THE TOTAL OWNERSHIP EXPERIENCE®

While the advantages of owning an Infiniti can be felt most intimately while sitting in the driver's seat of one of our vehicles, it is our goal to ensure that every aspect of ownership is a rewarding experience. The Infiniti Total Ownership Experience is an unprecedented commitment to professionalism and customer service that is tailored to you and your individual needs. You can recognize it the moment you enter an Infiniti dealership and in the service you'll receive for years to come. And in special benefits like a complimentary Infiniti Service Loan Car when you bring your Infiniti for scheduled service, Trip Interruption Benefits should something go wrong, and Roadside Assistance that ready to help 24 hours a day. It's all part of our philosophy that quality service is an indispensable feature of a quality vehicle.
