LINCOLN

AVIATOR

TRAVEL WELL

Lincoln Aviator in Black with available Elite Package.

The Heart of an Athlete.

Lincoln Aviator's sophisticated luxury and expressive style have already caught your eye. Now prepare for its athletic personality to steal your heart. With all the right proportions, plus its 4.6L DOHC 32-valve V-8 engine pumping out a full 302 hp and 300 lb.-ft. of torque, Aviator is the SUV of choice for those seeking the ultimate blend of responsiveness and agility. In fact, *AutoWeek* called it "one of the best-handling SUVs we've driven."

The all-aluminum 4.6L V-8 not only empowers you to pass with confidence, it can also help you tow up to 7100 lbs.* Since 90 percent of its peak torque is available at only 2000 rpm, Aviator excels at towing and off-the-line acceleration, exhibiting its pure athletic stamina.

*AWD with available Class III/IV Trailer Towing Package, when properly equipped.

The Soul of a Lincoln.

A sport-utility vehicle of the highest caliber, Aviator delivers all the supreme versatility and exceptional capability you desire. Of course, Aviator is also a Lincoln, so you can expect a lengthy list of luxurious amenities as well as remarkable handling and maneuverability.

AdvanceTrac® with Roll Stability Control™ (RSC)* is standard on every Aviator. By automatically applying the brakes and modulating engine torque to help maintain control whenever it detects wheel slip, understeer or oversteer, AdvanceTrac gives you more control in adverse conditions such as ice, gravel or rain. Class-exclusive** RSC utilizes a gyroscopic sensor to closely monitor the vehicle's roll stability condition and engages AdvanceTrac as soon as an unstable situation is detected, further enhancing vehicle stability under fully loaded conditions and when driving on uneven surfaces. It's peace of mind and driving confidence you can't find anywhere else.

Aviator's standard sport-tuned 4-wheel independent suspension includes aircraft-grade aluminum components and monotube shocks. It delivers a luxurious ride and crisp, agile handling to keep you fully in touch with the road. As *Road & Track*¹ said, "... the Aviator is a breeze to drive in urban confines." At low speeds, its variable-assist power rack-and-pinion steering makes it easy to steer into tight spaces. At highway speeds, the assist rate changes to provide more precise response, inspiring confidence with every turn of the wheel. Available All-Wheel Drive (AWD) automatically sends the most power to the wheels with the most grip, providing improved handling on dry roads and improved traction on slick surfaces.

Rest assured, in Lincoln Aviator, you will always Travel Well.

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**Midsize Premium SUV. ¹Road & Track, February 2003.

