Voyager LE front reclining high-back bucket seats, shown in Cordovan luxury cloth trim.

**About this catalog.** We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

## VOYAGER LE: OUTWARD BOUND IN LUXURY.

**G**oing places and getting there in style. That's what the premium Voyager LE is all about, proving quite conclusively that adaptability doesn't have to be boring.

LE provides comfort, good looks and standard luxury features that cater to your needs and wants. An example: the standard forward storage console which includes cassette tape storage, cup and coin holders, even a writing board, and more. Other examples: the standard AM stereo\*/FM stereo radio, dual power remote control mirrors, deluxe sound insulation, and luxurious interior appointments.

Obviously, when Plymouth created Voyager LE they thought of everything—most importantly, you.

\*Some AM stereo broadcasting may not be compatible with this radio.

Voyager LE, shown in Dark Cordovan Pearl Coat with woodtone applique.

## AMERICA'S NEWEST LEGEND HAS DONE IT AGAIN.

You know Plymouth Voyager. It's America's newest transportation legend. A legend because it combined carlike comfort, handling and front-wheel drive with the versatility, space, and seating of much larger vehicles. □ For 1987 Plymouth Voyager is even better...with the choice of more space and more power than ever before. Inside these pages you'll find the all-new Grand Voyager, offering an extended wheelbase for more room on the inside while keeping the trim Voyager shape on the outside. And you'll find that the new,

available V-6 engine will provide you with all the dependable towing power you'll need—up to 2,750 pounds—to take whatever you want along wherever Voyager's going. □ Plymouth Voyager. The original innovator has done it once again. Just for you.

Grand Voyager LE, shown in Golden Bronze Pearl Coat with woodtone applique.

Voyager, shown in Charcoal Pearl Coat.

Voyager SE, shown in Garnet Red Pearl Coat/Dark Cordovan Pearl Coat two-tone paint.

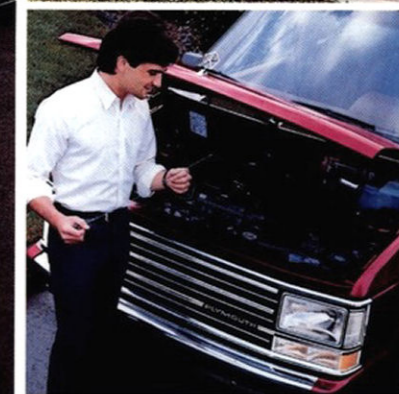

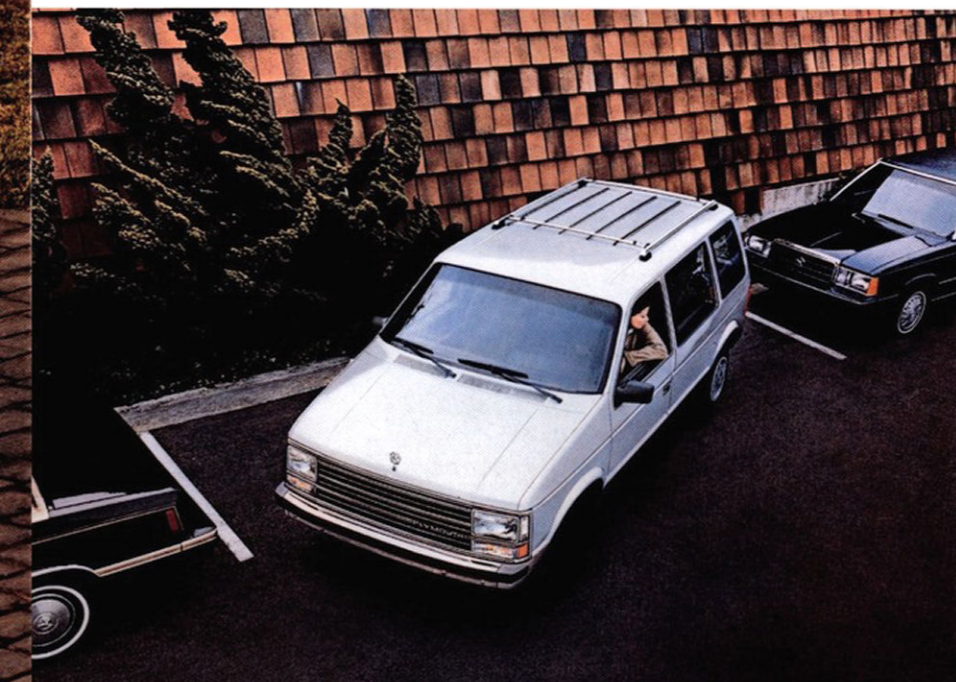

Voyager SE, shown in Garnet Red Pearl Coat/Dark Cordovan Pearl Coat two-tone paint.

