Custom Wheels

Turn the page and discover a complete catalog of great choices to help you personalize your new Super Duty. Engineered by Ford for a perfect fit and long-wearing durability, Genuine Ford Accessories power up your Super Duty for performance that's hard to beat. Their rugged style and dependability make them the right choice for work sites and just seeing the sights, on city streets or country roads. What's more, you can rely on precise professional installation at your Ford dealer and the backing of one of the industry's strongest limited warranties.

Chromed Step Bars. Make your next step a sure step with these best-selling step bars. See page 5 for the custom chromed step bars and our custom black step bars.

Vehicle Security System. On page 9, we offer products that are designed for your convenience and protection. This popular, state-of-the-art system protects your vehicle and its contents.

Molded Splash Guards. Our best-selling splash guards protect against mud, snow and ice. You'll find these and other splash guards on page 8.

Custom Wheels. These Super Duty wheels rock...and keep you rolling in style. Discover a great selection of custom-designed wheels and caps on pages 10-11.

1. Chromed Bug Shield

Stylish chrome-finished bug shield protects the edge of your hood from bugs, small stones and other debris. Easy installation. Base Part No. **16C900**

2. Low-Profile Wraparound Bug Shield

Protect the edge of your hood from bugs, small stones and other debris. Durable smoke-colored acrylic complements any exterior color. Easy to install. Base Part No. **16C900**

3. Manual/Power Sliding Rear Windows*

Provide extra ventilation and comfort. *Manual* windows have privacy/solar-tinted glass to help reduce glare from the sun. One-way tint is also available. *Power* windows open and close using a convenient dash-mounted switch. Base Part No. **422B30**

