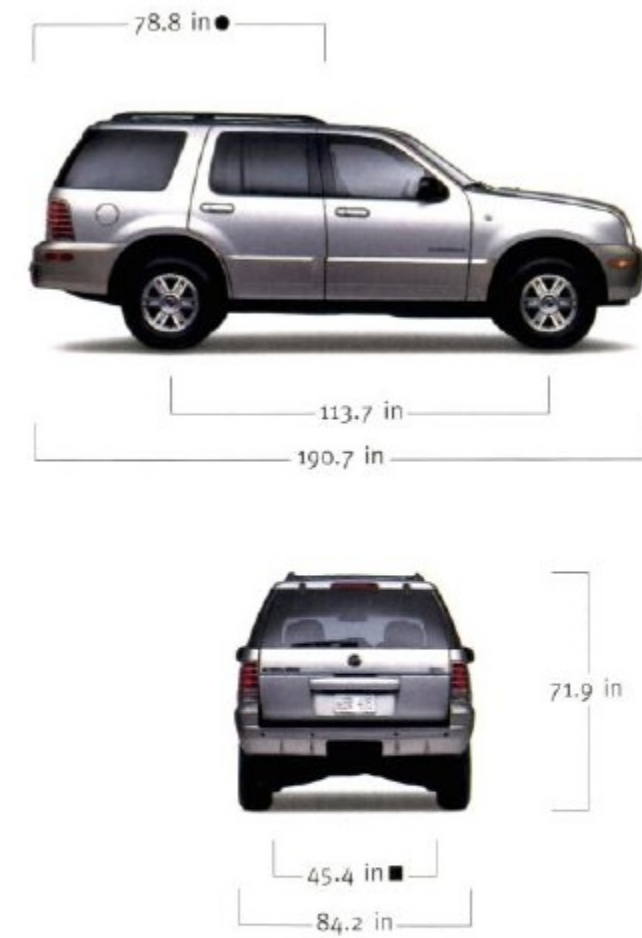

Anti-Lock Brake System

Mountaineer's impressive stopping power starts with power-assisted disc brakes on all four wheels. And to help prevent wheel lockup and preserve steering control, a standard Anti-lock Brake System detects if a wheel is about to skid and helps maintain handling ability by automatically pumping the brakes.

Mercury Mountaineer Premier Edition in monotone Silver Birch Clearcoat Metallic. Shown with available equipment.

special edition and available equipment

Premier Edition[®]—*The Mountaineer Premier Edition requires the Convenience and Luxury Groups and is equipped with the following:*

- LUGGAGE RACK—satin aluminum finish
- PAINT—Silver Birch Clearcoat Metallic or Black Clearcoat monotone paint treatment
- SATIN ALUMINUM—dual exhaust tips and "Premier" liftgate badge
- TRIM—color-keyed front/rear fascias and lower cladding

Mountaineer—*available equipment*

- AIR CONDITIONING—auxiliary climate control with 6 rear vents and overhead rear controls
- ALL-WHEEL DRIVE (AWD)—full-time system with AWD badge located on liftgate
- ENGINE—4.6-liter SOHC V8 with Failsafe Cooling System
- RUNNING BOARDS
- TRAILER TOW PACKAGE

Mountaineer Convenience—*available equipment*

- AIR CONDITIONING—auxiliary climate control with 6 rear vents and overhead rear controls⁷
- ALL-WHEEL DRIVE (AWD)—full-time system with AWD badge located on liftgate
- ENGINE—4.6-liter SOHC V8 with Failsafe Cooling System
- MOONROOF—power with one-touch-open feature and sunshade
- RADIO—Audiophile Sound System with AM/FM stereo/6-disc in-dash CD player includes 7 premium speakers with 8-inch subwoofer
- REVERSE SENSING SYSTEM—with in-cabin speaker for audible warning signal
- RUNNING BOARDS
- SAFETY CANOPY SYSTEM^{4,5}
- SEATS—leather-trimmed seating surfaces
- TRAILER TOW PACKAGE

Mountaineer Luxury—*available equipment, requires Convenience Group*

- AIR CONDITIONING—auxiliary climate control with 6 rear vents and overhead rear controls⁷
- ALL-WHEEL DRIVE (AWD)—full-time system with AWD badge located on liftgate
- ENGINE—4.6-liter SOHC V8 with Failsafe Cooling System
- MOONROOF—power with one-touch-open feature and sunshade
- RADIO—Audiophile Sound System with AM/FM stereo/6-disc in-dash CD player includes 7 premium speakers with 8-inch subwoofer

To ensure we're offering our customers the best service possible, we proudly offer the **Mercury Personal Consultant**. Just visit our Web site at www.mercuryvehicles.com/pc and one of our manufacturer's representatives will help with anything from price quotes to product features to arranging a test drive at your local dealer—at no cost or obligation.