## VOYAGER SE: ROOM WITH A VIEW.

Moving lots of people lots of the time? Mid-line Voyager SE is for you. A choice of available seating for five, six, seven or eight passengers allows you to choose an arrangement that fits everyone and everything and still enjoy room with a view.

Voyager SE is an attractive view in itself, from the unique bodyside and liftgate striping to the standard sport wheel covers. Add one of the discount equipment packages and you've created a personalized Voyager SE ready for your individual pursuits without taxing your resources.

Voyager features user-friendly designs.

The low step-up height design of the convenient sliding right side passenger door and driver's door makes entrances and exits easy and convenient. A passenger-assist strap on Voyager SE and LE helps, too. And the sliding right door features a close-to-the-body design to protect Voyager's finish in tight parking spaces.

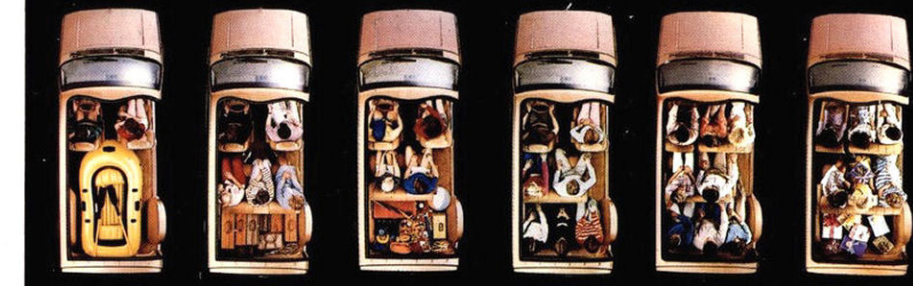

A spacious engine compartment with filters, spark plugs and dipsticks positioned for easy access.

Voyager's space is on the inside, not the outside. Its modest overall length and standard power-assisted rack-and-pinion steering make parking a breeze.

**THE GANG'S ALL HERE...  
AND COMFORTABLE.**

Voyager's standard five-passenger seating (A) can be complemented with available seating packages for an almost unlimited range of passenger and cargo-carrying capabilities. There's room for up to seven (B) on Voyager SE and LE, and up to eight (C) on Voyager SE. There's even an available Converta-Bed option (D) that sleeps two in comfort with the flip of a latch.

With Grand Voyager's standard and Voyager SE's and LE's optional Seven-Passenger Seating Package you can move or remove rear seating to accommodate your changing needs.

Voyager's standard five-passenger seating features a removable rear seat, giving you up to 125 cubic feet of cargo area for work or play.

**Voyager model.** Standard all-vinyl trim low-back front bucket seats; or choose the optional cloth with vinyl trim low-back front bucket seats. A three-passenger rear bench seat in matching trim is included. A Six-Passenger Seating Package is available with the addition of the cloth with vinyl trim 40/60 split bench front seat. Available in Almond, Cordovan, Silver/Charcoal.

**Grand Voyager/Voyager SE.** Standard deluxe cloth with vinyl trim high-back front bucket seats or optional luxury vinyl high-back front bucket seats, both with integral head restraints, inboard armrests, and driver and passenger recliners. A three-passenger rear bench seat in matching trim is included. Seven-passenger seating is standard on Grand Voyager SE models. In Almond, Cordovan, Silver/Charcoal, Twilight Blue.

**Grand Voyager/Voyager LE.** Standard luxury cloth trim high-back front bucket seats with integral head restraints, inboard armrests, passenger seatback storage pocket, and driver and passenger recliners; or choose these same seats in soft-touch vinyl at no extra cost. A three-passenger rear bench seat in matching trim is standard. Seven-passenger seating is standard on Grand Voyager LE models. In Almond, Cordovan, Silver/Charcoal, Twilight Blue\*.

\*Twilight Blue is available in vinyl only.

## VOYAGER: STILL NOTHING LIKE IT.

**H**ere is the legend that Plymouth built. Voyager. A startling new idea in transportation. Voyager. There is still nothing like it on the road today. Big on the inside, trim on the outside, just right for your passenger- and cargo-carrying needs. Adaptable. Versatile. Fun. Accommodating. Dependable. Comfortable. All for you. From Plymouth. Voyager.

Voyager, shown in Charcoal Pearl Coat with Silver/Charcoal interior.

## VOYAGER V-6: THE BEAUTY OF POWER.

**H**auling up to 2,750 pounds with your Voyager is now made easy with the new 3.0-liter V-6 multipoint electronically fuel-injected engine created by Chrysler Motors and Mitsubishi Motors Corporation.

