# 2005 RANGER

America's best-selling compact pickup deserves only the best. So, rev up your Ranger and roll with Genuine Ford Accessories. They're stylish, designed and engineered for a precise fit and backed by one of the industry's strongest limited warranties.

# ENTICING EXTERIORS

**1. Wraparound Bug Shield**  
Excellent front-end protection with stylish wraparound design enhances vehicle's lines. Constructed of durable polycarbonate in versatile smoke color. Easy installation. Base Part No. **16C900**

**2. Low-Profile Wraparound Bug Shield**  
Protect the vehicle's front end from bugs, small stones and other debris. Durable smoke-colored acrylic to complement any exterior color. Easy to install. Ford Oval logo. Base Part No. **16C900**

**3. Side Window Deflectors**  
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Available in set of two. Base Part No. **18246**

**4. Chrome Bug Shield**  
Stylish chrome-finished bug shield protects the vehicle's front end from bugs, small stones and other debris. Easy installation. Base Part No. **16C900**

**5. Front End Cover**  
Heavy-duty vinyl shields front end from bugs, stones and off-road debris. Flannel backing minimizes moisture buildup between the cover and the painted surface. Multi-piece construction lets you open hood without removing the cover. Easy to install. Base Part No. **19A414**

**6. Custom Elliptical Step Bars\***  
Corrosion-resistant aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in chrome and black. Easy to install; no drilling is required. Base Part No. **16450**

**7. Original Equipment Step Bars\***  
A step up in style and durability. Corrosion-resistant steel substructure with a rugged step pad and a chip-resistant black finish. Easy no-drill installation. Base Part No. **16450**

**8. Color-Keyed Molded Running Boards\***  
An aerodynamic appearance enhances the Ranger's sporty lines. Constructed of a sturdy, e-coated steel substructure with a rugged TPO plastic cover. Available in select colors and primed (ready to paint). Easy, no-drill installation. Base Part No. **16450**

**9. Bed Extender Cargo Cage\***  
Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove. Styleside only. Base Part No. **286A40**

**10. Taillamp Surrounds**  
Add a custom look to any truck. Constructed of impact-resistant ABS plastic with self-adhesive backing for easy installation. Available with a high-nickel chrome finish, black or primed (ready to paint). Base Part No. **13B564**

**11. Manual Sliding Rear Window\***  
Provide extra ventilation and comfort. Features solar-tinted glass that helps reduce glare from the sun. Base Part No. **422B30**

**12. Fog Lights**  
For optimal vision and safety. Fog lights mount to the lower fascia of the front bumper with original equipment design that ensures proper fit. 4x4 XLT only. Dealer installation recommended. Base Part No. **15200**

**13. Chrome Exhaust Tip**  
Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Base Part No. **5K238**

*\*Eligible for residualization under a Ford Credit Red Carpet Lease.*

#### Custom Wheels\*

A selection of custom wheels is now available at your local Ford dealer. Designed specifically for your vehicle, they meet Ford's rigorous appearance, durability and corrosion-resistance requirements. Each wheel is kitted and includes the wheel, center cap and chrome lug nuts (most applications). Base Part No. 1007

#### 14. 3L5Z-1007-AB

16" X 7" Aluminum with mirror finish and dark-painted pockets. Includes center cap with Ford logo (kit does not include lug nuts).

#### 15. 2L5Z-1007-CA

16" X 7" Aluminum with mirror finish and dark-painted pockets, 5-spoke style. Includes center cap with Ford logo and chrome lug nuts.

#### Protect your wheels!

See page 11 for Wheel Locks.

