MAZDA'S LEADERSHIP WARRANTY

The basic warranty on Mazda vehicles covers all parts found to be factory defective for 3 years or 80,000 km (3 years or 60,000 km on B-Series Trucks), whichever comes first. Additional warranties cover power train components for a period of 5 years or 100,000 km (3 years or 80,000 km on B-Series Trucks), body sheet metal perforation for 3 years and unlimited mileage and specific emission control components for up to 8 years or 178,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear.

For further peace of mind, you may purchase one of several Mazda Added Protection Plans. Please see your Dealer for details.

Information and illustrations in this leaflet are based on the latest information available at the time of publication and may change without notice.