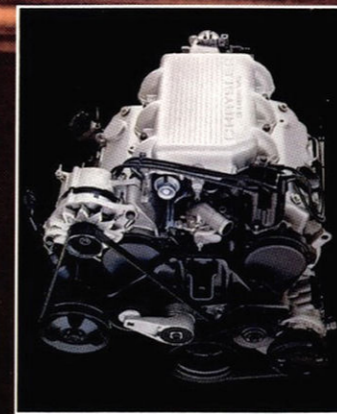

The new 3.0-liter V-6 MPI offers 140 horsepower at 4,800 rpm and 170 pound-feet of torque at 2,800 rpm. When matched with Voyager's front-wheel drive, this means plenty of pulling power for your boat, camper or trailer and powerful acceleration when you need it.

The 3.0-liter V-6 MPI is matched with a three-speed automatic transaxle with electronic lockup torque converter which improves fuel economy by eliminating gear slippage. Multipoint electronic fuel injection ensures performance and economy through precise metering of fuel to each engine cylinder.

Included with this engine is a 90-amp alternator to accommodate the increase in power.

Voyager LE, shown in available Radiant Silver/Charcoal Pearl Coat two-tone paint treatment, with available Mitsubishi-built 3.0-liter V-6 engine.

The 3.0-liter V-6 engine from Chrysler Motors and Mitsubishi Motors Corporation. A powerful addition to your Voyager when the going gets tough, the 3.0-liter V-6 features a dual-tuned intake manifold, overhead camshafts, and multipoint electronic fuel injection.

*GRAND VOYAGER...*

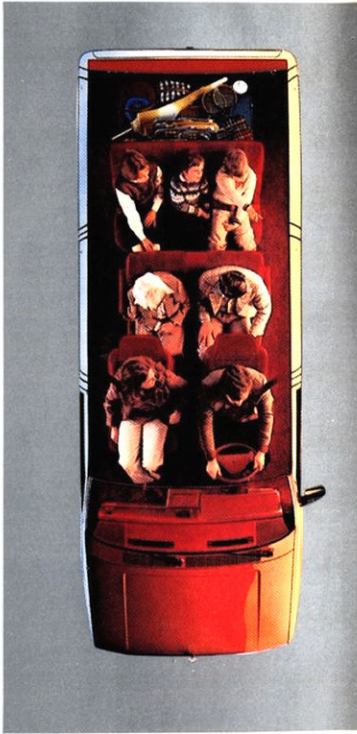

## *AN EXTENSION OF OUR LEGEND.*

**E**nter the Plymouth Grand Voyager. All new for 1987, and created for grand purposes. Compared to Voyager with seven- or eight-passenger seating, Grand Voyager provides twice the knee room and luggage space.

Available in SE and LE models, Grand Voyager offers up to eight-passenger seating, a standard 2.5-liter electronically fuel-injected engine, an available 3.0-liter V-6 MPI engine, and standard dual remote control mirrors on Grand Voyager SE.

How did we accomplish this added comfort and space? Simple. We increased the standard Voyager wheelbase by 7 inches as part of an overall increase of 14.6 inches in Voyager length. Yet Grand

Voyager maintains the pleasing shape that helped make Voyager a legend. Which means you can still put it in the garage or through the carwash as easily as before, and all that great carlike handling and maneuverability are still yours. As the picture above shows, Grand Voyager simply means just the right amount of extra room you may have been looking for.

# VOYAGER...THE TRADITION OF ENGINEERING EXCELLENCE.

Voyager represents the best of the Plymouth tradition of engineering excellence. Below are just a few of the reasons why Voyagers are the answers to your transportation needs.

