MERCURY

DISCOVER MERCURY GRAND MARQUIS FOR 2005. The enhanced road handling of rear-wheel drive and the proven power of its V-8 engine make driving Grand Marquis truly enjoyable. And with the roomiest interior and biggest trunk in the class, it's perfect for a night on the town or a week on the road. In fact, Grand Marquis has been recognized by R.L. Polk for having the Highest Model Loyalty in the Large Car Category.* With all that it provides, that should come as no surprise.

*According to R.L. Polk statistics for the Large Car Category in the 2003 model year, Grand Marquis ranked highest by having the greatest percentage of households return to purchase or lease another Grand Marquis.

Above: Grand Marquis LS Ultimate with available Medium Parchment leather-trimmed interior. Shown on cover: Grand Marquis LS Premium 30th Anniversary Edition in Vibrant White.

GS Two-Tone Edition Shown above in Light Tundra Metallic with Gold Ash Metallic accent and available 16" chromed wheel covers, this stylish package includes both exterior and interior touches. Special exterior features include a two-tone paint appearance, paint stripes, color-keyed bodyside moldings, unique scuff plates, unique C-pillar badging, a hood ornament, and body-color door handles and surrounds. The dramatic two-tone leather-trimmed interior features the Mercury logo debossed in the front seatbacks.

DISCOVER THE DETAILS

Power Driver's Seat Standard on every Grand Marquis, the 8-way power driver's seat features power lumbar for additional back support, helping make every journey in Grand Marquis more enjoyable.

Highest Government Safety Rating Grand Marquis has received the government's highest frontal crash-test rating for 10 consecutive years ('96-'05). When equipped with available side-impact airbags, Grand Marquis is also the only vehicle in its class to receive the government's highest rating in all 5 categories.**

Power-Adjustable Pedals These innovative brake and accelerator pedals help Grand Marquis accommodate drivers of all heights. They can be moved forward or back over 2" to improve driver comfort. Standard on GS Convenience and LS series.

Overhead Console Standard on the LS series, this versatile feature includes a digital compass, dome/map lights, and the HomeLink® Universal Transceiver to activate your garage door opener plus 2 additional home-based units.

**Driver frontal impact, passenger frontal impact, front-seat side impact, rear-seat side impact, and Rollover Resistance Rating.