TAKE CONTROL

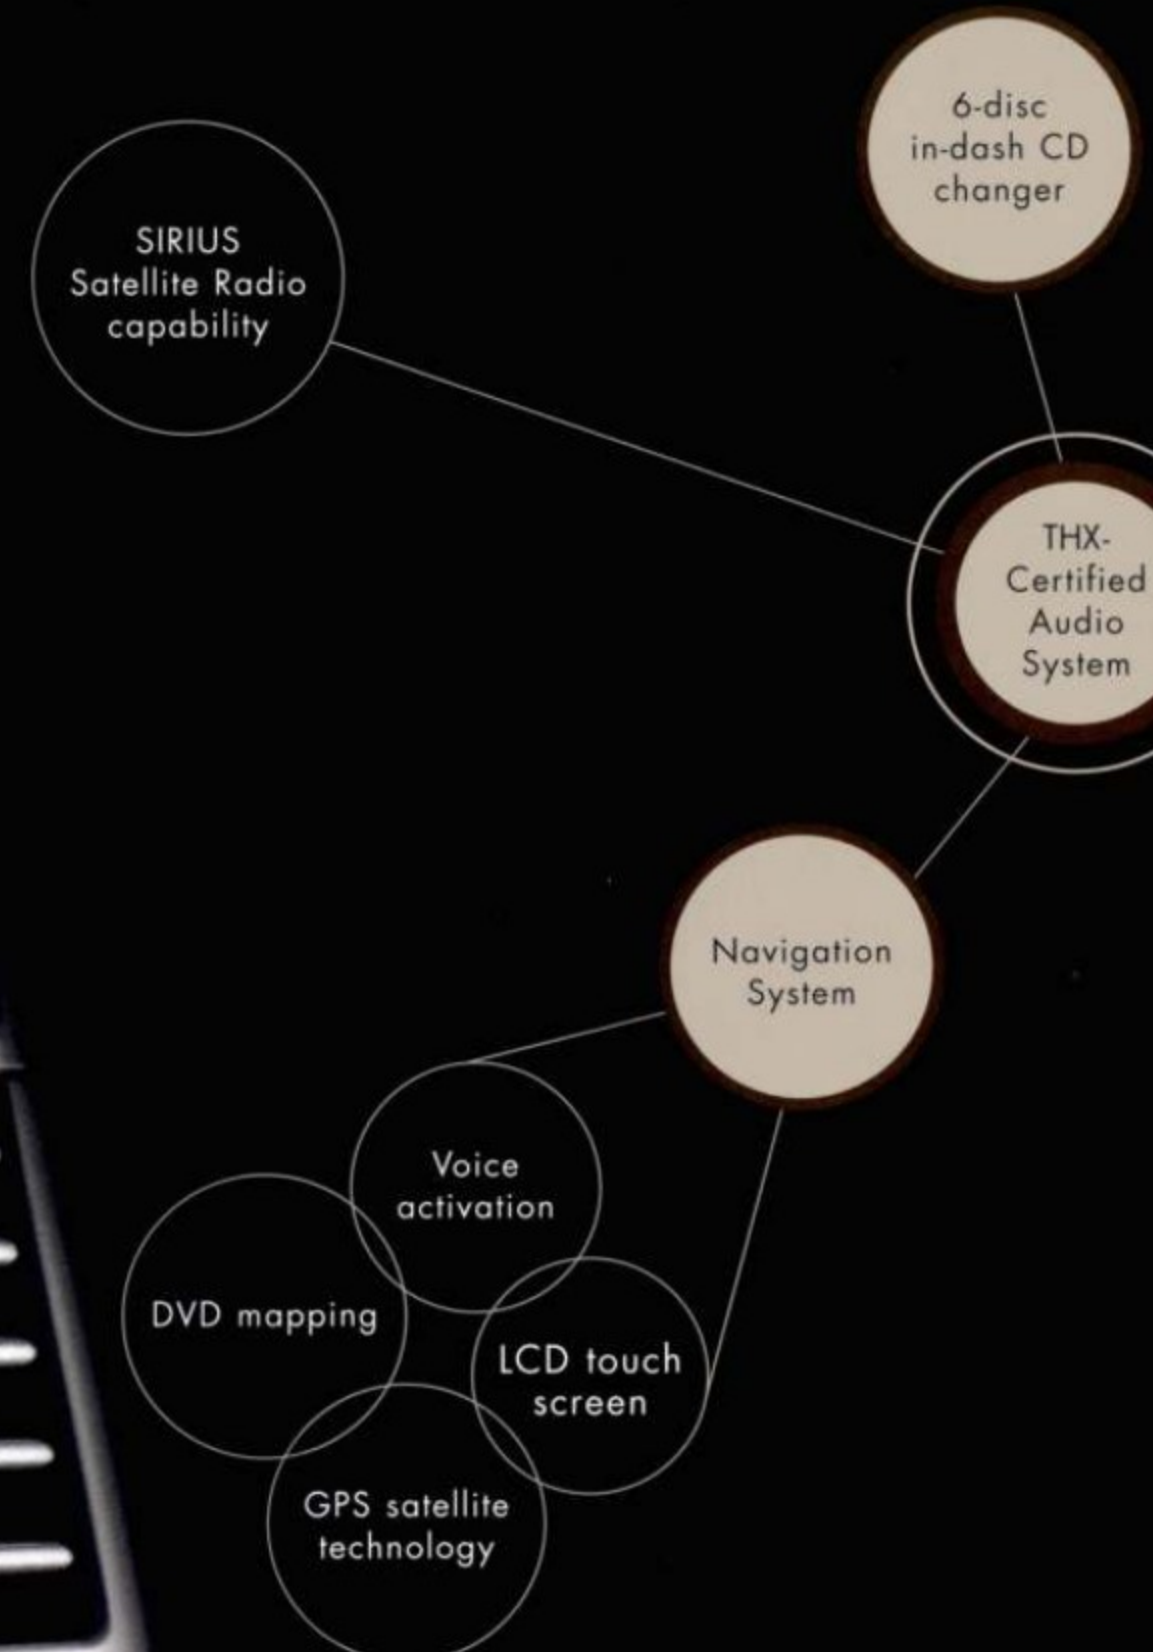

Lincoln Aviator in standard 6-passenger seating configuration with 1st- and 2nd-row leather-trimmed bucket seats in Camel.