4. Side Window Deflectors

Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Base Part No. **18246**

5. Custom Chromed Step Bars*

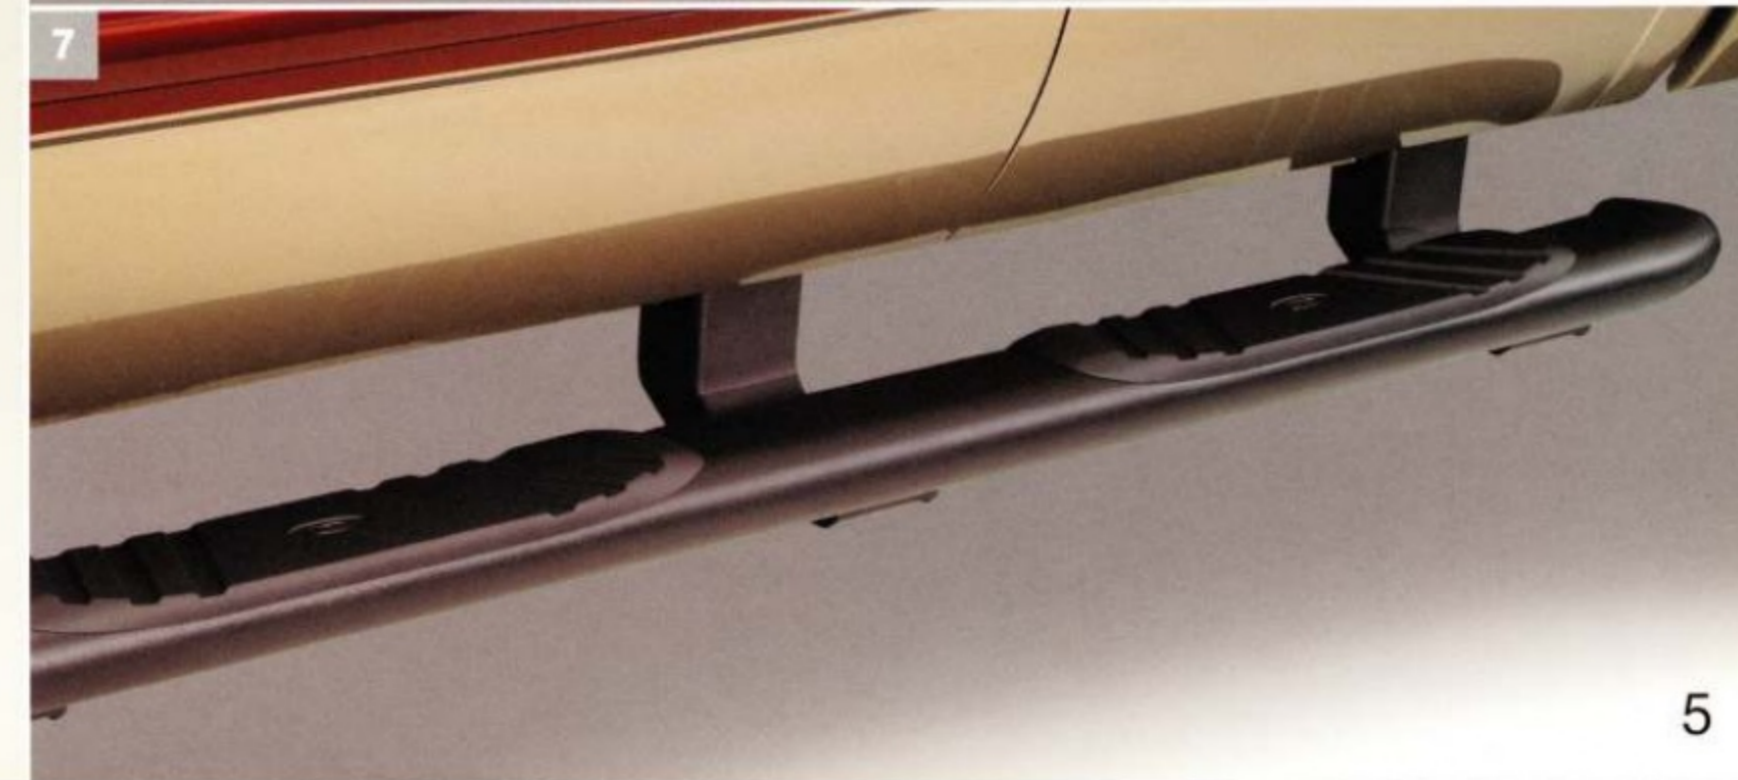

Corrosion-resistant, chrome-plated aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 5" tube diameter. Easy to install; no drilling is required. Base Part No. **16450**

6. Lighted Running Boards*

These original equipment running boards feature lights at both ends to help make it easier to enter and exit from the cab. Lights activate when either a keyless entry fob is used or the vehicle's door is opened. Constructed of a corrosion-resistant, lightweight steel substructure with a durable black plastic cover. Base Part No. **16450**

7. Custom Black Step Bars*

Corrosion-resistant, black-finished aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 5" tube diameter. Easy to install; no drilling is required. Base Part No. **16450**

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

8. Boxtop - Hard Tonneau Cover*

This unique hard fiberglass tonneau cover, manufactured by LEER,[™] dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure storage area. Available in colors to match or complement your vehicle or primed (ready to paint). Base Part No. **501A42**

9. Soft Tonneau Cover - with Snaps

Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. Available in all bed sizes. No-drill installation. Base Part No. **501A42**

10. Soft Tonneau Cover - Snapless

Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Available in long- and short-bed models. Base Part No. **501A42**

11. Soft Roll-Up Tonneau Cover

Uniquely designed, matte black cover has integrated rubber seals to protect cargo against dust and moisture. Automatic tension control maintains perfect adjustment at all times. Tear-resistant, double-sided fabric uses a heavy-duty Velcro[®] hook and loop to keep the cover securely fixed to the side rails of your truck bed. No-drill installation. Available for Styleside 6.5-ft. and 8-ft. beds. Base Part No. **501A42**

12. Sport Liner[™]

Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of the bed's retaining features such as two-tier loading and tie downs. Easy to clean. Fits all bed sizes. Base Part No. **00038**

13. Bedliner*

Conforms to the contours of the vehicle bed. Features the Duraloc[®] cargo restraining system that allows the use of 2x4s to compartmentalize loads or create two-tiered stacking. Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold, mildew and corrosion. In addition, new anti-static materials have been incorporated into the mat's finish to reduce the chance of static-induced sparks. Available in all bed sizes, in black with Ford oval logo. Includes tailgate liner. Base Part No. **00038**

