Make Taurus a part of your life.

There is something inherently right about driving a Taurus. Whether it's the controlled, confident ride, or the relaxed, well-appointed interior, you simply can't help but feel a sense of ease at the wheel. Frankly, that's the idea. A long list of standard amenities attends to your every whim. Quiet confidence is instilled with a multitude of safety features that earned Taurus the coveted double 5-Star government crash test rating four years in a row, and the highest ranking in the Insurance Institute for Highway Safety's (IIHS) frontal offset crash test. It's got power, too. With V6s across the line, there's no doubt. Uniquely styled, Taurus is a great-looking satisfaction machine that will earn a special place in your life. So go ahead, live it.

Obviously, good looks run in the family.

So does the fun-to-be-with personality. Whether you favor the deluxe or dashing, quality traits are inherent in Taurus SES: 5-passenger seating, center console, stereo with in-dash CD player and 4 speakers, ABS brakes, visor vanity mirrors with secondary driver's-side visor... the list goes on and on. The SES Deluxe with optional Sport Package further distinguishes you with uniquely designed 5-spoke sport wheels, rear spoiler and monochromatic grille accent. Whichever Taurus SES you prefer, it brings comfort, style and, especially, quality time to you and your family. Welcome to the family.

1 The SES Deluxe with a Sport Package option is the ticket to a fine, leather-wrapped steering wheel, two-tone cloth sport seats for five, and a unique pewter-brush center console.

taurusSES

The sensation of how driving should feel.

Slide into Taurus SEL and experience the beauty of design. It's not simply the multitude of conveniences, for certainly they are all there. It's the placement, the quality, the purity of function. The elegance of the interior strikes a harmonious balance with the confident forces powering this masterwork. An aggressive V6 serves up a mighty 200 horsepower, and a 4-wheel independent suspension gives you firm control of the road. If you've forgotten what a joy driving can be, experience the Taurus SEL. It'll all come back to you.

- 1 Adjustable accelerator and brake pedals bring you a comfortable driving position.
- 2 The available auto-dimming rearview mirror with compass reduces that annoying reflective glare from headlights behind you.
- 3 With an optional premium MACH® Audio System, including a 6-disc CD changer and cassette, the idea of just tunin' in, turnin' up and takin' off definitely sounds appealing. Hit it.
- 4 With electronic automatic temperature controls, you find your perfect temperature once and be done with it. No fumbling to find it again once you've hit the road.

taurusSEL

Inner magnetism.

Drawn to its bold exterior styling, you'll be compelled to know more about Taurus SEL. That's right, slide inside. What happens next is pure magic. Comfort. Relaxation. Welcomed by the available premium leather seating surfaces of 6-way power front seats, you find yourself in a richly appointed cockpit that feels like it was designed just for you. Everything is within easy reach, like the electronic automatic temperature control and available MACH[®] Audio System with a 6-disc CD changer. It's fundamental planning with a richness meant to impress. A wood appearance adorns the door panels and console control panel, and the redesigned instrument cluster boasts an attractive satin-finish background. You can even add a touch of real wood to the steering wheel with the optional Wood Package. Look up, and you'll see sky through the optional power moonroof – just another Taurus SEL secret waiting to be enjoyed.

taurusSEL

Pack up, pick up and go.

Time to load up. You want it? Take it along. That's right, not only is this one of the most uniquely designed wagons on the road today, it is also one of the roomiest. Lots of space, yes, but even with 8 passengers, this machine still rides like a touring car. Its confident V6 engine has plenty of low-end torque and, combined with the optional All-Speed Traction Control system, can navigate around the sloppiest road like a champ. So what can you do with all this room? Pretty much anything you want. Flip the 3rd-row bench seat up or down. A handy 60/40 split-fold 2nd-row seat makes room for long items, and a cargo cover in back keeps smaller ones under wraps. Taurus SE Wagon is always ready for the unexpected adventure.

- 1 Snow and ice buildups don't stand a chance with available heated side mirrors. In just seconds, they're history, and you're seeing everything beautifully again.
- 2 Unlock the doors, pop the hatch, even signal for help. With just the click of a button, the remote keyless entry system quickly becomes a favorite standard feature.
- 3 With standard 3rd-row seats, Taurus Wagon accommodates people easily. The view is great, too.

taurus SE WAGON

Taurus' inner beauty: safety.

- 1 The available Taurus 4-wheel anti-lock braking system (ABS) will do amazing things for your confidence level. By reducing wheel lockup when braking, it helps to maintain steering control even on the most slippery surfaces.
- 2 Available side airbags* deploy almost instantaneously to help protect you and your front passenger in the event of a side-impact collision.
- 3 You and your child can rest assured. The LATCH child safety seat restraint system makes attaching your child's safety seat properly a snap.
- 4 This glow-in-the-dark trunk release handle allows for an emergency exit with just a simple pull.

*Always wear your safety belt and secure children in the rear seat.

- 1 Available 4-wheel ABS brakes help maintain steering control in hard braking situations to help avoid a possible accident.
- 2 Taurus' built-in LATCH child safety seat system makes attaching a child's safety seat a snap, and you less frustrated and more assured about doing it.
- 3 Ready to deploy in a moment's notice, available side-impact airbags help protect you and your front passenger in certain side-impact collisions.
- 4 Once locked, the available perimeter anti-theft system monitors the doors, hood and decklid against anyone but you entering them.