16

#### 16. Sport Liner™

Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of bed retaining features such as two-tier loading and tie downs. Easy to clean. Fits all 6-ft. bed sizes. Base Part No. 00038

#### 17. Bedliner with Tailgate Liner\*

Heavy-duty, ribbed, skid-resistant surface. Offered in black with Ford logo. Available in all bed sizes. No-drill installation. Base Part No. 00038

#### 18. Bed Tailgate Liner\*

(not pictured) Heavy-duty, ribbed, skid-resistant surface. Available in black in all bed sizes. No-drill installation. Base Part No. 00038

#### 19. Bed Mat

Custom-designed, heavy-duty rubber mat to protect your truck bed. Made of reinforced, synthetic rubber that resists cracking or breaking. Available in all bed sizes. Base Part No. 642A94

#### 20. Retractable Bed Hooks

An excellent way to tie off and secure an awkward load or tarp. Easily installed using existing stake holes in the pickup box. Hooks retract when not in use. Maximum load is 400 lbs. (180 kg) per hook. Two bed hooks included with each package. Available in black or stainless steel. Base Part No. 000A64

17

19

20

#### 21. TracRac Adjustable Rack System

TracRac is an adjustable overhead rack system that allows you to expand cargo-carrying capacity. Base kit includes two triple-track base rails, two sliding overhead racks and four cross bar tie-downs. Extruded aluminum base rails mount to existing stake holes – no drilling required. System lets you slide or remove the overhead cross bars. Perfect for ladders, lumber or whatever the job demands. Constructed of anodized aluminum, TracRac is resistant to rust and corrosion. 6-ft. Styleside only. Base Part No. 55200

#### 22. TracRac Cargo Area Divider

Help prevent items like building materials or large tools from sliding around in the bed. The Cargo Holder slides independently on inner tracks. 6-ft. Styleside only. Base Part No. 00092

#### 23. TracRac Basetrack Tie-Down

Sliding tie-downs provide a convenient place to attach a rope or bungee cord for securing cargo in the bed. Simply loosen the knob and slide the tie-down to the desired position. Sold in pairs. Base Part No. 000A64

#### 24. TracRac Locking TracKnobs

Secure the TracRac or other accessories to the truck – simply replace the standard knobs with the TracKnobs, twist the key and the component is locked in place. Sold in pairs with keys. 6-ft. Styleside only. Base Part No. 000A25

#### 25. Boxtop – Hard Tonneau Cover\*

This hard fiberglass tonneau cover, manufactured by Leer,™ dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure trunk. Available in colors to match your vehicle or primed (ready to paint). Base Part No. 501A42

21

22

25

26

23

24

#### 26. Soft Tonneau Cover – Snapless

Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Base Part No. 501A42

#### 27. Soft Tonneau Cover – With Snaps

Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. No-drill installation. Base Part No. 501A42

# INSIDE AMENITIES

**28. Trailer Hitch Receiver Cover**  
Provides a nice clean look, while preventing dirt, mud and snow from clogging the trailer hitch receiver. Available for 2" (5 cm) hitch assemblies.  
Base Part No. **17F000**

**29. Trailer Hitch Assembly – Class III/IV**  
Original equipment hitch bolts on to existing holes – no drilling or welding. NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details.  
Base Part No. **17D826**

**30. Trailer Hitch Balls**  
Available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. See your dealer for towing limitations. Available for vehicles equipped with a trailer hitch.  
Base Part No. **19F503**

**31. Trailer Hitch Drawbars**  
Designed for 2" receivers. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Durable black powder-coat finish. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch.  
Base Part No. **19A282**

28

30

31

32

33

**32. Speed Control**  
Microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Dealer installation recommended.  
Base Part No. **9A818**

**33. Rear Seat Cargo Organizer – SuperCab**  
Fits 4-door SuperCabs only. Made of premium-grade polyethylene with molded dividers that help separate belongings. Easy under-seat installation and removal – no tools required. Also helps protect vehicle interior from spills.  
Base Part No. **115A00**

**34. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors**  
Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. New Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended.  
Base Part No. **17700**

34

**35. All-Weather Vinyl Floor Mats**  
The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Available in colors that complement your vehicle interior. Front and rear mats are sold separately as 2-piece kits; front mats have Ranger logo.  
Base Part No. **13086** Front  
Base Part No. **13106** Rear

**36. Carpeted Floor Mats**  
Premium-grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Sold as 2-piece front kits and 2-piece rear kits; front mats have Ranger logo.  
Base Part No. **13086** Front  
Base Part No. **13106** Rear

