

Grand Edition Viano Avantgarde

Mercedes-Benz

Trend-setting design underscores its powerful character: the Grand Edition Viano Avantgarde

True greatness. The Grand Edition Viano Avantgarde

Fascinating, sporty, exclusive – the Grand Edition Viano Avantgarde

The inner values of the Grand Edition Viano Avantgarde live up to what the first exterior impression promises. The aesthetically-placed trim strips in satin Burr Walnut-look round off the exceptional design and complete the impeccable look of the whole vehicle interior. Only the Grand Edition Viano Avantgarde bears the 'Grand Edition' label on the dashboard.

Harmonious, yet rich in contrast. The interplay of black strokes of colour on the radiator and the exclusive Rock Crystal White paint finish constitute a true eye-catcher. This way, the Grand Edition Viano Avantgarde sets entirely new standards with its unequalled exterior.

Harmonising perfectly with the new colour accents of the car's radiator grille, the perfectly-designed black 19" 5-spoke alloy wheels brilliantly round off the exceptional, unique design of the Grand Edition Viano Avantgarde and, together with the standard sports suspension, underscore its dynamic character.

Further equipment and technical data

A pioneering spirit is standard equipment for the Grand Edition Viano Avantgarde. Apart from the reversing camera and the optical bi-xenon headlamps with integrated cornering lights, fog lamps and LED daytime running lights, there are many other standard-fit functions that make everyday tasks easier for you and help you reach your destination safely. Thanks to the high-quality interior and select design elements such as, for instance, the striking trim strips in satin-finish Burr Walnut effect, or the Anthracite Twin Dinamica leather seats, the way literally becomes the destination. And the time spent in your Grand Edition Viano Avantgarde becomes a sporty yet luxurious journey.

Take-back of end-of-life vehicles. You can return your Viano to us for environment-friendly disposal in accordance with the European Union (EU) End-of-Life Vehicle Directive. But that day lies a long way off. A network of vehicle take-back depots and dismantlers has been established to make it as easy as possible for you to return your vehicle. You can leave it at any of these points free of charge and, by doing so, make an important contribution to completing the recycling process and conserving resources. For further information about the recycling and disposal of end-of-life vehicles, and the take-back conditions, please visit www.mercedes-benz.co.uk or call 0808 156 6606.