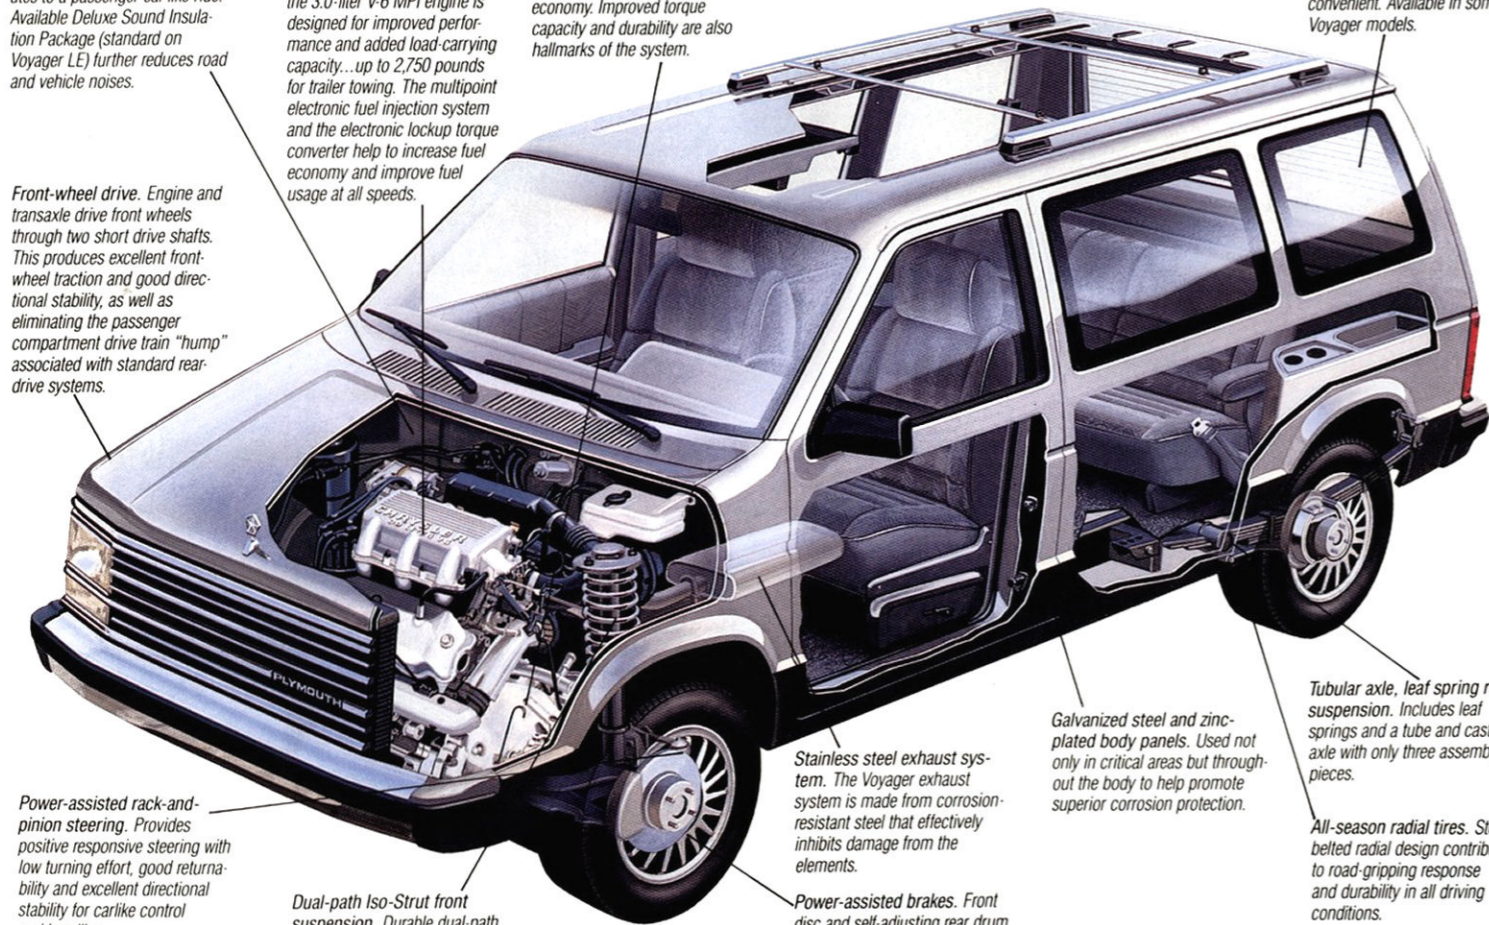

Sound insulation, well-placed for optimum quietness, contributes to a passenger car-like ride. Available Deluxe Sound Insulation Package (standard on Voyager LE) further reduces road and vehicle noises.

3.0-liter V-6 Chrysler/Mitsubishi engine. Available on both Voyager and Grand Voyager, the 3.0-liter V-6 MPI engine is designed for improved performance and added load-carrying capacity...up to 2,750 pounds for trailer towing. The multipoint electronic fuel injection system and the electronic lockup torque converter help to increase fuel economy and improve fuel usage at all speeds.

Front-wheel drive. Engine and transaxle drive front wheels through two short drive shafts. This produces excellent front-wheel traction and good directional stability, as well as eliminating the passenger compartment drive train "hump" associated with standard rear-drive systems.

Chrysler-built TorqueFlite automatic transaxle. Features wide-ratio gears with high-ratio first and second gears for good acceleration without loss of fuel economy. Improved torque capacity and durability are also hallmarks of the system.

Remote control rear side quarter windows. Voyager's engineering excellence is evidenced in the convenient remote control rear windows that make outside air flow quick and convenient. Available in some Voyager models.