35

36

# PEACE OF MIND

# READY FOR ACTION

**37. BeddyJo Bike Carrier by Yakima™**  
Installs in minutes without tools. Sturdy steel construction with foam padding to help protect your vehicle's finish. Holds up to two bikes. Fully compatible with bedliners. Base Part No. 55100

**38. Bed Tent**  
No need to find a flat, dry campsite. This fully enclosed, water-resistant tent converts the pickup bed into comfortable sleeping quarters for two. Specially designed clips make installation easy. Four windows for full ventilation. Carrying bag included. Available on Styleside 6-ft. bed. Base Part No. 000C38

**39. Remote Start Systems\***  
Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. (150 m) away, and ensure that it's locked and that its security system (if equipped) is armed. Comes with two remote transmitters. Two systems to choose from: Remote Start only; and Remote Start and Vehicle Security. Available for automatic transmissions only. Dealer installation recommended. Base Part No. 19G364

**40. Vehicle Security Systems\***  
Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Three systems to choose from: Vehicle Security only; Deluxe Vehicle Security; and Vehicle Security with Remote Start. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. 19A361

**41. Remote Keyless Entry\***  
If your vehicle is equipped with power door locks, the remote keyless entry will let you lock and unlock the doors from up to 50 ft. (15 m) away. System features remote illuminated entry, which turns on the dome light, and a one-button personal protection panic feature that activates the vehicle's horn. Includes two hand-held remotes. Dealer installation recommended. Base Part No. 19A361

**42. Locking Gas Cap**  
To prevent loss, a plastic tether attaches cap to the vehicle. Swing-away cover helps keep moisture and debris out of locking mechanism. Includes two keys. Base Part No. 9030

**43. Wheel Locks**  
For added protection against wheel theft, replace one lug on each wheel with one of these locks. Kit includes four locks and key. Base Part No. 1A043

**44. Spare Tire Lock**  
(not pictured) Secures the spare tire without compromising the original equipment crank-down system. It works with the vehicle's standard drive tool. No need to crawl under the vehicle to remove. Kit includes one locking bolt and one specially coded key. Base Part No. 1386

**45. Highway Safety Kit**  
Convenient carrying kit includes a first-aid kit, a reflective triangle, a flashlight, bungee cords, a thermal blanket, cotton gloves, hose tape, a multifunction knife, Phillips and slotted head screwdrivers, jumper cables, pliers and a 12-hour light stick. Base Part No. 19F515

**46. Keyless Entry Keypad**  
Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary – programmable, backlit keypad tunes to the same frequency as your transmitter. Long-life battery (lasts 100,000 cycles). Easy no-drill installation. For vehicles equipped with factory remote keyless entry. Base Part No. 14A626

**47. Daytime Running Lamp Module**  
This system automatically activates the low-beams at 75% of their normal operating voltage whenever the ignition is in the "on" position. Dealer installation recommended. Base Part No. 13B218

**48. Full Vehicle Cover**  
Constructed of multi-layer, non-woven, breathable material, NOAH® covers resist rain, snow, acid rain and bird droppings, and protect your vehicle's finish from UV rays and door dings. Features double-stitched overlapped seams, elastic sewn into the front and rear hems to help hold cover in place, and non-scratch grommets that can be used with a tie-down rope (included) or a cable and lock (not included). Each cover has a silk-screened logo on front and a license plate view window in rear. SuperCab, Styleside and Flareside. Base Part No. 19A412

**49. First-Aid Kit**  
Compact case fits into glove compartment or center console so it's always there when you need it! Contains general first-aid items such as bandages, gauze, antibacterial ointment and more. Base Part No. 19F515

\*Eligible for residualization under a Ford Credit Red Carpet Lease.

### Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory.

This means that Genuine Ford Accessories purchased along with your new vehicle are covered for the full length of your New Vehicle Limited Warranty — 3 years or 36,000 miles (whichever occurs first) should installation occur during this time. If you choose at a later date to purchase a Genuine Ford Accessory, it will be covered for 12 months or 12,000 miles (whichever occurs first). Contact your dealer for details and a copy of the warranty.

### Red Carpet Lease

Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details.

### ESP PremiumCare Plan

Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details.

NOTE: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