- 5 Taurus' dual stage front airbags* make sure just the right amount of airbag pressure is used in the event of a frontal crash.
- 6 Its "safety cell" unitized body construction helps Taurus absorb collision impact by transferring collision forces throughout the passenger compartment.
- 7 The SecuriLock™ passive anti-theft system immobilizes the engine until your specially coded ignition key gives the signal.
- 8 Available All-Speed Traction Control helps maintain traction and steering control on a variety of slippery surfaces by using anti-lock braking system components to monitor wheel slippage.

PERSONAL SAFETY SYSTEM™:

SIX TECHNOLOGIES DESIGNED FOR YOUR COMPREHENSIVE PROTECTION

In a front crash, dual stage airbags are properly deployed with the help of a crash severity sensor. Depending on the severity of the impact, it's determined how much energy is needed to deploy the airbags. Safety belt pretensioners act to tighten the belts to ensure that the passenger is held securely in their seated position. The driver's-seat position sensor relays data to the airbag's computer as to how far away the driver is seated from the steering wheel. The safety belt usage sensors determine if the driver and front passenger are belted. This information helps select the inflation rate and timing of the airbags. If a severe accident occurs, safety belt energy management retractors limit the belt forces to a predetermined maximum and then "hand off" to the deploying airbag. In an accident, this electronic coordination is carried out in a split second. Actually quicker. All in all, the Personal Safety System is one of the most sophisticated vehicle safety systems available to you today.

STANDARD FEATURES

Safety/Security

Personal Safety System™ for driver and right-front passenger — With dual-stage airbags,* safety belt pretensioners, safety belt energy management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor and restraint control module

Autolock — Doors lock automatically when driving

Belt-Minder™ safety belt reminder

Brake/shift interlock

Bumpers — 5-mph energy-absorbing

Emergency glow-in-the-dark trunk release

Fuel pump inertia shutoff switch

Headlamps-on alert chime

Key-in-ignition alert chime

LATCH — Lower anchors and top tethers for child safety seats in outboard seating positions

Power window lockout feature

"Safety cell" unitized body construction

SecuriLock™ — Passive anti-theft system

Side intrusion door beams

Mechanical

3.0L V6 engine

4-speed electronic automatic transaxle with overdrive lockout

4-wheel power disc brakes (wagon)

4-wheel power front disc/rear drum brakes (sedan)

100,000-mile tune-up interval**

Battery saver

Front-wheel drive

Fuel tank — 18-gallon capacity

Hood assist struts

P215/60R16 94T all-season tires

Power rack-and-pinion steering

Spare — Compact

Stabilizer bars — Front and rear

Stainless steel exhaust system

Suspension — Front: independent MacPherson strut (sedan and wagon);

rear: independent Quadralink (sedan) or Short- and Long-Arm (wagon)

Interior

Accessory delay for power features

Air conditioning

AM/FM stereo with digital clock and 4 speakers

Assist handles — Rear

Cargo area cover (wagon models only)

Cupholders

Decklid/hatch release

Floor mats — Front and rear

Light group — Dual-beam dome/map lights

Low fuel warning light

Particulate air filter

Power door locks with rear-door child safety locks

Power windows — With one-touch-down driver's-side feature

Power points — 2

Rear floor air ducts

Shoulder belt height adjusters — Front outboard positions

Tilt steering column

Underfloor storage (wagon models only)

Visor vanity mirrors

Exterior

Bodyside moldings

Headlamps — Multi-reflector halogen

Luggage rack (wagon models only)

Power mirrors

Rear defroster

Rear wiper and washer (wagon models only)

Solar tinted glass

Windshield wipers — Front variable-interval

*Always wear your safety belt and secure children in the rear seat.

**Under normal driving conditions with regular fluid and filter changes.

We are here to help.

Ford Motor Company understands that a physical disability doesn't mean life can't be rewarding. In fact, for many thousands of Ford Motor Company customers, **Mobility Motoring** has meant their lives can also be easier and more fulfilling. Visit www.ford.com/mobilitymotoring. In this site you can request a Ford Mobility Motoring Video, learn about the Ford Mobility Motoring process, and hear what Ford Mobility Motoring customers say about the freedom and independence their adapted vehicle provides them.

Ford Credit and Red Carpet Lease

Many lease managers have completed several hours of training in a Red Carpet Lease program designed to make us the best in the business. We think you'll find a Red Carpet Lease the best way to lease.

Under the New Vehicle Limited Warranty, you'll receive Bumper-to-Bumper, no-deductible coverage on your new Ford vehicle for 3 years/36,000 miles. You'll also receive unlimited-mileage, no-deductible corrosion perforation coverage for five years. Ask your Ford Dealer for a copy of this warranty.

During its 3-year/36,000-mile limited warranty period, every new Ford vehicle includes the assurance and support of a 24-hour emergency Roadside Assistance program. Roadside Assistance includes such services as fuel delivery, tire changes, jump starts, and help when you are locked out of your vehicle. Ask your Ford Dealer for complete details about this program.

Complete information on our vehicle lineup is available on our website. To get more information, please visit us at www.fordvehicles.com. Likewise, to get details on various financing options available on your new Ford vehicle, please visit www.fordcredit.com. Doing so can give you a head start before talking to your Ford Dealer about financing your new Ford vehicle.