Stainless steel exhaust system. The Voyager exhaust system is made from corrosion-resistant steel that effectively inhibits damage from the elements.

Galvanized steel and zinc-plated body panels. Used not only in critical areas but throughout the body to help promote superior corrosion protection.

Tubular axle, leaf spring rear suspension. Includes leaf springs and a tube and casting axle with only three assembly pieces.

All-season radial tires. Steel-belted radial design contributes to road-gripping response and durability in all driving conditions.

Power-assisted rack-and-pinion steering. Provides positive responsive steering with low turning effort, good returnability and excellent directional stability for carlike control and handling.

Dual-path Iso-Strut front suspension. Durable dual-path independent coil spring and strut suspension with integral linkless antisway bar helps keep sound and vibration isolated from Voyager's body.

Power-assisted brakes. Front disc and self-adjusting rear drum system. Load-sensing proportioning valve allows system to be biased toward front-wheel braking under varying load conditions for smoother, straighter stops.

## VOYAGER STANDARD FEATURES

Voyager isn't just innovative, dependable engineering and comfortable accommodations. It's also a variety of helpful features that keep your roadtime efficient and enjoyable.

**A.** The Voyager LE instrument panel—an example of the Plymouth commitment to drivers. Featuring a luxury steering wheel, AM stereo/FM stereo radio with electronic tuning and integral digital clock (the available premium system is shown here), and cup holders. Also shown is the available Gauge With Gauge Alert Package for comprehensive road information including an engine coolant temperature gauge, low voltage warning light, oil pressure gauge, and trip odometer.

**B.** Your personal "command central" starts here: the high-back luxury cloth trim reclining front bucket seats with integral head restraints and inboard armrests are standard on Voyager LE models and available in vinyl trim at no extra cost.

**C.** Voyager accommodates everyone. The convenient rear storage bin on the left rear wheelhousing also features dual cup holders. (Padded lid/armrest for seven- or eight-passenger seating shown.)

**D.** The underdash locking forward storage console, standard on Voyager LE and available only in the Popular Equipment Discount Package on Voyager SE, features a large locking lower compartment and nine-cassette tape storage space.

**E.** Voyager's upper console door opens to another array of convenience features including ashtray and lighter, cup and coin holders, map light and writing board.

