1. Chromed Bug Shield

Stylish chrome-finished bug shield protects the edge of your hood from bugs, small stones and other debris. Easy installation.
Base Part No. 16C900

2. High-Profile Wraparound Bug Shield

Excellent protection for the edge of your hood. Smoke-colored to enhance any exterior color. Easy to install.
Base Part No. 16C900

3. Low-Profile Wraparound Bug Shield

Protect the edge of your hood from bugs, small stones and other debris. Durable smoke-colored acrylic complements any exterior color. Easy to install.
Base Part No. 16C900

4. Side Window Deflectors

Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation.
Base Part No. 18246

5. Manual/Power Sliding Rear Windows*

Provide extra ventilation and comfort. Manual windows have privacy/solar-tinted glass to help reduce glare from the sun. Power windows open and close using a convenient dash-mounted switch.
Base Part No. 422B30

6. Custom Chromed Step Bars*

Corrosion-resistant, chrome-plated aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 4" and 5" tube diameter. Easy to install; no drilling is required. (5" step bar pictured.)
Base Part No. 16450

7. Custom Black Step Bars*

Corrosion-resistant, black-finished aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 4" and 5" tube diameter. Easy to install; no drilling is required. (4" step bar pictured.)
Base Part No. 16450

8. Original Equipment Step Bars*

A step up in style and durability. Corrosion-resistant steel substructure with a rugged step pad and a chip-resistant black finish. Easy no-drill installation.
Base Part No. 16450

9. Original Equipment Molded Running Boards*

Molded in black plastic. Easy no-drill installation. Super Cab and Crew Cab only.
Base Part No. 16450

10. Moonroof Deflector

Attractive smoke-colored deflector helps reduce wind noise while letting fresh air flow in. Installs easily.
Base Part No. 500A26

*Eligible for residualization under a Ford Credit Red Carpet Lease.

11. Boxtop – Hard Tonneau Cover*

This unique hard fiberglass tonneau cover, manufactured by LEER,[™] dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure storage area. Available in colors to match or complement your vehicle, or primed (ready to paint).
Base Part No. **501A42**

12. Soft Tonneau Cover – With Snaps

Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. Available in all bed sizes. No-drill installation.
Base Part No. **501A42**

13. Soft Tonneau Cover – Snapless

Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Available in long- and short-bed models.
Base Part No. **501A42**

14. Soft Roll-Up Tonneau Cover

Uniquely designed, matte black cover has integrated rubber seals to protect cargo against dust and moisture. Automatic tension control maintains perfect adjustment at all times. Tear-resistant, double-sided fabric uses a heavy-duty Velcro[®] hook and loop to keep the cover securely fixed to the side rails of your truck bed. No-drill installation. Fits all Styleside bed sizes.
Base Part No. **501A42**

15. Sport Liner[™]

Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of the bed's retaining features such as two-tier loading and tie downs. Easy to clean. Fits all bed sizes.
Base Part No. **00038**

16. Bedliner*

Conforms to the contours of the vehicle bed. Features the DuraLoc[®] cargo restraining system that allows the use of 2x4s to compartmentalize loads or create two-tiered stacking. Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold, mildew and corrosion. In addition, new anti-static materials have been incorporated into the mat's finish to reduce the chance of static-induced sparks. Available in all bed sizes, in black with Ford oval or Ford Racing logo. Includes tailgate liner. Styleside and Flareside.
Base Part No. **00038**

17. Bed Tailgate Liner*

Heavy-duty, black, ribbed, skid-resistant surface. No-drill installation. Styleside and Flareside.
Base Part No. **000A38**

18. Bed Mat

Custom-designed, heavy-duty rubber mat to protect your truck bed. Made of reinforced, synthetic rubber that resists cracking or breaking. Available in all bed sizes.
Base Part No. **112A15**

19. Bed Extender Cargo Cage*

Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove. Available for Styleside 5.5-ft. and 6.5-ft. beds.
Base Part No. **286A40**

*Eligible for residualization under a Ford Credit Red Carpet Lease.

20. Flat Splash Guards

Guard against mud, snow and ice. Durable splash guards are embossed with Ford logo. Packaged in a 2-piece set.

Base Part No. 16A550

21. Molded Splash Guards

Deflect mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty black plastic construction resists cracking.

Packaged in a 4-piece set for F-150 and 2-piece rear for Styleside. NOTE: Specify trim level.