FORD CREDIT Ford Credit provides the convenience of one-stop shopping with a variety of simple-to-understand purchase or Red Carpet Lease programs available right at the dealership. For more information, ask your dealer for details, or visit us on the Web at www.fordcredit.com

To help minimize the impact of this brochure on the environment, Mercury prints on recycle-grade coated paper that contains a minimum of 10% post-consumer waste.

Following publication of this brochure, certain changes in standard equipment, options, prices and the like, or product delays may have occurred which would not be included in these pages. Your Mercury dealer is your best source for up-to-date information. Lincoln Mercury reserves the right to change product specifications at any time without incurring obligations.

Options shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.

standard equipment

The Mercury Mountaineer and all models of the Mountaineer are equipped with the following standard equipment:

- ACCENTS—satin aluminum on instrument cluster, center finish panel and all door trim panels
- AIR CONDITIONING—manual temperature control
- ANTENNA—fixed whip
- ANTI-THEFT ALARM SYSTEM—detects illegal entry into vehicle through doors, hood and liftgate and emits audible alarm (horn), flashes headlamps, and disengages starter motor system
- AUTOLOCK—locks all doors when the vehicle is put into motion
- BATTERY SAVER—turns off courtesy lights (not headlamps) after 10 minutes and map/cargo lamps after 30 minutes
- BELT-MINDER™ SYSTEM—when activated, a warning light illuminates and a warning chime sounds for 6 seconds every 30 seconds for approximately 5 minutes
- BODYSIDE LOWER CLADDING—painted
- BRAKE SHIFT INTERLOCK—system requires brake to be fully depressed before shifting out of park
- BRAKES—power 4-wheel disc, Anti-lock Brake System (ABS)
- BUMPERS—color keyed to match lower cladding color, 2.5-mph impact
- CARGO AREA REDUNDANT POWER LOCK/UNLOCK SWITCH
- CARGO MANAGEMENT SYSTEM—below load floor storage (1.43 cu ft bin)
- CARPET—color keyed, full length
- CHILD SAFETY SEAT TETHER ANCHORS—located in all 2nd and 3rd-row seat positions
- COAT HOOKS—color keyed (4)
- CONSOLE, FLOOR—includes storage bin, 2 front and 2 rear cupholders, front and second row 12-volt power points, coin holder, tissue/map holder on underside of armrest, molded mat with pen holder, low heat vents and high A/C registers
- CONSOLE, OVERHEAD—includes 2 map lamps with dome function, ticket clip, sunglass holder and garage door opener bin (except when auxiliary climate control or moonroof is ordered)
- DEFROSTER—rear window
- DOOR HANDLES—color keyed painted
- DOOR PANELS—color-keyed trim panels with armrest/pull handle, map pockets and 20-ounce beverage holder on front doors
- ENGINE—4.0L SOHC V6
- FLOOR MATS—carpeted front and rear
- FOG LAMPS—integrated in front bumper
- FUEL TANK—22.5 gallon
- GLASS—solar tinted with Privacy Glass™ on rear doors, rear quarter windows and liftgate
- GLOVE BOX—illuminated
- GRAB HANDLES—3 mounted
- GRILLE—plated satin aluminum
- HEADLAMPS—fixed lens reflector
- HEADLINER—cloth, accent color
- HEATER/DEFROSTER—with flow-through ventilation
- HOOD RELEASE—remote with gas assist hood struts
- HORN—dual note