14. Bed Tailgate Liner*

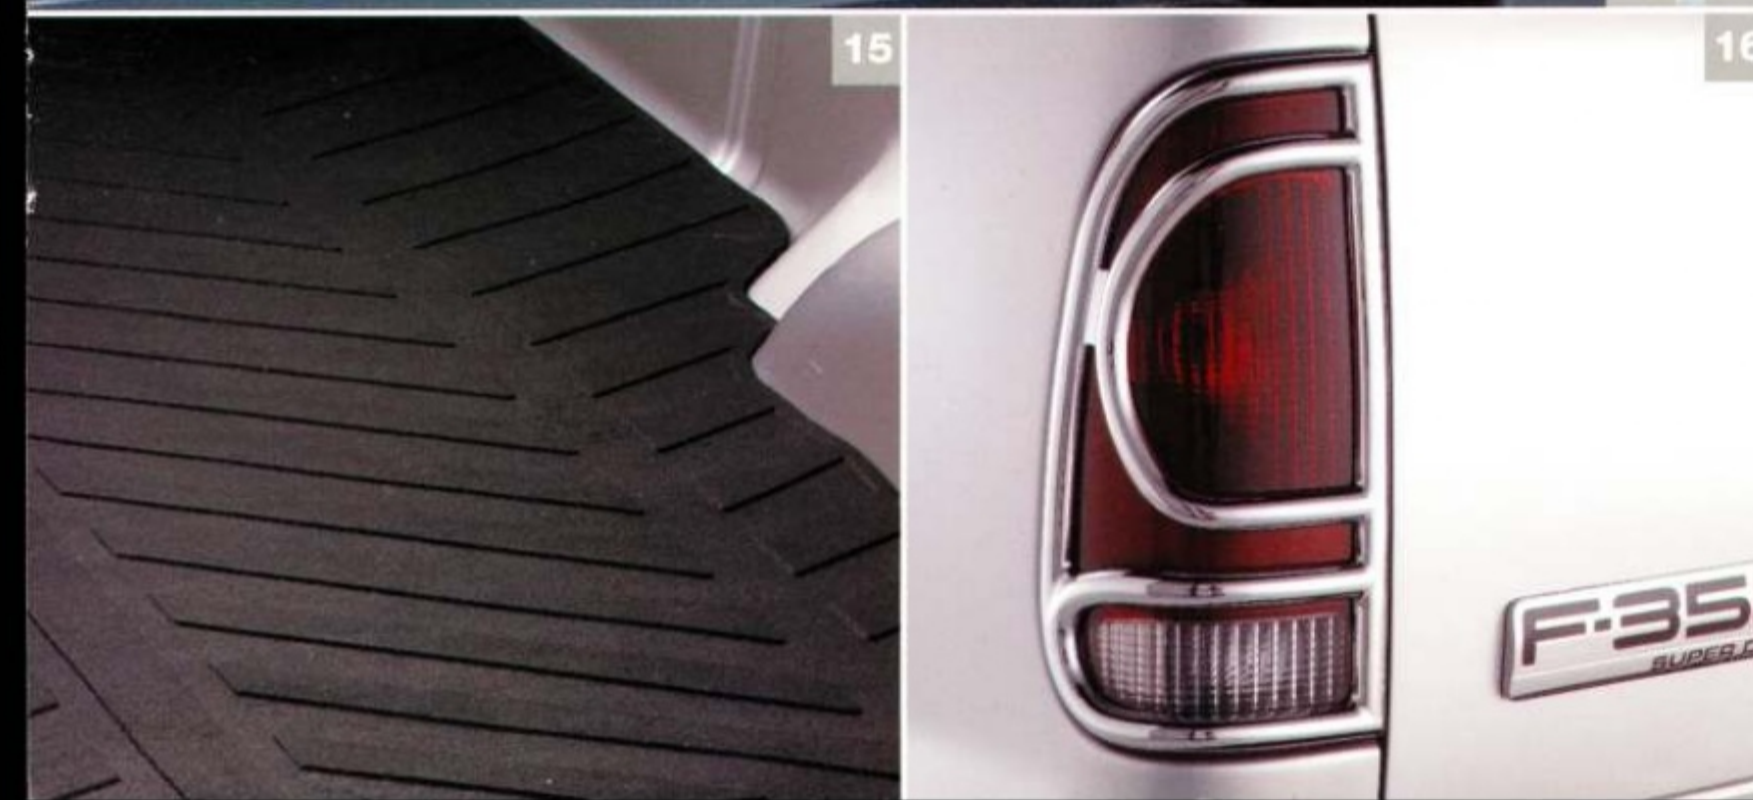

Heavy-duty, black, ribbed, skid-resistant surface. No-drill installation. Available for Styleside only. Base Part No. **000A38**

15. Bed Mat

Custom-designed, heavy-duty rubber mat protects your truck bed. Made of reinforced, synthetic rubber that resists cracking or breaking. Available in all bed sizes. Base Part No. **112A15**

16. Taillamp Surrounds

Add a custom look to any truck. Available in chrome-plated finish only. Easy to install with self-adhesive backing. Base Part No. **13B564**

*Eligible for residualization under a Ford Credit Red Carpet Lease.

