<b>General</b>		
Kerb weight (kg) (a)	1504	1566
Luggage capacity (litres)	453	1466 (b)/2622 (c)
Fuel tank capacity (litres)	68	72
Min turning circle (m) - diameter	11.0	11.4

Transmission/Ratios	5 Speed Manual 16	5 Speed Manual V8	4 Speed Auto 16 and V8
Gear Ratios 1st	3.25	2.95	2.39
2nd	1.99	1.94	1.45
3rd	1.34	1.34	1.00
4th	1.00	1.00	0.69
5th	0.72	0.73	—
Reverse	3.15	2.76	2.09
Final Drive Ratio	3.27	3.27	3.27

Selected Fuel Consumption Data		
Engine/Transmission/Bodystyle	City Cycle (l/100km)	Highway Cycle (l/100km)
4.0 L MP EFI manual GLi Sedan	12.0	7.9
4.0 L MP EFI auto GLi Sedan	12.5	8.0
4.0 L MP EFI auto GLi Wagon	12.5	8.0
5.0 L MP EFI auto GLi Sedan	14.5	9.0

These figures are obtained from controlled laboratory tests conducted by Ford Motor Company of Australia Limited to Australian Standard AS2877 and are provided to assist you in comparing the fuel consumption of Falcon with other vehicles. The actual fuel consumption you achieve will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use.

# Options

## Optional Equipment (Options are at extra cost unless otherwise stated)

Option	GLi Sedan	GLi Wagon
Car alarm	OPT	OPT
Air conditioning	OPT	OPT
Deluxe AM FM stereo radio/cassette with individual speaker elements, auto scan memory storage and security code	OPT	OPT
Centafold seat (d)	OPT	OPT

**About this specification sheet.** This sheet is designed to provide you with selected specification data for the Ford Products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in the relevant brochure, and this specification sheet should be taken as approximate only.

Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

## Footnotes

- Approximate kerb weight for a Falcon GLi fitted with 4.0 litre MP EFI engine and 5 speed manual transmission.
- With rear seats upright.
- With rear seats folded down.
- The Centafold front seat with seating for 3 people is only available with automatic column shift transmission and is mandatory on Falcon GLi when this transmission is specified. The Centafold seat does not have a lumbar support adjustment or a seat cushion height adjustment and the centre console is deleted.

- The towing packs are factory options and provide a towing capacity of 1200 kg (Class I Tow Pack) and 1590 kg/2100 kg (Class II Tow Pack) for all vehicles when used in conjunction with a suitable caravan or trailer braking system and towing equipment. This pack consists of
  - Tow bar
  - Coosenack
  - Wiring harness with 7 pin electrical connector
  - Transmission cooler (automatic transmissions only)

Note: The caravan or trailer braking system and any other items (such as the tow ball, load levelling devices and safety chains) required for the attachment of a trailer, caravan or the like to the vehicle are not supplied as part of the Pack, and must be purchased at extra cost or be supplied by the purchaser of the vehicle. The Towing Pack is designed to be incorporated in the vehicle during the assembly of the vehicle. The actual towing capacity and performance of a vehicle will depend upon many factors including the suitability of the caravan, trailer, etc. the condition of the vehicle, the vehicle load, the vehicle specifications (including engine capacity, transmission type, axle ratio, tyre type and size), weather conditions, road gradient, terrain and other prevailing conditions.

A towing accessory is also available for fitment from your Authorised Ford Dealer. A Ford-approved transmission oil cooler must be fitted in conjunction with any towing accessory fitted to automatic vehicles and used to tow a gross weight of more than 500 kg. Consult your Authorised Ford Dealer for the latest information with respect to the specifications and the availability of this accessory towing pack.

- Consult the Ford colour selector or your Authorised Ford Dealer to determine which colours are available in the prestige paint range.
- Available only in conjunction with automatic column shift transmission and only with Slate interior.
- The heavy duty suspension option consists of heavy duty springs, heavy duty shock absorbers and increased rear ride height (approximately 20mm sedan 5mm wagon). The rear stabiliser bar is deleted on sedan.
- Available only in conjunction with a Sports Pack.