With its luxuriously appointed cabin and flexible seating choices, Lincoln Aviator offers interior versatility that is as stylish as it is functional. Standard accommodations seat up to 6 people. Choose the available 2nd-row 40/20/40 split-bench seat to raise your capacity to 7. When you need extra cargo room, Aviator's 3rd-row seat conveniently folds into the floor, leaving you over 39 cu. ft. of space. With both the 2nd and 3rd rows folded, you'll have up to 78.3 cu. ft. Cargo and load capacity limited by weight and weight distribution.

Only the finest materials are selected to create our timeless interior designs. Crisp, white LED lighting, smooth satin-nickel accents and rich American walnut burl wood grace Aviator's interior with sophistication and elegance. For the ultimate in comfort, the 1st- and 2nd-row seats are trimmed in glove-soft premium perforated leather, and Dual-zone Electronic Automatic Temperature Control allows the driver and front passenger to select different temperatures.

Certified to Perform.

Lincoln Aviator is the first in its class to offer a cinema-quality sound system created exclusively for an SUV. Just like THX® technology at the movies, the available Lincoln Soundmark™ THX-Certified Audio System ensures the finest-quality sound. THX engineers analyzed the acoustic properties of Aviator's interior as they fine-tuned the system's output. 3 different listening modes deliver the best-possible sound to each seat, according to how many people are inside. 9 speakers, 300 watts of power and a 6-disc in-dash CD changer provide it. To further enhance your travel experiences, we've packaged this sonic treasure with a Navigation System that understands 171 voice commands, calling out directions, turn by turn. It combines DVD mapping with Global Positioning System (GPS) satellite technology.

SIRIUS Satellite Radio* service, which features over 120 channels of coast-to-coast music, news and entertainment, can be added to the available Soundmark THX-Certified System or the available Audiophile Sound System (page 15) for a seemingly endless outpouring of audio bliss.

*See your Lincoln Mercury Dealer for installation and activation details.

The available Lincoln Soundmark THX-Certified Audio/Navigation System features a 6.5" color LCD screen that presents high-quality navigation graphics, while Map, Destination and Menu buttons, touch-screen simplicity and voice activation make it instinctively easy to use.

Just Rewards.

When it's time to play, Aviator answers the call with a Dual-Media sound system that lets you listen to both CDs and cassettes with brilliance and clarity. The driver-adjusted, speed-compensated volume feature maintains your desired level of sound at varying speeds. Step up to the available Audiophile Sound System (left) to get 290 watts of power, 7 speakers (including a subwoofer and 2 tweeters), a 6-disc in-dash CD changer, and the ability to display the station name when receiving signals from a radio station equipped with the Radio Data System (RDS).

Keep your 2nd- and 3rd-row passengers happy with an available overhead Rear-Seat DVD Entertainment System (above). They can enjoy DVDs, CDs and video games on the flip-down 7" color LCD screen. Wireless headphones help keep the cabin quiet. Taking the term "climate control" to a whole new level (below), Lincoln Aviator is the only vehicle in its class to feature available heated *and* cooled front seats. With 5 different settings for each, you can create your own perfect interior forecast.

LINCOLN AVIATOR EARNED THE HIGHEST RATING – BEST PICK IN ITS CLASS – FROM THE INSURANCE INSTITUTE FOR HIGHWAY SAFETY (IIHS)* UP FRONT, THE PERSONAL SAFETY SYSTEM™ CONTROLS AIRBAG-ENERGY DEPLOYMENT LEVELS AND SAFETY BELT TENSION IN AN ACCIDENT, PROVIDING OPTIMUM PROTECTION FOR THE DRIVER AND FRONT PASSENGER. ON THE SIDES, AVIATOR'S SAFETY CANOPY™ SYSTEM DEPLOYS SIDE-CURTAIN AIRBAGS IN CERTAIN SIDE-IMPACT COLLISIONS AND ROLLOVER EVENTS. THEY COVER THE 1ST- AND 2ND-ROW SIDE GLASS (BELOW) TO OFFER ENHANCED HEAD PROTECTION FOR OUTBOARD PASSENGERS IN THOSE ROWS.