17. Molded Splash Guards

Deflect mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty black plastic construction resists cracking. Packaged in pairs for front or rear. Offered for vehicles without wheel lip moldings. NOTE: Specify trim level. Base Part No. 16A550

18. Flat Splash Guards

Guard against mud, snow and ice. Durable splash guards are embossed with Ford logo. Packaged in a 2-piece set. Base Part No. 16A550

19. Flat Rubber Splash Guards with Diamond Plate Insert

Ford Diamond Plate accessories are constructed of heavy-gauge, Brite Tread aluminum with a clear powdercoat finish to help protect against corrosion and discoloration. These extra-wide, heavy-duty guards are available for single and dual rear wheels and front wheels. Base Part No. 16A550

20. Fender Flares*

Constructed of resilient plastic that helps protect your vehicle from stones, gravel and other road debris. Available primed (ready to paint). Easy to install. Base Part No. 16268

21. Telescoping Trailer Tow Mirrors – Manual and Power

Three styles available. **Manual** – When you're towing a load, the mirror telescopes out to help increase your range of vision. When not towing, the mirror slides in for normal range. Mirrors also include a forward-folding feature that helps minimize damage if one of them gets caught while the vehicle is backing out of a garage or other tight spot. **Power** – The same features as our manual mirrors, but the mirror glass features a power adjust. The telescoping feature is still manual. **Power/Heated** – Heated glass is added to minimize snow and ice buildup. NOTE: Power and Power/Heated mirrors are for vehicles equipped with power mirrors only. Not designed as an upgrade. Base Part No. 17696

22. Chromed Exhaust Tip

Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Base Part No. 5K238

23. TowCommand Trailer Brake Controller

Designed to help keep you in control of your truck when towing, this computer control module is integrated with the Anti-Lock Brake System. It synchronizes the vehicle and trailer brakes for seamless braking while towing even the heaviest loads. Easy-to-reach, manual control lever allows you to adjust the gain setting to compensate for changes in trailer, loading or road conditions. Built-in disconnect alarm. Standard 7-pin connector. Dealer installation recommended. Base Part No. 19H332

24. Trailer Hitch Assembly – Class III/IV

Original equipment hitch bolts directly into existing holes – no drilling or welding required. NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details. Base Part No. 19D520

25. Trailer Hitch Balls

Chrome trailer hitch balls available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters. Hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. 19F503

26. Trailer Hitch Drawbars

Designed for 2" receivers. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Durable black powdercoat finish. Refer to your Owner's Guide for towing limitations. Base Part No. 19A282

27. Speed Control

Microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Kit contains a black urethane steering wheel. Dealer installation required. Base Part No. 9A818

28. Mobile-Ease™

Use simple voice commands to dial your Bluetooth™-equipped wireless phone – hands free! Mobile-Ease mutes your vehicle's audio system whenever you make or receive calls and provides hands-free communication using a microphone and the vehicle's audio system. Once paired, Mobile-Ease automatically links with your Bluetooth-equipped wireless phone whenever you get in your vehicle. Visit bluetooth.letstalk.com for available Bluetooth phones. Base Part No. 19G399

29. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors

Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended. Base Part No. 17700

30. Vehicle Security System*

Protect your vehicle – and its contents – with a state-of-the-art security system. Two-step perimeter alarm gives a warning chirp for non-threatening impacts and a Real Panic Sound® if security is threatened. IT-s® (Interior Theft Sensor) uses infrared technology to protect the vehicle's contents. Factory-supplied transmitter remotely locks/unlocks doors and deactivates the alarm. Dome lights are activated for illuminated entry/exit. For vehicles equipped with factory keyless entry. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. 19A361

31. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Three systems to choose from: Remote Start Only can start the vehicle from up to 1,000 ft. (300 m) away, includes Progressive Car Find to help locate your vehicle in crowded parking lots, and has a Real Panic Sound® alarm. Remote Start with Keyless Entry has the above, plus keyless entry to remotely lock/unlock doors. Remote Start with Keyless Entry and Vehicle Security has all the features of the above, plus a vehicle security system to protect the vehicle and its contents. Comes with two remote transmitters. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. NOTE: Available for automatic transmissions only. Remote Start with Keyless Entry and Vehicle Security may be eligible for insurance discounts in some states/provinces. Base Part No. 19G364 (19G365 for Securilok®)

*Eligible for residualization under a Ford Credit Red Carpet Lease.