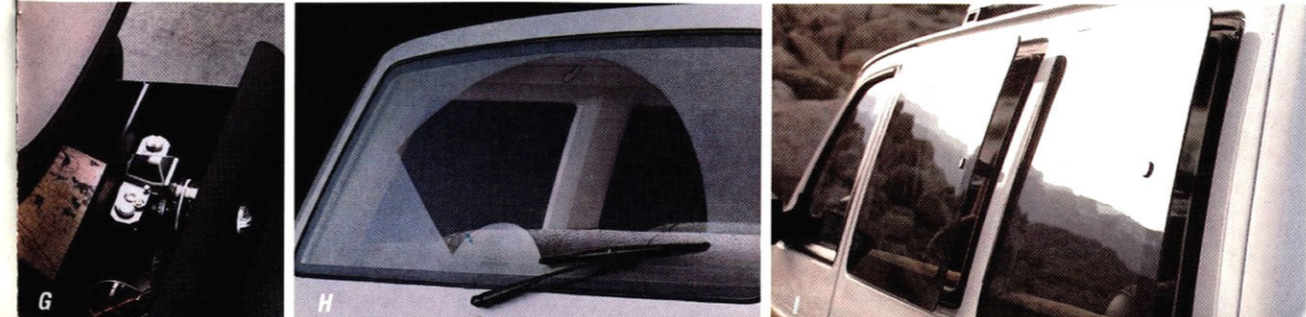

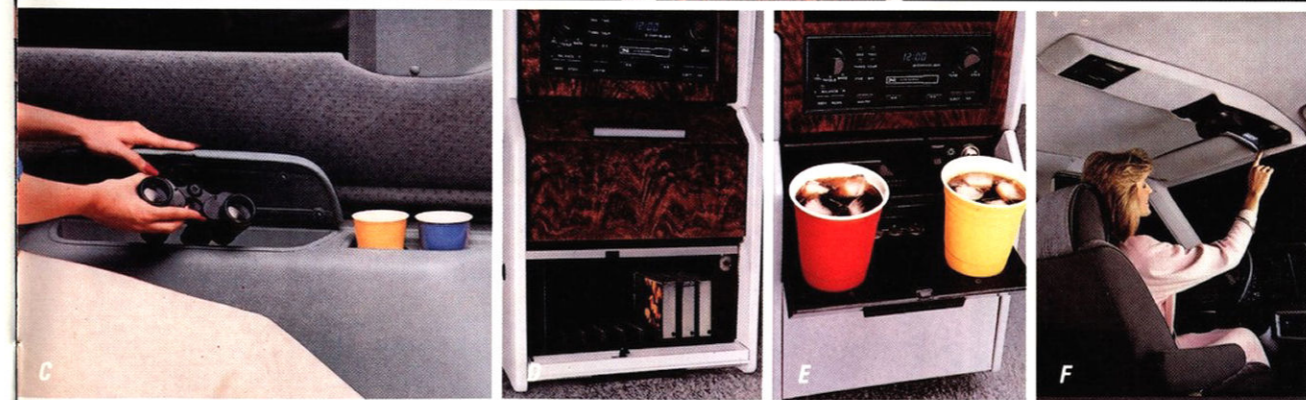

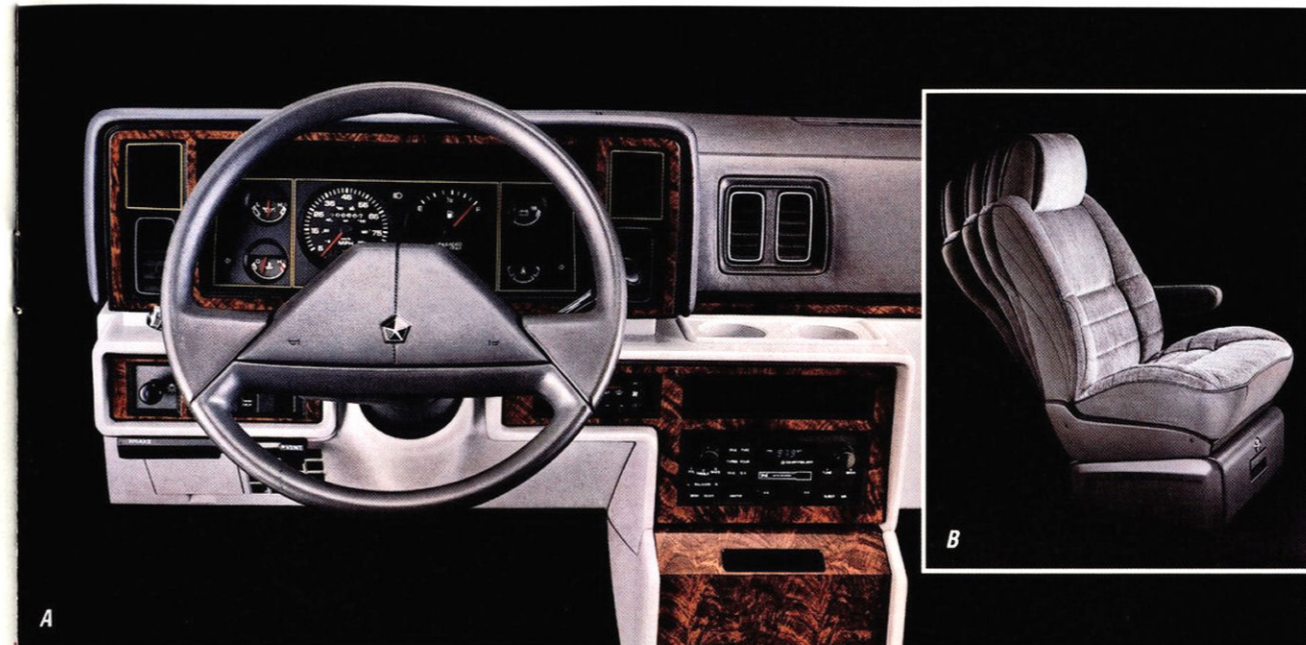

**F.** Voyager LE's overhead console offers front and rear map/reading lights as well as separate storage areas for garage door opener and sunglasses, and readouts for outside temperature and compass heading. (Available in the Popular Equipment Discount Package only.)

**G.** Out of sight is out of mind. Voyager's standard locking storage drawer beneath the front passenger bucket seat keeps larger items safely concealed.

**H.** Voyager's standard rear wiper/washer keeps your liftgate window clear for driving, whatever the weather.

**I.** Fresh air on demand is yours with Voyager's standard flip-open center and rear side quarter panel windows. (Remote control rear quarter vent windows are available in the Popular Equipment Discount Package on the original Voyager SE and LE models only.)

\*Some AM stereo broadcasting may not be compatible with this radio.

## VOYAGER OPTIONS

**P**ersonalizing your Voyager for your specific needs and wants is easy. Just look at the selected options below.

**A.** Tilt steering column offers variable adjustments for just the right driving position. Available on all Voyager models and included with the Popular Equipment Discount Package on all Voyager LE models.