UNDERNEATH, ADVANCETRAC® WITH ROLL STABILITY CONTROL™ (RSC) GIVES YOU THE DRIVING CONTROL YOU NEED. AVIATOR'S TIRE PRESSURE MONITORING SYSTEM ALERTS YOU WHEN ANY TIRE (EXCEPT THE SPARE) DROPS BELOW RECOMMENDED PRESSURE. FINALLY, THE REVERSE SENSING SYSTEM ALERTS YOU WITH A BEEPING TONE IF YOU COME WITHIN 6 FEET OF AN OBJECT WHEN IN REVERSE.

*Based on 40-mph frontal offset crash test, 2003-2004 model years.

Lincoln Aviator in Silver Birch Metallic with available 17" 6-spoke chrome-clad aluminum wheels and roof-rail crossbars.

AVIATOR

Performance

Brakes - power 4-wheel disc with Anti-lock Brake System and Electronic Brake Force Distribution

Cooling System - fail-safe

Drivetrain - rear-wheel drive

Engine - 4.6L DOHC 32-valve V-8

Fuel Injection - sequential multi-port electronic

Shock Absorbers - monotube gas-pressurized

Steering - speed-sensitive, variable-assist, power rack-and-pinion

Suspension - front: independent Short- and Long-Arm (SLA) with coil springs, shock absorbers and stabilizer bar; rear: independent SLA with toe link, coil springs, shock absorbers and stabilizer bar

Tires - P245/65R17 all-season black sidewall

Transmission - 5-speed electronic automatic with overdrive

Interior

Assist Handles - color-keyed, 1 in 1st row and 2 in 2nd row

Audio - Premium Dual-Media AM/FM stereo/CD/cassette player with driver-adjusted, speed-compensated volume control and 4 speakers

Auxiliary Climate Control - overhead vents for 2nd and 3rd rows, controls in overhead console and back of 1st-row floor console

Cargo-Area Storage - under floor

Climate Control - Dual-zone Electronic Automatic Temperature Control with duplicate steering-wheel-mounted controls

Clock - analog, mounted between instrument panel center vents

Coat Hooks - color-keyed, 2nd and 3rd rows

Cupholders - 2 each in 1st, 2nd and 3rd rows

Floor Consoles - 1st row with floor shifter, power window switches, covered storage bin, power point, cigar lighter, auxiliary climate controls and 4 cupholders; 2nd row with padded armrest, storage and 2 cupholders

Floor Mats - carpeted, 1st and 2nd rows

Power Points - located in 1st (center console), 2nd (rear of front center console) and 3rd rows

Rearview Mirror - auto-dimming

Seats - 1st row: leather-trimmed low-back bucket seats with 2-way head restraints and 8-way power seats including power lumbar support; 2nd row: leather-trimmed low-back fold-down bucket seats with 2-way head restraints and easy entry to 3rd row; 3rd row: fold-into-floor bench seat with 2-way adjustable head restraints

Visors - with dual-illuminated mirrors

Exterior

Antenna - concealed

Bodyside Cladding - color-keyed with lower accent color and color-keyed wheel-lip moldings

Bumpers - color-keyed upper fascia and accent-colored lower fascia

Door Handles - body-color

Fog Lamps

Glass - solar-tinted in front doors and windshield; privacy in rear doors, rear quarter windows and liftgate

Grille - chromed slats and surround, integrated with hood

Headlamps - halogen

Liftgate - flip-up glass and integrated power release buttons for glass and liftgate

Rear-Window Defroster

Roof Rails - side roof rails with chrome accents

Running Boards - integrated and accent-colored

Sideview Mirrors - color-keyed, power, heated with security approach lamps, integrated turn signal indicators and memory feature

Trailer Tow Hitch Receiver - Class II frame-mounted, integrated into rear bumper fascia

Wheels - 17" 7-spoke machined-aluminum

Wipers - windshield: speed-sensitive, variable-intermittent; rear window: 2-speed intermittent with washer

Safety/Security

AdvanceTrac[®] with Roll Stability Control[™] (RSC)

Airbags¹ - dual-stage driver and front-passenger; side-curtain airbags as part of the Safety Canopy[™] System

Autolamp - automatic on/off headlamps with delay

Battery Saver

Brake/Shift Interlock

Child-Safety Rear Door Locks

Keyless Entry Keypad - driver's-door-mounted

LATCH - 2nd-row lower anchors and tether anchors for child-safety seats

Personal Safety System[™] - including dual-stage front airbags with front crash severity sensor, sensors to detect front safety belt usage and driver's-seat position, front safety belt pretensioners and energy-management retractors