Overhead Accessories

The Lariat F-250 and F-350 come factory-equipped with an overhead mini console, which accommodates any of these convenient accessories. They slide right in – no tools necessary! (Console accommodates one accessory.)

NEW 20" Polished Forged Aluminum Custom Wheels*

Now the rugged new 20's are available at your local Ford dealer! Hammered out by an 8,000-ton press, these hot-forged aluminum wheels by Alcoa are fully machined from one-piece billets and complemented by a polished, high-luster finish. Wheels display "Alcoa Forged" machined at outer edge. Designed specifically for your vehicle, these custom wheels meet Ford's rigorous appearance, durability and corrosion-resistance requirements. Fits 2005-2006 F-250/F-350, 4x4, single rear wheel, with wheel bases longer than 142". Does not include center cap or lug nuts.
Base Part No. 1007

36. 5C3Z-1007-EA
20" X 8" High-luster polished forged aluminum, flared, 6-spoke (flangeless) style.

37. 5C3Z-1007-V
20" X 8" High-luster polished forged aluminum, wide, 5-spoke style.

38. 5C3Z-1007-SA
20" X 8" High-luster polished forged aluminum, grooved, 5-spoke (flangeless) style.

39. 5C3Z-1007-RA
20" X 8" High-luster polished forged aluminum, riveted, 5-spoke style.

40. 5C3Z-1007-TA

42. 5C3Z-1130-YA
Rear – Chromed Center Caps
Set of two for rear chromed center caps with Ford logo. Fits all versions of the Super Duty 20" Genuine Ford Accessories wheels.

44

45

43

43. Wheel Locks
For added protection against wheel theft, replace one lug nut on each wheel with one of these locks. Kit includes four locks and key.
Base Part No. 1A043

44. All-Weather Vinyl Floor Mats
The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Front mats (featuring Super Duty logo) available for Regular Cab; 4-piece kit available for Super Cab and Crew Cab. In colors that complement your vehicle interior.
Base Part No. 13086 Front
Base Part No. 13300 Four-piece set

45. Carpeted Floor Mats
Premium-grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Front mats (featuring Super Duty logo) available for Regular Cab; 4-piece kit available for Super Cab and Crew Cab.
Base Part No. 13086 Front
Base Part No. 13300 Four-piece set

*Eligible for residualization under a Ford Credit Red Carpet Lease.

YOUR SUPER DUTY. YOUR STYLE. YOUR ACCESSORIES.

Genuine Ford Accessories are the driving force that make your Super Duty your own. Discover the quality difference...

Great Choices. Manufactured to meet Ford's high quality and safety standards, Genuine Ford Accessories offer everything you need to enhance your comfort level, add convenience and complement the vehicle's rugged style.

Ford Factory Tested. Because they're engineered by Ford Motor Company specifically for Ford vehicles, Genuine Ford Accessories blend seamlessly with the Super Duty's body design, electrical system and mechanical specifications.

Professional Dealer Installation. When Genuine Ford Accessories are installed by your Ford dealer, you can count on a precise fit and skilled service.

Enhanced Value. By choosing to personalize your new Super Duty with Genuine Ford Accessories, you're protecting and improving the value of your vehicle, and potentially increasing its resale value as well. Genuine Ford Accessories help preserve the Super Duty's appearance, its functionality and its "fun" factor! The Red Carpet Lease residualization plan also can make your vehicle more valuable when your lease ends (see below).

Strong Warranty Protection. Genuine Ford Accessories are covered by the same outstanding warranty as your new Super Duty (see below).

Limited Warranty Information. Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessories found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit: ■ 12 months or 12,000 miles/20,000 km (whichever occurs first), or ■ The remainder of your New Vehicle Limited Warranty. Contact your dealer for details and a copy of the warranty. **Red Carpet Lease.** Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details. **ESP PremiumCare Plan.** Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details. **NOTE:** The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