**B.** The electric rear window defroster automatically clears the view.

**C.** Illuminated vanity mirror on both driver and front passenger visors makes cosmetic touch-ups simple. (Available in the Popular Equipment Discount Package for all Voyager SE and LE models.)

**D.** Premium AM stereo<sup>1</sup>/FM stereo radio features electronic tuning, seek-and-scan, Dynamic Noise Reduction,<sup>2</sup> a cassette tape player with automatic reverse, four speakers and integral digital clock.

**E.** Power windows and door locks add value, convenience and peace of mind to any Voyager SE or LE model.

**F.** Air conditioning keeps things cool with bi-level ventilation and a four-speed blower switch.

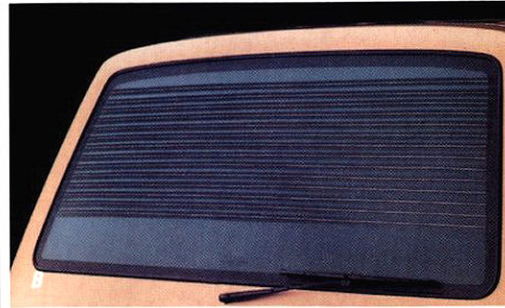

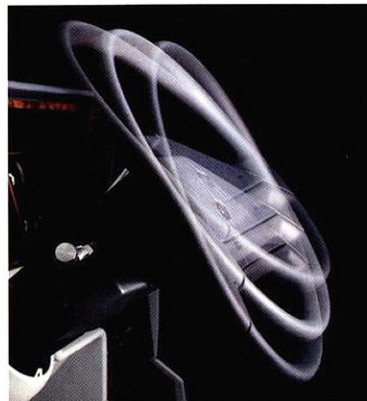

**G.** Liftgate-mounted dual floodlights brighten the rear cargo loading area and interior for excellent nighttime visibility. (Available with Light Package only.)

**H.** Luggage roof rack increases cargo-carrying capabilities and includes adjustable crossrails and multiple tie-downs.

Voyager's sense of style is evident in the selection of available wheel covers and road wheels shown below. (1) Wire wheel covers offer classic styling; locks increase security. Available on Voyager SE and LE only. (2) Fourteen-inch cast aluminum road wheels are an integral part of the Voyager SE and LE Sport Road Wheel Package. (3) Styled road wheels with bright trim ring, lug nuts and hub cover round off the selection on all Voyager models. (Fourteen-inch wheel shown.)

<sup>1</sup>Some AM stereo broadcasting may not be compatible with this system.

<sup>2</sup>Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

### VOYAGER EXTERIOR COLORS

### VOYAGER TWO-TONE COLORS<sup>1</sup>

<sup>1</sup>Available at extra cost.

<sup>2</sup>Available at extra cost on Voyager SE. No-charge option on Voyager LE as replacement for standard woodtone treatment. Not available on Grand Voyager LE or base Voyager.

NOTE: Due to printing limitations, the colors shown will vary slightly from actual hues. See your Plymouth dealer for accurate color chips.

Clear Coat finish is standard on every 1987 passenger car built by Chrysler Motors.

## STANDARD SAFETY FEATURES

- Antitheft liftgate lock • Backup lights • Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) • Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers • Dual braking system with separate brake fluid reservoirs in the master cylinder • Electric windshield washers and wipers • Electronic ignition • Energy-absorbing front seatbacks • Energy-absorbing steering column • Energy-absorbing sun visors • Fade-resistant front vented disc brakes • Glare reduction measures for windshield wipers, instrument panel and steering wheel • Hazard warning flasher system • Headlight and wiper circuit breakers with automatic reset • Ignition and steering column lock • Inside and outside rearview mirrors • Interlocking door latches • Key in ignition warning • Nonoverride door locks (except driver's door) • Recessed inside door release handles • Reinforced windshield header and roof • Resilient window crank knobs • Safety-Rim wheels • Seat belt reminder system • Side marker lights and reflectors • Turn signals with lane-change feature

**Certain models, packages, and options are subject to specific restrictions, requirements, and late availability. Consult your dealer for current ordering information.**

## OPTIONAL PACKAGES

**POPULAR EQUIPMENT DISCOUNT PACKAGE FOR VOYAGER** • AM stereo\*/FM stereo radio, with integral digital clock • 500-amp maintenance-free battery • Deluxe sound insulation<sup>1</sup> • Dual-note horns<sup>1</sup> • Dual remote control rearview mirrors • Light Package • Remote fuel filler door