Base Part No. 16A550

22. Removable Trailer Tow Mirrors

If you only tow a trailer occasionally, then these removable trailer tow mirrors are just what you need. They slide easily over your existing mirrors to provide additional rear vision when pulling your trailer.

Base Part No. 17696

23. Exterior Telescoping Trailer Tow Mirrors – Manual, Power and Signal

Three styles available. **Manual** – Helps increase your range of vision. Available in black. **Power** – Features a power adjust. For vehicles equipped with power mirrors only. Available in black.

Signal®/Power/Heated – Lighted arrow illuminates from behind the glass when turn signals or hazard flashers are activated. Heated glass is added to minimize snow and ice buildup. Also features a clearance light for added safety. Available in black or chrome. NOTE: Signal kit replaces the mirror glass only, not the entire mirror housing. Complete wiring assembly is included. Dealer installation only.

Base Part No. 17696

Signal® is a registered trademark of K.W. Muth Co., Inc.

24. Rear Seat Cargo Organizer

Made of premium-grade polyethylene with molded dividers that help separate belongings. Easy under-seat installation and removal. Available on Regular Cab, Super Cab and Super Crew (all without subwoofer).

Base Part No. 115A00

25. Chromed Exhaust Tip

Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary.

Base Part No. 5K238

26. Trailer Hitch Wiring Kit

This wiring harness assembly is made to plug into the factory wiring harness at the rear of your vehicle. The 7-pin design allows the use of trailers with electric brakes.

The 4-pin design does not allow the use of trailers with electric brakes. Includes a bracket for convenient attachment. Dealer installation recommended.

Base Part No. 13A576

27. Trailer Hitch Assembly – Class III

Original equipment hitch bolts directly into existing holes – no drilling or welding required. Class III hitch assembly includes a hitch and vehicle-specific brackets/fasteners. NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details.

Base Part No. 19D520

28. Trailer Hitch Balls

Chrome trailer hitch balls available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters. Hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch.

Base Part No. 19F503

29. Trailer Hitch Drawbars

Designed for 2" receivers. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Durable black powdercoat finish. Refer to your Owner's Guide for towing limitations.

Base Part No. 19A282

30. TripTunes™

Take your tunes on the road! Now you can connect most portable audio players (MP3, iPod®, iRiver®, ScanDisk®, etc.), plus portable CD and cassette players, right to your in-dash radio. Just plug your player into the harness – a 3.5mm stereo connector provides the interface so you can listen to music through the radio's speakers and control the volume. Audio connection is housed securely in your vehicle's glovebox or center console.

Base Part No. 19C142

31. Mobile-Ease™

Use simple voice commands to dial your Bluetooth™-equipped wireless phone – hands free! Mobile-Ease mutes your vehicle's audio system whenever you make or receive calls and provides hands-free communication using a microphone and the vehicle's audio system. Once paired, Mobile-Ease automatically links with your Bluetooth-equipped wireless phone whenever you get in your vehicle. Visit bluetooth.letstalk.com for available Bluetooth phones.

Base Part No. 19G399

32. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors

Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended.

Base Part No. 17700

33. Vehicle Security System*

Protect your vehicle – and its contents – with a state-of-the-art security system. Two-step perimeter alarm gives a warning chirp for non-threatening impacts and a Real Panic Sound® if security is threatened. IT-s® (Interior Theft Sensor) uses infrared technology to protect the vehicle's contents. Factory-supplied transmitter remotely locks/unlocks doors and deactivates the alarm. Dome lights are activated for illuminated entry/exit. For vehicles equipped with factory keyless entry. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces.

Base Part No. 19A361

34. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Three systems to choose from: Remote Start Only can start the vehicle from up to 1,000 ft. (300 m) away, includes Progressive Car Find to help locate your vehicle in crowded parking lots, and has a Real Panic Sound® alarm. Remote Start with Keyless Entry has the above, plus keyless entry to remotely lock/unlock doors. Remote Start with Keyless Entry and Vehicle Security has all the features of the above, plus a vehicle security system to protect the vehicle and its contents. Comes with two remote transmitters. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. NOTE: Available for automatic transmissions only. Remote Start with Keyless Entry and Vehicle Security may be eligible for insurance discounts in some states/provinces.

Base Part No. 19G364 (19G365 for Securilok®)