Remote Keyless Entry System - with illuminated entry, theater dimming and security approach lamps

Safety Belts - color-keyed lap and shoulder belts for all seating positions with height-adjustable shoulder belts for 1st- and 2nd-row outboard seats

Safety/Security (continued)

Safety Canopy System - 1st- and 2nd-row side-curtain airbags with rollover sensors

SecuriLock[®] Passive Anti-Theft System

Side-Impact Door Beams

Tire Pressure Monitoring System² - with message center alert and indicator light

Instrumentation/Driver Control

Accessory Timed Delays

HomeLink[®] Universal Transceiver³ - located in overhead console

Instrument Cluster - white LED backlit cluster with speedometer, tachometer, fuel level, coolant temperature and message center

Memory Setting Controls - driver's-seat position, sideview mirrors and power-adjustable pedals

Message Center - includes check engine warning, odometer, maintenance requirements, fuel economy, fluid levels, oil pressure, transmission check, compass display, outside temperature, Reverse Sensing System disable and fuel availability

Overhead Console - includes 1st-row map lights, dual sunglasses storage, HomeLink Universal Transceiver controls and auxiliary climate controls

Power-Adjustable Pedals - with memory

Power Door Locks

Power Windows - with one-touch-up/-down driver's-side feature

Reverse Sensing System - integrated in rear bumper

Speed Control - electronic, steering-wheel-mounted

Steering Wheel - tilt, leather- and wood-trimmed with audio, climate and speed controls

AVAILABLE EQUIPMENT

All-Wheel Drive

Audio - Lincoln Soundmark[™] Audiophile Sound System with AM/FM stereo/6-disc in-dash CD changer, SIRIUS Satellite Radio⁴ capable

Audio/Navigation - Lincoln Soundmark THX[®]-Certified Audio System including voice-activated, touch-screen DVD/Satellite Navigation System and 6-disc in-dash CD changer, SIRIUS Satellite Radio capable (requires a Luxury Enhancement Package)

Elite Package - includes heated and cooled front seats, 17" 6-spoke chrome-aluminum wheels, power moonroof, roof-rail crossbars, Lincoln Soundmark THX-Certified Audio System, Class III/IV Trailer Tow (AWD only), Rear-Seat DVD Entertainment System and High-Intensity Discharge (HID) headlamps (not available with Luxury Enhancement Moonroof Package, Luxury Enhancement Rear-Seat DVD Entertainment System Package or chrome-clad wheels)

Headlamps - High-Intensity Discharge (HID)

Heated and Cooled Seats - driver and front-passenger with 5 settings

Luxury Enhancement Moonroof Package - includes heated and cooled front seats, 17" 6-spoke chrome-aluminum wheels, Audiophile 6-disc CD changer, roof-rail crossbars and power moonroof (not available with Luxury Enhancement Rear-Seat DVD Entertainment System Package, Elite Package or chrome-clad wheels)

Luxury Enhancement Rear-Seat DVD Entertainment System Package - includes heated and cooled front seats, 17" 6-spoke chrome-aluminum wheels, Audiophile 6-disc CD changer, roof-rail crossbars and Rear-Seat DVD Entertainment System (not available with Luxury Enhancement Moonroof Package, Elite Package, chrome-clad wheels or power moonroof; if moonroof is desired, order Luxury Enhancement Moonroof Package and add Rear-Seat DVD Entertainment System)

Moonroof - power, includes mini-overhead console

Rear-Seat DVD Entertainment System - includes 2nd-row overhead DVD player with infrared remote, flip-down 7" color LCD screen and 2 sets of wireless headphones

Roof-Rail Crossbars

Seats - 2nd-row 40/20/40 split-bench seat with premium leather trim

Trailer Tow Package - includes frame-mounted Class III/IV hitch receiver and 7-pin wiring harness (AWD only)

Wheels - 17" 6-spoke chrome-clad aluminum wheels

WHEELS

- | | | |
|---|----------------------------------|----------------|
| A | 17" 6-spoke chrome-clad aluminum | Optional |
| B | 17" 6-spoke chrome-aluminum | Package option |
| C | 17" 7-spoke machined-aluminum | Standard |