**POPULAR EQUIPMENT DISCOUNT PACKAGE FOR VOYAGER/GRAND VOYAGER SE AND LE** • Accessory floor mats, front and rear: carpeted<sup>4</sup> • AM stereo\*/FM stereo radio with integral digital clock (standard on LE) • 500-amp maintenance-free battery • Deluxe sound insulation (standard on LE)<sup>1</sup> • Dual non-power remote control rearview mirrors (SE only) • Dual-note horns (standard on LE)<sup>1</sup> • Electronic speed control • Forward storage console (standard on LE)<sup>1</sup> • Gauge with Gauge Alert Package • Illuminated visor vanity mirrors, left and right sides<sup>1</sup> • Light Package • Luxury steering wheel (standard on LE) • Overhead console (LE only)<sup>1</sup> • Power liftgate release • Remote control rear quarter vent windows (not available on Grand Voyager)<sup>1</sup> • Tilt steering column (LE only)

**LUXURY EQUIPMENT DISCOUNT PACKAGE (Voyager/Grand Voyager LE)** • Popular Equipment Discount Package • Power door locks • Power driver's side bucket seat • Power windows: front doors

**TRAVEL EQUIPMENT DISCOUNT PACKAGE (Voyager/Grand Voyager SE and LE; exterior right remote control rearview mirror required on Voyager SE model)** • 500-amp maintenance-free battery • Mitsubishi 3.0-liter engine with automatic transaxle • Seven-Passenger Seating Package • Sunscreen glass

**SPORT ROAD WHEEL PACKAGE (Voyager/Grand Voyager SE and LE)** • Fourteen-inch cast aluminum wheels (four) • P205/70R14 steel-belted radial low black letter tires (set of four)

**GAUGE WITH GAUGE ALERT PACKAGE** • Engine coolant temperature gauge<sup>1</sup> and high temperature warning light • Low voltage warning light<sup>1</sup> • Oil pressure gauge<sup>1</sup> and low pressure warning light • Trip odometer with pushbutton reset<sup>1</sup>

**LIGHT PACKAGE** • Ash receiver light (standard on LE)<sup>1</sup> • Front map/reading lights (two)<sup>1</sup> • Headlight switch symbol with time delay<sup>1</sup> • Ignition switch light with time delay<sup>1</sup> • Instrument panel door-ajar light<sup>1</sup> • Instrument panel low fuel warning light<sup>1</sup> • Instrument panel low washer fluid light<sup>1</sup> • Liftgate-mounted dual floodlights<sup>1</sup> • Storage drawer light<sup>1</sup> • Underhood compartment light<sup>1</sup>

**REAR PASSENGER COMPARTMENT HEATER PACKAGE** • Deluxe sound insulation • Rear heater with front and rear controls (Seven or Eight-Passenger Seating Package required; not available on base Voyager or Grand Voyager)

**SIX-PASSENGER SEATING PACKAGE (Available Voyager and Voyager SE; not available on Grand Voyager)** • Includes three-passenger 40/60 front bench seat in cloth with vinyl trim; second seat—three-passenger bench with fixed back, side armrests and quick-release attachments

**SEVEN-PASSENGER SEATING PACKAGE (Available Voyager SE and Voyager LE; standard on Grand Voyager)** • Standard front bucket seats; second seat—two-passenger bench with fixed back, side armrests and quick-release attachments; third seat—three-passenger bench with folding back, side armrests, adjustable feature (slides front-to-rear on tracks), and quick-release attachments (seats available in standard cloth with vinyl trim or optional all-vinyl trim) • Ash receiver in C-pillar below belt • Dual rear storage bins with armrest covers incorporated into wheelwells • Heavy-duty rear brakes • Heavy-duty suspension

**EIGHT-PASSENGER SEATING PACKAGE (Available on Voyager/Grand Voyager SE)** • Includes three-passenger 40/60 front bench seat in cloth with vinyl trim; second seat—two-passenger bench with fixed back, side armrests and quick-release attachments; third seat—three-passenger bench with folding back, side armrests, adjustable feature (slides front-to-rear on tracks), and quick-release attachments • Ash receiver in C-pillar, below belt • Dual rear storage bins with armrest covers incorporated into wheel wells • Heavy-duty rear brakes • Heavy-duty suspension

## 5/50 LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or 50,000 miles (two years or 24,000 miles for fleet vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Export vehicles excluded. See copy at your dealer.

## OPTIONAL SERVICE CONTRACT

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified major components after your vehicle's basic 12-month or 12,000-mile limited warranty expires and continues for five years or 50,000 miles from the original warranty start date. A deductible applies. Allowances for car rental and towing are also included. See copy at your dealer.

## CONSIDER LEASING

More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Voyager usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

MOPAR parts are engineered by Chrysler Motors for use in your new Plymouth Voyager. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.