- ILLUMINATED ENTRY—activated by key fob, interior lights and security approach lamps (included in Convenience Group)
- INSTRUMENT PANEL—color keyed, side window demisters and air registers
- INSTRUMENTATION—green illuminated controls include fuel, temperature, voltmeter and oil pressure gauge cluster with warning lights, speedometer, odometer, trip odometer and tachometer
- KEY—single entry/ignition with satin aluminum Mercury logo
- LIFTGATE—one piece, hinged at top with flip-up rear window
- LIGHTS—2nd-row seat reading lamp and cargo area dome light
- LOCKS—power locks with illuminated controls and rear-door child safety locks
- LOW EMISSIONS VEHICLE
- LUGGAGE RACK—black with cross bars and 4 tie-down loops
- MIRROR—day/night rearview
- MIRRORS—black dual power sail mounted, fold-away exterior
- PARKING BRAKE—soft release
- PERSONAL SAFETY SYSTEM™—dual-stage driver and front passenger airbags⁴, crash severity sensing system, front safety belt usage sensors, driver's seat position sensor, front safety belt pretensioners and energy management belt retractors⁵
- POWER POINTS—12 volt, center floor console front and rear
- RADIO—premium AM/FM stereo/cassette/single CD player with digital clock
- REAR AXLE RATIO—3.55
- REMOTE KEYLESS ENTRY SYSTEM—2 key fobs with panic alarm and liftgate window release buttons
- SAFETY BELTS—3-point safety belts for all outboard seat positions and lap belt for 2nd-row center seat position, height-adjustable 1st and 2nd-row outboard safety belts
- SCUFF PLATES—color-keyed plastic on all doors and liftgate
- SEATS—cloth sport front buckets with adjustable head restraints; manual lumbar support and 6-way power driver's seat; 2nd-row includes 40/enhanced 20/40 tip/flip bucket seat. Enhanced 20 center section includes flip-down writing tray with pen holder on top, map pocket and storage bin inside center section; 3rd-row stows into a flat load floor and offers 7-passenger seating
- SECURILOCK™—passive anti-theft system
- SHOCK ABSORBERS—gas pressurized
- SIDE REPEATER LAMPS—functional lamps located on the upper rear section of the front fender panels
- SOUND INSULATION—hood and instrument panel
- SPARE TIRE—16-inch full-size spare mounted underbody with winch in cargo area
- SPEED CONTROL—fingertip controls with tap-up/tap-down feature
- STABILIZER BARS—front/rear
- STEERING—power rack-and-pinion
- STEERING WHEEL—black leather-wrapped steering wheel with satin aluminum spoke cuffs
- STOP LAMP—center, high mounted incandescent
- TAILLAMPS—bi-color with satin aluminum grille
- TIRES—P245/70R16 black sidewall all-season
- TRANSFER CASE—4x2
- TRANSMISSION—5-speed electronic automatic overdrive with overdrive lockout switch
- VISORS—color keyed with covered mirrors

- WARNING CHIMES—headlamps-on, key-in-ignition and Belt-Minder™
- WARNING LIGHT SYSTEM—airbags⁴, Belt-Minder™, brake system, door ajar, battery, anti-theft, service engine soon, check fuel cap, ABS and O/D off indicator
- WHEELS—16-inch premium machined aluminum with Mercury logo center cap
- WINDOWS—power, includes lockout switch, express-down driver's window with 10-minute accessory delay and illuminated controls
- WINDSHIELD WIPERS—speed sensitive intermittent front
- WIPER/WASHER—rear window intermittent

Convenience Group—*In addition to or in place of the Mountaineer standard equipment, the Convenience Group consists of the following:*

- HEADLAMPS—automatic on/delay off
- HOMELINK® UNIVERSAL TRANSCEIVER—located in overhead console
- KEYLESS ENTRY KEYPAD—located on driver's door
- OUTSIDE TEMPERATURE DISPLAY AND DIGITAL COMPASS—located in instrument cluster
- POWER-ADJUSTABLE FOOT PEDALS—pedals that adjust up to 3 inches at the touch of a button
- SECURITY APPROACH LAMPS—under exterior mirrors that illuminate the ground at your feet
- VISORS—cloth-covered dual-illuminated vanity mirrors

Luxury Group[®]—*In addition to the Convenience Group equipment, the Luxury Group consists of the following:*

- AIR CONDITIONING—Dual-Zone Electronic Automatic Temperature Control with driver and front passenger controls
- MIRRORS—dual power heated exterior mirrors and electrochromic (auto-dimming) interior rearview
- MOLDINGS—unique lower color on bodyside cladding
- MEMORY FEATURE—for driver's seat and adjustable foot pedals
- MESSAGE CENTER—average fuel economy, distance to empty and check-out messages for oil life/pressure, washer fluid, charge system, brake fluid level, door ajar and check transmission
- SEATS—sport bucket with upgraded two-tone leather seating surfaces, heated front seats and 6-way power passenger seat with manual lumbar support
- STEERING WHEEL—color keyed with audio/temperature controls
- WHEELS—17-inch premium machined cast aluminum with P245/65R17 black sidewall all-terrain tires⁵

1 Under normal driving conditions and with routine fluid and filter changes.
2 Mountaineer is not intended to be used for snowplowing.
3 When properly equipped. Requires aftermarket weight-distributing equipment.
4 Always wear your safety belt and secure children in the rear seat.
5 Available Spring 2002.
6 Requires Convenience Group.
7 Front controls only when ordered with power moonroof.
